ACCORDING TO BEATTIE, STANLEY WENT TO THE SOUTHERN STATES AND WENT ON A SPEAKING TOUR WITH J. B. STONER, WHO, ACCORDING TO THE PRESS, IS NOW THE DEFENSE COUNSEL FOR JAMES EARL RAY.

BEATTIE SAYS HE FEELS THE NAMES RAYMOND SNEYD, PAUL BRIDGEMAN, AND ERIC VINCENT GALT WERE AMONG THOSE FORWARDED TO STONER AND THE NAMES AND IDENTITIES OF THE ABOVE INDIVIDUALS WERE EVENTUALLY UTILIZED BY RAY. HE SAID HE FEELS THERE IS A CONSPIRACY BETWEEN STONER AND RAY AND OTHERS IN THE MURDER OF MARTIN LUTHER KING, BUT ADMITS THIS IS ONLY A PRESUMPTION ON HIS PART.

RCMP, TORONTO, INDICATE THEY PLACE LITTLE VALUE ON ANY INFO RECEIVED FROM BEATTIE AS HE IS CONTINUALLY SEEKING ANY RECOGNITION THROUGH PRESS AND NEWS MEDIA. ACCORDING TO RCMP, IT WAS LEARNED HE HAD ORIGINALLY OFFERED THE ABOVE INFO TO THE PRESS AND WHEN NOTHING APPEARED IN THE PRESS, HE THEN WENT TO THE RCMP.

RCMP, TORONTO, HAVE BEEN REQUESTED TO LOCATE AND INTERVIEW STANLEY IN AN EFFORT TO CONFIRM ABOVE INFO AND, FURTHER, TO INTERVIEW SNEYD, BRIDGEMAN AND GALT IN EFFORT TO DETERMINE IF THEY EVER RECEIVED PUBLICATION "THUNDERBOLT" OR OTHER MATERIAL WHICH COULD HAVE ORIGINATED WITH THE NATIONAL STATES

**GENERAL INVESTIGATIVE DIVISION**

This is the case involving the murder of Martin Luther King, Jr.

The attached is information furnished by the Royal Canadian Mounted Police (RCMP) regarding Jesse B. Stoner, (Ray's present attorney). Stoner is official of the National States Rights Party (NSRP), headquarters Savannah, Georgia, which publishes the "Thunderbolt".

Bureau files reflect that Beattie is an American Nazi Party advocate and no indication he ever associated with the NSRP.

We have no knowledge of Stanley forwarding a list to the NSRP, Birmingham, Alabama.

According to William Bradford Huie, author who has been writing articles concerning Ray, the names of Sneyd, Bridgeman and Galt were obtained through old editions of newspapers.

We will furnish RCMP through Legat, Ottawa the information requested.

NOTE:

Legat Ottawa advised us that John William Beattie, leader of Canadian National Socialist Party, was in contact with the Royal Canadian Mounted Police (RCMP) and said that David Stanley, who at one time was a member of the Canadian National Socialist Party, had forwarded names of Toronto residents to the National States Rights Party (NSRP) in Birmingham in order that the publication "Thunderbolt" could be forwarded to them. Stanley allegedly forwarded lists of 200 to 300 names on several occasions in 1965 and feels that the names of Sneyd, Bridgeman, and Galt (aliases of James Earl Ray) were among the names forwarded. The RCMP places little value on any of this information as Beattie is continually seeking any recognition through press and news media.

William Bradford Huie, author, stated the names Sneyd, Bridgeman, and Galt were obtained by Ray through old editions of newspapers.

Beattie is an American Nazi Party advocate and there is no indication he ever associated with the NSRP. We have no knowledge of Stanley or Beattie forwarding such lists to NSRP in Birmingham or any other location according to Racial Intelligence Section, Domestic Intelligence Division.

Legat Ottawa requested to be advised concerning these lists and this communication is advising him of such.

**Synopsis: On 3/10/69, subject appeared before Judge W. On 3/13 and 3/14/69, efforts made by FBI Agents to interview RAY at Tennessee State Penitentiary, Nashville, Tenn., were unsuccessful. On 4/7/69, subject filed in Criminal Court of Shelby County, Tenn., a motion for a new trial.**

**DETAILS:**

On March 10, 1969, the subject and his attorney, PERCY FOREMAN, appeared before Judge W. PRESTON BATTLE, Division III, Criminal Court of Shelby County, Memphis, Tennessee, and entered a plea of guilty to murder in the first degree for having murdered Dr. MARTIN LUTHER KING, JR. RAY was sentenced to ninety nine years imprisonment, this having previously been agreed to by RAY, by the District Attorney General, and by Judge BATTLE.

On March 13, 1969, and again on March 14, 1969, the subject RAY, then incarcerated at the Tennessee State Penitentiary, Nashville, Tennessee, declined to be interviewed by Special Agents of the FBI.

ME 44-1987

On April 7, 1969, the subject through his attorneys, RICHARD J. RYAN, J. B. STONER, and ROBERT W. HILL, JR., filed in the Criminal Court of Shelby County, Tennessee, a motion for a new trial. The subject asks that the Court set aside his waiver, his plea of guilty, and his conviction and that he be granted a new trial. Subject states that his waiver, plea, and conviction were the results of his being deprived of legal counsel, in violation of the 14th and 6th Amendments to the U. S. Constitution. The subject states he will show that he and his two prior attorneys, ARTHUR HANES and PERCY FOREMAN, entered into contracts with the author WILLIAM BRADFORD HUIE while the subject was awaiting trial, and that these contracts established a conflict of interest between the subject and his two prior attorneys. The subject therefore asks that the judgment heretofore entered be set aside and that his case be restored to the trial calendar.

# Memorandum

TO : DIRECTOR, FBI (44-38861)  
FROM : LEGAT, BONN (62-66) (RJC)  
SUBJECT: MURKIN

DATE: 4/15/69

ReBONlet to Bureau dated 2/26/69.

Enclosed is a list of books and writings by JOACHIM JOESTEN which was furnished to this Office by the 66th Military Intelligence Group.

The 66th advised that they were able to discreetly obtain this list but were unable to obtain information concerning the book which JOESTEN is supposed to have written about JAMES EARL RAY.

The 66th determined that JOESTEN is registered as residing in Munich, Federal Republic of Germany (FRG), at 13/1 Grieg Strasse, in care of SCHMITZ. This registration record shows that he was born on [redacted] in Cologne, Germany. He came to his present address on 10/15/68 from 87-70 173rd Street, New York, New York.

JOESTEN is an American citizen with American Passport No. [redacted] issued on 4/18/67 at the American Consulate General in Stuttgart, FRG. JOESTEN was married on 9/8/40 in Stockholm to the former MAY J. NIELSSON, who was born on [redacted] in Gaevle, Sweden. They have a daughter, INGRID J., who was born on [redacted] in New York. JOESTEN's wife and daughter reside in the United States.

Other records in Munich which might be expected to contain some information about JOESTEN are negative.

None of our other applicable sources has been able to discreetly determine if JOESTEN's book concerning RAY is available at no cost. It would appear that the desired information cannot be obtained here discreetly. A direct approach to JOESTEN would probably determine whether or not the RAY publication is available free.

*"The people who engineered the killing of one of the finest Presidents we ever had are walking around today. Not to do anything about it is un-American."*

JAMES GARRISON  
*(District Attorney of New Orleans)*

The first person in the United States to do something about it was Joachim Joesten, an American citizen of German birth. His book *Oswald: Assassin or Fall Guy?*, published in June 1964 - well over two years before Epstein, Lane, Weisberg, Sauvage, etc., were heard from - was the first book in the United States to expose the official version of the assassination as a hoax. It was the driving wedge that opened the way towards establishing the truth.

'We have found out that the conclusions of the Warren Commission are so far from the truth that they constitute a gigantic fraud - quite possibly the largest in terms of effort and scope and effect, ever perpetrated on the planet.'

—Garrison

Joachim Joesten was the first writer who openly accused the Warren Commission of deliberate fraud. In his German-language book *Die Wahrheit über den Kennedy-Mord* he used the sub-title 'Why and How the Warren Report is a Lie'. Joesten also coined the expression 'The Kennedy Murder Fraud' which is gaining wide acceptance and will in due course become a household word around the world.

'What worries me deeply, and I have seen it exemplified in this case, is that we in America are in great danger of slowly evolving into a proto-fascist state . . . We won't build Dachaus and Auschwitzes; the clever manipulation of the mass media is creating a *concentration camp of the mind* that promises to be far more effective in keeping the populace in line.'

—Garrison

'Practically the only way dissenters have been able to make their voices heard has been through books. No wonder there have been so many on the subject . . . I hope this isn't going to be my last [it wasn't]. As long as there is any breath in me, I shall continue to write about this absorbing theme.'

From the *Foreword* to *The Garrison Enquiry* by Joachim Joesten

## How Kennedy was Killed by Joachim Joesten

In his seventh, and so far most definitive book on the subject, the author performs a task never before undertaken by any of the writers who have dealt with the assassination of President Kennedy: he reconstructs, mainly on the basis of the authentic information provided by District Attorney Jim Garrison of New Orleans, *what really* happened at Dallas, on November 22, 1963, and retraces the course of events that led up to the murder. The whole pattern of the conspiracy is laid bare in these pages with ruthless frankness.

*The shocking truth that James Garrison will disclose to the world tomorrow - is revealed in this book today!*

# Oswald: the Truth

by Joachim Joesten

In this lengthy work, the author convincingly documents his assertion that Lee Harvey Oswald, alleged presidential assassin, and cop-killer, didn't kill anybody in Dallas on November 22, 1963 - a fact fully confirmed by James Garrison long after the manuscript had been completed and when the book was already in print.

Among scores of other revelations not to be found in any other book about the assassination, *Oswald: The Truth* contains photographic proof that the Dallas Police, eager to frame Lee H. Oswald for two murders he had not committed, criminally tampered with the material evidence at the scene of the crime.

# Marina Oswald

by Joachim Joesten

This book exposes another essential aspect of the monstrous fraud that has been put over on the American public, and the world, in the Kennedy assassination.

It proves conclusively – and again this has now been confirmed by Garrison – that Oswald, far from ever having been a genuine Communist, was an undercover operative of the CIA and later also a stool pigeon for the FBI. On his CIA-assignment to Russia, which he bungled, Oswald was constantly shadowed by Soviet counter-espionage agents, mostly female. One of them was the now notorious Marina whom Lee Harvey made the fatal mistake of marrying.

Later, in the United States, Marina was 'turned around' by American intelligence agents, with the result that she betrayed her murdered husband and 'confessed' his guilt, although she was a witness to nothing and moreover knew that he had not committed the crime. In return for so much disloyalty, Marina was showered with gifts and rewards, becoming a rich woman who soon remarried. And now, on top of everything else, she is suing Uncle Sam for half a million dollars in damages!

First published by Marzani & Munsell, Inc., New York, in June 1964.  
Second Edition (including a brief analysis of the Warren Report)  
January 1965.

Published in England by the Merlin Press, London, January, 1965.

'... The book sets out to prove that Lee Oswald did not kill the Dallas policeman, and may not have killed President Kennedy – or if he did, that he had a lot of help, including perhaps another hidden sniper. It goes further – much further. It sets forth the theory that Oswald was either a CIA or FBI agent or informer, or both. It hints at a massive conspiracy to cover up the real story of Kennedy's death. And it documents its theory so meticulously that it is frightening... And its documented charges should be answered. If the Warren Commission can answer them, it should do so publicly...'

Kenneth L. Dixon in *The New York World Telegram*, July 7, 1964.

## *The Biggest Lie Ever Told*

(The Kennedy Murder Fraud - and how I helped expose it)

by Joachim Joesten

This is the inside account, told in the first person, of a hitherto unknown story that will make headlines some day: How Joachim Joesten got the train of disclosures started that has been rolling ever since, gathering momentum from year to year as others joined in the battle for the truth; how the official fabric of deception was torn apart, step by step and book by book; how Joesten outwitted the CIA, the agency primarily responsible for the assassination of President Kennedy; how he put the finger on Lyndon B. Johnson as the power behind the murder; how he carried on psychological warfare against the perpetrators of the Kennedy Murder Fraud and triggered some surprising reactions; how he piled 'first' upon 'first' in the gradually evolving destruction of the official mythmaking and the exposure of the shocking truth. And, how it felt to be in the middle of all it.

The author does not claim sole credit for exposing the Kennedy Murder Fraud, or even claim a major share of the credit - Jim Garrison is entitled to that - but he is conscious of the fact that he did the spade-work for the big demolition job now in progress.

'The Biggest Lie Ever Told' will be published by the author himself, again in mimeographed or multigraphed form, in a number of volumes to be issued beginning early in 1968. Scheduled so far are:

Volume I *The Long Uphill Fight for the Truth*

Volume II *Adventures in Zurich*

(In connection with the publication of *Die Wahrheit über den Kennedy-Mord*, see p. 8)

Volume III *My War Against the Newsfakers*

Volume IV *It's a Ghoul's Life*

This detailed record of Joachim Joesten's personal involvement in the battle for the truth about the Kennedy murder, and of his varied experiences in the case, some of them very strange, is intended primarily as *library material*. It should be very useful to future historians as well as to students of current affairs.

The series will be available only by subscription and the price is \$5.00 per volume. Address orders and enquiries to:  
Joachim Joesten, 87-70 173rd Street, New York 11432, U.S.A. or

ACCEPTANCE OF PLEA OF GUILTY

That my true full name is JAMES EARL RAY and I assert that all proceedings against me should be had in the name which I hereby declare to be my true name.

My attorney in the cause is PERCY FOREMAN, who was selected and retained by me, who was appointed by the Court ~~per se~~, to represent me in this cause. and Hugh Stanton, Sr., Public Defender,

I have received a copy of the indictment before being called upon to plead, and I have read and discussed it with my attorney, and believe and feel that I understand the accusation made against me in this case and in each case listed herein. I hereby waive the formal reading of the indictment.

I have told my attorney the facts and surrounding circumstances as known to me concerning the matters mentioned in the indictments, and believe and feel that my attorney is fully informed as to all such matters. My attorney has informed me as to the nature and cause of each accusation against me, and as to any and all possible defenses I might have in this cause.

My attorney has advised me as to the punishment provided by law for the offenses charged and embraced in the indictment against me. My attorney has further advised that punishment which the law provides for the crime with which I am charged in the indictment is as follows:

death by electrocution or confinement in the State Penitentiary for

life or for some period of time over twenty (20) years

and if accepted by the Court and Jury my sentence on a plea of guilty will be:

confinement in the State Penitentiary for ninety-nine years (99).

It has been fully explained to me and I understand that I may, if I so choose, plead "Not Guilty" to any offense charged against me, and that if I choose to plead "Not Guilty" the Constitution guarantees and this Court will provide me the right to a speedy and public trial by jury; the right to see and hear all witnesses against me; the right to use the power and process of the Court to compell the production of any evidence, including the attendance of any witness, in my favor; and the right to have the assistance of counsel in my defense at all stages of the proceedings.

In the exercise of my own free will and choice and without any threats or pressure of any kind or promises of gain or favor from any source whatsoever, and being fully aware of the action I am taking, I do hereby in open Court request the Court to accept my plea of guilty to the charges outlined herein. I hereby waive any right I may or could have to a Motion for a New Trial, and/or an appeal.

AMENDED PETITION

Your petitioner would respectfully show the Court:

That this cause is subject to federal jurisdiction in that there is a diversity of citizenship (see caption) and that the subject matter of this suit is in excess of \$10,000.

That he is presently in the Tennessee State Penitentiary at Nashville serving time under a sentence of 99 years imposed by the Criminal Court of Shelby County, Tennessee, the Honorable Judge Preston Battle (now deceased) then presiding.

That he was imposed upon by the respondents in the following manner: Petitioner first consulted with Arthur J. Hanes, an attorney at law in the State of Alabama, and that they reached a tentative agreement for the said Hanes to defend him on a charge of murder. The petitioner charges that he was before and at all times since in jail without bail and under every restrictive security. Petitioner would show that after the original meeting with Hanes that he and Hanes started a line of discussion relative to Hanes' fee and expenses.

That Hanes revealed to the petitioner that he had been approached by the respondent, Huie, and that Huie would be willing to pay large sums of money for the exclusive rights to the story of your petitioner's life, including any and all facts surrounding the petitioner's alleged involvement in the slaying of Martin Luther King (whom petitioner at that time stood charged with murdering). After being assured by Mr. Hanes that his rights pending the homicide case would not be prejudiced or imperiled, the pe-

petitioner entered into a contract with respondent Hanes and with respondent Huie (a copy of which, together with other material contracts and correspondence, is attached to original petition).

Your petitioner now realizes and so charges that the original and all subsequent contracts were not in any way for the petitioner's benefit; nor were they ever so intended to be. On the contrary, it is charged that respondent Hanes entered into collusion with respondent Huie, each having the specific intent to exploit your petitioner's plight to their own monetary benefit. Your petitioner was under extreme emotional and mental stress, whereby he was made more susceptible to the urgings of the attorney who was allegedly acting in his behalf. Respondent Hanes realized that your petitioner was a stranger to the tangles of the law, and therefore proceeded to "take him in."

Your petitioner would show the Court that he at all times depended wholly upon the advice of Mr. Hanes until such time as Percy Foreman, the lawyer from the Texas Bar, entered into the case. At this point in time, the petitioner released Mr. Hanes and depended fully upon the advice of said Percy Foreman.

Your petitioner would show that he initially entered into a contract with Mr. Hanes, but that through, an amendatory agreement induced by Mr. Percy Foreman, he signed a contract by virtue of which Mr. Hanes was released upon the promise to be paid some \$35,000 by Mr. Huie. Under the amendatory contract, Mr. Foreman was to receive all rights formerly to have been Mr. Hanes'. However, Mr. Foreman was to receive further rights in regard to exclusive stories, motion picture contracts, re-run contracts, television rights, etc. In other words, Mr. Percy Foreman was to receive everything which might otherwise have been the property of James Earl Ray, in return for defending James Earl Ray.

The petitioner believes that the defendant Foreman has some sort of power of attorney so that on the face of said power of attorney, Foreman, if not restrained, will in all probability further act in the name of the petitioner to the petitioner's detriment in these and other matters.

Your petitioner was not versed in the law relative to

contracts in general or, more specifically, contracts between attorney and client. Nor was he sufficiently knowledgeable or informed about the peril of his course, as made obvious by the fact that said agreements could and would adversely affect the defense in his criminal case.

Petitioner charges that the respondent Foreman advised, then cajoled, then pressured him into pleading guilty to the aforementioned charge of murder in the first degree. Among other things, the said Foreman told him that this course was the only way to save petitioner's life - all of this in spite of the fact that petitioner had at all times protested his innocence to Mr. Foreman.

Petitioner now believes and charges that neither respondents ever intended for him to have a fair trial and testify in his own behalf, as this would then make the facts and testimony public property and no one would or could have exclusive rights in the matter.

Petitioner charges that Foreman informed him that the only way to raise enough money to pay his fee was to sign over such rights as he had. Petitioner at this time had full faith in his attorney and acted strictly in accordance with his attorney's advice. He did not know that such acts actually prejudiced his rights in the criminal case and caused to arise a serious conflict of interest which rendered it impossible for Mr. Foreman to well and truly represent him. There was no way for the petitioner to know that Mr. Foreman had, in fact, positioned himself in such a manner as to have a strong monetary interest in having his client found guilty and sentenced to a 99 year term for a crime which he did not commit. Mr. Foreman did not tell the petitioner, nor did the petitioner know, that there have been no executions in this state within the past decade and that the "bargaining" for the 99 year sentence could have easily been done by almost any student fresh out of law school. No ability, experience, or exhaustive research would be necessary to obtain the said results, particularly in view of the fact that petitioner at all times prior thereto proclaimed his innocence.

Petitioner would further show that the presiding judge, Judge Preston Battle, in an effort to keep down unnecessary pub-

licity had enjoined all parties, including the attorneys, from releasing to the Press any statements relating to the petitioner and/or his case. That in spite of this injunction, respondent Foreman released statements to his co-respondent Huie, said statements purported to be from this petitioner. That such statements, even when and if the same were made by the petitioner, were statements of a confidential nature and privileged between client and attorney.

Petitioner charges that there has since appeared in a national magazine an article in which Huie sets forth certain statements purportedly made by the petitioner. Even if such statements were true, which petitioner denies, they could only have been based upon statements made to his lawyer, therefore bringing them under the rule of privilege between attorney and client (a copy of said magazine is filed to the original petition).

Finally, petitioner charges that not only does the above conduct violate the relationship of attorney and client, but also violates Canon No. 6 of the professional ethics set forth by the American Bar Association and which have been adopted by the state. Petitioner avers that the relationship of attorney and client existed at all times whenever he talked with any of his lawyers, but that he was never told, nor did his lawyer explain to him, the true monetary aspects of the case or that the reception of such money under the conditions of the contract hereto attached, would imperil petitioner's rights in the homicide case and violate the mandates of the Honorable Judge Preston Battle, now deceased.

From what he has now learned and believes, petitioner charges that his final attorney, Mr. Percy Foreman, was the agent of the co-respondent William B. Huie and was in fact looking out for his own (Foreman's) and his principal's (Huie) monetary interests, rather than the rights of this petitioner.

Petitioner would show in corroboration of his belief and charge that Percy Foreman, who was allegedly representing him, coerced your petitioner into signing some sort of petition for waiver and other unlawful and unconstitutional petitions attached

to this the amended petition. Among those rights which respondent Foreman attempted to coerce your petitioner to waive were 1) his motion for a new trial; 2) successive appeals to the Supreme Court of Criminal Appeals of the Supreme Court of Tennessee; and 3) petition for review by the Supreme Court of the United States (see page 2 of Voir Dire of Defendant of Waiver and Order).

Petitioner would point out to the court that there is no precedent for such a waiver in law or equity and that as an experienced attorney, Mr. Foreman must have realized not only the impropriety, but the gross injustice he was fostering upon his own client in direct contradiction to all of those legal rights guaranteed him by the constitution of both this state and the United States.

WHEREFORE, PREMISES CONSIDERED, PETITIONER PRAYS:

1. That he be allowed to file this petition and that proper process issue and be served upon the respondents and/or their agents, requiring them to appear at the earliest day convenient to be set by this Court, and to answer this complaint fully, but not under oath, their oath to the same being waived.
2. That a preliminary injunction issue enjoining the respondents from the further exposure of the alleged facts surrounding the slaying of Martin Luther King, insofar as such alleged facts affect the petitioner, or purport to involve this petitioner with said killing. Petitioner prays that upon the final hearing of this cause that said injunction be made final.
3. That any and all contracts entered into by the parties described above be voided or nullified and that all parties respondent be perpetually enjoined from pursuing their course by reason of any alleged contractual agreements or powers of attorney.
4. That all costs pursuant to petition be taxed against the respondents.
5. That he be granted such other general relief as the equities of this cause may demand.

RE: **Martin Luther KING -**  
**Murder of.**  
**(ASSISTANCE TO F.B.I.)**

#33 4/14/69  
31 ~~EXP. PROC.~~

25 MAR 69

1. On this date, the Assistant C.I.B. Officer disclosed that he had been advised by a local press representative that William John BEATTIE would be coming to this Headquarters on this date to offer information regarding the murder of Martin Luther KING.

2. John William BEATTIE claims to be the National Leader of the Canadian National Socialist Party. His philosophies and political ideologies are extremely right wing and he has written several articles and given numerous speeches on anti-Semitism and anti-negro events. He is continually seeking any recognition through the press and news media. It was learned that he had originally offered this information to the press and when nothing appeared in the papers, he told the press that he was going to the R.C.M.P.

3. The Assistant C.I.B. Officer instructed that BEATTIE be interviewed by S/Sgt. Morse and myself.

4. BEATTIE advised that David STANLEY who was at one time a radical member of his organization, forwarded names of Toronto residents to the National States Rights Party in Birmingham, Alabama, so that the publication THUNDERBOLT could be forwarded to them. STANLEY chose these names out of the City Directory and forwarded lists of two to three hundred names on several occasions. This incident took place in 1965 and shortly after this, STANLEY went to the South States and went on a speaking tour with J.B. STONER, who is now the Defence Counsel for James Earl RAY.

5. BEATTIE feels that the names Ramon SNYD, Paul BRIDGEMAN and Eric Vincent GALT were some of the names forwarded to J.B. STONER. These names and identities were eventually utilized by James Earl RAY.

6. BEATTIE supplied postcards and letters which connect STANLEY with STONER on his speaking tour, and these documents were photostated and returned to BEATTIE; copies are attached.

7. BEATTIE feels that there is a conspiracy between STONER, RAY and others concerning the murder of Martin Luther KING. He admits that it is only a presumption on his part.

8. With reference to the attachments, STONER is noted as Vice Chairman of the National States Party and the copies of the postcards indicate that STANLEY was with him on one of his speaking tours.

9. We place little value in any information received from BEATTIE, however his admitted presumptuous information is being submitted
