TO : SAC (157-1535)

DATE: 4/6/68

FROM : SA EDWARD H. BAHLOW, JR.

SUBJECT: ~~OLAF WEBB (PH)~~
INFORMATION CONCERNING
SHOOTING OF MARTIN LUTHER KING

Webb

On above date, ~~MRS. EGLE ROACH~~, 2567 Riverside Ave., telephone number 388-0957, telephonically advised that the above individual, whom she knew about 10 years ago, closely resembles the artist conception of the individual believed to be responsible for the shooting of Dr. KING. She advised as follows:

During 1957-58, she was employed as a student nurse at the FOREE HOSPITAL, in Athens, Tennessee. WEBB was employed at the same hospital as a male nurse. She went with WEBB during this time until he left Athens for Chicago, Illinois. According to ROACH, WEBB joined the Chicago Police Department. He corresponded with her on two occasions after leaving Athens, Tenn. She has not seen him since this time. She stated the picture in the April 6 issue of the Fla. Times Union reminded her of WEBB to such an extent that she decided to call the FBI.

ROACH discribed WEBB as follows:

Name: OLAF (PH) ~~WEBB~~

Race: White

Hgt : 5'8"

Wgt : 170

Hair: Brown

Eyes: Blue (Large, bushy eyebrows)

Characteristics: Long pointed nose, wore hair slicked straight back-had "funny" walk, kept right arm straight when walking.

Jacksonville indicies negative on subject and ROACH.

SA JIM O'NEAL, New York Office, contacted me by telephone at 8:40 am, this date. He advised the original purpose of contact with RICHARD BRISTO, who is to come into the Jacksonville Office this morning was to:

1. Determine how wide his territory is in the Southeast.
2. Whether or not he has machines put out by the Textile Marking Machine Company which would produce a tape such as recovered in the flophouse on laundry of unsub.

SA O'NEAL stated that the red tape they have recovered as evidence bears letter O or D 2B-6; black printing on red tape. One of these was found on a jockey "T" shirt and shorts in the room of the flop house where unsub was staying in Memphis.

SA O'NEAL stated that Albany determined last night that there only 10 machines in the country, he believes, that print tape such as this; and that they are very unusual. The company is determining at this time the location of those ten.

New York had originally thought that somewhere in BRISTO's territory they may be using this tape.

We will interview BRISTO when he comes into the Office and determine:

1. How wide his territory is.
2. If he recalls any machines in his territory using this.
3. Determine generally his whereabouts the next 3 or 4 days in the event we get a followup lead from New York on this.
