UNITED STATES GOVERNMENT

Memorandum

X pg 1, 5

TO : SAC (44-760)

DATE: 4/21/68

FROM : SA THOMAS H. WEAVER

SUBJECT: MURKIN

Re telephone call from Clerk GENE THOMECZEK, 4/21/68, to SA THOMAS H. WEAVER.

On 4/21/68, Trooper JOHN CUMMINGS, MSHP, Warsaw, Mo., advised by telephone that he would contact his source who has said that he has information regarding JAMES EARL RAY to determine if he has information in addition to that which CUMMINGS relayed to Troop A, MSHP, Lee's Summit, Mo., which was referred to FBI, KCMO, and if the source would be willing to furnish this information to the FBI.

On 4/21/68, Trooper CUMMINGS advised that his source had said that he thought he could assist in the location of RAY from the information he has, and that he would be willing to discuss this information with the FBI on a confidential basis. Trooper CUMMINGS stated that he had arranged with the source to be available at Warsaw during the noon hour on 4/21/68.

On 4/21/68, JACK FOX LANPHERE, Riverside Resort, Warsaw, Missouri, was interviewed by SA THOMAS H. WEAVER with Trooper JOHN CUMMINGS, MSHP. LANPHERE requested that his identity as the source of information about RAY be concealed. The following information was obtained in the interview:

He was in the Jackson County Jail at KCMO with RAY in about 1962, and both rode to Jefferson City to the Missouri State Penitentiary to start serving their sentences in the same bus. At the MSP, LANPHERE was in cell F-82, or thereabouts, and RAY in about cell F-71. At first, RAY had no cellmate. RAY became indebted to RONNIE FREEMAN at the MSP through poker games, and FREEMAN was going to kill RAY, but JIMMY CARPENTER stood good for RAY's debts "in the yard" and "took him in as his kid". CARPENTER is a many-times convicted con about 70-years-old, who is still in the MSP to the best of LANPHERE's knowledge. CARPENTER was paroled once, but he came back on conviction on Armed Robbery charges in SIMO, as LANPHERE recalls, during the time LANPHERE and RAY were in the MSP. CARPENTER worked in the kitchen at the MSP along with RAY.

RAY is a "weak sister", and a homosexual. He was a "girl". Through his taking care of RAY's debts, CARPENTER was RAY's "boyfriend" and had RAY as a cellmate some of the time he was at the MSP. RAY was not a "born

queer", he participated in homosexual acts because he was afraid not to participate. He was "born yellow" and could be made to do anything by anyone who wanted to intimidate him. LANPHERE stated that he himself had had RAY perform acts of sodomy on him or submit to sodomy by LANPHERE. LANPHERE stated that he and others used RAY as a "girl", and RAY was a "big joke" at the MSP. He said RAY had no friends as such at the MSP, but RAY wanted to "be a part of the yard" but was not accepted by anyone other than those using him. RAY was always referred to in joking terms at the MSP. He was victimized in this manner at the Jackson County Jail in KCMO before coming to the MSP.

RONNIE FREEMAN and CHARLIE GARTON or GARTIN were well acquainted with RAY at the MSP. LANPHERE believes CARPENTER, FREEMAN and GARTIN are all still doing time at the MSP. GARTIN, from New Mexico, and FREEMAN were in the Colo. State Pen, Canon City, Colo., with LANPHERE.

LANPHERE does not know who helped RAY escape from the MSP in 4/67. He does not know GEORGE OWENS. The name LOUIS RAYMOND "LOUIE" DOWDA sounds familiar to him, but he cannot connect this name to RAY. LANPHERE was in the MSP when RAY escaped in 4/67, but he did not know RAY was planning to go out. He never heard RAY say that he would go to any specific place when he was released from the MSP, or discuss a hideout with any escape plans. In the latter part of 4/67, or approximately that time, LANPHERE was transferred to Moberly, MSP, but he did not hear anyone discuss RAY with regard to who helped him escape or where he was going on escape.

In his conversations with RAY, RAY would always mention his liking for the Rogue River area of Oregon. He got the impression that RAY had lived in that area and possibly had relatives there. He never heard RAY name any relatives. RAY gave the impression, although no specific names or comments are recalled, that he was familiar with saw mill work in Oregon, and "riding on a chair while sawing logs". LANPHERE got the impression that Rogue River as referred to by RAY was a town in Oregon. (It is noted the Postal Guide lists a Rogue River, Oregon.)

RAY would talk fishing in his conversation. He mentioned fishing in streams. He does not know whether or not RAY ever fished, but he spoke fondly of fishing, which LANPHERE took to be trout fishing.

RAY spoke of logs in a pond in the Rogue River area. He spoke of saw mill type work being available in the area of Oregon of which he was fond.

RAY never spoke of racial prejudice. RAY did not seem to have any strong opinions about any subject.

He does not recall having heard RAY speak of Montreal, Canada or of Mexico.

He cannot believe that JIMMY RAY is named as the killer of Rev. KING. He does not think RAY has the brains to figure out KING's timetable or plan a murder from ambush, and he does not think RAY has the "guts" to "put a gun on anyone".

LANPHERE would not dismiss the possibility that RAY would kill someone for money, but he felt it would be out of character for him to devise the assassination of Rev. KING and carry it out. He believes someone had to be with RAY or had to be directing RAY.

He does not know of any associates or "hangouts" of RAY in KCMO or elsewhere. He does not believe RAY would actively seek homosexual company, however, he would be prone to put himself into a position where he would come into contact with the homosexual element, such as in bars, and if money were the object or if an aggressive homosexual intimidated him, he probably would take up with the homosexual life.

If he were to look for RAY, he would go to the southern U. S. and seek him through the KKK. The only reason he says this is because if he himself wanted to get some money, and knew the KKK wanted some Negro killed, he would go to the KKK leader in South Carolina or to "SHELBY" in Alabama, to seek how much he could get paid for killing for the KKK. This is the way he thinks a "professional" killer would think, but he does not know if RAY would think along those lines.

LANPHERE stated that he cannot help but feel a BOB PORTER might have been involved with RAY in the KING murder. He has no reason for thinking this other than the fact that on about 4/13/68, PORTER called him at the City Union Mission, near Warsaw, where LANPHERE was living from the time he was paroled from Moberly until 4/15/68. He believes PORTER probably found out where he was paroled to from inmates at the MSP, although PORTER told him that he had learned his address through LANPHERE's father... doubted because LANPHERE's father is in Ft. Collins, Colorado. PORTER told him on the telephone on about 4/13/68 that he was in serious trouble, had to keep moving, and wanted LANPHERE's help. He indicated that he wanted money from LANPHERE, but he told PORTER that he did not want anything to do with him and did not want to see him. PORTER said he was staying at the Osage Hotel in Warsaw, and he threatened LANPHERE that when LANPHERE was returned to the MSP for some violation, PORTER's friends would kill him if he did not help PORTER now. He wanted "any kind of help" LANPHERE could give him.

PORTER knows JAMES RAY very well. PORTER was received at the MSP in about 1960 or shortly before and was released in about 2/68, as he recalls. He thought PORTER was doing time for checks. PORTER would do anything for money. PORTER was transferred to Moberly from the MSP in about 4/67. PORTER was known as a "Negro lover" at the MSP and was seen by LANPHERE to "hang around" Negroes. PORTER is a white male, age about 40, about 5'9", about 175 lbs., crew cut, graying hair, always wears prescription tinted (green) glasses. PORTER's relatives live in Iowa, and he has done time at Ft. Madison, Iowa, Pen., as well as at Lansing, Kansas, he believes. It was possibly the night of 4/11/68 that PORTER called him on the telephone. He called back for LANPHERE after that time, but LANPHERE told the director at the City Union Mission that he did not want to talk with him. He believes it was on 4/12/68 that he saw PORTER standing on the court house steps in Warsaw talking with some unknown, elderly man, but LANPHERE did not talk to him. He does not know where PORTER is now.

He has told all he knows about JAMES RAY. He would like to see RAY caught.

LANPHERE furnished the following information about himself:

WM, born [redacted] at Ft. Collins, Colo., last sentence at the MSP served under #06726, fell from Jacks on County, about 1962, for Armed Robbery and Murder (killed KCMO Police Officer GEORGE WILBER, II). Paroled from Moberly, 9/67, and came directly to the City Union Mission, where he lived until 4/15/68. Worked at various jobs in Warsaw, Mo., area, returning at night to his quarters at City Union Mission, and for about the last two months, employed daily at ART's Building Supply, Warsaw, by ART SINDT, doing construction work. He was living at the mission camp when he heard of the KING murder, and he thought to himself he would be a good suspect in that murder, but he never connected that murder with RAY. LANPHERE claimed that he, REX PECK and others killed six Negro inmates when Warden (Late) E. V. NASH, MSP, tried to integrate "F" Hall at the MSP by moving six Negro inmates to that cell block. He said he did not miss a day of work during 4/1-5/68 for ART SINDT.

On 4/21/68, Trooper CUMMINGS said that JACK LANPHERE did 2-5 years at Canyon City, Colo, penitentiary, paroled in 5/61; arrested for homicide and robbery in 6/62, KCMO, sentenced to 30 (reduced to 20) years for Murder 1st, in 6/62, with Robbery 1st charges dismissed, and was received at the MSP in 4/63, and paroled in the fall of 1967. He said he arrested LANPHERE in 1/68 for DWI, and for the same charge on 4/20/68. He said he casually mentioned to LANPHERE that they were looking for one of his "buddies" from the MSP in the KING case. He stated LANPHERE asked him the name, and he told him JAMES EARL RAY. He advised LANPHERE told him he had known ~~as~~ a JIMMY RAY at the MSP, the one who was the "hide out" man about twice in the MSP and who finally escaped in a bread truck. Then he said LANPHERE began talking about how whoever killed KING had caused a lot of trouble and he thought RAY might be hiding in the Rogue River area of Oregon.

It is noted that at the outset of the interview on 4/21/68, LANPHERE said that he was drunk, but knew what he was saying. He also told CUMMINGS that CUMMINGS would have to tear up his DWI ticket, which CUMMINGS told him was done, with the approval of the Prosecuting Attorney at Warsaw. He identified "closed-eyes" photo of "ERIC GALT" as RAY.

On 4/21/68, Mrs. AGNES WEST, owner, Osage Hotel, Warsaw, Mo., advised SA THOMAS H. WEAVER that her registration book shows registration for ROBERT DALE PORTER, Waverly, Iowa, who checked into the hotel on 4/12/68. She recalled that PORTER came in about 5 to 5:30 p.m., 4/12/68, carrying a duffel bag. She said she believes he had a sandwich for the evening meal. She said he told her that he had been hitchhiking, had come from Texas, and was enroute Iowa. She stated that PORTER tried to call a "JACK" somebody at the mission farm near Warsaw, several times, and told her that he wanted to borrow some money from "JACK". She suggested to him that anyone at the mission farm would have little money, and he told her that "JACK" painted some on the side. He made telephone calls from

the telephone booths across the street from the hotel both Friday night, 4/12/68 and Saturday morning, 4/13/68. He told her that he was expecting someone in Texas to send him some money. He asked her where the Western Union office was, and she told him it moved from place to place in Warsaw, sometimes at the drug store and sometimes at the Community bank. He walked toward the bank and drug store but he told her later that there had been no money for him. He indicated that he had tried to call the party in Texas from whom he expected to receive money, but the party had left. He had no visitors at the hotel. The only person she saw him speaking with was ANDY BOOKER, a night policeman in Warsaw, as she referred him to BOOKER, suggesting that he would know "JACK" at the mission and where he could locate him. PORTER did not tell her what kind of work he had been doing. She assumed he was heading for his home in Iowa. She last saw him at about 10:30 a.m., 4/13/68, but she did not see him leave and does not know how he left. He paid her cash for the room at her hotel. She described PORTER as WM, age in 30's or about 40, hair crew cut, short, bald in front, brown hair, 5'11" to 6', medium build, wearing brown slacks and a white or light-colored "fuzzy" jacket or zipper sweater. She said she believes the telephone billing for Warsaw is handled out of Clinton, Missouri.

On 4/21/68, it was noted that the telephone booths across from the Osage Hotel in Warsaw have numbers (AC 816) 438-9847 and 438-9445. Telephone numbers not in Warsaw prominently scribbled in the booths and apparently recently noted were 637-5652; 377-2513; 812 752-3770; LA4-4227; 286-3042.

On 4/21/68, Trooper CUMMINGS advised that he understands that persons wanting to send Western Union money orders to persons in Warsaw send the wire, which is received at the WU Office in Sedalia, which has arrangements with the banks in Warsaw that they pay the recipient on authorization from WU, Sedalia. He said he received information on 4/21/68 from Troop A, MSHP, that ROBERT DALE PORTER, MSP #03189, FBI #4590482, who has arrests dating back to 1946, and who has served time in the Iowa Pen, is not listed as wanted, NCIC.

The above information was furnished telephonically to SA JOSEPH KISSIAH, KCMO, 4/21/68, by SA THOMAS H. WEAVER.

In the event there are still unidentified latent prints in this case, it is suggested that they be checked against the fingerprints of ROBERT DALE PORTER, FBI #4590482.

Since full details of this case are not known in the Jefferson City RA, following lead is set forth based on this memo.

Re Phoenix teletype to Bureau, 4/21/68, concerning interview of DAVID L. WILSON, and possible plot of exconvicts to murder Doctor KING; Dallas teletype to Bureau, 4/22/68.

Enclosed for Phoenix is one photo of CLARENCE JAMES CLARK.

A review of U. S. Penitentiary (USP) records regarding CLARENCE JAMES CLARK, USP# 76195-L, reveals CLARK was committed to that institution 12/11/58 to serve four years on charge of white slavery at Lake Charles, Louisiana. CLARK was transferred to Federal Correctional Institution, Texarcana, Texas, 7/22/59, and on 7/17/61, was sent to the Federal Medical Center, Springfield, Missouri for the surgical correction of a hernia. CLARK refused surgery and was mandatorily released 10/6/61 to return to Muskogee, Oklahoma to engage in oil and construction work.

Records under date of 2/61, indicate CLARK's mother, EDITH PETTY TIPTON, and stepfather, J. L. TIPTON were residing at Anadarko, Oklahoma. Records show CLARK's ex-wife, HELEN BEARMAN CLARK or HELEN THURMAN CLARK residing with her parents at Dublin, Texas.

USP records describe CLARK as follows:

MURKIN

At about 6 p.m. on 4/4/68, while standing on the second floor balcony outside Room 306 of the Lorraine Motel, 406 Mulberry Street, Memphis, Tennessee, Dr. MARTIN LUTHER KING, JR. was struck in the right side of the face by a single bullet fired from a 30-06 rifle. The bullet severed KING's spinal cord and death was almost instantaneous.

This investigation, predicated upon a specific request from the Attorney General of the United States, disclosed that the fatal shot had been fired from the bathroom of a cheap rooming house located at 422½ South Main Street, Memphis, which bathroom was located at the rear of the rooming house, and had a window overlooking the Lorraine Motel.

At about 3 p.m. on 4/4/68, an individual using the name JOHN WILLARD had rented Room 5-B in the rooming house at 422½ South Main Street and had paid one week's rent. After hearing the rifle shot at about 6 p.m. on that same day, other tenants in the rooming house observed a man presumably identical with WILLARD, fleeing from the rooming house carrying a large package which was subsequently abandoned by him on the sidewalk in front of the Canipe Amusement Co., 424 South Main Street, Memphis. A neighborhood investigation in the vicinity of 424 South Main Street disclosed that the subject had fled from the scene in a white Mustang.

Found abandoned in front of 424 South Main Street was a 30-06 Remington model 760 rifle which was determined to have been

sold to one HARVEY LOWMEYER on 3/30/68 by Aeromarine Supply Co., Birmingham, Alabama.

Investigation at Memphis disclosed that an individual had purchased a set of binoculars at the York Arms Company in Memphis on 4/4/68. These binoculars were among the material abandoned with the rifle and recovered in Memphis. Also recovered was a brown and green herringbone bedspread. The items abandoned in Memphis were all wrapped in this bedspread. The blue bag which was inside the bedspread contained numerous items, among which were the binoculars and a set of underwear consisting of a T-shirt and shorts. The T-shirt and shorts are those on which appears the laundry mark which has been a matter of interest in this case.

A search of motel records in the Memphis area disclosed that an individual using the name ERIC S. GALT had spent the night of 4/3/68 at the Rebel Motel, Memphis, Tennessee, and was driving a 1966 white Mustang bearing Alabama License 1-38993. Investigation at Birmingham disclosed that this automobile had been purchased by ERIC S. GALT on August 30, 1968, from a private person in response to a newspaper ad. He paid a total of \$1995 cash. While in Birmingham he furnished the address of 2608 South Highland Avenue, Birmingham. This is also the address which appeared on a driver's license issued to him by the State of Alabama. The driver's license identifying data listed his birth date as [redacted], his height as 5'11", his weight as 170 and his eyes blue and hair brown.

The automobile in question, the white Mustang bearing the Alabama tags mentioned above, was recovered in Atlanta on 4/11/68 and determined to have been abandoned there prior to 9 a.m. on 4/5/68.

In connection with the evidence submitted by Atlanta, Birmingham, and Memphis, identifiable latent prints were recovered. It was on the basis of these latents that identification was made of JAMES EARL RAY. In handling future leads, all offices should be particularly interested in securing an identifying number, military, police, or FBI, in connection with suspects so that the necessary check can be made through the Identification Division.

On 4/17/68, AUSA R. NACEY TAYLOR, Birmingham, authorized the filing of a complaint charging ERIC STARVO GALT with a conspiracy to violate Section 241, Title 18, U. S. Code, and

recommended bond in the amount \$50,000. On that same date, SAC JOSEPH H. GAMBLE filed a complaint before USC MILDRED F. SPRAGUE, Birmingham, and warrant was issued that same date.

GILLIAM feels that if the JIM RAY she knows is identical with MURKIN subject that he possibly could use this area as hideout.

GILLIAM relates that her mother, VERA BROOKE, 6791 San Diego Road, Buena Park, California, ~~would know~~ owner's identity of this property.

Inasmuch as referenced teletype indicates that JAMES EARL RAY was incarcerated at the Missouri State Penitentiary, Jefferson City, Mo., since March 17, 1960, and allegedly confined to that Institution until time of his escape, 4/23/67, this is being furnished to Memphis and Kansas City for info purposes. Possibility exists that "JIM RAY" individual GILLIAM refers to is a possible relative of subject JAMES EARL RAY.

Kansas City from file review determine if this is area of RAY's background and determine if this information has significance to captioned case.

No lead is being set forth for the Los Angeles Division at this time because of the limited information available to WFO concerning subject this case.

RAY SHOULD BE CONSIDERED ARMED AND DANGEROUS.
