previously from Columbus, Ohio visited he and his wife. After departing their residence, he returned East traveling through the state of Texas. It is Mr. SEAMAN's recollection that GUY MARINI telephoned he and his wife from Texas during the middle of December, 1967. The present whereabouts of GUY MARINI is unknown to Mr. SEAMAN.

On 5/7/68, PAMELA DOBERSTEIN, 4095 Hatton Drive, San Diego, California, advised that she and her parents reside at this address and have telephone number 279-1714.

According to PAMELA DOBERSTEIN, she has an uncle, a brother of her mother, named NORBERT VILLAFLO, who formerly resided at Orange Street, Vidor, Texas. Miss DOBERSTEIN recalls the family received a telephone call from NORBERT VILLAFLO during the middle of December, 1967.

The present whereabouts of NORBERT VILLAFLO are unknown to Miss DOBERSTEIN and her family since he has departed Vidor, Texas.

Photographs of RAY were displayed to PAMELA DOBERSTEIN and RUDOLPH SEAMAN and both advised the subject is unknown to them.

The following investigation was conducted by SA HERBERT H. BUTLER on 5/7/68:

On 5/7/68, SOLEDAD GONZALEZ, 183 Star Route, Valley Centre, California, advised her parents, MATTHEW and EVA CARRILLO, reside adjacent to her and that telephone number 745-1548 is assigned to their residence. She further stated that her brothers, [REDACTED] and RICHARD CARRILLO, ages 17 and 19, and her sister, MARIA, age 21, also reside at her parents' residence.

On 5/7/68, EVA CARRILLO advised she is unable to speak English and consequently was interviewed with the assistance of her daughter, SOLEDAD GONZALEZ. Mrs. CARRILLO stated that she generally is the only individual in the household during daylight hours and that she is unable to recall having received a telephone call from Texas in December, 1967. She stated, however, that it is possible that she did receive such telephone call and is unable to

SD 44-387

recall it. She further advised that if the caller had spoke in English, she would have been unable to correspond and would have consequently quickly terminated the conversation and probably not recall it. Also, that if the caller had dialed a wrong number, she probably would not recall this.

All the members of the CARRILLO household consisted of JOSE, RICHARD, MARIA, and Mr. MATTHEW CARRILLO were interviewed and all advised that they have no recollection of receiving a telephone call from Texas in December, 1967. When questioned regarding friends, relatives, and associates possibly residing in the state of Texas, they all advised they have relatives residing in El Paso, but that since they are on an extremely low economic level, they do not believe they would have attempted to telephone them.

MARIA CARRILLO, upon interview, stated that during the latter part of December, 1967, including December 17, 1967, her brother, ANTONIO CARRILLO, a Catholic priest from Mexico, was visiting with her and her family and that the possibility exists that he received the telephone call. She stated he is currently residing at Casa Parroquial, Tenajapa, Chiapas, Mexico.

An additional copy of this airtel is being furnished the Bureau for transmittal to Legat, Mexico, so that Father, ANTONIO CARRILLO, presently residing at Casa Parroquial, Tenajapa, Chiapas, Mexico can be contacted to determine if he received a telephone call during the middle of December from the state of Texas while visiting his sister at Valley Centre, California.

A photograph of subject RAY should be displayed to Father CARRILLO to determine if subject RAY is known to him in view of the fact that subject RAY has a past history of travel to Mexico.

OO: MEMPHIS (44-1987)

In connection with the captioned case there has been speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from books by Ian Fleming and from a book "Atlas Shrugged" by Ayn Rand. This speculation is based on the fact that in the James Bond books by Ian Fleming there is a character named Ernst Stavro Blofield and in "Atlas Shrugged" there is a character named John Galt, as well as one named Eric Starves. Ernst Stavro Blofield is a formidable person, John Galt is a "SOCIAL CRAP OUT" and Eric Starves is described in the book as a "whiner" from a low-class family.

In view of the above and in order that Agents handling this investigation can be alert to the possibility of Ray's utilizing the alias based on characters in Fleming's books, there is set out as an attachment to this airtel a list of various characters in those books for your assistance.
