RE: Your No. 68HQ-791-Q-60 (V 6)

Dear Superintendent McHaffie:

In reference to your letters of June 28, and April 28, 1972, this is to advise that while the Supreme Court of the State of Tennessee has affirmed the conviction and guilty plea of James Earl Ray, it is our understanding from the defense attorneys that they intend now to file further proceedings in the Federal Court system. We should know something on this within the next six (6) months.

We should like to prevail on your good offices and continued cooperation in this matter to preserve the evidence in this matter until it is finally terminated.

Thank you again for your cooperation.

Very truly yours,

Re: Martin Luther KING

On 23 OCT 68, exhibits, as shown on the attached forms C-246 (Exhibit Reports #68/37 and 68/41) were handed to you for furtherance to your office in Memphis, Tennessee and were presumably entered into evidence at the trial of James Earl RAY.

It was requested that the exhibits be returned after their purpose was served, and our office in Montreal have been keeping their file open for this reason.

Additionally, our Toronto office has been holding exhibits since 1968. These exhibits are as listed on the attached letter dated 21 APR 70 to Mr. Clyde Mason, Assistant District Attorney General, Memphis, Tennessee.

The latest communication we have from Mr. Mason is a letter dated 7 JUL 72 (copy attached) which you will find self-explanatory. Please note that this letter appears to deal only with the exhibits we are holding at Toronto, and does not make any reference to the exhibits seized in Montreal which your office took possession of.

It would be appreciated if the Bureau could make enquiries with Justice officials in Memphis, Tennessee to determine:

- (a) if the Montreal exhibits sent to them through the F.B.I. are available for return, and
- (b) whether the exhibits being held by our Toronto office can now be disposed of.

 Enclosed for the Bureau are two copies each of three FD-302s reflecting interviews with CHARLES Q. STEPHENS at Memphis, Tennessee, on 4/5/68, on 4/5/68, and on 4/24/68. Also enclosed are two copies of a sworn affidavit given by STEPHENS during June, 1968.

Mr. HARVEY GIPSON, an attorney at Memphis, Tennessee, has contacted the Memphis Office and has advised that he is representing CHARLES Q. STEPHENS, who is attempting to collect approximately \$100,000 in reward monies which were offered by local newspapers and by others at the time MARTIN LUTHER KING was killed. *[Signature]*

GIPSON stated he has filed a civil suit in the Shelby County Chancery Court at Memphis. He indicated he has obtained copies of statements furnished to the State Attorney General's Office and he indicated he is aware that there are several signed statements furnished by STEPHENS to the FBI during this investigation. Mr. GIPSON stated he hopes the FBI will turn these statements over to him voluntarily, but indicated he will seek them through court action if necessary.

No admission was made to GIPSON as to whether or not STEPHENS had furnished any signed statements to the FBI. A review of the Memphis file does not indicate that STEPHENS has ever furnished a signed statement to the FBI, and the only signed document which can be located is the enclosed affidavit. The Bureau will note that a copy of this affidavit was previously furnished to the Bureau by Memphis airtel dated 6/13/68. It is

It is suggested that the Bureau discuss with the Department what action is desired regarding GIPSON's request for information appearing in FBI files. It is strongly recommended that we decline to furnish GIPSON any information, as it is believed that any cooperation on our part will encourage GIPSON to seek more and more information to substantiate his client's claim. It is also felt that the information furnished by STEPHENS was not of sufficient importance to justify any reward.

Date 4/7/68

CHARLES STEPHENS, Apartment 6B, 422½ South Main Street, Memphis, advised that on the afternoon of April 4, 1968, he was with his wife at the above address. He stated that at about 3:30 p.m., on the above date, he began working on a table model radio of his which was in need of repair. He said he took a radio to the kitchen and placed it on the table which was against the wall that was adjacent to the bathroom which was used by all tenants on his floor. As he was working on his radio he could hear the man in the next apartment to him, Apartment 5B, leave his room several times and go into the bathroom. Mr. STEPHENS stated that he knew it was the man who had just checked in to Apartment 5B that afternoon because he could hear the door of Apartment 5B open and then footsteps would go down the hall to the bathroom, the bathroom door would open and then close.

Mr. STEPHENS said that during these various trips that the individual in Apartment 5B made to the bathroom he failed to flush the toilet or to run any water with the exception of the last time he was in the bathroom. At this time he flushed the toilet. He stated that this individual seemed to be spending an undue length of time in this bathroom. At about 6:00 p.m., on April 4, 1968, Mr. STEPHENS heard a loud noise which he described as sounding like a gunshot come from the bathroom. Upon hearing this noise, Mr. STEPHENS ran from the kitchen where he was repairing his radio to his door that led to the hallway. He stated this is only a distance of about 10 to 12 feet. Upon opening the door he saw a man leave the bathroom carrying a package of about three feet long and wrapped in what appeared to be newspaper. He saw the man run down the hall and then turn left as if he were trying to leave the apartment building. As this was happening WILLIE ANSCHUTZ, who lived in Apartment 4B, came out of his apartment and went to the bathroom. ANSCHUTZ then told STEPHENS to look out of his window. STEPHENS said that he then looked out of his kitchen window which faced the Lorraine Hotel and saw a lot of policemen scurrying about and people running screaming in the vicinity of the hotel.

Mr. STEPHENS stated that the man who was in Apartment 5B had checked in about 3:00 or 3:30 p.m. on April 4, 1968. He stated he was sure of this because he had heard the landlady showing him the apartment at that time. He stated he glanced out of his door and got a fairly good look at the man who he described as being a white male; 5' 10-11"; weighing 165 pounds; slender build; ruddy complexion; sandy hair; had a long, sharp pointed nose; wearing what appeared to be a dark blue or black suit, white shirt and dark tie.

Mr. STEPHENS stated that the man who he saw running out of the bathroom closely resembled the man who had checked into Apartment 5B. He said he could only see the man who ran from the bathroom from behind, but his general build, hair coloring and clothes were the same as the individual in Apartment 5B.

Mr. STEPHENS described the individual he saw running out of the bathroom as follows:

Race	White
Sex	Male
Height	5'10-11"
Weight	165
Build	Slender
Complexion	Ruddy
Hair	Sandy, slightly on dark side
Clothing	Wearing dark suit

Mr. STEPHENS added that he had never met the man who checked into Apartment 5B, talked to him, or knew his name.

STEPHENS said the 1955 and 1960 photographs of RAY were not familiar to him, but he advised the 1966 profile photograph of RAY appearing in Wanted Flyer 442-A, April 19, 1968, and Identification Order 4182 dated April 20, 1968, looked like the man he saw in Apartment 5B on April 4, 1968, talking to Mrs. BESSIE BREWER. STEPHENS said he only saw the man's profile in the boarding house and as a result could only say the profile photograph of RAY in 1966 looked very much like the above mentioned man in Room 5B.

STEPHENS said he had never seen the bedspread or any similar bedspread either at the rooming house or anywhere else.

Mr. CHARLIE QUITMAN STEPHENS, Room 6-B, second floor, 422½ S. Main Street, furnished the following information to Lieutenant J. D. HAMBY, Homicide Bureau, Memphis Police Department, and SA FRANKLIN L. JOHNSON:

Mr. STEPHENS, who stated he is 46 years of age, and his wife occupy 2 rooms in the north wing of a rooming house, the address of which is 422½ S. Main Street. This rooming house actually covers the second floor of 2 separate buildings, Mr. STEPHENS' room being located in the north building in the southeast corner of the north building.

Sometime in the late afternoon of April 4, 1968, he and his wife were in their room. His wife, who has recently been in the hospital for an extended period of time, was in bed in their combination of living-bedroom. He was in the kitchen, which is east of the living-bedroom. He was repairing a radio on a table located at the north wall of the kitchen. Immediately north of him is a common bathroom which is located at the east end of an east-west hallway in the north building. While he was repairing the radio, he heard what he is certain was a shot, and he is certain that shot came from the bathroom from a point within just a few feet of where he was sitting. He has no way of knowing the time but can only estimate it was sometime between 5:00 and 6:00 PM.

Upon hearing this shot, he walked out of the kitchen through his living-bedroom and opened the door leading onto the hallway and observed a man running west down this hallway and this man was carrying a large bundle of some kind. He would estimate that this bundle or package was at least 3 or 4 feet long and 6 to 8 inches thick. Although he saw the man and the bundle only momentarily, he gained the impression that the bundle was wrapped in something, possibly a newspaper. This man continued running to the end of the hallway turning left (south) and apparently thereafter ran down the stairways onto the street, although he could not actually see the man going down the stairway.

On 4/5/68 at Memphis, Tennessee File # ME 44-1987-Sub D-76
by SA FRANKLIN L. JOHNSON /bbs Date dictated 4/9/68

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

It immediately occurred to Mr. STEPHENS that this was the same man he had seen earlier in the afternoon, possibly around mid-afternoon, standing at the door to room 5-B which is located immediately west of Mr. STEPHENS's living-bedroom. He stated that around mid-afternoon he had seen a man with Mrs. BREWER standing in the hallway at the entrance to room 5-B looking into room 5-B. He saw the man's left side. The man had nothing in his hands at the time. He assumed this was some new guest looking at a room.

Mr. STEPHENS stated that he and his wife remained in their room the rest of the afternoon. He pointed out that he, Mr. STEPHENS, is a disabled veteran who has been treated for tuberculosis, and he spends most of his time in his rooms with his wife who is also ill and who at present is a bed patient.

Sometime after seeing this man with Mrs. BREWER, he heard someone in room 5-B and assumed the man he had seen had rented the room next door. He stated that he recalls on several different occasions hearing footsteps in this room and also leaving from this room past his (Mr. STEPHENS's) room and into the common bathroom at the east end of the hall. He was also very much aware that when the person went from room 5-B to the bathroom, that person remained in the bathroom for a considerable period of time. He pointed out that this is particularly noticeable since this is a common bathroom which must be used by a number of different tenants. He also specifically recalled that only on one occasion did he hear the commode being flushed and he was therefore curious as to why this person was spending so much time in the bathroom.

He stated that on the last occasion that someone went from number 5-B to the bathroom prior to the time he heard the shot, he would estimate that that person remained in the bathroom for at least 20 to 30 minutes. During this period he heard no noises coming from the bathroom. He also specifically recalls that during this same period, Mr. WILLIS ANCHUTZ (phonetic), who occupies room 4-B, immediately west of 5-B where the new tenant apparently was located,

had knocked on Mr. STEPHENS's door and somewhat angrily inquired as to who was staying in the bathroom so long.

It was at the end of this latter period of time that Mr. STEPHENS heard the above described shot which he was certain came from the bathroom. He stated that immediately after the shot was fired he heard some people located across the street, east of the building where he lives, screaming. Due to the excitement of the moment, the fact that people across the street in the vicinity of the Lorraine Motel were screaming, and the fact that his hearing is not the best, he did not hear any additional noises coming from the bathroom. He pointed out that he would expect to hear a "scuffle" coming from the bathroom if the man in the bathroom had fired the shot that killed MARTIN LUTHER KING, but he cannot recall hearing such a "scuffle." He stated that he simply has no way of knowing whether the man came out of the bathroom, went into room 5-B and then ran out of 5-B down the hall toward the front of the building, or whether the man in the bathroom ran directly from the bathroom down the hallway toward the front of the building. He stated he did hesitate a few moments after hearing the shot and hearing the screaming outside before he went to the door and looked down the hall to see the man running carrying something in his hand.

Mr. STEPHENS advised that the only people in the north building of this rooming house at the time of this incident were (1) Mr. STEPHENS, (2) Mr. STEPHENS's wife, who was in bed and who was never in a position to observe anything, (3) Mr. WILLIS ANCHUTZ (phonetic), above, in room 4-B, who came out of his room and was seen by Mr. STEPHENS at the same time Mr. STEPHENS saw the man running down the hall, (4) Mrs. JESSIE LEDBETTER, a deaf and dumb lady who resides in room 1-B toward the front (west) of the north wing or north building, and (5) the unknown man who had occupied room 5-B who was running down the hall as previously stated.

Mr. STEPHENS stated that Mr. ANCHUTZ made some remark to the unknown man who was running down the hallway and the unknown man apparently made some kind of reply.

Mr. STEPHENS advised that whereas he could hear footsteps in 5-B and could hear footsteps between 5-B and the bathroom, he at no time heard any conversation in 5-B, and he is certain that there was no conversation in 5-B from the time the new tenant checked in until the time he heard the shot. He stated he never heard any noise or footsteps which would indicate to him there was ever more than one person in room 5-B. He pointed out that whereas his hearing is not too good, it is very easy to hear noises in the adjoining rooms of this rooming house and he definitely can hear normal conversation coming from that room. Mr. STEPHENS stated that when he saw the new tenant with Mrs. BREWER standing in front of 5-B, he only saw the left side of the new tenant, and when he saw what he believes to be the same man running down the hallway carrying something, he only saw this person from the rear. He pointed out he never saw him directly in front, but based upon his observations he would describe this person as follows:

Name:	Unknown
Race:	White
Sex:	Male
Age:	"in his 30's."
Height:	5' 10-11"
Weight:	165 pounds
Build:	Average
Posture:	Man stood erectly
Hair:	Described as sandy, also described as "dark blond" or having the appearance of unwashed sand. Further described hairline as receding on left side (and presumably on both sides) making it appear he would have "peaks" on either side but with full thick hair toward the front center of his head between the peaks. Hair combed straight back. Normal or average haircut.
