Statement of Ramon George Sneyd continued.....*R. G. Sneyd*

- A. Yes, I was working the 7 to 3 shift I wouldn't have any parties or be going out on that shift.
- Q. You realize that what we consider a dangerous criminal is at large using your identity ~~and~~ public knowledge at this time of that information could complicate the investigation?
- A. Yes, I will keep this as secret as I can, although when Sgt. Fullerton called me and told me about it I told my wife and a few P.C.'S.
- Q. Will you read this statement over, correct any errors and make any additions or deletions as you wish to do?
- A. Yes.
- R. G. Sneyd*

R. G. M. Palmer
R. G. Sneyd

June 6, 1968.

3 Sullivan St., Toronto, Ontario.

Statement of Ramon George SNEYD, born [redacted] Grace Hospital
Toronto, Ontario.

Cautioned by: R. Marsh, Detective Sergeant, Metro Toronto P.D.

Caution: In the event that you are charged with any Criminal
Offence as a result of this investigation. *R. Marsh*

Do you wish to say anything in answer to this charge, you are not
obliged to say anything unless you wish to do so, but whatever
you say will be taken down in writing and may be used as evidence.

Q. Do You understand the Caution that I have just read to you and the
fact that you are not charged with any offence at the present time ?

A. Yeh, I understand.

Q. On or about April 4, 1968 a killing took place in Memphis, Tennessee
U.S.A. a suspect shot and killed one Martin Luther King, it is
alleged that this suspect subsequently took up residence in
Toronto Ontario and assumed an alias of Ramon George Sneyd.
What if anything can you tell me about this?

A. Around the first of May I received a 'phone call from a male
person, unknown to me who asked if this was Mr. Sneyd, to which
I replied yes. This person then made enquiries, I'm pretty sure
about Passports. I replied that you have the wrong Mr. Sneyd.
He then asked if I was Ramon George Sneyd and he quoted my
birth date at that time, saying [redacted] To which I
replied yes.

Q. Do you recall if it was specifically mentioned that you had made
an application for a Passport?

A. No, there was no mention of Travel Agency or anything like that,
it sounded like a young high pitched male voice, a young guy.

Q. When did you join the Toronto Police Department?

A. November 8, 1954.

Q. Are you married and do you have any family, are your parents
living and residing in the Toronto area?

A. I was married the first time to Yvette Marie VASSEUR on Sept.
23, 22nd, I'm sorry, 1954. Married the second time on August
9, 1963. I had 2 children by the first marriage who I see regularly
once or twice a week. I still see my first wife occassionally,
my children are age 12 and 8 years, both sons. I am an only child
and my parents live here in Toronto, I pay my first wife alimony
of one hundred dollars amonth, broken down, \$35.00 per child until
they are 16 and thirty a month to her until she remarries.

Because of this divorce, my parents look on me as a black sheep, as
a matter of fact my father and I have spoken only once in five years.

Statement of Ramon George Sneyd, continued.

- Q. Are you in any way suspicious of any of the friends or relations of your first wife?
- A. No I doubt it.
- Q. Are you doubtful in any way as to whether or not your present wife could have either accidentally or intentionally supplied any one with information concerning your birth date, parents names and other personal information permitting one to have enough background so as to obtain a Birth Certificate in your name?
- A. No, because she doesn't know my mother's maiden name, they are not close to-gether.
- Q. Do you have, or have you ever had Life Insurance?
- A. I don't have it now but I have had it, I have some with the job.
- Q. Have you made any application whatsoever where you have included your birth date, place of birth and or your parents names?
- A. Not my parent's names, income tax.
- Q. Have you had any personal mail stolen or missing.
- A. No, not that I know of but about last summer some time our mail box was broken into at the partment but I have no reason to beleive anything was stolen out of there.
- Q. You tell about leaving your wallet containing your driving license at your cottage and then having it returned to you by another officer.
- A. I had left the wallet at my cottage on a cedar box in the bedroom, this was last fall sometime. Ron Acheson, L and S lives right next door so I asked him to bring it back to me. I gave him the key to go in and get it. To my knowledge there was nothing missing from my wallet when I got it back and there was no indication that anyone had gotten into the cottage in the meantime.
- Q. Do you know any one or have you frequented the area around Ossington and Dundas?
- A. Deffinately not. The very odd time we visit the wife's girl friend on Jameson Ave. He used to live on Dunn Ave., up to about 6 months or a year ago.
- Q. I show you two photos of male persons, do you recognize either or both of them?
- A. No, I wish I did.
- Q. Do you know anyone by the name of Bridgman?
- A. No.
- Q. Do you know anyone living on Cassandra?

88 Jan p 41 - 3 -
RCMP
Statement of Ramon George Sneyd continued....

A. No. Not to my knowledge.

Q. Who of your close friends would know you well enough to know the date and place of your birth, your parents names or any other pertinent information about you?

A. Well my wife, ex-wife, mother-in-law, probably father-in-law, Kay Burford, Jackie and Grant Burford, his is one or two days before mine. Bill Thompson may have if you want to make note of that. — Ruth Clark, that's the one down on Jameson. She's single, about forties, she's a private secretary at eh Star. She lives by herself, she goes to the States often. She went quite steady with a guy, Fred Jones, a Union Organizer for the Newspaper Guild, up til about a month or so ago. He went back to his wife. He's all over the States all the time. He looks a bit like the guy in the picture too?

Q. Do you belong to any organizations at all of religious, fraternal or otherwise?

A. No.

Q. Where do you do your banking?

A. Toronto Dominion Bank, St. Clair and Victoria Park Branch.

Q. Do you have or have you ever had a birth certificate.

A. Yes, but I don't know where it is now.

Q. Have you now or ever had any document with your full name and birth date on it?

A. My drivers, license, pilot's license maybe. I belong to Vic Tanny's, they are mostly coppers I met there.

Q. How do you endorse a cheque or make your signature on any document?

A. R.G. Sneyd never sign my full name unless it calls for it.

Q. How well does Bill Thompson know you?

A. He sees me 3,4 times a week. He ^{SAYS HE} doesn't like negroes, he's Danish. He is likely to give my name and age for someone else to use, I have never met either brother or his dad, I know one of his brothers has spent time in jail and I think he's in Jail in the States now. Bill always spends a lot of money, he just bought that plane. He's had about 6 planes.

Q. Will you if requested to do so submit to a ~~Polygraph examination~~ Polygraph test of examination under the influence of Sodium Penathal?

A. Yes, as a matter of fact I think that would be a good idea as my memory is not good and this would help it.

Q. Can you account for your actions between April 11 to April 16, 1968?

RE:
OBJET:

Martin Luther KING -
Murder of
(ASSISTANCE TO F.B.I.)

1 JUN 68

1. As a result of a phone call from Cpl. Titus, "A" Division to "O" Division Information Desk, Cpl. J.D. Dunlop and I patrolled locally to determine the status of one, Raymond George SMYTH, 968 Dundas Street West, Toronto, in relation to the captioned case. Please see attached Form C-238.

2. A check was first made to locate 968 Dundas Street West, however, this address is non-existent; the numbers in this area go from 966 then to 982 Dundas Street.

3. Mrs. Sun Fung LOO, 962 Dundas Street West, Toronto, was interviewed, whereupon she advised that the man using the name SMYTH had lived here for three weeks beginning 19 APR 68. She could provide little information at this time, she didn't know where he worked. If he had any friends, owned a car or where he could be located. He did pay his rent in cash, worked somewhere at night and slept during the day. No further information was gained at this time. He apparently moved out because the children in the house made too much noise.

4. Mrs. ITTAS, widow, was located at 108 Ossington Avenue, Toronto, Ontario, where she lives with a young daughter. When questioned concerning one, Paul BRIDGMAN, she stated that he had not resided here during the fourteen years she has operated a small confectionery store on this site.

5. Enquiries at the KENNEDY TRAVEL BUREAU LTD., 424 Bloor Street West, Toronto, Ontario, revealed that Raymond George SMYTH, 968 Dundas Street West, Toronto, Ontario, had arranged on 16 APR 68 for transportation from Toronto to London, leaving Toronto via BOAC Flight # 600 6 MAY 68 returning from London via BOAC Flight # 601 21 MAY 68. It was suggested at this time that Miss Lillian SPENCER, Branch Manager, be interviewed when she was to return to the office 3 JUN 68.

6. The above information was telephoned to "A" Division this same date.

1 JUN 68

7. On this date, I was advised by the Officer i/c C.I.B. that the above particulars were to be thoroughly checked out.

8. Accompanied by Cst. J. Vandegraaf, I proceeded to KENNEDY TRAVEL BUREAU LTD. and interviewed Miss Lillian SPENCER. She verified the information, as noted in para. 5 above, and added that she arranged the trip to London for SNEYD and also completely filled out an application for his passport on 16 APR 68, which he signed. SNEYD also signed a Statutory Declaration in Lieu of Guarantor at this time in Miss SPENCER's presence. This Statutory Declaration was filled out during the a.m. but notarized by Mr. Henry MOOS, Notary Public, President and owner of KENNEDY TRAVEL BUREAU LTD. during the p.m. and some time after SNEYD had left the premises. Arrangements were made with SNEYD to return to this Agency after about two weeks to pick up the tickets and passport. SPENCER produced from her files a printed letter signed Raymond George SNEYD dated 4-20-68 to the effect that he was going to Capral for several days on business and would pick up the passport on his return. Photostat copies of letter attached. Miss SPENCER stated that on 2 MAY 68 the tickets were issued and on this same day SNEYD picked up both the tickets and his passport, on payment of \$345.00 in Canadian funds. SPENCER failed to recognize any FBI pictures of James Earl RAY shown to her.

9. At the Office of Vital Statistics, 70 Lombard Street, Toronto, Ontario, a record of Raymond George SNEYD was found as follows:

Certificate No. J2-05-020428
 Hospital - Salvation Army Women's Hosp.
 Raymond George SNEYD
 Father - George Edward SNEYD
 33 Kerr Rd., Toronto, Ont.
 English
 Typewriter Mechanic - Remington Type Co.
 Mother - Gladys May KILMER

10. It was subsequently learned that the SNEYD listed with Vital Statistics was a member of the Metro Toronto Police Department, employed at / 33 Division. I called this Division and spoke with Insp. O'Hara, who verified that this member was working out of this Division. I told him briefly the reason for this investigation after which he confirmed the member under his command was working in MAY and did not make a trip to England on 6 MAY 68. SNEYD's holidays were not due until JUL 68, his address was given as 1731 Victoria Park Ave., Toronto, Ontario, phone 759-7562. I call SNEYD, told him the reason for the enquiry and asked him if he had any knowledge of this person using the particulars of the SNEYD born [redacted] SNEYD replied that he knew nothing of this situation, therefore, arrangements were made for him to view the photo that was expected later in the day. SNEYD sounded quite honest during this telephone conversation.

11. As a result of information supplied by Headquarters, a check was made at the ARCADE PHOTO STUDIO, 137 Yonge Street, Toronto, Ontario, under the names of both SNEYD and SNEIDMAN. SNEYD proved

negative but it was learned a man using the name BRIDGMAN purchased a passport photo on 11 APR 68; a negative of this photo could not be found. A picture of this person was located and given to the investigator by Mrs. AGNES, Proprietor.

12. Also from information supplied by Headquarters, Mrs. Feliksa SEPARKOWSKA, 102 Ossington Avenue, Toronto, Ontario, was contacted. She informed that a Paul BRIDGMAN resided at this address from 8-19 APR 68; however, he kept to himself and his employment was not known. Mrs. SEPARKOWSKA immediately advised the investigator that she had seen a picture of RAY in the newspapers connected with file subject and had requested her husband to call the police concerning BRIDGMAN; however, he laughed at her so she forgot the idea. SNEYD paid \$10.00 cash per week for his room, had no visitors, was not seen driving a car nor did she know where he went from here. SNEYD was thought to be a car salesman. She also added that a couple of days after the information regarding the suspect in the KING murder case was released, BRIDGMAN moved from this address.

13. Mrs. LOO was again contacted and shown a picture received from ARCADE STUDIO. She identified the picture taken as BRIDGMAN as the person who resided at her home using the name SNEYD. She then produced a small blue coloured flight bag containing the articles as shown on attached Form C-246, which she stated were items left by SNEYD. These items were immediately taken to the N.C.O. i/c Identification Branch for his attention. No evidence of fingerprints was found on these goods that could be identified with the suspect RAY in this case. Other persons interviewed at this address, without result, as follows:

GEORGE GRANTZ
Thomas FALUDY

14. Mrs. SEPARKOWSKA also identified the photo of BRIDGMAN as the man who rented the room at her home, but she failed to recognize the R.B.I. picture of RAY. Mr. SEPARKOWSKA, as well as tenants RAFFAELE GAROFALO and C. JOLLYMONA were interviewed but they could not supply additional information concerning the suspect.

15. At this point most members of C.I.B. General were beginning to check the various sources locally in an effort to identify SNEYD & BRIDGMAN. Metro P.D., O.P.P., Postal Investigation, Department Motor Vehicles (names of registered car salesman), Retail Credit Bureau, and all names of SNEYD in the Toronto Telephone Directory. Our C.I.B. and S.I.B. records were checked as well as arrangements made to receive the passenger list of persons on Flight 600 BOAC dated 6 MAY 68 and Flight 601 BOAC 21 MAY 68.

avenue, Toronto, Ontario, where a complete and thorough search was made of the rooms occupied by the person in question in an effort to gather evidence connecting the suspect with the captionally-noted case or to identify this person. This search proved negative.

17. Neighbourhood enquiries were conducted, as well as local banks, dry-cleaning establishments, and grocery stores in an effort to identify this man using the name SNEYD as well as to locate associates or places he might have frequented with no results.

18. Pictures of SNEYD & BRIDGMAN as well as the Passport Application and Statutory Declaration were received by facsimile from Headquarters; Telex CIB1050 summarizing this investigation was dispatched to the Commissioner, Information "A" Division. Special Agents J. McManis and W. Campbell, F.B.I., Buffalo, N.Y. arrived to assist in this investigation.

5 JUN 68

19. A meeting took place in the offices of the Metro Toronto Police Department with members of M.T.P.D., R.C.M.P. and F.B.I. present. The purpose was to make the M.T.P.D. aware that the suspect was using the particulars of a member of the M.T.P.D., that the suspect had spent one month in Toronto which no doubt would require their attention in one phase or another, and to advise that the F.B.I. Agents were at our Office for liaison purposes direct to U.S. sources if necessary.

20. Miss Lillian SPENCER, Manager, KENNEDY TRAVEL BUREAU LTD., Toronto, Ontario, was contacted and requested to come to this Office to be interviewed. She readily agreed and after being interrogated for some time she gave the attached voluntary statement.

21. The ARCADE PHOTO STUDIO was visited and the negative of Paul BRIDGMAN was asked for. Mrs. AGNEW stated she valued the negative at \$20.00 and without this payment she refused to produce same. Immediately Cst. Giffin obtained a Search Warrant under Section 58(1) C.C. seized this negative as well as Bill of Sale 11 APR 68. Exhibit Report C.246 dated 6 JUN 68 attached.

22. A check was made at Vital Statistics regarding the name SNEYD to determine whether or not someone might have applied for a birth certificate under this name. A printed letter signed by Raymond George SNEYD dated 4-16-68, listing the necessary details of the birth, father's name and mother's name including mother's maiden name, was found. See photostat copies of this document attached. This document was turned over to our Identification Branch for examination after which the original was returned. Copies of this document, as well as the letter located at the Travel Agency signed by SNEYD were forwarded via air direct to the F.B.I. Office in Buffalo, New York.

Dundas Street West and interviewed Mrs. Sun Fung LOO. This interview was conducted in the Chinese language and although Mrs. LOO did not want to sign any statements, she agreed to answer all questions. She advised that SNEYD appeared at her door during the morning of 16 APR 68 and enquired about the room for rent. Mrs. LOO had a sign "Room to rent" in the front window of her home. SNEYD paid her \$9.00 Canadian money and made arrangements to move in 19 APR 68. He was carrying a newspaper at this time. On 19 APR 68, SNEYD appeared at this address and took possession of the room. He carried no luggage, had only one suit of clothes, did not buy any new clothes, did not bring any liquor into the house, nor was he seen driving a car. He indicated he worked a night shift in a hotel, she remembered he was out all night and slept during the day while at this point. Mrs. LOO further added that although he moved in on the date in question, he was not seen by her again until 26 APR 68. She had a short conversation with him at which time he indicated he went back to Montreal. She then assumed Montreal might be his home. A few days after he returned from his trip, an unknown male described as tall, fat, husky, appeared at the door with a letter. She called SNEYD; a very short conversation took place between the two men, after which the visitor left. Mrs. LOO could provide no further identification concerning this person, although she knew he was not a postman nor could she describe him as a delivery man of any type. Annoted, SNEYD first paid Mrs. LOO on 16 APR 68, he paid for the second week on 26 APR 68 and the third week 2 MAY 68, where he was last seen. Mrs. LOO discovered him missing on either 10 or 11 MAY 68. She does not know exactly when he left this address. Mrs. LOO's husband YEE LOO was questioned at this time, but he could offer no information concerning this case.

24. On this date, I was informed by the Officer i/c C.I.B. that the suspect under investigation here had been positively identified by the F.B.I. as James Earl RAY, wanted by the F.B.I. for the murder of Dr. Martin Luther KING Jr.

25. Cst. G.W. Giffin and I, accompanied by C/M B. BRIBAL, Polish Interpreter, interviewed FELIKSA SZPAKOWSKA, 102 Ossington Ave., Toronto, Ontario. This woman declined to give a written statement but agreed to co-operate with investigating members. She advised that a Paul BRIDGMAN appeared at her door on 8 APR 68 to rent a room. A sign was in the front window advertising a room to rent. He paid \$10.00 per week for rent, Canadian money, and stayed for two weeks. He told Mrs. SZPAKOWSKA he was a car salesman; however, she thought it strange as BRIDGMAN was not seen to drive a car. He allegedly worked days but was sometimes home during the day. He owned a brown sports jacket, black pants, black tie and one shirt as well as a tobacco coloured raincoat. He carried a small suitcase, colour unknown, but a plaid design inside. No associates could be ascertained nor was he visited by anyone. One letter arrived addressed to him and although he saw the letter on the small table where all letters for boarders are placed, he refused to pick up the letter. This letter, from 70 Lombard Street, Toronto, the address of Vital Statistics, was returned to the postman by the landlady.

26. Mrs. SZPAKOWSKA added that she recognized SNEYD as a man wanted for the shooting of KING. She had seen pictures in the newspapers. She immediately told her husband to call the police; however, he laughed at her and convinced her it was not so. She therefore gave the matter no further thought.

27. Mr. HUMPHREY, Registrar-General's Department, Vital Statistics, was contacted and advised of the investigation, especially dealing with his Department. During a check at this point, a printed letter applying for a birth certificate signed by Paul Edward BRIDGMAN, listing the same information as the letter found concerning SNEYD, was found. This document was also examined by the Identification Section with negative results. It was ascertained that a birth certificate applied for by BRIDGMAN had been returned to the Department.

28. P.C. Raymond George SNEYD was questioned at length by Det. Sgt. R.G. Marsh, M.T.P.D., and Cpl. J.S. Dunlop, Toronto C.I.B. Attached please find copies of voluntary statement given to these members by SNEYD

7 JUL 68

29. At the suspect had now been identified as RAY, every effort was being made to determine associates, movements, habits and any other information that might be available at this point with a view to locating RAY, as well as any person who might have assisted him. Neighbourhood enquiries were again made on both Ossington Avenue and Dundas Street West. Members also began a check of all Consulates in the City in the event RAY may have made arrangements for a Visa to another country from here; hotels, dry-cleaning shops, photo studios, as well as further checks at Vital Statistics, all enquiries using the photo as an aid. No information of value was gained.

30. At Vital Statistics I was informed by Mr. E. PIKE, Assistant Deputy Registrar General, a very simple method to gain information concerning a person's name, correct date and place of birth, father and mother's name, as well as the mother's maiden name. All newspapers in this City keep on file all editions printed. It is a very easy task to locate in Toronto copies of local papers printed for any year where a person can check the birth announcement for the required information. Toronto teenagers are adopting this practice to obtain birth certificates for persons over twenty-one years in order that they can frequent beverage rooms. In this case, it will be noted RAY had the necessary particulars to secure birth certificate for both BRIDGMAN and SNEYD, even though he never did have possession of the BRIDGMAN certificate. The manner in which he acquired this information regarding BRIDGMAN and SNEYD is not known at this time; however, as pointed out, it is not difficult.

31. Mr. Paul BRIDGMAN, 80 Cassandra Avenue, Toronto, Ontario, the man whose particulars RAY was using when the birth certificate was applied for, was interviewed. This man is employed by the Toronto Board of Education. No evidence could be found to suggest this man had

any knowledge of RAY and as far as can be ascertained at this point, BRIDGMAN is completely innocent of any connection with this investigation.

32. Canvassing of hotels, banks, car dealers, Post Offices, dry-cleaning establishments continued on this date by C.I.B. members. Through co-operation with Mr. CURSON, Security Department, BOAC, the passenger and crew manifests for both 6 MAY 68 and 21 MAY 68 were obtained and checked. Also the name of Mr. & Mrs. D. EILGORN, 212 Huron Ave. East, Whitby, Ontario, the passengers directly in front of RAY, were forwarded. These people were contacted but they do not remember RAY. The persons directly behind RAY and those across the aisle from him on 6 MAY 68 booked one-way passage, therefore, it is assumed these people are from somewhere overseas.

33. Information was received from Headquarters that RAY had left London and was known to have gone to Lisbon, Portugal. It was also ascertained that RAY had used his return ticket from London to Toronto on the purchase of a ticket from London to Lisbon, after which he was issued a return voucher valued at \$14.60, BOAC Voucher No. 06104443731. A request was received to contact BOAC, Toronto, Ontario, to put a stop notice on this voucher and to supply any information available. Mr. CURSON was again contacted, however, he informed that this voucher is similar to a traveller's cheque, accepted by travel agencies and airlines throughout the world. He also added that it would be practically impossible to put a stop notice on this voucher. It could be from one month to one year before this voucher would finally end up in their local files. This matter was not pursued further.

8 JUN 68

34. I was advised by the Officer i/c C.I.B. that RAY was apprehended at the London Airport by Scotland Yard.

10 JUN 68

35. Telex CIB1507 was received from the Commissioner relating to clothing and items found in RAY's possession. Telex CIB1094, dated 11 JUN 68 from this Division.

36. A systematic check of all banks in an area bounded by Brock, Bloor, Jarvis and Front Streets was begun by members of this Section in an effort to link RAY with any money transactions either locally or with the U.S.A. Results will be reported.

11 JUN 68

37. Information was received to the effect that Mrs. SZPALOWSKA indicated to newspaper reporters that a man had called at her home asking for BRIDGMAN. She was contacted by myself, accompanied by Det. Henry PAWLOWSKI in this regard. Det. PAWLOWSKI, who speaks Polish, translated

the interview. Mrs. SZPACOWSKA advised that three or four days after BRIDGMAN moved out, a young man about thirty years, 5'10", dark blond, round face, wearing a 2 length coat appeared at the door and asked if BRIDGMAN lived at this address. He showed her BRIDGMAN's name type-written on a piece of paper. When she replied that he moved, the man left. She did not know the man, he did not show any identification nor does she know what agency, if any, he represented. She was asked why she had not related this event during her numerous contacts with investigators earlier whereupon she stated she thought she had told us. At this point she admitted she was thoroughly confused by the events of the past week especially by her encounters with various newspaper men and photographers. It will be noted in para. 25 that on 6 JUNE 68, she was interviewed with the assistance of C/M B. MEIBAC, at which time Mrs. SZPACOWSKA advised that BRIDGMAN had no associates nor was he visited by anyone. This phase of the interview was explored at that time and no mention was made of anyone asking for BRIDGMAN after he left. Due to Mrs. SZPACOWSKA admitted a confused state of mind, I place some doubt that a young man asked for BRIDGMAN; however, every effort will be made to identify this person.

38. Mr. Robert McHAULTON (DB: 26 MAR 17) 10 Bellehaven Cres., Toronto, Ontario, appeared at M.T.P.D. Headquarters and identified himself as probably being the "fat man" who delivered the letter to SHAYD, 962 Dundas St. West, Toronto, Ontario. He stated that he used the phone booth just up the street from this address, found an open letter addressed to SHAYD, realized the address was just a few houses away, walked up to the door and delivered same, telling SHAYD he found it in the phone booth. Cpl. J.S. Dunlop and Det. Sgt. R. Marsh interviewed this man and subsequently had him positively identified by Mrs. Loo. There is no doubt that McHAULTON is innocently connected with SHAYD. In view of the publicity given all known persons involved with this investigation by the press, McHAULTON asked that his identity not be released to the press. This request has been respected at this point.

39. Various avenues of investigation are underway at this time, checking on persons who allegedly believe that had some association with RAY during his stay in the Toronto area. A map of Toronto found at 962 Dundas St. West has an area circled in pen at Queen Street and Ossington Avenue, which is close to where RAY lived as BRIDGMAN; the Vital Statistics Office circled, and four areas marked in the eastern section of the City. Investigation is continuing to determine what connection these marked areas have with RAY.

40. An Eric S. GALT, one of the aliases used by RAY was previously checked on in Toronto on 19 APR 68. The man here is Eric St. Vincent GALT, Supervisor, UNION CARBIDE CANADA LIMITED, home address 49 Leahann Drive, Scarborough, Ontario. He is a trusted employee and known to be in Toronto on the date in question. See Telex C18996/2 received from the Commissioner and Telex C18736 sent from "O" Division 19 APR 68.

3. The BOAC manifest referred to in Para. 32 showed SNEYD as a passenger on Flight 600, however, their manifest for the proposed return flight on 21-5-68 did not list this name. 1. As a result of a phone call from Cpl. Titus, "A" Division to "O" Division Information Desk, Cpl. J.S. Dunlop and I patrolled locally to determine the status of one, Raymond George SNEYD, 968 Dundas Street West, Toronto, in relation to the captionally-noted case. Please see attached Form C-238.

2. A check was first made to locate 968 Dundas Street West, however, this address is non-existent; the numbers in this area go from 966 then to 982 Dundas Street.

3. Mrs. Sun Fung LOO, 962 Dundas Street West, Toronto, was interviewed, whereupon she advised that the man using the name SNEYD had lived here for three weeks beginning 19 APR 68. She could provide little information at this time, she didn't know where he worked, if he had any friends, owned a car or where he could be located. He did pay his rent in cash, worked somewhere at night and slept during the day. No further information was gained at this time. He apparently moved out because the children in the house made too much noise.

4. Mrs. ITTAS, widow, was located at 108 Ossington Avenue, Toronto, Ontario, where she lives with a young daughter. When questioned concerning one, Paul BRIDGMAN, she stated that he had not resided here during the fourteen years she has operated a small confectionery store on this site.

5. Enquiries at the KENNEDY TRAVEL BUREAU LTD., 424 Bloor Street West, Toronto, Ontario, revealed that Raymond George SNEYD, 962 Dundas Street West, Toronto, Ontario, had arranged on 16 APR 68 for transportation from Toronto to London, leaving Toronto via BOAC Flight # 600 6 MAY 68 returning from London via BOAC Flight # 601 21 MAY 68. It was suggested at this time that Miss Lillian SPENCER, Branch Manager, be interviewed when she was to return to the office 3 JUN 68.

6. The above information was telephoned to "A" Division this same date.

8. Accompanied by Sgt. G. Vandegraaf, I proceeded to KENNEDY TRAVEL BUREAU LTD. and interviewed Miss Lillian SPENCER. She verified the information, as noted in para. 5 above, and added that she arranged the trip to London for SNEYD and also completely filled out an application for his passport on 16 APR 68, which he signed. SNEYD also signed a Statutory Declaration in lieu of Guarantor at this time in Miss SPENCER's presence. This Statutory Declaration was filled out during the a.m. but notarized by Mr. Henry MOOS, Notary Public, President and owner of KENNEDY TRAVEL BUREAU LTD. during the p.m. and some time after SNEYD had left the premises. Arrangements were made with SNEYD to return to this Agency after about two weeks to pick up the tickets and passport. SPENCER produced from her files a printed letter signed Raymond George SNEYD dated 4-20-68 to the effect that he was going to Copral for several days on business and would pick up the passport on his return. Photostat copies of letter attached. Miss SPENCER stated that on 2 MAY 68 the tickets were issued and on this same day SNEYD picked up both the tickets and his passport, on payment of \$345.00 in Canadian funds. SPENCER failed to recognize any FBI pictures of James Earl RAY shown to her.

9. At the Office of Vital Statistics, 70 Lombard Street, Toronto, Ontario, a record of Raymond George SNEYD was found as follows:

Certificate No.	[REDACTED]
Hospital	- Salvation Army Women's Hosp. Raymond George SNEYD
Father	- George Edward SNEYD 33 Kerr Rd., Toronto, Ont. English Typewriter Mechanic - Remington Type Co.
Mother	- Gladys May KILMER

10. It was subsequently learned that the SNEYD listed with Vital Statistics was a member of the Metro Toronto Police Department, employed at / 33 Division. I called this Division and spoke with Insp. O'Hara, who verified that this member was working out of this Division. I told him briefly the reason for this investigation after which he confirmed the member under his command was working in MAY and did not make a trip to England on 6 MAY 68. SNEYD's holidays were not due until JUL 68, his address was given as 1731 Victoria Park Ave., Toronto, Ontario, phone 759-7562. I call SNEYD, told him the reason for the enquiry and asked him if he had any knowledge of this person using the particulars of the SNEYD born [REDACTED]. SNEYD replied that he knew nothing of this situation, therefore, arrangements were made for him to view the photo that was expected later in the day. SNEYD sounded quite honest during this telephone conversation.

negative but it was learned a man using the name BRIDGMAN purchased a passport photo on 11 APR 68; a negative of this photo could not be found. A picture of this person was located and given to the investigator by Mrs. AGNES, Proprietor.

12. Also from information supplied by Headquarters, Mrs. Feliks SEPARKOWSKA, 102 Ossington Avenue, Toronto, Ontario, was contacted. She informed that a Paul BRIDGMAN resided at this address from 8-19 APR 68; however, he kept to himself and his employment was not known. Mrs. SEPARKOWSKA immediately advised the investigator that she had seen a picture of RAY in the newspapers connected with file subject and had requested her husband to call the police concerning BRIDGMAN; however, he laughed at her so she forgot the idea. SNEYD paid \$10.00 cash per week for his room, had no visitors, was not seen driving a car nor did she know where he went from here. SNEYD was thought to be a car salesman. She also added that a couple of days after the information regarding the suspect in the KING murder case was released, BRIDGMAN moved from this address.

13. Mrs. LOO was again contacted and shown a picture received from ARCADE STUDIO. She identified the picture taken as BRIDGMAN as the person who resided at her home using the name SNEYD. She then produced a small blue coloured flight bag containing the articles as shown on attached Form C-246, which she stated were items left by SNEYD. These items were immediately taken to the R.C.M. 1/e Identification Branch for his attention. No evidence of fingerprints was found on these goods that could be identified with the suspect RAY in this case. Other persons interviewed at this address, without result, as follows:

Genar GRANTZ
Thomas FALUDY

14. Mrs. SEPARKOWSKA also identified the photo of BRIDGMAN as the man who rented the room at her home, but she failed to recognize the S.B.I. picture of RAY. Mr. SEPARKOWSKA, as well as tenants RAFFAEL GAROFANO and C. JOLLYMORE were interviewed but they could not supply additional information concerning the suspect.

15. At this point most members of C.I.B. General were beginning to check the various sources locally in an effort to identify SNEYD & BRIDGMAN. Metro P.D., S.P.P., Postal Investigation, Department Motor Vehicles (names of registered car salesman), Retail Credit Bureau, and all names of SNEYD in the Toronto Telephone Directory. Our C.I.B. and S.I.B. records were checked as well as arrangements made to receive the passenger list of persons on Flight 600 BOAC dated 6 MAY 68 and Flight 601 BOAC 21 MAY 68.

19. A meeting took place in the offices of the Metro Toronto Police Department with members of M.T.P.D., M.C.M.P., and F.B.I. present. The purpose was to make the M.T.P.D. aware that the suspect was using the particulars of a member of the M.T.P.D., that the suspect had spent one month in Toronto which no doubt would require their attention in one phase or another, and to advise that the F.B.I. Agents were at our Office for liaison purposes direct to U.S. sources if necessary.

20. Miss Lillian SPENCER, Manager, KENNEDY TRAVEL BUREAU LTD Toronto, Ontario, was contacted and requested to come to this Office to be interviewed. She readily agreed and after being interrogated for some time she gave the attached voluntary statement.

21. The ARCADE PHOTO STUDIO was visited and the negative of Paul BRIDGMAN was asked for. Mrs. AGNEW stated she valued the negative at \$20.00 and without this payment she refused to produce same. Immediately Cst. Giffin obtained a Search Warrant under Section 58(1) C. seized this negative as well as Bill of Sale 11 APR 68. Exhibit Report C.246 dated 6 JUN 68 attached.

22. A check was made at Vital Statistics regarding the name SNEYD to determine whether or not someone might have applied for a birth certificate under this name. A printed letter signed by Raymond George SNEYD dated 4-16-68, listing the necessary details of the birth, father's name and mother's name including mother's maiden name, was found. See photostat copies of this document attached. This document was turned over to our Identification Branch for examination after which the original was returned. Copies of this document, as well as the letter located at the Travel Agency signed by SNEYD were forwarded via air direct to the F.B.I. Office in Buffalo, New York.

Dundas Street West and interviewed Mrs. Sun Fung LOO. This interview was conducted in the Chinese language and although Mrs. LOO did not want to sign any statements, she agreed to answer all questions. She advised that SNEYD appeared at her door during the morning of 16 APR 68 and enquired about the room for rent. Mrs. LOO had a sign "Room to rent" in the front window of her home. SNEYD paid her \$9.00 Canadian money and made arrangements to move in 19 APR 68. He was carrying a newspaper at this time. On 19 APR 68, SNEYD appeared at this address and took possession of the room. He carried no luggage, had only one suit of clothes, did not buy any new clothes, did not bring any liquor into the house, nor was he seen driving a car. He indicated he worked a night shift in a hotel, she remembered he was out all night and slept during the day while at this point. Mrs. LOO further added that although he moved in on the date in question, he was not seen by her again until 26 APR 68. She had a short conversation with him at which time he indicated he went back to Montreal. She then assumed Montreal might be his home. A few days after he returned from his trip, an unknown male described as tall, fat, husky, appeared at the door with a letter. She called SNEYD; a very short conversation took place between the two men, after which the visitor left. Mrs. LOO could provide no further identification concerning this person, although she knew he was not a postman nor could she describe him as a delivery man of any type. Annoted, SNEYD first paid Mrs. LOO on 16 APR 68, he paid for the second week on 26 APR 68 and the third week 2 MAY 68, where he was last seen. Mrs. LOO discovered him missing on either 10 or 11 MAY 68. She does not know exactly when he left this address. Mrs. LOO's husband YSE LOO was questioned at this time, but he could offer no information concerning this case.

24. On this date, I was informed by the Officer i/c C.I.B. that the suspect under investigation here had been positively identified by the F.B.I. as James Earl RAY, wanted by the F.B.I. for the murder of Dr. Martin Luther KING Jr.

25. Cst. G.W. Giffin and I, accompanied by C/M B. BRIBAL, Polish Interpreter, interviewed FELIKSA SZPAKOWSKA, 102 Ossington Ave., Toronto, Ontario. This woman declined to give a written statement but agreed to co-operate with investigating members. She advised that a Paul BRIDGMAN appeared at her door on 8 APR 68 to rent a room. A sign was in the front window advertising a room to rent. He paid \$10.00 per week for rent, Canadian money, and stayed for two weeks. He told Mrs. SZPAKOWSKA he was a car salesman; however, she thought it strange as BRIDGMAN was not seen to drive a car. He allegedly worked days but was sometimes home during the day. He owned a brown sports jacket, black pants, black tie and one shirt as well as a tobacco coloured raincoat. He carried a small suitcase, colour unknown, but a plaid design inside. No associates could be ascertained nor was he visited by anyone. One letter arrived addressed to him and although he saw the letter on the small table where all letters for boarders are placed, he refused to pick up the letter. This letter, from 70 Lombard Street, Toronto, the address of Vital Statistics, was returned to the postman by the landlady.

26. Mrs. SZPAKOWSKA added that she recognized SNEYD as a man wanted for the shooting of KING. She had seen pictures in the newspapers. She immediately told her husband to call the police; however, he laughed at her and convinced her it was not so. She therefore gave the matter no further thought.

27. Mr. HUMPHREY, Registrar-General's Department, Vital Statistics, was contacted and advised of the investigation, especially dealing with his Department. During a check at this point, a printed letter applying for a birth certificate signed by Paul Edward BRIDGMAN, listing the same information as the letter found concerning SNEYD, was found. This document was also examined by the Identification Section with negative results. It was ascertained that a birth certificate applied for by BRIDGMAN had been returned to the Department.

28. P.C. Raymond George SNEYD was questioned at length by Det. Sgt. R.G. Marsh, M.T.P.D., and Cpl. J.S. Dunlop, Toronto C.I.B. Attached please find copies of voluntary statement given to these members by SNEYD

7 JUN 68

29. At the suspect had now been identified as RAY, every effort was being made to determine associates, movements, habits and any other information that might be available at this point with a view to locating RAY, as well as any person who might have assisted him. Neighbourhood enquiries were again made on both Ossington Avenue and Dundas Street West. Members also began a check of all Consulates in the City in the event RAY may have made arrangements for a Visa to another country from here; hotels, dry-cleaning shops, photo studios, as well as further checks at Vital Statistics, all enquiries using the photo as an aid. No information of value was gained.

30. At Vital Statistics I was informed by Mr. E. PIKE, Assistant Deputy Registrar General, a very simple method to gain information concerning a person's name, correct date and place of birth, father and mother's name, as well as the mother's maiden name. All newspapers in this City keep on file all editions printed. It is a very easy task to locate in Toronto copies of local papers printed for any year where a person can check the birth announcement for the required information. Toronto teenagers are adopting this practice to obtain birth certificates for persons over twenty-one years in order that they can frequent beverage rooms. In this case, it will be noted RAY had the necessary particulars to secure birth certificate for both BRIDGMAN and SNEYD, even though he never did have possession of the BRIDGMAN certificate. The manner in which he acquired this information regarding BRIDGMAN and SNEYD is not known at this time; however, as pointed out, it is not difficult.

31. Mr. Paul BRIDGMAN, 80 Cassandra Avenue, Toronto, Ontario, the man whose particulars RAY was using when the birth certificate was applied for, was interviewed. This man is employed by the Toronto Board of Education. No evidence could be found to suggest this man had

any knowledge of RAY and as far as can be ascertained at this point, BRIDGMAN is completely innocent of any connection with this investigation.

32. Canvassing of hotels, banks, car dealers, Post Offices, dry-cleaning establishments continued on this date by C.I.B. members. Through co-operation with Mr. CURSON, Security Department, BOAC, the passenger and crew manifests for both 6 MAY 68 and 21 MAY 68 were obtained and checked. Also the name of Mr. & Mrs. D. KILGOUR, 212 Burns Ave. East, Whitby, Ontario, the passengers directly in front of RAY, were forwarded. These people were contacted but they do not remember RAY. The persons directly behind RAY and those across the aisle from him on 6 MAY 68 booked one-way passage, therefore, it is assumed these people are from somewhere overseas.

33. Information was received from Headquarters that RAY had left London and was known to have gone to Lisbon, Portugal. It was also ascertained that RAY had used his return ticket from London to Toronto on the purchase of a ticket from London to Lisbon, after which he was issued a return voucher valued at \$14.60, BOAC Voucher No. 06104443731. A request was received to contact BOAC, Toronto, Ontario, to put a stop notice on this voucher and to supply any information available. Mr. CURSON was again contacted, however, he informed that this voucher is similar to a traveller's cheque, accepted by travel agencies and airlines throughout the world. He also added that it would be practically impossible to put a stop notice on this voucher. It could be from one month to one year before this voucher would finally end up in their local files. This matter was not pursued further.

8 JUN 68

34. I was advised by the Officer i/c C.I.B. that RAY was apprehended at the London Airport by Scotland Yard.

19 JUN 68

35. Telex CIB1507 was received from the Commissioner relating to clothing and items found in RAY's possession. Telex CIB1094 dispatched 11 JUN 68 from this Division.

36. A systematic check of all banks in an area bounded by Brook, Bloor, Jarvis and Front Streets was begun by members of this Section in an effort to link RAY with any money transactions either locally or with the J.S.A. Results will be reported.

11 JUN 68

37. Information was received to the effect that Mrs. SZPANSKA indicated to newspaper reporters that a man had called at her home asking for BRIDGMAN. She was contacted by myself, accompanied by Det. Henry PANLOWSKI in this regard. Det. PANLOWSKI, who speaks Polish, translated

the interview. Mrs. SZPAKOWSKA advised that three or four days after BRIDGMAN moved out, a young man about thirty years, 5'10", dark blond, round face, wearing a 2 length coat appeared at the door and asked if BRIDGMAN lived at this address. He showed her BRIDGMAN's name type-written on a piece of paper. When she replied that he moved, the man left. She did not know the man, he did not show any identification nor does she know what agency, if any, he represented. She was asked why she had not related this event during her numerous contacts with investigators earlier whereupon she stated she thought she had told us. At this point she admitted she was thoroughly confused by the events of the past week especially by her encounters with various newspaper men and photographers. It will be noted in para. 25 that on 6 JUN 68, she was interviewed with the assistance of C/M B. HRIBAC, at which time Mrs. SZPAKOWSKA advised that BRIDGMAN had no associates nor was he visited by anyone. This phase of the interview was explored at that time and no mention was made of anyone asking for BRIDGMAN after he left. Due to Mrs. SZPAKOWSKA admitted a confused state of mind, I place some doubt that a young man asked for BRIDGMAN; however, every effort will be made to identify this person.

38. Mr. Robert McNAULTON (DB: 26 MAR 17) 10 Dalhousie Cres., Toronto, Ontario, appeared at M.T.P.D. Headquarters and identified himself as probably being the "fat man" who delivered the letter to SNEYD, 962 Dundas St. West, Toronto, Ontario. He stated that he used the phone booth just up the street from this address, found an open letter addressed to SNEYD, realized the address was just a few houses away, walked up to the door and delivered same, telling SNEYD he found it in the phone booth. Cpl. J.S. Dunlop and Det. Sgt. R. Marsh interviewed this man and subsequently had him positively identified by Mrs. LEO. There is no doubt that McNAULTON is innocently connected with SNEYD. In view of the publicity given all known persons involved with this investigation by the press, McNAULTON asked that his identity not be released to the press. This request has been respected at this point.

39. Various avenues of investigation are underway at this time, checking on persons who allegedly believe that had some association with RAY during his stay in the Toronto area. A map of Toronto found at 962 Dundas St. West has an area circled in pen at Queen Street and Ossington Avenue, which is close to where RAY lived as BRIDGMAN; the Vital Statistics Office circled, and four areas marked in the eastern section of the City. Investigation is continuing to determine what connection these marked areas have with RAY.

40. An Eric S. GAULT, one of the aliases used by RAY was previously checked on in Toronto on 19 APR 68. The man here is Eric St. Vincent GALT, Supervisor, UNION CARBIDE CANADA LIMITED, home address 49 Lehamn Drive, Scarborough, Ontario. He is a trusted employee and known to be in Toronto on the date in question. See Telex CIB996/2 received from the Commissioner and Telex CIB736 sent from "C" Division 19 APR 68.

We do not consider it likely that the proposed trip to Capreol materialised.

FORWARDED for your information, together with copies of the Form C.246, the C.238, the handprinted letters and statements mentioned in the report.

2. Further to Para. 24, as you are aware, the positive identification of the Toronto suspect by the F.B.I. came as a result of handwriting comparison of one of the attached letters to the Department of Vital Statistics.

3. The BOAC manifest referred to in Para. 32 showed SNEYD as a passenger on Flight 600, however, their manifest for the proposed return flight on 21-5-68 did not list this name. This information was relayed to Ottawa by telephone and we believe was assistance to Scotland Yard in determining that RAY had exchanged the return portion as detailed in Para. 33.

4. It might be mentioned that the laundry marks referred to in your telex CIB 1507 have been checked against the records held by the O.P.P., negatively. They suggest they might have originated in Montreal last summer or in the U.S.A. prior to RAY entering Canada.

5. We have no concrete information that anyone knowingly assisted RAY during his stay in this city, however, all aspects are receiving continuous attention and further correspondence will be forthcoming as information of value becomes available.

Murder of
(ASSISTANCE TO F.B.I.)

1 JUN 68

1. As a result of a phone call from Cpl. Titus, "A" Division to "O" Division Information Desk, Cpl. J.S. Dunlop and I patrolled locally to determine the status of one, Raymond George SMYTH, 968 Dundas Street West, Toronto, in relation to the captioned case. Please see attached Form C-238.

2. A check was first made to locate 968 Dundas Street West, however, this address is non-existent; the numbers in this area go from 966 then to 982 Dundas Street.

3. Mrs. Sun Fung LOO, 962 Dundas Street West, Toronto, was interviewed, whereupon she advised that the man using the name SMYTH had lived here for three weeks beginning 19 APR 68. She could provide little information at this time, she didn't know where he worked, if he had any friends, owned a car or where he could be located. He did pay his rent in cash, worked somewhere at night and slept during the day. No further information was gained at this time. He apparently moved out because the children in the house made too much noise.

4. Mrs. ITTAS, widow, was located at 108 Ossington Avenue, Toronto, Ontario, where she lives with a young daughter. When questioned concerning one, Paul SMITHMAN, she stated that he had not resided here during the fourteen years she has operated a small confectionery store on this site.

5. Enquiries at the KENNEDY TRAVEL BUREAU LTD., 424 Bloor Street West, Toronto, Ontario, revealed that Raymond George SMYTH, 962 Dundas Street West, Toronto, Ontario, had arranged on 16 APR 68 for transportation from Toronto to London, leaving Toronto via BOAC Flight # 600 6 MAY 68 returning from London via BOAC Flight # 601 21 MAY 68. It was suggested at this time that Miss Lillian SPENCER, Branch Manager, be interviewed when she was to return to the office 3 JUN 68.

6. The above information was telephoned to "A" Division this same date.

1 JUN 68

7. On this date, I was advised by the Officer i/c C.I.B. that the above particulars were to be thoroughly checked out.

8. Accompanied by Cst. G. Vandegraaf, I proceeded to KENNEDY TRAVEL BUREAU LTD. and interviewed Miss Lillian SPENCER. She verified the information, as noted in para. 5 above, and added that she arranged the trip to London for SNEYD and also completely filled out an application for his passport on 16 APR 68, which he signed. SNEYD also signed a Statutory Declaration in Lieu of Guarantor at this time in Miss SPENCER's presence. This Statutory Declaration was filled out during the a.m. but notarized by Mr. Henry MOOS, Notary Public, President and owner of KENNEDY TRAVEL BUREAU LTD. during the p.m. and some time after SNEYD had left the premises. Arrangements were made with SNEYD to return to this Agency after about two weeks to pick up the tickets and passport. SPENCER produced from her files a printed letter signed Raymond George SNEYD dated 4-20-68 to the effect that he was going to Cepreal for several days on business and would pick up the passport on his return. Photostat copies of letter attached. Miss SPENCER stated that on 2 MAY 68 the tickets were issued and on this same day SNEYD picked up both the tickets and his passport, on payment of \$345.00 in Canadian funds. SPENCER failed to recognize any FBI pictures of James Earl RAY shown to her.

9. At the Office of Vital Statistics, 70 Lombard Street, Toronto, Ontario, a record of Raymond George SNEYD was found as follows:

Certificate No. 32-05-020428
 Hospital - Salvation Army Women's Hosp.
 Raymond George SNEYD
 Father - George Edward SNEYD
 33 Kerr Rd., Toronto, Ont.
 English
 Typewriter Mechanic - Remington Type Co.
 Mother - Gladys May KILMER

10. It was subsequently learned that the SNEYD listed with Vital Statistics was a member of the Metro Toronto Police Department, employed at / 33 Division. I called this Division and spoke with Insp. O'Hara, who verified that this member was working out of this Division. I told him briefly the reason for this investigation after which he confirmed the member under his command was working in MAY and did not make a trip to England on 6 MAY 68. SNEYD's holidays were not due until JUL 68, his address was given as 1731 Victoria Park Ave., Toronto, Ontario, phone 759-7562. I call SNEYD, told him the reason for the enquiry and asked him if he had any knowledge of this person using the particulars of the SNEYD born [redacted] SNEYD replied that he knew nothing of this situation, therefore, arrangements were made for him to view the photo that was expected later in the day. SNEYD sounded quite honest during this telephone conversation.

11. As a result of information supplied by Headquarters, a check was made at the ARCADE PHOTO STUDIO, 137 Yonge Street, Toronto, Ontario, under the names of both SNEYD and BRIDGMAN. SNEYD proved

negative but it was learned a man using the name BRIDGMAN purchased a passport photo on 11 APR 68; a negative of this photo could not be found. A picture of this person was located and given to the investigator by Mrs. AGNEW, Proprietor.

12. Also from information supplied by Headquarters, Mrs. Feliksa SZPAKOWSKA, 102 Ossington Avenue, Toronto, Ontario, was contacted. She informed that a Paul BRIDGMAN resided at this address from 8-19 APR 68; however, he kept to himself and his employment was not known. Mrs. SZPAKOWSKA immediately advised the investigator that she had seen a picture of RAY in the newspapers connected with file subject and had requested her husband to call the police concerning BRIDGMAN; however, he laughed at her so she forgot the idea. SNEYD paid \$10.00 cash per week for his room, had no visitors, was not seen driving a car nor did she know where he went from here. SNEYD was thought to be a car salesman. She also added that a couple of days after the information regarding the suspect in the KING murder case was released, BRIDGMAN moved from this address.

13. Mrs. LOO was again contacted and shown a picture received from ARCADE STUDIO. She identified the picture taken as BRIDGMAN as the person who resided at her home using the name SNEYD. She then produced a small blue coloured flight bag containing the articles as shown on attached Form C.246, which she stated were items left by SNEYD. These items were immediately taken to the N.C.O. i/e Identification Branch for his attention. No evidence of fingerprints was found on these goods that could be identified with the suspect RAY in this case. Other persons interviewed at this address, without result, as follows:

Gusar GRANTER
Thomas FALUDY

14. Mrs. SZPAKOWSKA also identified the photo of BRIDGMAN as the man who rented the room at her home, but she failed to recognize the N.B.I. picture of RAY. Mr. SZPAKOWSKA, as well as tenants RAFFAKLE SAROFANO and C. JOLLYMORE were interviewed but they could not supply additional information concerning the suspect.

15. At this point most members of C.I.B. General were beginning to check the various sources locally in an effort to identify SNEYD & BRIDGMAN. Metro P.D., S.P.P., Postal Investigation, Department Motor Vehicles (names of registered car salesman), Retail Credit Bureau, and all names of SNEYD in the Toronto Telephone Directory. Our C.I.B. and S.I.B. records were checked as well as arrangements made to receive the passenger list of persons on Flight 600 BOAC dated 6 MAY 68 and Flight 601 BOAC 21 MAY 68.

Avenue, Toronto, Ontario, where a complete and thorough search was made of the rooms occupied by the person in question in an effort to gather evidence connecting the suspect with the captionally-noted case or to identify this person. This search proved negative.

17. Neighbourhood enquiries were conducted, as well as local banks, dry-cleaning establishments, and grocery stores in an effort to identify this man using the name SNEYD as well as to locate associates or places he might have frequented with no results.

18. Pictures of SNEYD & BRIDGMAN as well as the Passport Application and Statutory Declaration were received by facsimile from Headquarters; Telex CIB1050 summarizing this investigation was dispatched to the Commissioner, information "A" Division. Special Agents J. McManis and W. Campbell, F.B.I., Buffalo, N.Y. arrived to assist in this investigation.

5 JUN 68

19. A meeting took place in the offices of the Metro Toronto Police Department with members of M.T.P.D., R.C.M.P. and F.B.I. present. The purpose was to make the M.T.P.D. aware that the suspect was using the particulars of a member of the M.T.P.D., that the suspect had spent one month in Toronto which no doubt would require their attention in one phase or another, and to advise that the F.B.I. Agents were at our Office for liaison purposes direct to U.S. sources if necessary.

20. Miss Lillian SPENCER, Manager, KENNEDY TRAVEL BUREAU LTD., Toronto, Ontario, was contacted and requested to come to this Office to be interviewed. She readily agreed and after being interrogated for some time she gave the attached voluntary statement.

21. The ARCADE PHOTO STUDIO was visited and the negative of Paul BRIDGMAN was asked for. Mrs. AGNEW stated she valued the negative at \$20.00 and without this payment she refused to produce same. Immediately Cst. Giffin obtained a Search Warrant under Section 58(1) C.C. seized this negative as well as Bill of Sale 11 APR 68. Exhibit Report C-246 dated 6 JUN 68 attached.

22. A check was made at Vital Statistics regarding the name SNEYD to determine whether or not someone might have applied for a birth certificate under this name. A printed letter signed by Raymond George SNEYD dated 4-16-68, listing the necessary details of the birth, father's name and mother's name including mother's maiden name, was found. See photostat copies of this document attached. This document was turned over to our Identification Branch for examination after which the original was returned. Copies of this document, as well as the letter located at the Travel Agency signed by SNEYD were forwarded via air direct to the F.B.I. Office in Buffalo, New York.

Dundas Street West and interviewed Mrs. Sun Fung LOO. This interview was conducted in the Chinese language and although Mrs. LOO did not want to sign any statements, she agreed to answer all questions. She advised that SNEYD appeared at her door during the morning of 16 APR 68 and enquired about the room for rent. Mrs. LOO had a sign "Room to rent" in the front window of her home. SNEYD paid her \$9.00 Canadian money and made arrangements to move in 19 APR 68. He was carrying a newspaper at this time. On 19 APR 68, SNEYD appeared at this address and took possession of the room. He carried no luggage, had only one suit of clothes, did not buy any new clothes, did not bring any liquor into the house, nor was he seen driving a car. He indicated he worked a night shift in a hotel, she remembered he was out all night and slept during the day while at this point. Mrs. LOO further added that although he moved in on the date in question, he was not seen by her again until 26 APR 68. She had a short conversation with him at which time he indicated he went back to Montreal. She then assumed Montreal might be his home. A few days after he returned from his trip, an unknown male described as tall, fat, husky, appeared at the door with a letter. She called SNEYD; a very short conversation took place between the two men, after which the visitor left. Mrs. LOO could provide no further identification concerning this person, although she knew he was not a postman nor could she describe him as a delivery man of any type. Annoted, SNEYD first paid Mrs. LOO on 16 APR 68, he paid for the second week on 26 APR 68 and the third week 2 MAY 68, where he was last seen. Mrs. LOO discovered him missing on either 10 or 11 MAY 68. She does not know exactly when he left this address. Mrs. LOO's husband YEE LOO was questioned at this time, but he could offer no information concerning this case.

24. On this date, I was informed by the Officer i/c C.I.B. that the suspect under investigation here had been positively identified by the F.B.I. as James Earl RAY, wanted by the F.B.I. for the murder of Dr. Martin Luther KING Jr.

25. Cat. G.. Giffin and I, accompanied by C/M B. BRIDAL, Polish Interpreter, interviewed FELIXA SZPAKOWSKA, 102 Ossington Ave., Toronto, Ontario. This woman declined to give a written statement but agreed to co-operate with investigating members. She advised that a Paul BRIDGMAN appeared at her door on 8 APR 68 to rent a room. 26. Mrs. WAPAKOWSKA added that she recognized SNEYD as a man wanted for the shooting of KING. She had seen pictures in the newspapers. She immediately told her husband to call the police; however, he laughed at her and convinced her it was not so. She therefore gave the matter no further thought.

27. Mr. WADSWORTH, Registrar-General's Department, Vital Statistics, was contacted and advised of the investigation, especially dealing with his Department. During a check at this point, a printed letter applying for a birth certificate signed by Paul Edward BRIDGMAN, listing the same information as the letter found concerning SNEYD, was found. This document was also examined by the Identification Section with negative results. It was ascertained that a birth certificate applied for by BRIDGMAN had been returned to the Department.

28. P.C. Raymond George SNEYD was questioned at length by Det.-Sgt. R.G. Marsh, M.I.P.D., and Cpl. J.S. Dunlop, Toronto C.I.B. Attached please find copies of voluntary statement given to these members by SNEYD

29. At the suspect had now been identified as RAY, every effort was being made to determine associates, movements, habits and any other information that might be available at this point with a view to locating RAY, as well as any person who might have assisted him. Neighbourhood enquiries were again made on both Ossington Avenue and Dundas Street West. Members also began a check of all Consulates in the City in the event RAY may have made arrangements for a Visa to another country from here; hotels, dry-cleaning shops, photo studios, as well as further checks at Vital Statistics, all enquiries using the photo as an aid. No information of value was gained.

30. At Vital Statistics I was informed by Mr. E. PIKE, Assistant Deputy Registrar General, a very simple method to gain information concerning a person's name, correct date and place of birth, father and mother's name, as well as the mother's maiden name. All newspapers in this City keep on file all editions printed. It is a very easy task to locate in Toronto copies of local papers printed for any year where a person can check the birth announcement for the required information. Toronto teenagers are adopting this practice to obtain birth certificates for persons over twenty-one years in order that they can frequent beverage rooms. In this case, it will be noted RAY had the necessary particulars to secure birth certificate for both BRIDGMAN and SNEYD, even though he never did have possession of the BRIDGMAN certificate. The manner in which he acquired this information regarding BRIDGMAN and SNEYD is not known at this time; however, as pointed out, it is not difficult.

31. Mr. Paul BRIDGMAN, 80 Cassandra Avenue, Toronto, Ontario, the man whose particulars RAY was using when the birth certificate was applied for, was interviewed. This man is employed by the Toronto Board of Education. No evidence could be found to suggest this man had

any knowledge of RAY and as far as can be ascertained at this point, BRIDGMAN is completely innocent of any connection with this investigation.

32. Canvassing of hotels, banks, car dealers, Post Offices, dry-cleaning establishments continued on this date by C.I.B. members. Through co-operation with Mr. CURSON, Security Department, BOAC, the passenger and crew manifests for both 6 MAY 68 and 21 MAY 68 were obtained and checked. Also the name of Mr. & Mrs. D. KILGOUR, 212 Burns Ave. East, Whitby, Ontario, the passengers directly in front of RAY, were forwarded. These people were contacted but they do not remember RAY. The persons directly behind RAY and those across the aisle from him on 6 MAY 68 booked one-way passage, therefore, it is assumed these people are from somewhere overseas.

33. Information was received from Headquarters that RAY had left London and was known to have gone to Lisbon, Portugal. It was also ascertained that RAY had used his return ticket from London to Toronto on the purchase of a ticket from London to Lisbon, after which he was issued a return voucher valued at \$14.60, BOAC Voucher No. 06104443731. A request was received to contact BOAC, Toronto, Ontario, to put a stop notice on this voucher and to supply any information available. Mr. CURSON was again contacted, however, he informed that this voucher is similar to a traveller's cheque, accepted by travel agencies and airlines throughout the world. He also added that it would be practically impossible to put a stop notice on this voucher. It could be from one month to one year before this voucher would finally end up in their local files. This matter was not pursued further.

34. I was advised by the Officer i/c C.I.B. that RAY was apprehended at the London Airport by Scotland Yard.

35. Telex CIB1507 was received from the Commissioner relating to clothing and items found in RAY's possession. Telex CIB1094 dispatched 11 JUN 68 from this Division.

36. A systematic check of all banks in an area bounded by Brook, Bloor, Jarvis and Front Streets was begun by members of this Section in an effort to link RAY with any money transactions either locally or with the U.S.A. Results will be reported.

37. Information was received to the effect that Mrs. SZPAKOWSKA indicated to newspaper reporters that a man had called at her home asking for BRIDGMAN. She was contacted by myself, accompanied by Det. Henry PAWLOWSKI in this regard. Det. PAWLOWSKI, who speaks Polish, translated

r the interview. Mrs. SZPAKOWSKA advised that three or four days after BRIDGMAN moved out, a young man about thirty years, 5'10", dark blond, round face, wearing a 3 length coat appeared at the door and asked if BRIDGMAN lived at this address. He showed her BRIDGMAN's name type-written on a piece of paper. When she replied that he moved, the man left. She did not know the man, he did not show any identification nor does she know what agency, if any, he represented. She was asked why she had not related this event during her numerous contacts with investigators earlier whereupon she stated she thought she had told us. At this point she admitted she was thoroughly confused by the events of the past week especially by her encounters with various newspaper men and photographers. It will be noted in para. 25 that on 6 JUN 68, she was interviewed with the assistance of C/M B. BRIBAC, at which time Mrs. SZPAKOWSKA advised that BRIDGMAN had no associates nor was he visited by anyone. This phase of the interview was explored at that time and no mention was made of anyone asking for BRIDGMAN after he left. Due to Mrs. SZPAKOWSKA admitted a confused state of mind, I place some doubt that a young man asked for BRIDGMAN; however, every effort will be made to identify this person.

38. Mr. Robert McNAULTON (DB: 26 MAR 17) 10 Bellehaven Cresc., Toronto, Ontario, appeared at M.T.P.D. Headquarters and identified himself as probably being the "fat man" who delivered the letter to SNEYD, 962 Dundas St. West, Toronto, Ontario. He stated that he used the phone booth just up the street from this address, found an open letter addressed to SNEYD, realized the address was just a few houses away, walked up to the door and delivered same, telling SNEYD he found it in the phone booth. Cpl. J.S. Dunlop and Det. Sgt. R. Marsh interviewed this man and subsequently had him positively identified by Mrs. LOO. There is no doubt that McNAULTON is innocently connected with SNEYD. In view of the publicity given all known persons involved with this investigation by the press, McNAULTON asked that his identity not be released to the press. This request has been respected at this point.

39. Various avenues of investigation are underway at this time, checking on persons who allegedly believe that had some association with RAY during his stay in the Toronto area. A map of Toronto found at 962 Dundas St. West has an area circled in pen at Queen Street and Ossington Avenue, which is close to where RAY lived as BRIDGMAN; the Vital Statistics Office circled, and four areas marked in the eastern section of the City. Investigation is continuing to determine what connection these marked areas have with RAY.

40. An Eric S. GAULT, one of the aliases used by RAY was previously checked on in Toronto on 19 APR 68. The man here is Eric St. Vincent GALT, Supervisor, UNION CARBIDE CANADA LIMITED, home address 49 Leabann Drive, Scarborough, Ontario. He is a trusted employee and known to be in Toronto on the date in question. See Telex CIB996/2 received from the Commissioner and Telex CIB736 sent from "O" Division 19 APR 68.
