RE: PAUL COBB

Information was received that PAUL COBB taught a course in Negro history at St. John's Episcopal Church, Berkeley, California. It was reported that at one of these sessions, he stated that he knew MARTIN LUTHER KING was going to be killed and that he would probably be killed near Memphis, Tennessee.

Efforts were made to contact Dr. ROBERT MC KINZIE at St. John's Episcopal Church and it was determined that he was associated with St. John's Presbyterian Church. However, inquiry at St. John's Presbyterian Church revealed that he would not be available until April 29, 1968. On April 29, 1968, it was determined that he would not be available until April 30, 1968.

On April 30, 1968, Dr. ROBERT MC KINZIE, St. John's Presbyterian Church, 2640 College Avenue, Berkeley, California, advised PAUL COBB gave a series of lectures on Negro history at St. John's Presbyterian Church ending on March 31, 1968. He stated COBB could be located at 2717 San Pablo Avenue, Oakland, California.

REC- 69

On April 30, 1968, inquiry was made at 2717 San Pablo Avenue, Oakland, California, the headquarters of the Oakland Economic Opportunity Center. Upon entering the large room at 2717 San Pablo Avenue, it was observed there were ten female Negroes and seven male Negroes in the room and one female advised PAUL COBB was "right there" and pointed to a young man about five

feet from her desk. COBB overheard the conversation but he continued a conversation with five females in a circle around the desk and completely ignored SA DONALD EDWIN JONES.

After more than five minutes COBB asked who the Agent wanted to see. It is noted there were numerous large posters, 12 x 18, pasted on the walls and desks in the office of BOBBY HUTTON and notices or lettering on the posters "Killed by racist Oakland pigs." A number of the persons in the room were attired in the customary dress of the Black Panthers and numerous material for the Black Panthers was observed. The Agent identified himself to COBB and stated he wanted to talk to COBB briefly. He offered a chair in the room with all the others and when SA JONES suggested some privacy he said, "Let's go on the street." In front of 2717 San Pablo Avenue, COBB again demanded the Agent's identification and he studiously observed the credentials, obviously aware of his audience within the building. SA JONES told COBB of his purpose in talking to COBB regarding the MARTIN LUTHER KING assassination in which he may be able to be of some help. COBB immediately said, "Let's go your car and sit down." At this point an individual stopped COBB and SA JONES on the street. This individual was dressed in a black leather jacket, a green beret, with Black Panther buttons on both beret and jacket. He stated to COBB, "Let me talk to you a minute brother." COBB told him he would be back in about five minutes.

In the Bureau automobile COBB stated he did not want to talk to the FBI and felt harassed by the FBI, stating he believed the FBI had been "following him for several weeks." SA JONES related to COBB that the FBI had received a complaint that he, COBB, had made a statement during a series of lectures at St. John's Presbyterian Church that MARTIN LUTHER KING would be killed soon and would be killed in Memphis, Tennessee. COBB replied, "I made that statement on Sunday night before KING was killed on Thursday. I did say KING would be killed in Memphis and I have good evidence to support my prediction." At this point COBB stated, "I want to take the Fifth Amendment and I won't give any further information to the FBI." When asked for the reason for this COBB stated, "The FBI already knows the white killer of KING and has him in custody." SA JONES then displayed a photograph of JAMES EARL RAY, aka ERIC STARVO GALT, to COBB and he viewed the photograph without comment.

At this point COBB stated, "The FBI knows my record and I am certain you are not here about KING but here to harass me." It was again explained to COBB that the FBI was pursuing every possible lead to locate the assassin of MARTIN LUTHER KING and had an interest in his statement that KING would be killed in Memphis, which according to COBB was made before the fact. COBB then stated the FBI knew he was a roommate of STOKELY CARMICHAEL at Howard University and he

stated, "I have been in Memphis and I have been in jail with MARTIN LUTHER KING." COBB would not say when he had been in Memphis or when or where he had been in jail with Dr. KING. COBB then stated, "You cats have my phone bugged so you know what I'm doing." He then made a comment that "since you know what I'm doing, I'm sure you'll see me on Thursday." When asked what this statement meant, he said, "Wait and see. I'm sure you'll be back to see me on Thursday."

COBB made other comments during the conversation which are worthy of note. COBB stated all whites should go to Alaska and turn the other 49 states over to the Negroes who have "sweat and died" for the United States. He stated he is not a citizen of the United States and when asked where he was born said in the United States but that "I am not a citizen of the United States." He said he planned to go home to Africa and should have gone long ago. He stated he "should have known better than to enroll in a PhD. program at the University of California, Berkeley."

Upon leaving the area, COBB was observed entering the door to an apartment area immediately next door to the Economic Opportunity Center and since he was using a key to admit himself, it is presumed this is his residence.

San Francisco is opening a 157 case on PAUL COBB. All background information regarding COBB will be obtained and investigation will be conducted to determine COBB's relationship, if any, with the Oakland Economic Center.

UACB, San Francisco will not reinterview PAUL COBB regarding the remarks he was alleged to have made in view of the fact that he stated, "I want to take the Fifth Amendment and I won't give any further information to the FBI." In view of the present situation involving Black Panther members who are presently awaiting criminal trials in Oakland, California, it is believed that COBB could and might use the Bureau's effort to recontact him as a source of embarrassment to the Bureau and unfair publicity.

Dear Mr. Hoover:

I regret to report that my letter of April 22, 1968 has not been acknowledged either by you or your agency.

Due to the fact I did not receive your proper authorization to investigate on behalf to the suspected assassin of Rev. Dr. Martin Luther King, Jr. it is now without doubt whatsoever entirely too late to retrace the true evidence before me sometime ago.

If I may, I wish to reiterate my statement in more complete detail sent to you, but obviously ignored: On Thursday April 18th 1968 at approximately 6:40 P.M. I personally met and passed a man bearing almost identical description to the one released by your office on Galt-Ray. I was quite shocked at this encounter. I continued to walk down this street for almost a block. I decided to turn around and see if I could further prove to myself that this was really the "wanted man". Lo and behold, I again met him coming in the opposite direction than seven minutes previously. He was dressed very neatly and was carrying a black brief case under his arm. He even looked worried at this instance. I kept him under surveillance until he disappeared into a new apartment building. I wanted to follow the man, and also make an inquiry at the apartment house, but I have no police or other authority to investigate, especially criminals of Rays' standing. I came very close to calling your office immediately and making a complete report, but something seemed to tell me that you would only drop the inquest and place me on the list as only; "Another 'nut' trying to get publicity and at the same time misleading the F. B. I. in their investigation".

I have only one more thing to say Mr. Hoover. I absolutely do not have any intention in disgrading your Department in any way whatsoever. I am only offering my sincere services to do all within my limited powers to help in the fight against crime and disorder in our country today.

I honestly believe that all murderers should be brought to justice and properly prosicuted, and there should be no rules or regulations forbidding certain law abiding officers to apprehend them.

I would appreciate your prompt acknowledgement to this important matter regardless of whether you believe in me or not. Someday I hope to prove my report correct.

Thank you Mr. Hoover.

Very Respectfully yours in
Law and Order for All

William O. Wood

Major Schofield, OSI Dist 30, advised that he had received information from the ~~Albrook~~ ^{Howard} AFB, CZ, authorities that a man roughly meeting the description of the assassin of Martin Luther King, Jr., has been on the base for several days attempting to enlist in the Air Force. The base authorities indicated his explanation as to how he came to be in Panama was somewhat questionable. He lists his name as Anthony Worobgy and claims a home address of Route #3, Box 1532 Okeechobee, Florida. He is caucasian, 72 $\frac{1}{4}$ inches in height, weighs 151 pounds. DOB is [] and place of birth is Seattle Washington. Social Security Account Number is [] and Selection Service Number is 27, local board, Portland,

Oregon. The following scars are known to exist:

- #1. Surgical scar right lower quadrant; appendectomy in 1960, 3 inches.
- #2. 8" scar that supposedly resulted from surgery following gun shot wound in February 1958. According to the man, the surgery was done at the Miami General Hospital, Miami, Florida. The medical people have checked and there is no Miami General Hospital. There is a North Miami General Hospital but it did not exist when the operation allegedly occurred in Feb 1958.

Re Atlanta airtel to Bureau dated 4/18/68, and Los Angeles letter to Sacramento dated 4/26/68 (IO).

Re Possible Mental Condition of Subject RAY

On 5/2/68, CHARLES LUNDHOLM, Bureau of Viostatistics, California State Department of Mental Health, Sacramento, California, advised they had no record of subject RAY or his aliases ever having been a patient in any of the mental institutions back to 1922. This would also include committed alcoholics.

LUNDHOLM advised that this would not be a complete record for the State of California inasmuch as about 2/3 of the counties in California have their own Inpatient, Outpatient and Rehabilitation Centers where one could go on his own volition. The names of all these individuals are not submitted to the state. He said it was possible that counties could have central indices but did not know whether the indices would be by name or file number.

SC 100-427

Whether counties in all states have their own facilities as they do in California is not known, but those that do, a check would have to be made at county as well as state level to be all inclusive.

Above is being submitted as a suggestion and checks on county level will be held in abeyance so that the Bureau and Office of Origin may offer additional observations if deemed advisable.

LUNDHOLM furnished a Statistical Bulletin No. 39 dated 3/14/68, wherein each county having inpatient, outpatient or rehabilitation types of service is listed as well as the number of each. It may be noted that Los Angeles County has 243 such centers.

Los Angeles, San Diego, and San Francisco are being furnished two copies of this bulletin in the event counties listed thereon are to be contacted.

Re: Milwaukee airtel to Miami, 4-20-68.
Miami airtel to Memphis, 4-29-68.

Referenced Milwaukee airtel furnished information received from an individual in Milwaukee, Wisconsin, who advised that on 3-28-68, while at the Sun Castle Motel, Pompano Beach, Florida, an establishment operated by a former FBI agent, he and his wife chanced to deal with a bellboy in the motel who apparently left the motel shortly after 3-28-68, and traveled to Tennessee to accept work as an electrician in an unknown city in Tennessee at a salary of \$500.00 a week. The individual providing the information believed the salary sounded absurd and after viewing photographs of JAMES EARL RAY, both he and his wife felt the bellboy resembles RAY's description and photograph.
