Dear Mr. Officer:

If my concepts are true (and I think in this particular case) they are and its terribly dangerous for an individual to possess, but I wish you can solve this late assassanation at Memphis.

I'm giving to give you my view on this page and charging our Government 1 million dollars for it (if you use it) & my name must never be told publicly. If you care to use my theory, please do so within a mo., also pay me within that time.

Of the 6,000,000 Jews in this country, there are about 1 and 2/5 million of them who will never assimilate here with Christians, but intend to teach all Christians that they were created to serve Hebrews as slaves, financially. E

If they want a murder committed, it only cost them \$1,000 and a 1 way jet ticket to a communist country. You can see that, if that is true, you will, probably, never know what individual who pulled the trigger-- Do you know who shot the Hungarian who had a \$17,000 a yr. job with the U.N. and was ready to testify.?

Thank you,

- K271 Three pieces of paper each bearing three sample laundry tapes, Serial No. 33607, obtained from Colesville Cleaners, Silver Spring, Maryland**

- K274 White card bearing three sample laundry tapes obtained from Morningside Laundry, Hyattsville, Maryland**

Result of examination:

It was concluded that the machines used to prepare specimens K271 through K274 were not employed to prepare the laundry tapes appearing on Q69 and Q70 and that the machines designated K272, K273 and K274 were not used to prepare the laundry tapes appearing on Q97 and Q99. Differences were noted between the laundry tapes represented by K271 and those appearing on Q97 and Q99 but the lack of identifying features precluded a definite opinion from being reached.

K271 through K274 have been retained.

On 'Most Wanted' List FBI Pushes Search For Ray - Galt

WASHINGTON (AP) — What may be the nation's most intensive manhunt gained fresh pressure Saturday when the FBI placed on its "most wanted" list a fugitive convict accused of murder in the assassination of Dr. Martin Luther King Jr.

James Earl Ray, a 40-year-old habitual criminal, is being hunted by police from border to border and beyond for the April 4 sniper slaying in Memphis, Tenn., of the Negro civil rights leader from Atlanta.

The FBI always has limited its list of most wanted criminals to 10 names but Saturday it lengthened this roll of dishonor to 11 by adding Ray, a white loner known also by the name of Eric Starvo Galt and by six other aliases.

In addition to a state first-degree murder warrant issued in Memphis, Ray is wanted on federal charges of conspiracy to deny Dr. King his civil rights and of flight to escape confinement. The latter traces to his April 1967 escape from Missouri prison at Jefferson City where he was starting his eighth year on a 20-year sentence for armed robbery.

In announcing the unprecedented step of adding an 11th name to the "10 most wanted" list, FBI Director J. Edgar Hoover announced it was done "to insure the widest possible dissemination of Ray's photograph and description to help effect his earliest possible location."

On Thursday, when Ray still was being sought under the name of Galt, the FBI filled a vacancy on the list with another name. When asked why Galt wasn't the nominee at that time a spokesman explained the main purpose of the listings is "to attract publicity for a guy you're looking for—and in this case there's been plenty of publicity."

But Hoover obviously decided more public attention was in order.

As usual, the FBI is appealing to the public for help in spotting its man and—as usual—gives implied warning against any effort by a plain citizen to apprehend the criminal unaided.

The official language puts it this way:

"Ray should be considered armed and extremely dangerous. Anyone with information concerning this fugitive is requested to immediately contact the nearest office of the FBI, the telephone number of which

Reportedly a native of Illinois, Ray is described as about 5 feet, 10 inches tall, weighing from 163 to 174 pounds. He has blue eyes and brown hair usually worn short. Forehead and right palm bear small scars. His nose is narrow and straight, teeth even. And he has a noticeably protruding left ear, the lobe of which he reportedly tugs at when nervous.

By way of further help in the search which the FBI described Saturday as "massive and intensive", Ray is reported to speak in a "rural" manner and in a fashion indicating limited education. He is described as neat in dress and as an avid dancer with a taste for vodka and beer.

In addition to armed robbery, Ray has been convicted of burglary, forgery of a postal money order and unauthorized use of a motor vehicle. He has been confined in the Los Angeles County jail, two state prisons in Illinois and the U.S. penitentiary at Leavenworth, Kan.

During nearly three years in the Army he received a three-month sentence for drunkenness and breaking arrest. He was discharged in December 1948 for ineptness and lack of adaptability to military service.
