Alleged Police Plot To Kill Dr. King Now Being Probed, Rep. Snyder Says

LOUISVILLE, Ky. (AP)—Rep. M. Gene Snyder (R-Ky.) said Saturday the House Assassinations Committee is investigating an allegation from a "logical, rational" man who claims several members of a police department and FBI agents plotted to kill Dr. Martin Luther King Jr.

Snyder said he met the man "face to face" and that "he appeared to be rational, a logical kind of man."

Snyder said he received a letter from the man and listened to a tape recording the man said he made of the alleged assassination plot. He refused to say whether the man or the police department involved were in Kentucky.

"I RETIRED from (blank) police department in (blank) after serving (blank) years," the letter said. "While I was in the police department I was innocently involved in a conspiracy to assassinate Dr. Martin Luther King."

"Involved in this conspiracy were agents of the Federal Bureau of Investigation, agents (blank), (blank) and (blank) and others that I did not know," the letter said, as Snyder read it, citing but not naming several other officers.

Snyder said he could not divulge the names or the identity of the man who contacted him.

"What I'm saying," Snyder said, "is those blanks need to be protected if there's nothing to this. And if it is an untrue allegation that he's made, then the author of the letter needs to be protected. The committee is investigating it."

SNYDER SAID the man "indicates further in the letter that after he retired he contacted (a man) who, he says, is James Earl Ray's attorney . . ."

Ray is serving a life term in prison in connection with the assassination of the late civil rights worker who was slain in Memphis, Tenn., in 1968.

Snyder said the former policeman claimed he was offered \$500,000 on two occasions to kill King.

Richard A. Sprague, the Philadelphia lawyer who is chief counsel for the assassinations committee, confirmed Snyder had turned over material containing the allegation, and that it "is under investigation."

The former policeman, Snyder said, tried to turn over a tape recording of the alleged \$500,000 offer to Ray's lawyers, but one of their investigators finally asked "where he planned to hide if he tried to do anything with the tape."

SNYDER SAID he has discussed the allegation with Rep. Samuel L. Devine of Ohio, the ranking minority member of the committee. Devine, a former FBI agent, checked into the man's background and found him to be a "solid citizen," Snyder said.

Snyder said the man told him the offers for him to kill King were made in his automobile, where he had a tape recorder. Snyder quoted the man as saying he had two tapes, one of which was either stolen or lost. The other tape has been turned over to the committee, Snyder said.

"Most of it was inaudible to me," he said. "I could make out a little. I made out enough to believe and ascertain that a discussion was being had about King and money, but I didn't even listen to all of it."

SNYDER SAID he wants the allegation to be thoroughly investigated "and this guy ought to be protected from any problems. If it is inaccurate, then those people who he names need to be protected. He names three alleged FBI agents, four or five members, prominent members at the time, of a police department."

The man has been interviewed by the committee's investigative staff, Snyder said.

Snyder said he received the letter from the man on Feb. 21.

"I don't know if it is valid," he said. "It is up to the committee to investigate it."

Ex-cop is expected to name alleged King conspirators

By TIM WYNGAARD and CARL WEST
Scripps-Howard Staff Writers

WASHINGTON — A former Louisville, Ky., patrolman is expected to name under oath Louisville and federal lawmen he alleges conspired to kill Martin Luther King Jr. two years before the civil rights leader was assassinated.

Sources involved in the House investigation of the murders of King and President Kennedy said today that the Louisville allegation is the "top priority" in the King investigation but congressional probes also have uncovered the following leads:

• A Somerville, Tenn., businessman alleges that while he was in Memphis two days before King was murdered there in April, 1968, he overheard part of a telephone conversation involving shooting someone on a balcony. The businessman has told investigators for the House Assassination Committee that he heard someone named "Roberto" tell another party "to kill the bastard even if you have to shoot him on the balcony."

• A female friend of Jack Ruby, killer of Lee Harvey Oswald, Kennedy's assassin, has told investigators that she has "got religion" and wants to testify about Ruby's activities prior to Kennedy's shooting in Dallas in 1963.

Committee investigators, led by chief counsel Richard A. Sprague, are in Tennessee today interviewing James Earl Ray, King's convicted killer. Ray and his brother Jerry are expected to be called before the committee to testify.

To complete the investigation of these and other leads that committee members say are promising, the panel is asking \$2.7 million for a 12-month probe, then packing away from an earlier request for almost \$13 million to cover a period of two years. The controversy over that request almost killed the committee.

Already interviewed the Louisville policeman about his allegations that three local federal agents and three of your city policemen conspired in the mid 1960s to kill King. The patrolman said he twice was offered \$500,000 to kill King and claims he tape recorded one of the offers.

Rep. M. Gene Snyder, R-Ky., who passed the former patrolman's information along to the assassination committee, said he heard a reproduction of the tape but much of it was inaudible. However, the committee's staff is believed to have the technological capability to improve the quality of the recording.

Sources said the alleged Louisville King conspiracy preceded by several months what became an open and bitter controversy in the Kentucky city over "open housing," an issue which created deep hatred between the police and the black community. King's brother, the

Rev. A.D. Williams King, was living in Louisville at the time, was active in civil rights and was pastor of a local church.

However, the sources say there is no doubt that Martin Luther King and not his brother who died in 1969 was the target of the alleged murder conspiracy. Informed sources said the committee regards the Louisville allegations as "hot." "They are placing it at the top," one commented.

THE SOURCES also said the committee intends to call "Roberto" as a witness, indicating the committee has determined his full identity.

Assassination committee leaders met with the House Rules Committee yesterday to outline the new leads in an effort to win approval for continuation of the committee, now scheduled to end its work March 31.

Man who gave information on plot against King is ex-Louisville officer

JOHN PILIATREAU

Courier-Journal Staff Writer

A Louisville policeman who recently told U.S. Sen. Mc Ghee Snyder about an abortive conspiracy to murder Dr. Martin Luther King Jr. has been identified as William E. Baird, 50, who retired as a patrolman from the Louisville Police Department in 1975 and now lives in Fern Creek.

Baird was identified as Snyder's informant in yesterday's edition of The Kentucky Post, which called him "a 27-year veteran of the Louisville force, now in the private security business."

In a brief interview at her home last night, Baird's wife Mary, 44, confirmed that it was her husband who told Snyder, R-4th District, about the alleged plot to kill King, the civil rights activist, in Memphis, Tenn., in April 1968.

Mrs. Baird declined to comment further except to say that her husband is in town and unavailable to newsmen.

Baird reportedly claimed he was offered \$500,000 to kill King, and said the conspiracy involved FBI agents and other Louisville policemen. According to Snyder, the offer to Baird was made in Baird's car, which was equipped with a

tape recorder, and Baird is in possession of a tape that supports his allegations.

According to Snyder, Baird wrote, "While I was in the Louisville Police Department I was innocently involved in a conspiracy to assassinate Martin Luther King."

Baird reportedly identified several members of the alleged conspiracy, including at least three FBI agents, the city's chief of detectives, a captain, two lieutenants, a patrolman and a sergeant who was president of the local lodge of the Fraternal Order of Police (FOP).

The last reference apparently is to Tom Denton, who retired earlier this year as president of FOP Lodge 4. Denton, who has said he is considering running for Jefferson County sheriff, said yesterday, "I swear I don't know anything about it . . . I was quite surprised that it was in Louisville."

Former Chief of Detectives Priest Fry, another of those apparently referred to in Baird's letter, said last night that he "knew of" Baird, but never heard anything about the alleged plot to assassinate King.

Current Louisville Police Chief John Nevin said the department has not received any official communications from the congressional committee investigating King's assassination.

Nevin said he may have known Baird, but he "didn't know him very well. Of course we were from different generations. . . . My first reaction to the thing was that it was preposterous."

C. J. Hyde, a longtime Louisville policeman who became chief in 1968, said he remembers Baird as "a very fine police officer. . . . He was a tall, heavyset fellow who wasn't afraid of man or beast. If I was going on a job and expected trouble, I'd want him with me."

"I don't think he ever wanted to be promoted; he just went along and did his job," Hyde said. "It wasn't that he was lax on his job; some of them just never wanted to be promoted. . . . It's a surprise to me that he even talked. He never had anything bad to say about anybody."

Hyde said he knows nothing about the alleged conspiracy to murder King. "I don't even know of any rumors within our department," he said. "I hope there isn't anything to that. . . . Whenever Dr. King came to Louisville, we did everything possible to see that he would be safe. I always thought even an attempt on his life would be bad for our city."

The \$500,000 offer allegedly was made two or three years before King was shot to death in April 1968, according to an "informed source" quoted by The Post.

Snyder forwarded Baird's letter and tape recording to the House Select Committee on Assassinations, which is investigating the civil rights leader's murder. Snyder, whose congressional district includes suburban Louisville, did not identify Baird or specify that his allegations involved the Louisville police force.

Snyder, reached last night by telephone in Washington, refused to confirm or deny that Baird is the officer who gave him the material.

Without naming Baird, Snyder had said earlier, "I don't think that he's a hook. I'm not in a position to say whether he's telling the truth or not, but he does not appear to me to be a person other than totally rational."

According to Snyder, Rep. Samuel Devine, R-Ohio, the committee's ranking Republican and the man to whom Snyder first took Baird's letter, conducted an investigation into Baird's background. He said Devine, a former FBI agent, told him "that the guy checked out good."

Snyder said Baird indicated that after he retired from the police department he made an attempt to get this to James Earl Ray's attorneys. Ray pleaded guilty to killing King and is now serving a 99-year sentence in a Tennessee prison.

During the years before his death, King was a frequent visitor to Louisville. His brother, the Rev. A. D. Williams King, lived here and was active in open housing and other civil rights movements during the 1960s.

Mary Baird, 44, has known for seven years the secret her husband, Clifton, is sharing with the House Assassinations Committee.

Identify ex-cop in King plot

BY TOM SHEPPEY

Kentucky Post Staff Writer

LOUISVILLE—Clifton E. Baird, 50, is the ex-mayor who has just revealed to the House Assassination Committee in Washington that other Louisville policemen and three FBI men offered him \$25,000 in 1966 to kill Dr. Martin Luther King Jr.

Four or five Louisville police officers and three Louisville FBI agents plotted to kill the civil rights leader two years before he was actually assassinated in Memphis, Tenn., in 1968, the committee has been told.

Baird, an independent private investigator, was not at his small brick home at 7613 Edsel Ln., in suburban Fern Creek Monday night.

His wife Mary, 44, told The Kentucky Post in an exclusive interview why their secret is coming out now, and what it has been like living with it.

The secret

Anonymous phone calls—some in the dead of the night—have plagued the Bairds through the seven years they have been married. "It frightens you to death, even if nobody says anything," said Mary Baird. The last call came a month ago.

"It didn't seem like it was ever going to stop," she said.

"I'm sure our phone has been tapped hundreds of times. It has an off sound, clicking little sounds while you're talking. My husband has spent many a sleepless night, he'll lie there and toss and turn, then get up and read the paper. He kept up with every report (of the assassination's aftermath) and he always reads all the articles on these deals," she said.

"Having peace of mind would mean a whole lot to everybody."

Clifton Baird didn't tell his wife the secret until after their marriage, the secret for both of them.

about this, and he's kept a lot of it to himself, and hasn't even told me," she said.

But she knows the general story. "He had been driving this fellow (another Louisville policeman) home from work—the man's car had broken down or something. And he started asking a lot of questions, then he asked whether he'd kill King for half a million dollars. "I think this got him pretty upset, and panicked, so he rigged up the tape recorder (under the front car seat). The guy made the same offer to him the next time they drove home," she said.

"He told him he didn't want any part of it. He didn't have anything against black people. That's why it was so hard for him to understand, 'why me?' you know?"

Fearful for job

Baird was not known among police as a marksman. "I guess he is a good enough shot, but he doesn't do target practice or anything," Mrs. Baird said.

After high school in Bowling Green, Baird enlisted in the Marines, and served in Korea, she said. "I think he was a sergeant."

One reason Baird did not speak up earlier was fear for his police job, from which he retired after 27 years in November, 1975. "Before now, he was so close to retiring, he was afraid they might kick him out," Mrs. Baird said.

He has felt victimized since he left

somebody's got to have something (negative) in his records—why hasn't he been able to get a decent job since? his wife wondered.

"He went to meatcutters school in Madison, and tested out 92 per cent. And he went to three or four places that were desperate for a meatcutter and couldn't get a job."

"It's been like that all the time—and his only job reference is the police force. Things like that just don't add up," Mrs. Baird said.

"You can live with something like

this. You can live with it, but you're not peaceful."

Mrs. Baird was not sure whether alleged offer came in 1966 or 1967. Riots gripped Louisville in 1967, sparked by an open housing drive led by Rev. D. King, brother of Martin Luther King Jr.

A. D. King was pastor of Louisville Mt. Zion Baptist Church from 1963-69, after returning to Atlanta, drowned in a home pool in 1970.

Baird is working on an undercover investigative job, and could not be reached for several days, his wife said.

As for the identities of alleged conspirators, "I've heard names, but I couldn't tell you—if my life depended on it, I couldn't tell you," said Mary Baird.

Sources involved in the House committee probe of the assassinations of President John F. Kennedy and Sen. RFK are expected to testify under oath. Identities of the FBI agents and Louisville policemen in the alleged conspiracy.

Committee sources told Senate and reporters the Louisville allegations are considered "hot." One committee source said, "They are placing it at the top."

Ex-Louisville Cop bates King plot

BY JIM EBERLE

Kentucky Post Washington Bureau

WASHINGTON—A retired Louisville policeman described by knowledgeable congressional sources as highly respected and reliable claims he was offered \$500,000 to assassinate Dr. Martin Luther King Jr. The man contacted U.S. Rep. Gene Snyder, R-Ky., with the information and a tape recording to back up his claim.

Snyder says he turned over to the House Assassination Committee early this month a letter he received from the informant. Snyder describes the man as a 37-year veteran of the Louisville force, now in the private security business, but would not reveal his identity.

Is danger?

Snyder said he was not identifying the man for several reasons: "If he's a socko, rate and really interpreted everything properly that there was something going on then I don't think I ought to put him in jeopardy, people trying to get to him for one reason or another."

"I think they could even try to get him to keep him from talking any further."

"Or if he's not accurate I don't think the people he mentioned ought to have their good names smeared."

Snyder also declined to name the three FBI agents and four or five police officers the information said were involved in the alleged plot or to identify the police department they were connected with.

However, Rep. Samuel Devine, R-Ohio, the ranking minority member of the assassination panel and the colleague to whom Snyder first took the letter, said Sunday the man was a former Louisville policeman, although he said he was not sure what the man's status was at the time of the offer.

It remains unclear whether the other men named in the letter were also Louisville policemen because none of the congressmen would say. Snyder, whose congressional district includes suburban Louisville, said only, "It wasn't too hard for me to check and find out if in fact they had been officers, and they were."

The offer about which the informant says he has personal knowledge allegedly took place two or three years before Dr. King was shot to death in Memphis in 1968, an informed source said.

He said in his letter that he was offered \$500,000 and the offer was made in his car equipped with a tape recorder and he has a recording of the conversation, said Snyder.

"And then when I talked with him," the congressman continued, "he told me that actually there were two conversations but the one tape was been either misplaced or stolen."

"He has one tape and he's turned it over to the committee."

Snyder believes he never met the man before the letter arrived in his office on Feb. 28. He said Devine, a former FBI agent, had the man investigated and reported back to him "that the guy checked out good."

In a meeting with the man after he flew to Washington to be interviewed by the committee staff, Snyder said "he did not impress me as anybody who had any kind of mental problems."

Devine said he hadn't met the man, and he knows of no informant he was a psycho.

And Rep. Louis Stokes, D-Ohio, who is chairing the subcommittee dealing specifically with the King assassination, said he was told by Devine the man checked out as a "highly respected police officer reputed to be a reliable individual."

Stokes said he's taking the man's allegation "seriously."

Coming to Snyder was a last resort for the former policeman.

In his letter he indicated that after he retired from the police department he made an attempt to get this to James Earl Ray's attorneys, said Snyder. Ray pleaded guilty to killing Dr. King in 1969 and is serving a 99-year prison sentence.

The man was referred to Ray's attorneys in a Fredrick, Md., law firm, said Snyder, and called him.

Snyder said he'll now vote to keep the panel going because "I think the police man's story needs to be investigated. I find out what there is to it."

Snyder gives panel allegation of plot to assassinate King

By JIM ADAMS

Courier-Journal Staff Writer

U.S. Rep. Cass Snyder, R-1st District, is yesterday that he has turned over the House Assassination Committee allegation that FBI agents and police officers plotted to kill Dr. Martin Luther King.

Snyder said that in late February, he received a letter from a former policeman, who claims he was twice offered \$500,000 to kill King.

Snyder made his comments yesterday while taping a WHAS-TV News Conference program, which will be broadcast at 12:30 p.m. tomorrow on WHAS television and radio.

Snyder would not reveal the name of the former policeman making the charge, or the names of three FBI agents and several policemen who allegedly were involved in the plot. Snyder has declined to name the police force in which the man worked on for more than 20 years.

Snyder made no connection between the offer allegedly made to the policeman and the actual killing of King.

"I have always had confidence in the major law enforcement agencies of this country, and I had to assume that what they determined (about the slaying) was accurate," Snyder said. "Now I think there is something that needs to be investigated."

Richard A. Sprague, the Philadelphia attorney who is chief counsel for the investigation committee, last night confirmed that Snyder had turned over materials containing the allegation, but refused to answer questions about it.

"The matter very rarely has been referred to the committee and is under investigation," he said by telephone from Philadelphia.

King was slain in Memphis, Tenn., in 1968, and James Earl Ray was convicted of killing him. The House committee last fall began investigating the assassination of King, and President John F. Kennedy's committee's findings.

Snyder, who voted against the committee initially, told The Courier-Journal in an interview last night that he will not be conducting further investigation into the charge of the allegation brought to him.

Snyder said he had no explanation for why the policeman brought the charges to him. Snyder said he had no explanation for why the policeman brought the charges to him. Snyder said he had no explanation for why the policeman brought the charges to him.

He said the former policeman had attempted to turn a tape recording of the \$500,000 offer over to Ray's attorneys, but finally was asked by one of the attorneys' investigators "where he planned to hide it if he tried to do anything with the tape."

Asked if he believed the man's allegation, Snyder said, "I don't know. But I think charges such as this need to be investigated."

Snyder said he has discussed the charges with U.S. Rep. Samuel L. Devine of Ohio, the ranking authority member on the committee. He said Devine, a former FBI agent, checked into the man's background and found him to be a "solid citizen." Devine could not be reached last night.

Snyder told WHAS, "I have talked to him (the policeman) personally and in my opinion he appears to be a responsible citizen."

He told the television station, "He (the former officer) was approached to assassinate Martin Luther King. He names three FBI officers, he names three or four prominent people at that time in the police department. He indicated that the offer was made on two occasions, in his automobile where he had a tape recorder, that he taped those items. One of them (the tapes) was stolen, the other he still has."

Snyder said the man went to Washington and either appeared before the committee or was interviewed by its staff. Snyder said the committee has the tape. Asked if he has a copy of the tape, Snyder said he has a copy of the tape.

This document is a copy from the FOIA file. The original document was not in the file.

This refers to the assassination of Martin Luther King, Jr., in Memphis, Tennessee, in April, 1968.

Congressman M. G. Snyder, Kentucky, recently revealed he had received letter from an unnamed police officer who made allegation he had received offer from FBI Agents and police officers to kill King. The unnamed police officer reportedly made tapes of offer, one of which was lost or stolen, and the other turned over to the House Select Committee on Assassinations (HSCA). Subsequent newspaper accounts identified unnamed officer as Clifton E. Baird. On 3/25/77, the Attorney General authorized the FBI to interview Baird in the presence of an Assistant Attorney.

Attached Louisville teletype advises attempt to interview Baird, supra, evening 3/29/77, was unsuccessful. Bureau Agents contacted Baird at his residence but Baird refused interview stating "I have no statement to make. Just leave." Baird appeared visibly upset. As Agents were leaving, Baird made comment "I have received numerous threats from FBI over last ten years," and "I have nothing to say." Baird terminated contact by stating "I'll say it all to the House Committee." This was in obvious reference to the HSCA. Agents characterized Baird as hostile, contemptuous, and apparently distraught. Department being advised.

On March 29, 1977, at approximately 7:28 PM, Special Agents EDMUND V. ARMENTO and CHRIS R. HOEHLE arrived at the residence of CLIFTON E. BAIRD, 7813 Edsall Lane, Louisville, Kentucky, for the specific purpose of contacting BAIRD in an effort to arrange a suitable interview of BAIRD with Special Agents of the Federal Bureau of Investigation (FBI) in the presence of Assistant United States Attorney (AUSA) ALEXANDER T. TAFT, JR. in connection with an allegation of an offer reportedly made to BAIRD by unnamed FBI Agents during 1968 to assassinate MARTIN LUTHER KING, JR. Contact was made inasmuch as BAIRD had failed to initiate contact with the FBI or the United States Attorney's Office on March 29, 1977, as had been requested of his wife, MARY BAIRD, during previous contact on March 26, 1977.

Upon arrival at the BAIRD residence, MARY BAIRD answered the doorbell, at which time Special Agents immediately identified themselves and displayed their credentials. MARY BAIRD acknowledged that she recognized both Special Agents from previous contact with same on March 28, 1977, however requested that Special Agents speak with her outside her residence. Interviewing Agents requested entrance into her residence for privacy reasons inasmuch as neighbors were sitting on front porches in close proximity to BAIRD residence and would be able to overhear all conversation. Entrance into residence was granted by MARY BAIRD following the above request. Upon entering the residence, MARY BAIRD was asked if she had been in contact with her husband, CLIFTON E. BAIRD, to which she replied that her husband was in fact present at the residence.

CLIFTON E. BAIRD entered the living room of the BAIRD residence, at which time Special Agents attempted to identify themselves with credentials in the presence of BAIRD's wife and explain the purpose of the contact. CLIFTON E. BAIRD exclaimed that he knew who the Special Agents were, refused to shake hands or look at the credentials. BAIRD stated, "I know who you are.", not giving the interviewing Agents opportunity to explain the reason for instant contact. BAIRD was immediately advised that the Attorney General of the United States had specifically requested he be interviewed

concerning allegations recently revealed by BAIRD to United States Representative M. G. (GENE) SNYDER. BAIRD blurted, "I have no statement to make. Just leave." not allowing interviewing Agents to complete statement.

BAIRD became visibly upset and his eyes appeared glassy and moist, speaking abruptly and not allowing interviewing Agents to express themselves fully. While leaving residence at the specific direction of BAIRD, Special Agents again advised BAIRD that the sole purpose of the contact was to arrange an interview of BAIRD with Special Agents of the FBI in the presence of a representative of the United States Attorney. BAIRD immediately inquired as to the identity of the United States Attorney and when informed that the local United States Attorney was GEORGE J. LONG, JR., BAIRD exclaimed, "Don't bring that man out here, I have no use for him." BAIRD further exclaimed, "I have received numerous threats from the FBI over the last ten years." and "I have nothing to say." BAIRD terminated the contact by stating, "I'll say it all to the House Committee." Immediately prior to termination of contact, BAIRD was advised that if he possessed any evidence of misconduct on the part of any FBI Agent, he should immediately bring same to the attention of the Attorney General of the United States. Contact was terminated at 7:32 PM and Special Agents immediately departed the area of the residence.

MARTIN LUTHER KING. He indicated his intention to stay in the Washington area until someone heard his story. He left a telephone number for GRACE to reach him in Alexandria, but later when GRACE called this number, he determined that the number was to a pay telephone and that MOORE was not available there. During the other telephone contact at about the same time, MOORE stated that he was currently preparing the manuscript for his book. GRACE indicated a desire to see this manuscript when it was completed. Since that call, GRACE has written to MOORE in Puerto Rico to indicate again an interest in seeing the completed manuscript. MOORE, in his conversations, again indicated he had corresponded with Senator FRANK CHURCH and Senator EDWARD KENNEDY. GRACE stated since that time he has had no additional contact with MOORE, and noted that he had never had any personal contact with MOORE, nor had MOORE indicated any intention of visiting GRACE in Durham, North Carolina.

Dr. GRACE did not know if MOORE appeared before the House Committee in 1977.
