SCHNEIDERMAN whom he described as a White male in early thirties, 5'8-5'9", 140 to 150 pounds, slender build, and wearing glasses, probably prescription type. He was provided a group of assorted pictures containing a photo of JAMES EARL RAY, and he stated that none of the photos was identical with SCHNEIDERMAN. SCHNEIDERMAN provided a local address of the Holiday Inn, Olympic and Figueroa, Los Angeles, California.

Mr. GENE BERRY, Manager, Holiday Inn, 1020 South Figueroa Street, Los Angeles, California, advised on 5/31/68 that a SAMUEL S. SCHNEIDERMAN was a guest at their motel from 1:58 AM, 4/10/68, until his room was found vacant on 4/21/68. SCHNEIDERMAN left owing a \$105.98 motel bill. He described SCHNEIDERMAN as being a white male, age 40, 5'6" to 5'7", 140 to 150 pounds, slender face and with black curly hair. The motel had no record of a car. He was provided a group of assorted pictures containing a photo of JAMES EARL RAY and he stated that none of the photos was identical with SCHNEIDERMAN. Miss MARGE POTTS, who had seen SCHNEIDERMAN several times on desk clerk business, advised that none of above photos was identical with SCHNEIDERMAN.

The address - 715 South Hope Street, Los Angeles, California - is the address of the YMCA.

The Los Angeles Office is opening an ITSP case inasmuch as individual identifying himself as SCHNEIDERMAN passed at least two out of state checks in Los Angeles.

No further investigation is being conducted by the Los Angeles Office in this phase of MURKIN.

NOTE:

The Bureau by radiogram dated 5/21/68 to All SACs instructing^{ed} that each field office covering state capitals cause a review for all driver's license applications to be reviewed for the months of April and May, 1968, as subject Ray may have obtained a driver's license in a state using a ~~name~~ not known to this Bureau.

Sacramento now advises that due to the system of recording information regarding driver's license for the State of California to cause a review of all applications received for the months of April and May, 1968, would result in a cost to the Bureau of \$81,000. Upon further conversation with Sacramento they advised that the State is approximately four or five weeks behind in filing their applications and they recommend these unfiled applications can be reviewed on a daily basis with five Agents conducting review of three to five thousand applications daily, Monday through Friday from 8:00 to 11:00 a.m., at Department of Motor Vehicles headquarters.

Sacramento is being instructed to review these applications not yet filed concerning all applicants for months of April and May, 1968, at no cost to Bureau.

SUBJECT: MURKIN

The following action was taken by Extra-Duty Supervisor Hunter E. Helgeson on 6-2-68, regarding location by Canadian authorities of a passport issued to Ramon George Sneyd:

Legal Attache John Minnich, London, England, was telephonically contacted. He advised that there would be no record maintained on an individual entering England or any of the Commonwealth under Canadian passport. He pointed out that if a person arrived on a plane from Canada at London, he would merely **present** his passport to Immigration officials who would stamp the passport but no record would be made of the person's entry.

Minnich stated there were several avenues of investigation possible in London which are: (1) check of British Overseas Airlines Company (BOAC) passenger manifests to determine if a person by the name of Sneyd was on an incoming flight. In this connection, he noted that this is a holiday weekend in England and that Monday, 6-3-68, is a holiday, similar to our Labor Day, and he doubted if such a check of BOAC records could be undertaken before 6-4-68; however, he would explore the possibility on 6-3-68. (2) Circularize the name of Ramon George Sneyd through the Hotel Security Officers Association to determine if Sneyd was registered in a London hotel. He pointed out that there was no guarantee that such circularization would not be leaked to the press. (3) Circularization through the Metropolitan Police Gazette which is a periodical sent to all police agencies in the United Kingdom. Here again while the Gazette is supposedly restricted to police agencies, information contained therein very often comes to the attention of the press. (4) Arrange for widespread publicity through news media of subject's photograph and descriptive data.

Minnich was instructed that at this point all investigation should be handled in a discreet fashion and that he should take no action concerning circularization through the Hotel Security Officers Association or the Metropolitan Police Gazette and no publicity to news media unless specifically authorized by the Bureau. He was instructed to have a check of BOAC records instituted as soon as possible.

Memorandum to Mr. Rosen
RE: MURKIN

In connection with past information indicating Ray might desire to travel to Rhodesia, Minnich advised that all British are banned from travel to Rhodesia and, therefore, he would have extreme difficulty using a Canadian passport to leave London for Rhodesia but he did point out that a person could fly from London to some point on the continent and from there travel to Rhodesia.

Legal Attache Moss Innes, Ottawa, Canada, advised at 1:45 p. m. , 6-2-68, that Royal Canadian Mounted Police (RCMP) had reported no new developments to him and that if he did not hear from them by 5:00 p. m. , he would call them and thereafter call the Bureau bringing the Canadian investigation up to date. He pointed out that RCMP is checking regarding whether or not there was a legitimate birth certificate filed for Sneyd. In connection with the handwriting examination being done by RCMP, he said a comparison was being made with the signature on the lease executed by Galt in Montreal. RCMP is also checking to determine what records BOAC maintains in Canada concerning London passengers. Innes was advised that an FBI Identification Record was located for one Paul Osborn Bridgeman, FBI number 352 520 C, indicating Bridgeman had been fingerprinted by the Department of Correction, Jefferson City, Missouri, on 4-23-65, and could very well have been confined to the Missouri State Penitentiary at the time Ray was confined there.

Innes will attempt to get passport application and photograph of Sneyd in the mail to the Bureau 6-3-68.

Innes was instructed that all investigation in Canada regarding this matter should be handled in a discreet fashion.

ASAC Cliff Halter, Memphis Office, was telephonically advised of the developments concerning the Canadian passport issued to Sneyd. SAC Robert Jensen, Memphis Office, subsequently called and suggested that Legat, Ottawa be requested to have laundries in the vicinity of the Chinese rooming house checked to determine if photographs of Ray could be identified by them. SAC Jensen also suggested that as soon as photographs of Sneyd are obtained from Legat, Ottawa, copies should be sent to St. Louis and Chicago to be shown to Ray's relatives.

Memorandum to Mr. Rosen
RE: MURKIN

SAC Karl Dissly, Kansas City Office, was telephonically advised of the Canadian developments and was furnished background concerning Paul Bridgeman, FBI number 352 520 C. SAC Dissly advised that the Department of Correction, Jefferson City, Missouri, is the Missouri State Penitentiary. He was instructed to immediately have appropriate record reviewed and set out necessary leads to locate and interview Bridgeman concerning his knowledge of subject Ray and present whereabouts and to determine if Bridgeman is now or was in Toronto, Canada, in April of this year.

Re airtel from Bureau, 5/22/68, requesting records from locksmithing schools.

Forwarded to the FBI Laboratory under separate cover are 176 applications submitted to the Belsaw Locksmithing Institute, 315 Westport Road, Kansas City, Missouri, for the months of April and May, 1968. These were furnished to IC JAMES W. WRIGHT by BILL COMPTON, Manager, Belsaw Locksmithing Institute on 5/27/68, and may be utilized by the Bureau for handwriting and/or typewriting examinations but should be returned to the Belsaw Institute when they are of no further use to the FBI.

It is to be noted the originals are being furnished the Laboratory. Xerox copies of these were made and returned to the Belsaw Institute so Belsaw Institute does have a copy in their file while originals are being examined by the FBI Laboratory.
