1. Further to F.B.I. request made on the above noted date, please be advised of the following.

2. Checks were made at the address where GALT reportedly had resided, 2589 Notre-Dame East, Montreal, P.Q. This address is for the "HARKAY" Apartments. The janitor at Harkay Apts, one Roland RACICOT, was interviewed. With his permission, a perusal of the room ledger was made. Although GALT's name did not appear on any room sheet, on the reverse side of page number 3 (which stands for room #3) was found the following: "Eric S. GALT, 507 Chestnut Street, Kansas City, Mo.". On the front appeared the names Mr. MECKLIN, SEPT 4 to OCT 4 - moved, also MANIA FEB 3 to MAR 3 - changed to Apt #4. The dates for MECKLIN are for 1967 and the dates for MANIA are for 1968. When further questioned with regards to the Register, leases and any other information, Mr. RACICOT informed me that he had taken over the job only at March 1st 1968. He informed me that the former janitor, Morris QUINTAL, was no longer in the area, but that his present whereabouts could be obtained from the Manager, one Harry ROTHMAN.

3. Mr. H. ROTHMAN, 11 Halthom Road, Hampstead, Quebec, phone 488-8525, was telephonically contacted at his office in Pont Viau, P.Q., at 669-1721. Mr. ROTHMAN informed me that Morris QUINTAL could be contacted c/o Hi Neighbour Floor Covering Inc., 557 Wyandotte, East, Windsor, Ontario. When questioned further, Mr. ROTHMAN sounded hesitant and unsure. He claimed he had no knowledge of any lease signed by GALT or any further information.

4. As a result of our conversation with ROTHMAN, Sgt. CARREAU of our "O" Division, Windsor Detachment, was contacted by phone. It was requested that QUINTAL be interviewed and any possible information concerning GALT be obtained.

16 APR 68

5. On the above date, newspaper clippings from "The Gazette" and "La Presse" along with a composite picture of GALT and the ledger sheet with GALT's name and a US address were forwarded by Air Canada to Windsor.

17 APR 68

6. On the above date, the results of the interview with QUINTAL were received from Cst. HARTLAND of Windsor Detachment. Same are as follows: the interview was held with QUINTAL at his residence at approximately Midnight of the 16-4-68. QUINTAL advises that GALT rented apartment 18 for approximately one to one and a half month from August to September 1967. QUINTAL believes a lease was signed and same should be

in the possession of ROTHMAN.

7. GALT's physical description as given by QUINTAL is as follows: 5'6", 160 lbs, black hair combed backwards on an angle and not receding. He has a light complexion, shallow face and gave the appearance of being thin. He appeared to be 32 to 35 years of age. QUINTAL advised he would recognize GALT if he ever saw him again.

8. During his stay at the Harkay Apts, GALT was a quiet man who kept to himself. He only had two visitors that were noted by QUINTAL. Both were female and were together. The only description of these subjects that could be obtained is that they were elderly women between 40 and 42 years of age and one had black hair and the other had reddish brown.

9. With respect to mail, only two letters were received during his stay. One was from a US address but no information was available regarding this letter. The other was from Tip Top Tailors here in Montreal. From the information obtained from QUINTAL, GALT had ordered a suit there and this was a notice to pick it up. This information is presently in the process of being verified.

10. GALT claimed to have been working at Expo '67. This possibility was checked with negative results. Mr. R. MADORE, Personnel Manager for the C.C.W.E., was interviewed; a check of his records was made for the name of GALT and also John WILLARD, Harvey LAWMEYER and Eric STERVO which are known aliases. As previously mentioned, these were non-resultant. Mr. J. TRAYNOR of Expo Security was also interviewed and the aforementioned names were again verified with the passes issued to Expo employees both full and part-time. Checked were the press passes (both permanent and temporary), the permanent work passes and the temporary work passes. Again, this met with negative results. This does not exclude the possibility that GALT was employed by a private concessionaire; however, these types used a blanket pass for their employees and without the name of the concession or concessionaire, it is impossible to trace.

11. The possibility that GALT was driving a car in this area was also covered. QUINTAL claimed GALT asked if there were any parking spaces at the apartment. When QUINTAL told him there were, however, that they were \$20.00 a month, he declined. GALT asked if there were any other places for rent and he was referred to a local Shell and/or Esso Service Station. QUINTAL never saw the vehicle if there was one, therefore could add nothing further in this respect. Checks were made at Charlebois Shell, 2515 Notre-Dame East and at Michel Catala Texaco at 2508 Notre-Dame East with negative results. In either place, no receipts were given and due to the huge number of cars that were handled during this period, no one could recall either the subject or any particular auto with US plates. Enquiries along this line are being continued.

12. With respect to GALT's name and a US address appearing on the reverse side of Ledger sheet #3, QUINTAL could add nothing further. He did not know why they appeared there but is reasonably sure that this is GALT's handwriting.

13. When GALT left Harkay Apts, he said he had to return to the US to look after some sick relative. He left around the 2 SEPT 67 and in so doing, forfeited the deposit he had placed on the apartment. This amounted to approximately \$90.00.

14. There is a possibility that the two women mentioned in paragraph 7 of this report would be Mrs. Rita STEEN, 5666 Franklin, Los Angeles, California and Mary DENINNO, 5533 Hollywood, Los Angeles, California. According to QUINTAL, these women and GALT had a party in his room. The next morning, one left and the other stayed on with GALT for a few days.

15. Record checks were made with both the Q.P.P. and M.C.P.; however, same met with negative results. A check of the surrounding area was made on the 13 APR 67 however with no results.

16. A photo of GALT is being forwarded by the F.B.I. to our Windsor Detachment for QUINTAL's identification. Also, it is requested that QUINTAL supply us with the names of any persons who resided in apartments #17 and #19 while GALT resided at the Harkay Apt.

17. Investigations in this matter are still being conducted at Tip Top Tailors, with the Manager of Harkay Apts and with QUINTAL. Various parking facilities in the area of the apartment are also being checked.

18. All leads will therefore be looked into as soon as possible with a further report to be submitted. A copy of this report is sent to Windsor Det.

...in Kentucky and Ohio yesterday. Twisters also hit two towns in Michigan, causing property damage but no fatalities.

The death count stood at 13 with scores injured and hundreds homeless. There were five victims in the Wheelersburg, Ohio, area, five in Falmouth, Ky., and two near Cincinnati.

"We were going through a taste of death right there," reported Henry Dance, 77, a Falmouth resident who was at home with his wife.

"It sounded like a clap of thunder," he said, "and then the roof began to fall. We fell down by the divan and part of the floor fell on us. The Lord saved us, that's all."

A residential area of about six square blocks bore the brunt of the storm in Falmouth, a community of 2,600 in northern Kentucky. The business section of town was largely spared.

Falmouth Mayor Max Goldberg said about one-third of the small farming community was destroyed.

STRAPHANGING IN NEW YORK, Montreal's Mayor Jean Drapeau, wearing glasses, joins New York Mayor John Lindsay on a subway excursion. Drapeau is in U.S. promoting Man and His World exposition at last year's Expo site.

LINDSAY, DRAPEAU JOIN STRAPHANGERS

NEW YORK (UPI)—New York Mayor John Lindsay took Montreal Mayor Jean Drapeau on a subway ride yesterday from city hall to 42nd St.

Lindsay and Drapeau left city hall by a rear exit to avoid about 1,500 demonstrators protesting rent increases in middle-income housing projects, but they were confronted by two demonstrators in the subway.

Mrs. Esther Glazer and Mrs. Esther Busman said they were surprised to see Lindsay on the train. Mrs. Busman—who was carrying a sign which read "no-no-no increase"—said: "We expected him to be inside city hall meeting with our delegation."

Drapeau is visiting New York to promote Man and His World, the son of Expo.

He was no stranger to New York's subways. He said he had ridden on them over the past several years and they are "very fast and very convenient."

Lindsay, who has ridden Montreal's subways, was asked by newsmen to compare the two systems.

"Montreal's is a bit different. It's brand new for one thing," he said. He added that Montreal's trains run on rubber wheels and are quieter than New York's.

The two men parted at 42nd St. and Lexington Ave. Lindsay bid Drapeau "bonne chance." Drapeau went to a meeting in connection with his promotion tour.

On 4/24/68, JACK LEONARD DOUGLAS, NYC cab driver, Hack License # 78379, was interviewed at his home, 361 E. 56th St, Brooklyn, NY, at which time he related that while driving a cab about two months ago, he picked up Dr. MARTIN LUTHER KING, a colored aide and a very attractive white woman at the International Hotel at Kennedy Airport, at around 7:00 to 8:00 pm, who he transported to the Passenger Departure Terminal of La Guardia Airport, NYC. He stated when they arrived at the airport, Dr. KING's aide left the cab with their luggage and walked into the airport. He stated that KING, while still in the cab, fondly embraced and kissed the white woman in a passionate manner. He stated that KING then left the cab and he drove the white woman into Manhattan to a town house which he believes was located somewhere between 50th and 80th Street and Madison and 1st Avenue. He stated that he recalls that this building was on a street running west and it was on the left side of the street with a wrought iron fence around the front. He stated that the building was 3 to 5 stories at the most. DOUGLAS stated that he is of the opinion that if he could see his trip sheets he could identify this trip because he is of the opinion that he listed the International Hotel when he picked up KING, when he normally only lists Kennedy Airport.

On 4/26/68, ARNOLD J. JACOBSEN, Treasurer of Continental Cab Co, 2222 Tilden Ave, Brooklyn, NY, made available the trip sheets of all drivers from 1/1/68 through 3/31/68.

The trip sheets for JACK DOUGLAS were pulled and reviewed and no trip could be located from International Hotel, Kennedy Airport to La Guardia and on to the east side of Manhattan.

JACK L. DOUGLAS came to the Continental Cab Co and reviewed all of his trip sheets from 1/1/68 to 3/31/68 and was unable to locate the trip where he transported Dr. MARTIN LUTHER KING, his aide and the white woman. DOUGLAS was unable to furnish any additional information that would assist in identifying this white woman. He further stated that he has no reason to believe that she had anything to do with the murder of Dr. MARTIN LUTHER KING, but if he should see this woman in the future he would make attempts to further identify her and make this information available to the FBI.

RE: SUSPECT JAMES ALLEN SMITH

Re Dallas airtel to Bureau, 4/16/68.

The following investigation was conducted by SA
EARLE HALEY:AT FORT WORTH, TEXAS

On 4/25/68, MR. FRED FICK, Attorney, 202 Burk Burnett Building, furnished the following information:

He has known JAMES ALLEN SMITH for about two years. SMITH has been in a lot of trouble and has a long arrest record. In the summer of 1967 SMITH was in the Tarrant County Jail on four charges of burglary, forgery, and theft. He contacted FICK on several occasions to represent him and get him out on bond. SMITH could not raise any money and finally raised a total of \$400. FICK had set a fee of \$700. SMITH told FICK he owned some property in Houston and had some assets in Houston and if he could get out he could easily raise the other \$300 and pay him in full. FICK finally agreed to make the bonds and SMITH was released. He talked to SMITH after he was released from jail. SMITH was going to Houston and liquidate some assets and pay FICK the balance of his fee for making his bonds. FICK never saw or heard from SMITH until 2/29/68, when he read in the paper that SMITH was arrested with WALKER MARK FLANAGAN, well known Fort Worth police character, in Dallas. SMITH and

(FLANAGAN) were immediately taken to Houston, Texas, to face a number of (burglary) charges. (FICK) went to the District Attorney's Office in Fort Worth to get off the bonds of (SMITH) and learned that SMITH had been cooperating with law enforcement officers to get evidence on MARK FLANAGAN. (FICK) did not plan to make any bond for (SMITH) in Houston, Texas. The District Attorney in Fort Worth and Houston, along with state officers asked his assistance in this matter, and he made bond for (SMITH) in Houston on or about (3/4/68). He has not seen nor heard from (SMITH) since then. He has tried to locate (SMITH) through all known contacts in Fort Worth but has not been successful. He had heard rumors that (SMITH) might have been killed (for cooperating with officers regarding MARK FLANAGAN). He has also heard that (SMITH) is using this as an excuse to lay low. (FICK) related that (SMITH) is a chronic liar, boastful, and exaggerates stories about himself. He stated (SMITH) is a low-life police character and will do most anything to raise a few dollars. (FICK) had never heard of (SMITH) having any dealings with MARTIN LUTHER KING and never heard (SMITH) mention "South Christian Conference." He has talked about everything else but this matter to (FICK). (SMITH) claimed he could do nearly anything on earth. (FICK) did not trust or believe (SMITH) very much prior to last time he made bonds for him. He stated at this time he would not believe (SMITH) "on a stack of Bibles." (SMITH) has been involved in car thefts but (FICK) never heard of him being involved in Georgia or deep South. (FICK) is still trying to locate (SMITH) as they have indicated they would call his case in Houston, Texas, in the near future. (FICK) related if he should receive any information as to the whereabouts of (SMITH), he would notify the Fort Worth RA.

(MR. H. J. COBB) Deputy Sheriff, was contacted on 4/29/68 and furnished the following information:

He is well acquainted with (JAMES ALLEN SMITH) and has handled him for auto theft in the past. (SMITH) is wanted by his attorney and bondsman at this time. (SMITH) is also wanted for questioning in Oklahoma, but they have not issued a warrant. (COBB) believes (SMITH) is hiding (due to the fact he cooperated with law enforcement officers in arresting WALTER MARK FLANAGAN). COBB stated (SMITH) might have been buried but he had not learned any definite information to sustain this belief.
