Re Memphis tel, 5/20/68.

On 5/26/68, Mrs. DAVID (EDNA) WILSON, Flagstaff, Arizona, advised SA C. RICHARD WARNER, JR., that her husband, DAVID WILSON, telephoned her 5/10/68 from Grand Junction, Colorado, telling her he was coming home and had arranged with his employer, Continental Body Shop, Phoenix, Arizona, to return to work. She stated, however, she has heard nothing further and she has contacted her husband's employer at Phoenix, who likewise has heard nothing from DAVID WILSON. Mrs. WILSON said that in her 5/10/68 conversation with her husband the latter brought up the tape recording of the anonymous telephone call to the Coconino County Sheriff's Office and made the statement, "It sure sounds a lot like me, doesn't it?" Mrs. WILSON said that they discussed the possibility that he had made the call and he strongly implied that he knew it was his own voice on the tape but he did not specifically state or admit that he made the phone call.

FD-302 of this interview will be forwarded to

Memphis by routing slip.

On 5/31/68, HARVEY WOLDT, Continental Body Shop, Phoenix, Arizona, advised SA WILLIAM A. MEHRENS that he has not heard from DAVID WILSON and does not know the latter's whereabouts.

In view of the foregoing and the extensive record of WILSON's emotional instability, it is not felt that further efforts to interview WILSON at this time are warranted.

The Bureau and Memphis will note that WILSON was previously specifically interviewed concerning the information related by Lt. ROBERT JACKSON, Flagstaff Police Department, and WILSON denied making statements attributed to him by Lt. JACKSON.

Re Butel to all offices dated 5/22/68.

Re Driver's License Check.

Investigation conducted by the Louisville Office at both the Driver's License Bureau, Frankfort, Ky., State Capital, and at the Jefferson Co. Driver's License Bureau, Louisville, reflects that a check of individual driver's license applications would be highly impractical and virtually prohibitive for the following listed reasons:

On 5/24/68, contact was had with Mr. HAROLD FOW, Director of the Driver's License Bureau, Louisville, Ky., and with Lt. ROGER WILHOIT, 5/27/68, the latter Director, Driver's License Bureau, Department of Public Safety, Frankfort, Ky., who advised as follows:

There are approximately 2 million separate files in the Drivers License Bureau representing holders of Kentucky Operator's Licenses. These records can be searched either through the code number assigned to each separate licensee or alphabetically. There is no manner by which the records can be searched as to a specific date of birth or age group and in order to accomplish this each file jacket would have to be searched individually. WILHOIT stated even if sufficient manpower were available to search these records, it would take an extremely long time to accomplish, probably as much as several months.

WILHOIT stated his department searches and files the drivers license applications or renewals received from all of the 120 counties in the state as they are received in Frankfort. At the present time all of the April, 1968, applications and renewals have been filed and the department is working on the group received in the Bureau as late as May 17, 1968. WILHOIT also stated that the applications for new drivers licenses are not filed separate from the renewals and there is a standard card utilized through the service with check marks appearing thereon where the applicant for a driver's license checks whether his request is for a new license or for a renewal. It was only WILHOIT's estimate, but he stated that applicants for new licenses in the state total approximately 5,000 monthly.

WILHOIT added that it would be a physical impossibility to check these drivers license records during a usual work day because of other commitments in the department, that his office is presently understaffed and if the work was to be done, in searching these 2 million records, it would have to be done after hours and time and a half overtime would have to be paid all of the employees. WILHOIT stated that it was only a rough estimate, but he believed the cost of searching these records would run about four cents a file. There is no state appropriation to meet this expense. With regard to a team of FBI Agents searching these records, WILHOIT stated that it would not be desirable to have any outsiders to go through the Bureau's records, no matter how responsible they might be. He pointed out that the Department of Public Safety has a responsibility to the public in reporting to the different examining stations prior traffic offenses for drivers license applicants and if one of these files on an offender was misplaced or misfiled and the offender was issued a legitimate driver's license and then became involved in a serious accident, the State of Kentucky would be liable from a civil standpoint for not identifying the applicant as a prior offender.

WILHOIT advised that when any applicant for a new license in the State of Kentucky makes an application, he would do so through any of the 120 counties in the state and would be required to take a written examination and even a driver's test regardless of whether he was licensed in another state. WILHOIT stated that these driver's tests are administered by examiners of the Kentucky State Police assigned to each of the counties in the state and in a practical manner in attempting to locate subject, JAMES EARL RAY, the individual license examiners could be contacted and shown the available photographs

LS 44-947

of RAY to determine if he applied for a driver's license in the state.

In view of the above, UACB, the Louisville Office will contact each individual drivers license examiner in each of the 120 counties displaying and leaving wanted flyers on the subject with these examiners requesting that they be on the alert for any information indicating possible application for driver's license on the part of RAY. Efforts will be made at the same time to determine if anyone answering the description of RAY has made application during April and May of this year.

JOE J. SLAW, SUPERVISOR, DID NOT SEE THE PERSON UNTIL HE NOTED HIM STANDING WITH A GROUP OF SUPERVISORS. HOWEVER HE SAW THE CAR PARKED ACROSS THE STREET AND NOTED THE MOTOR WAS RUNNING AND THE LIGHTS WERE ON. THIS CAR APPEARED TO BE A LIGHT BLUE TWO DOOR FORD, PLYMOUTH OR DODGE. SLAW STATED HE THOUGHT THE PERSON WAS DRUNK HOWEVER HE COULD NOT SMELL LIQUOR. THE OTHER SUPERVISORS KIDDED THIS PERSON AND SUPERVISOR SMITH MENTIONED THE GUY WAS ON DOPE FOR HE APPEARED TO FEEL NO PAIN. SLAW MENTIONED THAT HE THOUGHT HE HEARD THIS PERSON GIVE HIS NAME AS STEVERINO AND ALSO HEARD HIM SAY THIS IS A NICE GOURP. SLAW STATED THAT HE FELT THE PERSON WAS DRUNK AND SAW THE GATHERING SO STOPPED BY TO SEE WHAT WAS GOING ON AND HE (SLAW) PAID NO PARTICULAR ATTENTION TO HIM. This is the case involving the murder of Martin Luther King, Jr.

William A. Marshall, who is a James Earl Ray look-a-like suspect, signed an escrow contract to purchase a home at Bonita, California, on 5-14-68, for \$51,000. He gave a promisory-type check for \$5,000 and indicated he had a \$65,000 certified check in his hotel room. Marshall claimed to be employed by International Harvester Company, Bloomington, Illinois, and recently transferred to the San Diego area. On 5-14-68, he attempted to purchase a 1967 Plymouth at Chula Vista, California, displaying the escrow contract. An automobile salesman gave the keys of the vehicle to Marshall who then drove off in the car. Marshall did not return the vehicle and as a result thereof, a description of the vehicle and of Marshall was placed in an all-points bulletin by California authorities. Investigation indicated that the financial claims and maneuvers were fictitious and fraudulent.

On 5-28-68, the Covina, California, Police Department advised our Los Angeles Office that the Plymouth stolen in Chula Vista, California, had been recovered abandoned in Covina on 5-28-68, and had apparently been abandoned for several days. The Covina Police Department reported that the 1967 Plymouth had been involved in an accident with a car driven by one Allen Krause, Azusa, California, who stated the driver of the Plymouth identified himself as W. L. DeLuca and had given a check to reimburse him for damages. This check was found to have been stolen at Huntington Beach, California. Krause was shown a photograph of subject Ray and he stated that the driver of the Plymouth was not identical with Ray.

The Covina, California, Police Department suspects that William A. Marshall is responsible for five armed robberies of real-estate agents in the Chula Vista area. Person of Marshall's description had contacted real-estate agents about home purchase as pretext before robbing them.

Memorandum to Mr. DeLoach
RE: MURKIN

Mrs. William Lawrence DeLuca, Huntington Beach, California, advised that on 5-15-68, a man (generally fitting previous description of William A. Marshall) driving a gold and black car (same color as stolen 1967 Plymouth) came to her home in response to a sign in front indicating it was for sale by owner. This man indicated he was interested in buying the home and Mrs. DeLuca left him in her living room to arrange for a later appointment. She was gone for approximately ten minutes and when she returned, the man indicated he would obtain \$500 in cash and return the following day to handle details. After this man left, Mrs. DeLuca discovered her checkbook and numerous credit and identification cards as well as her driver's license had been taken from her purse which had been in the living room. Several of the items stolen from Mrs. DeLuca have been recovered.

We are continuing investigation to determine if subject Ray is involved in this matter in view of the fact that Mrs. DeLuca examined photograph of James Earl Ray and indicated photograph somewhat resembled man who stole her identification but could not make any positive identification, and also that other individuals stated that James Earl Ray resembled person known as William A. Marshall.

Allen Thompson, manager of the St. Francis Hotel, Los Angeles, California, which is a former residence of subject Ray, advised an individual who he knows as "Fitz" recently inquired about the relationship between Ray and one James Hardin. Thompson recalls during period of March 1 through March 17, 1968, while he was operating the switchboard at the hotel, an individual called for Ray and left a message for him to call James C. Hardin collect. According to Thompson, calls were subsequently received from this individual from Atlanta and New Orleans. Thompson advised that later a person identifying himself as James C. Hardin came to the hotel during the period March 1 through March 17, 1968. *G.A.L.A. 6/17/68*

Thompson reported that "Fitz" may be the subject of an outstanding warrant, and that he has seen Fitz on an infrequent basis in the vicinity of Hollywood and Western area, Los Angeles, during the past six months. Thompson advised he has no knowledge of associates of "Fitz," his residence past or present, his automobile, or his employment, if any. Thompson said sometime after the first of the year he believes he expelled "Fitz" and another Caucasian male from the parking lot of the St. Francis Hotel where they were sleeping in an automobile. Thompson said that whenever and wherever he observes Fitz, he will immediately notify the FBI. We are thoroughly checking this matter out.

Memorandum to Mr. DeLoach
RE: MURKIN

The Royal Canadian Mounted Police (RCMP) have been conducting an examination of Canadian passports issued to individuals since April 23, 1967 (date of subject's escape from Missouri State Penitentiary) in an attempt to locate our subject James Earl Ray. The RCMP advised our Legal Attache in Ottawa, Canada, that Canadian passport number [REDACTED] was issued to an individual by the name of Ramon George Sneyd on April 24, 1968, at Ottawa and the photograph in the file is very definitely similar to Ray, and there is a good probability it is a photograph of Ray. *Canada*

Sneyd's application for passport was filed on his behalf by the Kennedy Travel Bureau, Toronto, Canada, and the purpose for the passport was for Sneyd to fly to London, England, on May 6, 1968, by way of British Overseas Airline Company and return to Canada on May 21, 1968. Sneyd filed an affidavit in lieu of listing a guarantor as he had been in Toronto three weeks and did not know a guarantor. He also listed as a friend Paul Bridgman, Toronto, Canada. (The RCMP has not been able to locate Bridgman to date.)

The address of 968 Dundas Street, Toronto, Canada, as listed by Sneyd is a Chinese rooming house and investigation there by the RCMP has established that Sneyd arrived there on April 19, 1968, and roomed there for three weeks.

Our records indicate that one Paul Osborn Bridgeman was fingerprinted by the Department of Correction, Jefferson City, Missouri, on April 23, 1965, on a robbery charge. Bridgeman received a five-year sentence which was commuted on January 16, 1968.* It is to be noted that subject James Earl Ray was confined to the Missouri State Penitentiary from 1959 to April 23, 1967.

The RCMP are conducting extensive investigation and are going all out in this matter to determine if subject James Earl Ray and Ramon George Sneyd are identical. Our Legal Attache in London has been instructed to check records of British Overseas Airline Company in a most discreet manner.

*Investigation being conducted to determine if Bridgeman was confined to Missouri State Penitentiary.

Mrs. CHARLES F. DENT, 835 South 58th Street, Pullman, Michigan, advised she has had Pullman, Michigan, telephone number 616-236-5598 since prior to December, 1967. She said the party named WATKINS who reportedly received a call at that telephone on December 17, 1967, was undoubtedly SONETTA WATKINS who lives across the street; has no telephone, but frequently receives telephone calls at the DENT residence.

ROSALEE WATKINS, 830 South 58th Street, Pullman, Michigan, advised her daughter, SONETTA WATKINS FISCHER, had a boyfriend, ROGER JACK, who is in the Air Force in Texas and undoubtedly it was this individual who called SONETTA at the DENT residence in December, 1967. Mrs. WATKINS advised she did not know suspect RAY or have any information regarding captioned case.

SONETTA WATKINS FISCHER, interviewed at High-Q Company, Fennville, Michigan, home address 830 South 58th Street, Pullman, Michigan, advised she had received a telephone call on or about December 17, 1967, at the telephone of her neighbor, CHARLES DENT, in Pullman, which call was from her boyfriend, ROGER JACK who was then stationed in the United States Air Force at Lackland Air Force Base near San Antonio, Texas. She said this was purely a personal call; that she did not know suspect RAY or have any information concerning the captioned case.

All of the above individuals are Negroes who expressed great interest in the apprehension of the murderer of Dr. MARTIN LUTHER KING, JR. and no one had any pertinent information.

Mrs. LEE MABER, Office Manager, Dale Carnegie and Associates, Inc., International Exporters, 1475 Franklin Ave., Garden City, NY, advised that above organization has 74 domestic and 20 overseas franchises. Each franchise covers a designated area and each franchise holder has agreements with as many sponsors as he desires. Sponsors are promoters who establish and promote the schools and arrange for lecturers. The sponsors submit rosters of students to the franchise holder, who in turn submits copies of student rosters to international office.

Mrs. MABER stated that students throughout the US and overseas amount to over 90,000 per year. Student rosters submitted to international office are not alphabetized and to cover pertinent period, approximately 140,000 names would have to be checked to determine if subject, under true name or aliases, had been enrolled. It is estimated that it would take approximately 15 agent days work to check aforementioned records.
