Did \$1 Million Bounty For King Lure Ray?

By RICHARD LEGGITT
DALTON, Ga. (UPI)—Fugitive James Earl Ray once said he would collect a "million-dollar bounty" put up by a mysterious "businessmen's association" for the death of Dr. Martin Luther King Jr.

Ray, an escapee from the Missouri State Prison, has been charged with conspiracy and murder in the assassination of King at Memphis April 4.

Raymond Curtis, in jail here awaiting an appeal of a murder conviction, said he had served with Ray in jail once and in prison twice. Curtis said the matter of King first came up shortly after President John F. Kennedy was assassinated in 1963.

"Well, somebody made a pretty penny on that," Ray told Curtis after hearing of Kennedy's death.

About a week later, in the yard of the Jefferson City, Mo., prison, Curtis said a "new man just in off the street" told them "the businessmen's association has a million dollar bounty out for Martin Luther King."

He said Ray smiled and said, "If there's a million dol-

lars out of King, I believe if I ever get out I'll collect it."

Curtis said the subject of King came up "a couple of times" thereafter. Curtis finally was freed and Ray fled the prison last year by hiding in a bread truck.

Curtis said he had no idea what the "businessmen's association" was. Authorities said yesterday they were pursuing several reports — some circulating in prisons — that there was a "contract" out for King's death.

Curtis said he had been with Ray in the Jackson County Jail at Kansas City, in

Federal prison at Leavenworth, Kan., and in the state prison at Jefferson City.

He said FBI agents have questioned him about his talks with Ray.

Curtis said Ray never mentioned racial matters. "He didn't have any prejudice. He didn't care if a man was white or colored," Curtis said. "He was only interested in money."

He said Ray used to talk about how he would handle an assassination.

"He said he would buy a gun under a false name and have everything ready for an escape," Curtis said. "He used

to talk a lot about escaping to New Zealand, Brazil or Argentina."

It was learned the FBI in Atlanta had investigated reports the mysterious Eric Starvo Galt, which the FBI said was a Ray alias, met two women in a hotel the weekend after the slaying.

And in Los Angeles, the FBI was reported searching for a blonde who dated Ray several weeks before King's death. There was conjecture the blonde may have traveled with Ray when he left Los Angeles, where, under the name Galt, he attended a bartending school.

I. CRIMES COMMITTED FOR WHICH
FEDERAL PROCESS OUTSTANDING

The subject, JAMES EARL RAY, was received at the Missouri State Penitentiary (MSP), Jefferson City, Missouri, March 17, 1960, from the St. Louis City Circuit Court to serve a sentence of 20 years after conviction for robbery first degree by means of a dangerous and deadly weapon (2 counts) and for operating a motor vehicle without permission of the owner. He was given sentences of 20, 7, and 5 years, all to run concurrently.

The subject, who was MSP inmate #00416, was assigned to the Bakery Unit of the Food Service Department. Just prior to the 5:00 P.M. count on April 23, 1967, he was discovered missing and could not be found within the penitentiary. It was not until some 10 days later that prison officials determined that the subject had escaped by being concealed in a large bread box being taken by open truck from the main prison to Renz Farm, a prison farm that lies outside the prison walls and about 5 miles north of the main prison. This method of escape has not been positively verified and remains largely a matter of conjecture.

Federal assistance was requested to locate the subject, and on July 20, 1967, a complaint was filed before U. S. Commissioner W. C. SHELEY at Jefferson City, Missouri, charging the subject with Unlawful Flight to Avoid Confinement following a conviction for robbery first degree, this being in violation of Title 18, U. S. Code, Section 1073.

On April 24, 1968, an amended complaint was filed by SA ROWEN B. AYERS before U. S. Commissioner SHELEY.

At about 6:00 P.M. on April 4, 1968, while standing on the second floor balcony outside Room 306 of the Lorraine Motel, 406 Mulberry Street, Memphis, Tennessee, Dr. MARTIN LUTHER KING, JR., was struck in the right side of the face by a single bullet. Investigation disclosed that this shot was fired from the bathroom of a rooming house located at 422½ South Main Street, Memphis, which bathroom was located at the rear of the rooming house and which had a window overlooking the Lorraine Motel. It is 207 feet from the bathroom window to the spot where KING was shot.

It was determined that on the afternoon of April 4, 1968, a man using the name JOHN WILLARD rented Room 5B at 422½ South Main Street, paying one week's rent. After hearing the rifle shot at about 6:00 P.M. on April 4, 1968, other tenants in the rooming house observed the man known as WILLARD fleeing from the rooming house carrying a large package which was subsequently abandoned by him on the sidewalk in front of 424 South Main Street. Further investigation disclosed that WILLARD fled from the scene in a white Mustang parked a few feet south of 424 South Main Street.

Found abandoned in front of 424 South Main was a 30-06 Remington, Model 760, rifle, a small plastic suitcase containing numerous toilet articles, undershorts, a T-shirt, binoculars, a newspaper, an after shave lotion bottle, 2 cans of Schlitz beer, and a brown and green bedspread in which all of these items were partially wrapped.

Investigation at motels in the vicinity of Memphis, Tennessee, to identify persons who might be driving a white Mustang automobile disclosed that ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, had spent the night of April 3, 1968, at the Rebel Motel, 3466 Lamar Avenue, Memphis, Tennessee, and was driving a Mustang with Alabama license 1-38993. Subsequent investigation at Birmingham, set out in more detail elsewhere in this report, indicated that ERIC STARVO GALT was responsible for the murder of Dr. MARTIN LUTHER KING, JR., and on April 17, 1968, Assistant U. S. Attorney R. MACEY TAYLOR, Birmingham, Alabama, authorized the filing of a complaint against ERIC STARVO GALT for violation of Title 18, U. S. Code, Section 241, charging that GALT did conspire to injure, oppress, threaten or intimidate MARTIN LUTHER KING, JR., in the free exercise and enjoyment of his rights secured by the Constitution of the United States, namely, the right to freely travel from state to state. Assistant U. S. Attorney TAYLOR recommended bond be set in the amount of \$50,000.

This complaint was filed by SAC JOSEPH H. GAMBLE before U. S. Commissioner MILDRED F. SPRAGUE, Birmingham, on April 17, 1968, and Mrs. SPRAGUE issued a warrant of arrest for ERIC STARVO GALT.

ME 44-1987

On May 7, 1968, a Shelby County Grand Jury, Memphis, Tennessee, returned a secret indictment charging the subject, JAMES EARL RAY, with murder in the first degree. While this indictment has not been made public, the local press is aware of its existence and has commented on it.

ME 44-1987

II. CHRONOLOGICAL LISTING OF KNOWN
ACTIVITIES OF JAMES EARL RAY SINCE
HIS ESCAPE AND LABORATORY EXAMINATION
OF EVIDENCE ATTENDANT THERETO

ME 44-1987

4/23/67

JAMES EARL RAY, FBI #405 942 G, escaped from the Missouri State Penitentiary (MSP), Jefferson City, Missouri.

7/18/67

A man using the name ERIC S. GALT signed a lease for an apartment in the Harkay Apartments, 2589 Notre Dame East, Montreal, Canada. The apartment was to rent for \$75 monthly, and one month's rent was to be forfeited in the event the lease was terminated prior to January 13, 1968.

GALT is not known to have made any telephone calls from the telephone in the hall, #532-0094, and interviews have been unproductive with other tenants, nearby stores, garages, parking lots, and other places where GALT might have parked his car.

An employee at the apartment house has reported that during GALT's stay he was visited on one occasion by 2 women, both described as being aged 40 to 42, one woman had black hair, the other had reddish brown hair. They reportedly stayed overnight, one left the following day, and the other stayed for a few days.

7/24/67

ERIC GALT purchased a Canadian Postal Money Order #C31,600,848, from Station "C," Montreal, Canada. This money order was in the amount of \$3 and was made payable to Futura Books, Inc., 4533 Lennox, Inglewood, California.

On July 26, 1967, a Canadian Money Order in the amount of \$9 was received at Futura Books, Inc., Inglewood, California, from ERIC GALT, 2589 Notre Dame East, Montreal, Canada, as payment for three books entitled "Sexual Anatomy," "Unusual Female Sex Practices," and "Sex Feeling in Men and Women." Futura Books is able to state that the ad answered by GALT had appeared in "Men's Real Adventure" magazine. This order was received and mailed on the same date, July 26, 1967.

7/28/67

ERIC GALT purchased a Canadian Postal Money Order #C31,600,868 at Station "C," Montreal, Canada. This money order was in the amount of \$17.50 and was made payable to Locksmithing Institute, Little Falls, New Jersey.

A photostat copy of this money order was examined by the FBI Laboratory. The FBI Laboratory reported that the photostat copy of this money order lacks the quality necessary for a satisfactory comparison; however, some differences were noted between the writing appearing on the face of this item when compared with writing appearing on other specimens submitted in this case under the name of ERIC GALT.

ERIC S. GALT, 2589 Notre Dame East, Montreal, Canada, enrolled in the Locksmithing Institute, 1500 Cardinal Drive, Little Falls, New Jersey, a correspondence school whose records reflect that his first payment was received July 31, 1967, and the last payment was by money order dated March 28, 1968. During the period of his enrollment, GALT showed in addition to the Canadian address the following addresses:

1535 South Serrano
Los Angeles, California

2608 Highland Avenue
Birmingham, Alabama

113 14th Street, N.E.
Atlanta, Georgia

The enrollment form of Locksmithing Institute, Little Falls, New Jersey, dated July 31, 1967, in the name of ERIC S. GALT; the confidential information form of the Locksmithing Institute bearing the signature ERIC S. GALT; and the white envelope post-marked Montreal P.Q., VII, 1967, bearing the return address ERIC S. GALT, 2589 Rue Notre Dame Est., Montreal, Canada, Quebec, and handprinted address "Locksmithing Institute, Little Falls, New Jersey, USA 07424" were forwarded to the FBI Laboratory.

The FBI Laboratory reported that the signature appearing on the confidential information form was prepared by the writer of the signatures in this name appearing on items submitted in this case. It was determined that the handprinting appearing on the enrollment form and white envelope was prepared by the same individual who prepared handprinting on other items submitted attributed to ERIC S. GALT.

8/9/67.

ERIC GALT purchased a Canadian Postal Money Order #C35,273,307 from Station "C," Montreal, Canada. This money order was in the amount of \$1 payable to E. Z. Formula, Hollywood, California. E. Z. Formula, 6311 Yucca Street, Hollywood, California, is a subsidiary of Barnett and Hersh and concerns only a magazine mail order business selling a single formula for making glass into a 2-way mirror. They maintain no receipt or record of shipment and are therefore unable to further verify receipt of an order from GALT.

ME 44-1987

8/26/67

Personnel at the Harkay Apartments, Montreal, Canada, are not certain as to the date ERIC S. GALT moved from that address; however, they are in agreement that it was shortly before Labor Day of 1967. Investigation at Birmingham, Alabama, has disclosed that on August 26, 1967, ERIC S. GALT registered in a rooming house known as Economy Rooms at 2608 Highland Avenue, Birmingham, Alabama.

8/28/67

ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, rented a safe deposit box [redacted] at the Main Office, Birmingham Trust National Bank, Birmingham, Alabama. GALT surrendered this box by notification to the bank by undated, handwritten letter wherein he stated he was moving to the state of Louisiana. The record of access to the safe deposit box, contract for box, ledger card for box, and the undated, handwritten letter from GALT were forwarded to the FBI Laboratory. The FBI Laboratory concluded that the signature of ERIC S. GALT appearing on these items was prepared by the same individual who prepared the writing in the same name appearing on other items attributed to ERIC S. GALT.

8/29-30/67

ERIC GALT, in answer to an ad appearing in a local newspaper, contacted Mr. WILLIAM D. PAISLEY, 701 48th Street South, Birmingham, Alabama, regarding PAISLEY's offer to sell a 1966 white Mustang. On August 30, 1967, GALT met PAISLEY at the First National Bank Building, Birmingham, where GALT paid PAISLEY \$1995 in cash. A bill of sale was prepared indicating the car was sold to ERIC GALT, 2608 Highland Avenue, Birmingham, Alabama, telephone #323-9487.

ME 44-1987

9/6/67

Records of the Drivers License Division, Department of Public Safety, State of Alabama, Montgomery, revealed that Alabama driver's license #2848947 was issued to ERIC STARVO GALT, 2608 Highland Avenue South, Birmingham, Alabama.

The FBI Laboratory concluded that the signature of ERIC STARVO GALT appearing on his application for Alabama driver's license was prepared by the same individual who prepared other signatures in the same name attributed to ERIC S. GALT.

9/12/67

ERIC GALT, 2608 Highland Avenue, Birmingham, Alabama, enrolled for 5 weekly classes in dance instruction at Continental Dance Club Studios, also known as the Friendship Club, Birmingham, Alabama. GALT attended classes on 4 consecutive Tuesday evenings but did not appear for the fifth class.

9/26/67

In September 1967 the Order Department - Modern Photo Book Store, Division of American Photographic Book Publishing Company, Inc., 166 Fifth Avenue, New York City, New York, received a coupon clipped from "Modern Photography Magazine," which coupon requested that Book #633 be sent to ERIC S. GALT, 2608 Highland Avenue, Birmingham. Book #633 referred to above is "Focal Encyclopedia of Photography." This department also received a letter dated September 26, 1967, signed ERIC S. GALT, with the same Birmingham, Alabama, address wherein GALT refers to his order for Book #633 and requested that the book not be sent as he was moving shortly and would send a corrected address later. Officials of the Modern Photo Book Store advised that they have received no further communications from GALT subsequent to the letter dated September 26, 1967.

ME 44-1987

The FBI Laboratory reported that the handwriting appearing on this coupon and letter was identical with the handwriting of JAMES EARL RAY, FBI #405 942 G. The FBI Identification Division advised that one latent fingerprint of value was developed on the coupon and that this latent fingerprint is identical with the left thumb print of JAMES EARL RAY, FBI #405 942 G.

9/28/67

ERIC S. GALT purchased Bank Draft #04012FPS from the Exchange Security Bank, 5 Points South Branch Office, Birmingham, Alabama, dated September 28, 1967, payable to Superior Bulk Film Company, Chicago, Illinois, in the amount of \$337.24.

10/2/67

ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, was issued 1968 Alabama license 1-38993 for a 1966 Ford Mustang, VIN 6T07C190647.

The FBI Laboratory concluded that the signature of ERIC S. GALT on the application for the Alabama license was prepared by the same individual who prepared other items under the same name attributed to ERIC S. GALT.

10/3/67

The Superior Bulk Film Company, 442-450 North Wells, Chicago, Illinois, received an order from ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, for one Kodak Super 8 camera, Model M8; one Kodak Dual Projector, Model M95Z; one HPI Combination Splicer; and one 20 foot remote control cable for a total price of \$337.24. A bank draft was received with the order, and on October 3, 1967, a package was mailed to him via parcel post under invoice #179530. Since the Kodak Model M8 camera was not in stock, a Crestline Super 8 camera was substituted.

The FBI Laboratory concluded that the handprinting appearing on this Superior Bulk Film Company order blank was prepared by the same individual who prepared other items submitted under the same name and attributed to ERIC S. GALT.

10/5/67

ERIC S. GALT sent a typewritten note dated October 5, 1967, to Superior Bulk Film Company, Chicago, acknowledging receipt of items ordered from them and by which he returned the Crestline Super 8 camera. He indicated the camera ordered by him was a four speed camera while the substituted one was a one film speed camera. GALT indicated he was leaving for Mexico on October 7, 1967, but would later send his Mexican address to that company.

The FBI Laboratory concluded that the signature ERIC S. GALT appearing on this letter dated October 5, 1967, was prepared by the writer of the signatures in this name appearing on other items submitted in this case and attributed to ERIC S, GALT.

10/18/67

JEROME WALLIS VERNON operated the Home Service Laundry and Dry Cleaning Company, 5280 Hollywood Boulevard, Los Angeles, California, from about January 16, 1968, to March 23, 1968. He said that a man named ERIC GALT was a regular customer who came in each Saturday afternoon with a bundle of laundry which usually consisted of underwear, T-shirts, and dress shirts. He believes he first saw GALT on Saturday, January 20, 1968, and he recalled seeing him for the last time on about March 16, 1968. VERNON was shown the laundry marks on the T-shirt and undershorts abandoned by the killer in front of 424 South Main Street, Memphis, Tennessee, on April 4, 1968. VERNON identified the laundry marking on the undershorts and T-shirt as being similar to the mark used at his laundry. Found in the records of the Home Service Laundry and Dry Cleaning Company was laundry list #3065 in the name of E. GALT with Thermo Seal sticker 02B-6.

IT IS NOTED THAT UNDERSHORTS AND T-SHIRT ABANDONED BY THE KILLER AT MEMPHIS, TENNESSEE, ON APRIL 4, 1968, CONTAINED A THERMO SEAL LAUNDRY MARK 02B-6.

The Los Angeles Division forwarded to the FBI Laboratory a piece of paper and a cloth square, each containing 12 samples of laundry marking printed by a Thermo Seal marking machine manufactured by the Textile Marking Company, Syracuse, New York, and obtained from the Home Service Laundry and Dry Cleaners, 5280 Hollywood Boulevard, Los Angeles, California.

The FBI Laboratory advised that these 12 laundry tapes are similar to the laundry tapes in color, construction, and composition to the laundry tapes appearing on the undershorts and T-shirt abandoned at 424 South Main Street, Memphis, Tennessee, by the killer of MARTIN LUTHER KING, JR. Five of these tapes have the same length (1 1/16") as those appearing on the undershorts and T-shirt. The other 9 are longer, either 1 3/32" or 1 1/8" in length.

The FBI Laboratory advised that no significant differences were noted between the laundry tapes appearing on the undershorts and T-shirt when compared with some of the laundry tape specimens submitted by Los Angeles indicating that they may have originated from the same machine.

JIMMY DELTON GARNER, operator of a rooming house located at 113 14th Street, N.E., Atlanta, Georgia, admits being drunk during a large portion of the time around March 24 - 31, 1968, but states that on March 31, 1968, GALT paid for an additional week's rent. GARNER does not recall seeing GALT after March 31, 1968.

GARNER advised that when ERIC S. GALT paid his rent for the second week commencing March 31, 1968, he had GALT write his name on an envelope. According to GARNER who made this envelope available, GALT hand-printed his signature on the envelope. The reason GARNER requested that GALT sign his name was the fact that GARNER intended to then transfer this name to his official records when he returned to his own room.

The FBI Laboratory concluded that the hand-printed name of ERIC S. He paid one week's rent in advance. He was not required to execute a registration card or to otherwise provide any information concerning himself or his automobile.

At about 4:00 P.M. on April 4, 1968, an unknown individual purchased from York Arms Company, 162 South Main Street, Memphis, Tennessee, a pair of Bushnell 7 x 35 binoculars. The salesman did not record the serial number of the binoculars; however, he wrote the price of the binoculars \$39.95 and the amount of the tax \$1.60 on the side of the cardboard box in which the binoculars came and added them for a total of \$41.55. He placed the sales slip, the binoculars, box, and the leather type carrying case in a gray paper bag which bears on its side the name York Arms. This witness subsequently identified photographs of JAMES EARL RAY as

being identical with the purchaser of the binoculars; however, it should be noted this witness has since been committed to the Tennessee Psychiatric Hospital and Institute, Memphis, Tennessee.

At about 6:00 P.M. on this date Dr. MARTIN LUTHER KING, JR., was shot and killed by a single bullet fired from the bathroom of the rooming house at 422½ South Main Street, Memphis. At the time he was struck KING was standing on the second floor balcony in front of Room 306 of the Lorraine Motel, 406 Mulberry, Memphis. Other occupants of the rooming house at 422½ South Main Street heard a rifle fired and observed a man run from the rooming house onto South Main Street where he dropped a large bundle in front of 424 South Main Street. Neighborhood investigation disclosed that a white Mustang was seen immediately leaving the area at a high rate of speed. A canvass of motels in the Memphis area disclosed that one ERIC S. GALT had spent the night of April 3, 1968, at the Rebel Motel, Memphis, Tennessee, and had been driving a white Mustang. He gave as an address 2608 Highland Avenue, Birmingham, Alabama. When inquiries were made at that address solely for the purpose of further identifying GALT, it was determined that he had not resided there since about October 1967. It was for this reason that GALT came to our attention in connection with this case.

Inspector N. E. ZACHARY, Homicide Bureau, Memphis, Tennessee, Police Department, recovered numerous articles dropped by the assailant of Dr. MARTIN LUTHER KING, JR., on the sidewalk near the entrance of the building located at 424 South Main Street. Included among these articles are the following:

- 1) Remington Game Master rifle, Model 760, SN 461476, on which was mounted a Redfield telescopic sight, SN A17350
- 2) Banner by Bushnell binoculars, SN DQ408664
- 3) First section of the April 4, 1968, issue of the "Commercial Appeal," a daily newspaper published in Memphis

- 4) A plastic bottle of Mennen Afta Shaving Lotion
- 5) An unopened can of Schlitz beer, bearing the legend "Mississippi Tax Paid. IV Cents."
- 6) A Channel Master radio receiver, Model #6502, 6 Transistor, Super Hetrodyne, with a frequency range of 535-1605 Kc/s. This radio bears scratchings on one side interpreted to read "00416."
- 7) One pair of undershorts and one T-shirt
- 8) Green and brown bedspread (see date of April 5, 1968, concerning items found in abandoned Mustang)

The Latent Fingerprint Section of the FBI Identification Division advised that one latent fingerprint on this rifle; one latent fingerprint on the telescopic sight; one latent fingerprint on the binoculars; one latent fingerprint on the newspaper; one latent fingerprint on the bottle of Afta Shaving Lotion and one latent fingerprint on the Schlitz beer can have been identified with the fingerprints of JAMES EARL RAY, FBI #405 942 G.

The Bureau advised that the number "00416," which was the interpretation of the scratchings appearing on the above described Channel Master radio, is the same number as the inmate number for JAMES EARL RAY, FBI #405 942 G, while confined at the Missouri State Penitentiary.

The FBI Laboratory examination revealed that the undershorts and T-shirt each bears a laundry tag on which appears the characters "02B-6." Only a portion of the first character is present on each tag.

Samples of the Thermo Seal marking machine, SN 31454, Model RH-5K1, in possession of the Home Service Laundry and Dry Cleaning Company, 5280 Hollywood Boulevard, Los Angeles, California, using the numbers and letters 02B-6 on red colored tape, were forwarded to the FBI Laboratory. This machine was used in this laundry between January 16, 1968, and March 23, 1968. The FBI Laboratory advised that the specimens from the Thermo Seal marking machine, SN 31454, are similar to the laundry tapes appearing on the T-shirt and undershorts in color, construction, and composition. Five of these tapes have the same length (1 1/16") as the tapes appearing on the T-shirt and shorts. The other 9 are longer, either 1 3/32" or 1 1/8" in length. These tapes submitted by Los Angeles are of varying lengths; however, no significant differences were noted between the T-shirt and shorts laundry tapes when compared with some of the specimens submitted by Los Angeles indicating that they may have originated from the same machine.

The bullet removed from the victim KING was examined by the FBI Laboratory, who determined that it is a .30 caliber metal-jacketed "soft point" sporting type bullet of Remington - Peters manufacture which could have been fired from the recovered Remington 30-06 rifle. The bullet has been distorted due to mutilation and insufficient marks of value for identification remain on this bullet. Therefore, it was not possible to determine whether or not the bullet removed from the deceased had been fired from the recovered Remington rifle bearing the fingerprint of JAMES EARL RAY.

An unknown white male at about 8:30 A.M. on Friday, April 5, 1968, parked instant white Mustang bearing Alabama license 1-38993 in the parking lot of Capitol Homes, a public housing project in Atlanta, Georgia.

Among other items found in this abandoned Mustang was bed linen bearing laundry mark 20R-3. As mentioned earlier in this report, records of the Avalon Cleaners and Laundry, Inc., 5662 Hollywood Boulevard, Los Angeles, reflect that laundry belonging to an individual named GALT, which laundry was brought in on December 15, 1967, had been assigned laundry #20R-3.

Brown cotton fibers, green cotton fibers, and green rayon fibers were found in the abandoned Mustang. The FBI Laboratory has compared these with the bedspread found abandoned by the killer in front of 424 South Main Street, Memphis, on April 4, 1968, and has concluded that the fibers found in the Mustang could have come from this bedspread.

Between 9:00 A.M. and 10:00 A.M. on April 5, 1968, an individual stopped at the Piedmont Laundry pick up station, 1168 Peachtree, N.E., Atlanta, and picked up laundry left there on April 1, 1968, under the name ERIC GALT. The clerk, Mrs. ESTELLE PETERS, when shown photographs of JAMES EARL RAY, stated she believes the photograph of RAY in which he was wearing a bow tie is a better likeness; however, the most recent photograph in which he is wearing a four-in-hand tie looks older and the eyes and nose appear very similar.

No information has been received concerning the whereabouts of JAMES EARL RAY since April 5, 1968.

The Kansas City Division submitted the following described documents to the FBI Laboratory requesting appropriate handwriting and handprinting examination with the handprinting and handwriting specimens submitted to the Laboratory as evidence in this matter:

One copy of a letter dated October 24, 1966, in the handwriting of JAMES E. RAY. This letter was from RAY to Dr. EARL C. KEPLER, Biggs Building, Fulton, Missouri.

34 pages containing purported handwriting and handprinting of JAMES EARL RAY obtained from the records of the Missouri State Penitentiary, Jefferson City, Missouri.

22 pages of handwriting of JAMES EARL RAY obtained from the U. S. Penitentiary, Leavenworth, Kansas, and one copy of a form dated April 4, 1958, signed by JAMES EARL RAY which was obtained from the U. S. Probation Officer, Kansas City, Missouri.

The FBI Laboratory concluded that the questioned handwriting and handprinting appearing on items attributed to ERIC S. GALT were prepared by JAMES EARL RAY.

Because of the presence of characteristics which cannot be explained on the basis of the known handwriting of JAMES EARL RAY, the FBI Laboratory advised that it cannot be definitely determined whether the "HARVEY LOWMYER" signature appearing on the sales invoice of the Aeromarine Supply Company, Birmingham, Alabama (place where Remington rifle, Model 760, SN 461476, was purchased), was prepared by this individual; however, significant handwriting similarities were noted.

The FBI Laboratory stated that because of the lack of identifying defects, it could not be definitely determined whether the same typewriter was used in preparing all the typewritten impressions appearing on items previously submitted in this case attributed to ERIC S. GALT, but no significant differences were noted.
