In view of our trial date being November 12, 1968, it is important for us to be notified as soon as possible whether you will be available to visit the United States.

Although the trial date is set for November 12th, it is not expected that you will be needed on that date, as it will probably take us some time to select a jury, and we will have other witnesses to offer in evidence prior to the need for your presence. I estimate that it will be the early part of December before you will be needed, and when you notify us that you are available for attendance, we will give you approximately one week's advance notice in order that you might complete arrangements for your trip. It is anticipated that your presence will not be needed in Memphis more than the time necessary for you to testify at the trial, and in no event will you be required for more than three or four days.

With my personal thanks to you for your wonderful cooperation in this matter, I remain,

Dear Sir:

On November 12, 1968, we expect to start the trial of the State of Tennessee vs. James Earl Ray, who is accused of the slaying of Dr. Martin Luther King, Jr.

A material witness in this case for the State of Tennessee is Captain John W. DeShazo, whose present address is Box 7500, Hospital Tachikawa, APO San Francisco, California 96323. It is my understanding that this hospital is located on the edge of Tokyo, Japan. Captain DeShazo is on duty as a dentist at said hospital.

I have been advised by the Department of Justice that in order to have Captain DeShazo returned to the United States by November 12, 1968, it would be necessary to make the arrangements through your command. Will you please advise if you can so return Captain DeShazo to the United States by November 12th and notify us where he will be stationed in the United States in order that we might contact him and procure his attendance as a witness at the aforementioned trial?

We would not want Captain DeShazo to spend any more time in Memphis than necessary, and since he would not be called upon until after the jury has been selected in this case, if it could be arranged for him to be stationed in the United States, commencing approximately November 12, 1968, we could notify Captain DeShazo several days prior to his appearance in Court, and thereby restrict the amount of time Captain DeShazo would have to spend here.

I would certainly appreciate any and all assistance you could render in this matter and await your advice.

Respectfully yours,

This office is expecting to commence the prosecution on November 12, 1968, in Memphis, Tennessee, United States of America, of the case of the State of Tennessee vs. James Earl Ray, who is accused of slaying Dr. Martin Luther King, Jr.

As you will recall, three men from this office recently visited London pursuant to their pre-trial investigation of this matter, and I wish to express to you and to the men in your command, my and their sincere appreciation for the excellent manner in which they were received and the excellent cooperation given them.

Dr. Martin Luther KING -  
Murder of  
Assistance to the F.B.I.

31 OCT 68

1. This date, Claire KEATING was re-interviewed and the following signed statement was obtained from her:

STATEMENT OF: Claire (Mrs. Michael) KEATING, nee CLOUTIER  
DOB:   
35 Woodridge Crescent, Apt. #512, Ottawa, Ontario

Further to my statement dated 15 OCT 1968, I wish to state that James Earl RAY never mentioned anything about Passports to me. The first time the subject was mentioned was when William Bradford HUIE came to see me. He said that RAY had told him that he intended to use me to obtain a Canadian Passport, but changed his mind because he figured that I would turn him in to the Police. In my position as a Secretary with the Department of Transport, I would not risk my job by helping someone fraudulently obtain a Canadian Passport. The article in Look Magazine is factual with a few minor discrepancies. I did not show RAY the R.C.M.P. Headquarters and only received one letter from him, not letters as mentioned in the article. After reading the article, I remembered that the name of the hotel where we stayed with him in Montreal was the Har-K on Notre-Dame Street. I have a sister, Yvette CHARLEBOIS, who is secretary to the Registrar of Citizenship, but I am positive that I never mentioned her name or employment to RAY. I told her about my involvement with RAY only after HUIE'S visit.

Dr. Martin Luther KING

I have been employed as Secretary to the Registrar of Citizenship, Mr. Ross MARTIN, for the past 3 years. About one and a half months ago, my sister Claire told me about her involvement with James Earl RAY. It was after HUIE'S visit to Ottawa to see her. At no time did my sister ever ask me to help her obtain a passport for anyone. In fact, she never mentioned the word passport during the course of our conversation. The reason that she came to me after HUIE'S visit was that she was very worried and needed to confide in someone close to her. Claire is a very honest and dependable person, and her only fault is that she is a little too naive.

SIGNED: Yvette CHARLEBOIS

WITNESS: A. SYNNETT, Cpl.

3. I am satisfied that RAY did not mention anything about Passports to Mrs. KEATING and that the fact that her sister is Secretary to the Registrar of Citizenship is only a co-incidence. Mrs. KEATING has been most co-operative and I am positive that she is an honest person, placed in a very embarrassing position by her association with RAY.

4. In compliance with instructions received, I also re-interviewed Ruth CHAPPELL and asked her for a written statement. Mrs. CHAPPELL is a widow with a 19-year-old son. She is desperately afraid of her name being made public and only reluctantly agreed to give the following signed statement:

STATEMENT OF: Ruth CHAPPELL.  
DOB:   
143 Longpre Street, Eastview, Ontario

---

During the first long week-end in August, I accompanied Claire KEATING to St-Jovite, P.Q., where we stayed at the "Petit Manoir" Inn. During the evening, we motored up to the Grey Rock Inn where we met a man who introduced himself as Eric GALT. I did not pay much attention to him and after a few drinks I went back to the Manoir. Claire stayed with him. I did not see GALT again until we visited him in Montreal the following Monday. Since it was impossible to find a room in Montreal because of Expo, we stayed with him during the two nights that we spent in Montreal. He took us out to the Acapulco Club. He seemed to have enough money to

get along, but he did not strike me as being very prosperous. He never mentioned friends or associates and did not introduce us to anyone. He appeared to be a quiet and regular sort of a guy. He never mentioned the word passport to us. I never saw him again after we left Montreal. I heard from Claire later that he had been to Ottawa to see her. After James Earl RAY'S arrest, she called me and asked if I thought that he could be the man we had met. I did not think so at the time and was surprised when it turned out to be him.

SIGNED: Ruth CHAPPELL

WITNESS: A. SYNNETT, Cpl.

5. Discreet enquiries at the Town and Country Motel, 1476 Richmond Road, Ottawa, revealed that Eric GALT registered there on the 18th of AUGUST 1967 and left on the 20th of AUGUST 1967. He gave his address as 507 Chestnut Street, Chicago, Ill., and was driving a Plymouth, Licence No. LH5942. He stayed in Cabin No. 30, which is not equipped with a telephone. Any calls made by him from one of the several pay phones at the Motel would not go through the Motel Switchboard and be recorded. Although he registered as Mr. & Mrs. Eric GALT, Mrs. KEATING did not stay with him at the Motel, as mentioned in her statement dated 15 AUG 68. The Desk Clerk on duty at the Town and Country Motel when RAY, alias GALT, registered, Mrs. Edythe COBLEY, is reported to be dying from terminal cancer and will not be interviewed. It is extremely doubtful that she could remember anything of any significance about RAY. Copies of the Motel Registration Card are attached hereto.

# Action Being Asked Against Huie, Look

Criminal Court Judge W. Preston Battle's legal advisory committee in the James Earl Ray case has recommended contempt action against Alabama author William Bradford Huie and the publishers of Look magazine.

Huie, who says he is under contract to write Ray's biography, was cited for an article that ran in the Nov. 12 issue of Look, which came out last week, and also for an interview reported in the Commercial Appeal Nov. 1.

The Committee, in a report filed yesterday, said there is "probable cause" the writer and Cowles Publications as well as "others closely connected with or interested in the case" had violated the court's orders restricting pre-trial publicity.

The other parties were not identified in the report. The Look article, based on what Huie said were written interviews with Ray, hinted of a conspiracy in the assassination of Dr. Martin Luther King, with Ray playing the role of an unknowing dupe. The magazine said the arti-

cle was the first of several installments.

The newspaper story quoted Huie as saying the FBI was on the trail of other suspects in the crime. Ray's trial is scheduled to begin a week from today in Judge Battle's court.

The committee urged the court to require Huie and the other parties to show cause why they should not be held in contempt "at such time as the above parties are within the jurisdiction of the court" and after the jury has been selected.

# 105 Subpoenas in Ray's Trial

By **ROY B. HAMILTON**  
Press-Scimitar Staff Writer

The State of Tennessee will subpoena 105 witnesses in its efforts to convict James Earl Ray in the slaying of Dr. Martin Luther King. The Press-Scimitar learned today.

Atty. Gen. Phil Canale confirmed a report that subpoena papers are now being served to "about" that number of persons, but declined to release their names.

"They have been talked to

enough," he said. "I don't want them harassed any more."

However, the identities of many persons expected to testify for the state have been previously published.

Ray's trial is scheduled to start a week from today in

but did not say how the interview was obtained. Ray was quoted in one response as saying he was in Memphis the day before but not on the day of Dr. King's murder.

How the newspaper obtained answers to its questions posed a mystery. Sheriff William Morris said Ray has been allowed no visitors in county jail other than his attorneys.

Judge Battle previously gave Hanes permission to submit written questions to Ray for Huie. He ruled that guards could not read the material passing back and forth between the prisoner and Hanes but merely inspect it to see that it contained no drawings or diagrams which might breach security.

The arrangement was opposed by Robert K. Dwyer, executive assistant attorney general, who argued close censorship was necessary to prevent security leaks.

Judge W. Preston Battle's Criminal Court.

Meanwhile, the attorney general's office was reported to be concerned about the source of another story that appeared last week in the National Enquirer, a weekly newspaper published in New York and sold on Memphis newsstands.

The story quoted Ray in a question-answer interview
