Gentlemen:

Please refer to my letter of May 14, 1968, requesting assistance of the nation's press in an effort to locate James Earl Ray who was being sought at that time in connection with the gunshot slaying of Civil Rights leader, Dr. Martin Luther King, Jr.

You are undoubtedly aware that Ray was arrested in London, England, on June 8, 1968, and therefore publicity for the purpose of locating him is not necessary.

Your past cooperation in this matter and other matters of mutual interest are deeply appreciated by me.

Re CE teletype to Bureau, 5/8/68; CE airtel to ME, 5/8/68; Bureau airtel to JK, 5/10/68.

On 5/21/68, JACK MAYNARD RAY was located at 1120 Madison Avenue, Daytona Beach, Florida, at which time he advised that he is of no relation to JAMES EARL RAY and that he has been living in the Daytona Beach area since 1965, and has not left the state since then.

RAY advised that to the best of his recollection an individual in Durham, N.C. had approached him in 1965 with "talk" of killing MARTIN LUTHER KING, JR. RAY stated that he thought this person with whom he talked was named McLAMB. RAY continued that he did not know whether or not there was any group behind any of the "talk" with which he had been confronted, adding that any discussion he may have had with this individual had been very brief.

RAY said that about the only thing he does for money these days is shoplifting which provides him with enough money for his daily liquor.

On 5/20/68, Detective C.W. WILLITS, Daytona Beach PD, advised that although he did not know the exact present location of JACK MAYNARD RAY, he was fairly well acquainted with him. WILLITS stated that RAY is an alcoholic and was prone to fabricate tales to make himself sound important.

ReSAairtel to CG, dated 8/26/68, and CGairtel to JK, dated 12/12/68.

Mr. CECIL TURRENTINE, Project Superintendent, Construction Division, Holiday Inns of America, Inc., main office 3797 La Mar Ave., Memphis, Tenn., was contacted at the Holiday Inn Motel under construction at Highway I-95 and Golfair Blvd., Jacksonville, on 12/16/68.

He advised he had been in San Antonio, Texas, at the time of the shooting of MARTIN LUTHER KING, however had limited discussions regarding KING's death and could not recall making any statements that could possibly be construed by anyone that he had any prior knowledge of KING's assassination. TURRENTINE said he had numerous telephonic conversations with his home office in Memphis from San Antonio, however all were in regard to building motels and to his knowledge no mention was ever made regarding MARTIN LUTHER KING prior to the shooting and he is doubtful if any discussions were made on calls to Memphis after the shooting.

MURKIN

William Bradford Huie has written a third article for "Look" magazine. The article appears in the issue dated April 15, 1969, but this issue was circulated on April 1, 1969. A review of the article reveals that James Earl Ray allegedly registered at the Travelodge Motel, Five Points, Birmingham, Alabama, on March 29, 1968; at a motel near Florence, Alabama, on April 1, 1968; and at a motel near Corinth, Mississippi, on April 2, 1968. It is to be noted that Ray, using the name Harvey Lowmyer, negotiated the purchase of a rifle at the Aeromarine Supply Company, Birmingham, Alabama, on March 29 and 30, 1968. On April 3, 1968, he was registered at the Rebel Motel in Memphis, Tennessee.

In an effort to establish whether or not Ray was in contact with any individuals immediately prior to the assassination, appropriate investigation should be conducted by the Birmingham and Jackson Offices. It should be understood that there is to be no indication made whatsoever that the following investigation has any connection whatsoever with the case involving James Earl Ray.

Birmingham and Jackson Offices should make inquiries of the motels in or near the cities indicated above to determine the identities of individuals registered during the period March 29 to April 3, 1968. Efforts should be made to identify all individuals listed, as well as

obtaining descriptions and registrations for the automobiles of such persons. A review of such records might indicate whether any one individual might have accompanied Kay or been in contact with him during this period. Pertinent or questionable registration records should be obtained if possible for examination by the FBI Laboratory.

Memphis should insure that the Bureau is kept currently advised of pertinent developments in this case, particularly all aspects of court action since the death of Judge Battle on March 31, 1969.
