RE: MURKIN

Re Bureau airtel to Los Angeles 5/29/68 and Los Angeles airtel to Director 6/3/68, relative to EDGAR EUGENE BRADLEY.

Bureau authorization requested to interview BRADLEY only for specific purpose of ascertaining his whereabouts on dates in question. Reasons for request as follows:

In past contacts, including contact on 5/31/68, BRADLEY always expressed highest admiration for Director and FBI. He has invariably offered full assistance and on 5/31/68 specifically stated would be glad to furnish all information to establish whereabouts on dates in question or any other dates should it become necessary.

Extensive investigation would be required to verify his whereabouts if do not use his assistance. Note that BRADLEY promptly learned of recent investigation, as mentioned referenced Los Angeles airtel. Since he has offered full assistance, then should investigation proceed without prior contact with him, he would undoubtedly feel his offer was ignored. Since allegations of New Orleans District Attorney GARRISON are uppermost in BRADLEY's mind, embarrassment to Bureau could follow if he took his own inference that such investigation pertains to GARRISON's allegations.

Embarrassment might also arise should GARRISON learn of current investigation about BRADLEY, since GARRISON might infer this supports his position in some way.

It is felt that most discreet verification of alibi could be undertaken on basis of information received directly from BRADLEY, since it would allow fewest possible contacts and minimize possible embarrassment. Los Angeles holding investigation in abeyance.

SEE NOTE ON REVERSE SIDE

*L. Long*

This is the case involving the murder of Martin Luther King, Jr.

An individual identifying himself as Gary Ralph, a reporter for the Toronto Telegram, Toronto, Ontario, Canada, telephonically contacted the Bureau on June 10, 1968. Ralph indicated that he had developed information concerning Ray and his activities in Toronto and was desirous of "trading" with the FBI. Ralph inquired as to whether or not the Bureau had or had not established if there was a conspiracy. He was advised that this matter was receiving investigative attention and the Bureau could not make any statement concerning a conspiracy matter.

Ralph stated that he had established through three or four persons that Ray had been seen with a particular individual in bars in Toronto before he showed up in the rooming house (in this regard Ray appeared as Paul Bridgman at one boarding house on 4/8/68 and as Ramon George Sneyd at another boarding house on 4/19/68). Ralph also indicated that Ray had been in Buffalo before going to Toronto.

ACTION:

SEE NOTE ON REVERSE SIDE

Legat Moss Innes, Ottawa, was telephonically advised of the above information so that it could be furnished to the Royal Canadian Mounted Police and Toronto Police.

The Buffalo Office was telephonically advised of the report that Ray had been in Buffalo before proceeding to Toronto and was instructed to initiate appropriate inquiry in an effort to verify such allegation.

*Murkin*

Dear Sir:

You're pretty competent when it comes to maintaining finger prints on all of us or of pursuing the unimportant wrongdoer, particularly if he appears to qualify for your definition of subversive.

Successfully to run down assassins of pleaders for the little man such as JFK, MLK, RFK, Medgar Evars, etc. is quite obviously a horse of a different color. Haven't heard anything recently about your successes with Rev. King's murderer(s). Is that now, too, swept under your thick-piled rug? And wasn't it fortunate the LA police were on the job rather than the FBI, Dallas or Memphis police this week.

Another thing, there's no evidence you have ever tangled with the Mafia or other organized crime to get to the root of our problems, unless your nose is rubbed in it. Senator McCarthy is so right!

Yours,
