ASSASSINATION OF MARTIN LUTHER KING, JR.

This is to confirm the conversation between Mr. J. H. Flannery of your Division and Special Agent E. J. McDonough on 8/28/69.

In April, 1968, an official of the Birmingham Trust National Bank, Birmingham, Alabama, furnished a safe deposit box which had been rented in the name of Eric S. Galt, 2608 Highland Avenue, Birmingham, Alabama, on 8/28/67. James Earl Ray, the subject of the captioned case, utilized this name and address. No fingerprint or other evidentiary data was developed from this safe deposit box. In accordance with Department instructions this safe deposit box was turned over to Tennessee State Authorities in connection with their prosecution of James Earl Ray. Birmingham Trust National Bank officials have now requested return of this box and the appropriate Tennessee State Official is aware of this request.

Mr. Flannery advised that the Department has no objection to this box being returned to the Birmingham Trust National Bank and the appropriate Tennessee State Official should be so informed in order that he can handle this matter with bank officials.

SYNOPSIS:

This is the case involving the murder of Martin Luther King, Jr.

On instructions of the Bureau, the St. Louis Office obtained copies of a statement allegedly dictated by James Earl Ray, who is presently incarcerated in the Tennessee State Prison at Nashville, Tennessee, which was read by his brother Jerry Ray in a taped interview on station KMOX-TV, St. Louis, Missouri, on the evening of 8/14/69. Al Mann, News Chief, KMOX-TV, who made the statement available, confidentially advised that his station was expending a great deal of time and possibly expense in "developing" Jerry Ray for the purpose of uncovering the "true story" of the assassination of Martin Luther King, Jr., and James Earl Ray's part in it.

In his statement Ray claims he was working with Federal Agents including one "Raoul" in supplying arms for the overthrow of the Castro regime in Spring, 1968, and was in Memphis for same purpose when King was killed and he was used as a "fall guy" to cover the killing. He does not identify the "Federal Agents." It is, of course, not the FBI. He states that his ease of travel through Canadian and Mexican borders was a result of Federal Agents' aid and he claims FBI knew of his movements in Mexico. This is not true as Ray traveled in Mexico in Fall, 1967, and we traced these travels after the killing of King in April, 1968. He intimates that former Attorney General Ramsey Clark possibly has knowledge of the plot and will be ruined along with Ray's former Attorneys, Percy Foreman and Arthur Hanes, as well as author William Bradford Huie, who wrote articles on Ray in "Look" magazine. Ray indicates he hopes to talk to CBS in person in near future unless blocked by State and Federal authorities. No information has been developed indicating any Federal Agencies were involved in the King murder and there does not appear to be any logical connection between anti-Castro activities and the killing of King.

Rosen to DeLoach Memorandum
RE: MURKIN

ACTION:

Although it is not known whether, in fact, James Earl Ray dictated the statement or if it was manufactured by his brother Jerry Ray, in view of its non-substantiated content, it is not felt that we should further pursue it at this time. A copy of the statement is being furnished to the Civil Rights Division for its information with advice that no inquiries are being conducted on the contents of this statement unless specifically requested. We will remain alert to any additional statements by Ray or any other individuals relating to this case and thoroughly run out any leads of pertinence.

Attached for approval is letter to Civil Rights Division forwarding a copy of Ray's statement.

A copy of Ray's statement is being furnished to the Memphis Office for its information. *AIRTEL Attached.*

Rosen to DeLoach Memorandum
RE: MURKIN

DETAILS:

JAMES EARL RAY'S STATEMENT:

Ray claims that in the Spring of 1968, he was working with Agents of the Federal Government, including "Raoul" and was told that he, Ray, was assisting in supplying arms to Cuban refugees to overthrow Castro and the Communists in Cuba. He states that he was led to believe that he was in Memphis in April (1968) for the same purpose when, in fact, he was actually used as a "fall guy" to cover up the killing of King by Federal Agents. He points out that the facility with which he crossed the Canadian and Mexican borders would be impossible without the help of Federal Agents who with the Mexican Police afforded him protection in Mexico.

Ray states that William Bradford Huie admits that the FBI and Mexican Police knew all of Ray's movements in Mexico and he did not know of King being in Memphis until after the shooting. He states that he realizes that the Federal Agents had no interest in overthrowing Castro and only used him to cover up the killing of King. He continues that two Federal Agencies are guilty and he is innocent and that he hopes that some higher Government official will expose the plot so that he will be freed from prison. Ray states that he does not know what motives the Federal Agents had for killing King and suggests that former Attorney General Ramsey Clark be asked as he may know.

Ray, in closing, stated he wanted to pass along a message to Percy Foreman, Arthur Hanes (two of Ray's former Attorneys) and William Bradford Huie (author who wrote articles on Ray) that they got their wish but they along with Ramsey Clark would be ruined before this matter is closed. He indicates he hopes to talk to CBS in person in the near future if Tennessee State and Federal authorities don't block it.

ANALYSIS:

Raoul is the individual who, according to William Bradford Huie's articles in "Look" magazine which were based on Ray's statements to Huie, was endeavoring to make some type of deal concerning a "joint activity" for which Raoul would pay Ray \$12,000. The specific nature of the "joint activity" was not fully described or identified but Ray was to transport packages between the United States and Canada. The possibility exists that the packages could contain contraband such as narcotics.

Rosen to DeLoach Memorandum
RE: MURKIN

Extensive investigation has been conducted in an effort to identify Raoul to no avail. No information has been developed indicating Ray was connected with any United States Federal Agency or the Mexican Police or involved in any way with anti-Castro activities. The procedures for passage between the United States and Canada and Mexico, respectively are not difficult nor do they require any particular Governmental sanction. There is no statement in the William Bradford Huie articles on Ray wherein Huie alleges that the FBI and Mexican Police knew all of Ray's movements in Mexico. During the course of our extensive investigation we have substantially accounted for Ray's whereabouts from the time of his escape from prison in April, 1967, until his apprehension in London in June, 1968, and his subsequent incarceration in the Tennessee State Prison in Nashville, Tennessee.

No information has been developed that the Mexican Police Authorities were aware of his presence or activities in Mexico. Ray states that he realizes that the so called Federal Agents had no interest in overthrowing Castro and their whole purpose was to use him to cover up their own crime. There does not appear to be any logical connection between anti-Castro activities and the killing of Martin Luther King, Jr., and it is not felt that we should pursue the non-substantiated information in Ray's statement unless additional information is developed warranting such action.

In the spring of 1968 I James Earl Ray was working with Agents of the federal goverment including Raoul. They told me that I was helping them to supply arms and, guns to cuban Refugees to overthrow Castro and, the communest in cuba. The reason why I've made trips to Mexico was in regard to helping the Agents of the federal goverment to supply arms to cuban refugees there to overthrow Castro. The federal Agents led me to beleave that I was in Memphis in April for the same purpose. I knew that I was working with federal Agents the way they had me passed across the Mexican and, Canadan borders is only one thing that proves they were federal Agents. They got me across the Canadan and, Mexican borders under circumstances which would have been inpossable without the help of federal agents. At a later time if necessary, I will give more extensive proof about the federal Agents with whom I was involved. It is a known fact that Agents of the federal government and, the Mexican Police knew about my trips to Mexico and, protected me there.

Even Whilliam Braford Huie admits that the FBI and, Mexican Police knew all of my movements in Mexico. I knew nothing about King being in Memphis untill after King had been killed. I could not argue with the federal agents I worked for becous they would have put me back in the Missouri State Prision at Jefferson City if I failed to take orders from them. I know that the federal Agents merly used me to be the fall guy when they killed King. I now relize that they had no interest in overthrowing Castro and, their whole purpose was to use me to cover up their own crime. Two federal agencies are guilty and I am fully innocent. We hope that someone higher up in the goverment will come forword and, expose the whole deal so that I will be freed from Prision. If they don't we have more information which we will release in the near future. I don't know what motives the federal Agents had for killing King ask former Attorney General Ramsey Clark maybe he knows.

In closing I want to pass along a little message to Percy Forman, Auther Haynes and, William Bradford Huie you three, got your wish but, it's not over with yet before it is the three of yous will be ruined along with your friend Ramsey Clark. I hope to be able to talk to C.B.S. in person in the near future if the state of Tenn and, the federal goverment don't block it being they don't want being exposed they might not allow it. Sirhan got to talk but, I am innocent so I probley won't be allowed to.

They told me that I was helping them to supply ARMS AND, guns to Cuban Refugees to overthrow Castro and the communest in Cuba. The reason why I've made trips to Mexico was in regard to helping the Agents of the federal government to supply ARMS to Cuban Refugees there to overthrow Castro. The federal Agents led me to believe that I was in Memphis in April for the same purpose. I knew that I was working with federal Agents the way they had me passed across the Mexican and Canadian borders is only one thing that proves they were federal Agents. They got me across the Canadian and, Mexican borders under circumstances which would have been impossible without the help of federal agents.

At a later time if necessary, I will give more extensive proof about the federal Agents with whom I was involved. It is a known fact that Agents of the federal government and, the Mexican police knew about my trips to Mexico and, protected me there.

Even William Bradford Huie admits that the FBI and, Mexican police knew ALL of my movements in Mexico. I knew nothing about King being in Memphis until after King had been killed. I could not argue with the federal agents I worked for because they would have put me back in the Missouri State Prison at Jefferson City if I failed to take orders from them. I know that the federal Agents merely used me to be the fall guy when they killed King.

I now realize that they had no interest in overthrowing Castro and, their whole purpose was to use me to cover up their own crime. Two Federal Agencies are guilty and I am fully innocent. We hope that someone higher up in the government will come forward and expose the whole deal so that I will be freed from prison. If they don't we have more information which we will release in the near future. I don't know what motives the Federal Agents had for killing King ask former Attorney General Ramsey Clark maybe he knows.

In closing I want to pass along a little message to Percy Foreman, Arthur Haynes and, William Bradford Huie you three, got your wish but it's not over with yet before it is the three of yous will be ruined along with your friend Ramsey Clark. I hope to be able to talk to CBS in person in the near future if the state of Tenn and, the Federal Government don't block it being they don't want being exposed they might not allow it. Sirhan got to talk but, I am innocent so I probably won't be allowed to

Re: U.S. v. Morris, No. Cr-LV 1775 - Las Vegas, Nevada
22 July, 1969

Dear Mr. Goldman, There is somewhat of a similarity between Tennessee v. Ray and the above Cause — via the plea of guilty to alleged charges — but more I say that my attorney and I find your observation of March 24 a bit naïve, when you assert that "a plea is normal enough in U.S. Court rooms a time — and money — saving convenience that permits authorities to settle far more cases than they bring to trial." Not exactly so, Pete — by reason of the following examples in both cases, supra. In the 4th day of July, 1968, I attempted to commit Air Craft Piracy (i.e., the attempted hijacking of a TWA jetliner with 71 passengers aboard) while in the custody of U.S. Government Marshalls. The Government made a "deal" with the defendant [pursuant to Rule 17.1, Federal Rules of Criminal Procedure — which provides for a Pretrial Conference] — not because of any "time — and — money saving convenience" as you think, but primarily because the Government did not want any of those seventy-one passengers to file a multi-million dollar civil action damage suit against the U.S. Atty. Gen. et al, as provided for under Title 28, U.S. Code Chap. 171, Sections 1346 and 2671. The magnitude of this case provided a "flexibility" beyond the usual "normal" routine of the so-called "cop-out."

In the Ray "deal" the same "convenience" applies — but since the apprehension of the "big S" in New Mexico two weeks ago, the deal which was made will now backfire! And the shocking events unfold — with the exposure of the highly placed source within the ~~system~~ system. Ray himself was paid by big "S" to run — but knows not the intricate stages of the deal.

Re Kansas City letter to Director, 4/29/69.

Referenced communication contained information from a Mr. KARL RAPP, Kansas City, Missouri, regarding a former SS general by the name of HEINZ MUELLER, aka HEINZ MANGER, who he had previously met in Puerto Vallarta. MUELLER was reportedly also a member of Odessa, an organization of former SS officers.

RAPP also had advised that he was previously in correspondence with a JOHN MATHIESON, a retired American formerly living in Puerto Vallarta and over 70 years of age. RAPP visited Puerto Vallarta during spring of 1969 and advised that he determined JOHN MATHIESON was no longer living in that area.

On 9/9/69, KARL RAPP telephonically advised Kansas City Office that he had received a letter from MATHIESON on 9/8/69 from Puerto Vallarta. In this letter, which was mostly personal in nature, MATHIESON stated that HEINZ MUELLER is now residing in Weisbaden, Germany. The letter did not elaborate and RAPP could furnish no more information regarding HEINZ MUELLER or MANGER. RAPP stated that MATHIESON did not give a return address but his former address had been Post Office Box 53, Puerto Vallarta, Mexico.

RAPP advised if any additional information comes to his attention he will immediately contact the Kansas City Office.

Leads in this matter are being left to discretion of office of origin or Bureau.

This case is remaining pending inasmuch as a lead was set out to interview JOHN MORRIS, Leavenworth, Kansas, in Phoenix letter to Director, 9/4/69.

Enclosed for the Bureau are 2 copies of a letter dated 9/10/69, addressed to the Warden of the Tennessee State Penitentiary, Nashville, Tenn., which enclosed a duplicate copy of a property receipt of property taken from the subject RAY at the time of his arrest. The Warden was requested to give this receipt to the subject RAY.

Also enclosed for the Bureau are 2 copies of an order signed by Shelby County Criminal Court Judge ARTHUR C. FACQUIN, allowing the subject's attorneys to talk with the subject in an open conference room. This was occasioned by the fact that the new Warden at the Tennessee State Penitentiary had required that RAY communicate with his attorneys through a telephone system while separated by a glass partition.

For the Bureau's information, Assistant District Attorney General J. CLYDE MASON stated that in a recent conversation with the subject's attorney, RICHARD J. RYAN, it was determined that RYAN intends to appeal this matter to the Tennessee Supreme Court. He has until 10/13/69 to perfect his appeal to that Court, and RYAN has indicated he intends to meet that deadline. The basis for this appeal is that under Tennessee law when a Judge ~~is~~ before ruling on a motion for a new trial, the defendant is automatically granted a new trial on the basis that only the trial Judge would have been aware of errors in the previous trial and that the defendant should be entitled to a new trial. The State contends that this law does not apply in the RAY case since RAY was sentenced on a plea of guilty and was never tried. The defense contends that a letter written by RAY to the late Judge BATTLE constituted a motion for a new trial, and that since Judge BATTLE died without ruling on this matter RAY is entitled to a new trial.

Re: James Earl Ray, inmate

Dear Sir:

On August 13, 1969, James Earl Ray made a written request of the United States Marshal to forward to him a duplicate copy of a property receipt of property confiscated by the Scotland Yard Police.

The United States Marshal forwarded this request to the Federal Bureau of Investigation who in turn forwarded same to this office. I am enclosing a list of property which accompanied James Earl Ray to this jurisdiction and which bears the signature of the Federal Agents who took Ray into custody and delivered him to the Chief Jailer of this county whose name also appears on the list of property.

If this meets with your approval, it would be appreciated, at your convenience, to forward this copy on to James Earl Ray.

Very truly yours,
