RUSSELL stated he was born on [redacted] in Atlantic City, New Jersey. He stated he is being held on a charge of grand theft and his trial date is July 10, 1968.

RUSSELL related he was arrested in New York City, New York, about September 23, 1967, and has been in custody ever since except for a week in November, 1967. He advised that in November, 1967, he was released because he was cooperating with the New York City Police Department and/or the New York County District Attorney's Office. He advised he was returned to California and since returning to California has been confined first in the San Francisco City Jail and then the San Francisco County Jail, located on the sixth and seventh floors respectively of the Hall of Justice Building.

RUSSELL stated after examining the photographs of JAMES EARL RAY that he saw RAY who was using the name JIMMY GALT in the Roosevelt Hotel bar in New Orleans, Louisiana, in April, 1967, late in the month, or May, 1967.

Enclosed for the Bureau are three copies of an FD-302, dated June 7, 1968, reflecting the results of interview of ROBERT LAWRENCE RUSSELL. Two copies each of this FD-302 are enclosed for Kansas City, Memphis, and New Orleans.

Observations of the San Francisco Office Relative to the Interview of ROBERT LAWRENCE RUSSELL

ROBERT LAWRENCE RUSSELL was interviewed during the morning of June 6, 1968, and the interview was continued after a break for lunch. During this entire interview, RUSSELL rambled, was vague, incoherent, inconsistent, and evasive. The entire impression created was that RUSSELL was looking for attention. It is believed that he was not truthful at all times in that any knowledge that he has concerning JAMES EARL RAY could have easily been obtained by reading newspapers and could be spiced by his knowledge of New Orleans where he was arrested in 1967. RUSSELL stated that he knows he has lied on

many occasions, but he was telling the truth now. His story would vary from time to time.

By teletype dated June 6, 1968, the Philadelphia, New York, and Newark Offices ~~were~~ advised that ROBERT LAWRENCE RUSSELL had furnished those offices with inaccurate and unreliable information.

San Francisco does not contemplate a reinterview of RUSSELL at this time unless directed to do so by the Bureau, Memphis, or Kansas City.

New Orleans is being furnished copies of this communication; however, no lead is being set out for New Orleans to conduct specific investigation. It is noted that New Orleans conducted an 88 investigation regarding ROBERT LAWRENCE RUSSELL during 1967 at which time he was using the names JAMES ALEXANDER and ROBERT LAWRENCE.

Report Follows -

SF 173-65
MTG/sms

RUSSELL related he was using the name JAMES ALEXANDER at this time. He related that eventually he was arrested in the City of New Orleans and was booked under the name JAMES ALEXANDER.

He advised that he did not consider the photograph of JAMES EARL RAY wherein RAY is wearing sunglasses to be a good likeness. He related that the photograph showing RAY in a business suit with a white shirt and wearing a tie was a good likeness of the man he knew as JIMMY GALT. He described JIMMY GALT as a white male American, 180 to 190 pounds, 5'10", and having black hair. He advised he never paid any attention to GALT's eyes. He stated he could not recall any scars on his forehead or hands. He was unable to describe the nose and made no remarks concerning the chin. He advised that GALT wore a watch and a diamond pinky ring. He also wore sunglasses with a black frame. He advised that he met RAY in the bar at the Roosevelt Hotel in New Orleans.

RUSSELL advised that he had won some money gambling and was in New Orleans to enjoy himself and to see if he could make any other scores. He stated he was aware that the State of California wanted him at that time.

He advised that he had frequented the Hotel Roosevelt bar for several days and noticed RAY, or GALT as he was called, in the bar and eventually met him. He advised that GALT had a great deal of money. He stated it was his belief that he could have had as much as \$25,000 and this was based upon the fact that he saw GALT take money out of his pocket and that he had several \$50 and/or \$100 bills in his possession. He advised after seeing GALT with this roll that he decided he wanted to get to know him and to get to know where his residence was located so that he could get the money from him. He advised he intended to burglarize GALT's residence if necessary.

He advised that after talking with GALT at the bar in the Roosevelt Hotel that he eventually told GALT that he was wanted by the police. He advised that he saw GALT several times during a two or three week period. He advised that eventually GALT indicated that he also had done time but had been out for five or six years.

He described GALT as being very quiet, did not like Negro people, and seemed to enjoy gambling.

He related GALT never took him to his residence. He advised it was his belief that GALT lived either with his brother or his uncle in New Orleans, Louisiana. He stated this was based upon the fact that they went riding in an automobile one afternoon and that they drove by a house which was located three or four blocks from the French market and also near a big church, and GALT indicated he lived there.

SF 173-65
MTG/sms

He advised that the automobile they were riding in belonged to GALT's girl friend.

He advised that this house was located about ten or twelve blocks from Canal Street and five or six blocks from a big church, stating that the street had big houses on it and that at least two families lived in the building.

He advised it was his recollection that he was introduced to GALT by a barmaid in the Roosevelt Hotel. RUSSELL stated that he frequented the bar every night and was so well known there that he could even leave a tab. He advised that he cannot recall the barmaid's name or her description. He stated it was his recollection that the bartender was a white male American, about 55 years of age, with gray hair, wearing glasses, who was short and stocky. He stated this bartender had a helper behind the bar who was either of Mexican or Spanish extraction.

RUSSELL stated GALT was frequently in the company of women and he believed that the girl he was with most of the time was named EVELYN (Last Name Unknown) who came from some place in the South, possibly Montgomery, Alabama. RUSSELL stated that it was his belief or recollection that EVELYN was a friend of a girl who had worked at JACK RUBY's place in Dallas, Texas. He advised that also in RAY's company was another woman by the name of IRENE and that he believes she might have been from Los Angeles, California, and had some connection with a bar either as an owner or a prospective purchaser.

RUSSELL related that although he met GALT in the bar at the Roosevelt Hotel, that he also saw him in a restaurant or bar across the street from the Royal Orleans Hotel and near Napoleon's Bar. He remarked that the Royal Orleans Hotel had a bar called the Touche Bar which opened after 4:00 p.m. He advised that located on a corner immediately adjacent to the Royal Orleans Hotel was Napoleon's Bar and that further down in the block was a small bar which had a large back room entirely devoted to gambling. He advised that he was in this small bar with the back room for gambling with GALT on at least one occasion and that GALT placed bets in this room with a girl named "PAT."

He stated that a city building was located across the street from the Royal Orleans Hotel and that very close to this city building was a bar called Sinatraville. He advised that the bartender or owner of this establishment would know GALT and would know RUSSELL as JIMMY ALEXANDER.

SF 173-65
MTG/sms

He stated that if the owner of the Sinatraville were contacted, that he should be asked about the little blonde girl that came from Mississippi or Alabama, the one who quit her job. He stated that the owner should be asked if he has seen ALEXANDER or JIMMY recently.

He advised that there was a restaurant located over the Absinthe House and that he was in this restaurant on one occasion with JIMMY GALT.

RUSSELL related that after he had been in New Orleans a short time he was arrested and was held in jail for a few days, and after he got out went back to the bar, Sinatraville, inquired about the girl and was told that RAY had gone to a place in Mexico. RUSSELL could not remember the exact dates for the above.

He related that also during the time that he was in New Orleans, a girl he was out with one night got picked up by the police. He stated that he immediately got in contact with the syndicate through a bartender at the Touche Bar in the Roosevelt Hotel and that this girl was then released almost immediately.

He advised that during the time he was in New Orleans that MATT MONROE (phonetic), a singer, was appearing in the Roosevelt Hotel. RUSSELL related that he got to know MATT MONROE and KENNY (Last Name Unknown), MATT MONROE's pianist. He related that on one occasion they went to a bar on Bourbon Street and that JIMMY GALT came in and joined them. He related MATT MONROE resided at the hotel during his engagement.

RUSSELL advised that during the time he was in New Orleans, the Japanese International Floating Fair was in town. He advised that he became very well known aboard this ship and in fact was able to have the Mayor of New Orleans declare one of the officials connected with the Japanese International Floating Fair an honorary citizen of the City of New Orleans.

He advised, "Maybe RAY killed him. I believe that RAY was hired. Both men were killed by the same people." He related that by both men he meant President JOHN F. KENNEDY and Dr. MARTIN LUTHER KING.

SF 173-65
MTG/sms

He stated, "I have no knowledge of RAY's present whereabouts. I believe RAY is alive and is either in New Orleans or Rio de Janeiro, South America."

He stated he believes he might have RAY's New Orleans telephone number in some notebooks which he had but which are now in the possession of a District Attorney in New York City as a result of his having been arrested in New York City.

He stated, "I believe that I could locate RAY or his body through making calls or contacts."

He said he had no knowledge of RAY's whereabouts and had no knowledge that RAY was dead.

It was his opinion that President JOHN F. KENNEDY and Dr. MARTIN LUTHER KING were killed by the same people. He said it was his belief that the same people are responsible for these two deaths and that the money came from the same people. He advised that it was his belief that President KENNEDY was killed because Cuban exiles held him responsible for the death of Cuban patriots in the Bay of Pigs invasion. He stated it was his opinion that these same Cuban exiles were responsible for the death of MARTIN LUTHER KING because the United States had not supported an invasion which was to be led by a RAOUL TIGART (phonetic). He advised that this man named RAOUL TIGART was captured by CASTRO forces.

He advised that in July, 1964, he was able to become very friendly with some men in Trenton, New Jersey, who were connected with the syndicate. He advised that a man known as CARL or PAPPY (Last Name Unknown) who had done time at Leavenworth but was now a wealthy man had a phone booth registered to the Famous Restaurant on State Street in Trenton, New Jersey. He advised this man, PAPPY, came to him and asked him if he wanted to make a million dollars and that he could make a million dollars by "knocking a guy off." RUSSELL stated that he told PAPPY you have your own men, why don't they do it. PAPPY responded that he did not want to get involved.

He advised that PAPPY checked him out and later indicated that he should get in contact with MARIA CASTRO at the Rio de Janeiro Hotel, Rio de Janeiro, Brazil.

He advised that he did call MARIA CASTRO at the Rio de Janeiro Hotel. He stated at the time he made this call he was accompanied by a girl by the name of ADELE MANCINI who lives in Philadelphia. He advised that he spoke to MARIA CASTRO through her aid, GONZALES (phonetic), and was offered one million dollars

SF 173-65
MTG/sms

to kill FIDEL CASTRO. He stated that MARIA CASTRO indicated that they would make all arrangements.

He advised that in talking with MARIA CASTRO she indicated that one million dollars was the same price that was paid for the death of President KENNEDY.

He advised that this CARL or PAPPY had a partner by the name of JOHN KEYES (Phonetic), also of Trenton, New Jersey.

He advised that ROBERT KENNEDY wanted him to help work the HOFFA case and that a man known as PAUL MONROE contacted him to help him organize cab drivers in Atlantic City, New Jersey.

He advised that during the time he was in New Orleans in 1967 that he called Mr. GARRISON several times but GARRISON never came to the Sheraton Hotel to see him. He stated he wanted to talk to GARRISON about the death of President KENNEDY but got no response. He advised that he had information to furnish GARRISON about the KENNEDY case. He related that both ROBERT KENNEDY and Mrs. JOHN F. KENNEDY had written to him in November, 1963, when he was confined in the New Jersey State Prison. He related that he had written to Mr. ROBERT KENNEDY and Mrs. JOHN F. KENNEDY after the death of President KENNEDY. He stated, "If I told my theory, I would be killed. My theory about the KENNEDY and KING murders."

He stated that he had written a letter to the "Saturday Evening Post" in New York City about the KENNEDY case and that this letter was written in either February or March, 1968.

He advised that he had just prepared a script for a motion picture regarding the KENNEDY case for which he received the sum of \$5,000 from Leonard Anderson (phonetic) Associates in New York City.

He advised that FRANK HOGAN, the District Attorney in New York City, had in his possession personal property belonging to him, RUSSELL, which consisted of notebooks, cards, etc., which he is certain were they returned to him would be productive in locating some telephone number for GALT (RAY) in New Orleans, Louisiana. He also advised that a Mr. MIKE DOUGHTY, telephone number 609-695-6281, New Jersey State Penitentiary, a kitchen officer, also has some personal papers of his.

He advised that his San Francisco attorney is Mr. GEORGE T. DAVIS.

Memorandum

TO : SAC (44-760)

FROM : SA WALTER F. SCOTT

SUBJECT: MURKIN

DATE: 6/13/68

The following investigation was conducted by SA WALTER F. SCOTT and SA JAMES B. KELLY:

AT WICHITA, KANSAS

On 6/7/68, JOHN E. SHEPARD, 619 E. Douglas, was contacted at his place of residence and employment, the Salvation Army, 619 E. Douglas. Mr. SHEPARD advised he is employed as a cook by the Salvation Army. Mr. SHEPARD viewed the photographs appearing on the Identification Order for JAMES EARL RAY and said he recalls that RAY worked for him in the bakery at the Missouri State Penitentiary, during which time SHEPARD was employed as a civilian cook at the prison. SHEPARD stated he terminated his employment at the prison as of 9/1/66. He has not been contacted by RAY since that time, nor has he learned anything of RAY's present whereabouts. Mr. SHEPARD stated his first reaction when he heard that RAY was implicated in the murder of MARTIN LUTHER KING was that they had the wrong man. He did not know at that time RAY was out of prison having effected a successful escape.

SHEPARD stated RAY was very hard to know, was basically inoffensive and did his work well while employed in the bakery at the prison. RAY seemed to be pretty much of a loner, almost to the point of being antisocial. He never had much to say and seemed to prefer not being around other people. He added that although RAY tended to give the opposite impression that he was very shrewd. RAY did not seem to be a trouble maker but was obsessed with the idea of getting out of prison.

During the time that SHEPARD was at the prison, he recalls that RAY attempted to escape, possibly three or four times, never making it outside the prison walls. On at least one of these attempted escapes RAY remained concealed in a ventilation shaft next to the warden's office for a full week.

before being discovered. While he was employed at the prison he recalls that a friend of RAY, whose name he cannot recall, but who was also employed in the bakery, was killed by another inmate, possibly in connection with the pill traffic at the prison.

SHEPARD does not recall RAY ever committing himself openly one way or the other regarding racial matters and Negroes. As he recalls, RAY got along with the Negro inmates at the prison and was never involved in any conflict with members of the Negro race.

SHEPARD was able to recall the following individuals who he recalls had some degree of association with RAY at the prison:

(FNU) ~~FRY~~ - This individual seemed to be the spokesman or mouthpiece for the majority of the inmates and as he recalls, was serving time for armed robbery and escape from the honor farm. ~~FRY~~ was also at one time a trustee at the prison.

A young white male, approximately 25 years of age, whose name he cannot recall. This individual worked in the bakery with RAY and was originally from Eldon, Mo. He was a three-time loser and was serving time for armed robbery. He had been at the Boys Reformatory at Boonville, Mo., and also in another reformatory outside Jefferson City, Mo.

(FNU) possibly ~~RICHARD McBRIDE~~ - The word was that McBRIDE pushed pills at the penitentiary and he associated with RAY off and on. ~~McBRIDE~~ was at one time head of the pastry crew and he believes was doing time possibly 30 years to life for murder.

A young white male in his early twenties - He was from around Eldon, Mo., and he believes has a family there. He worked in the kitchen and knew RAY. SHEPARD believes he was serving two years for armed robbery. This individual was released in January, 1966, robbed a hotel in Kansas City and was returned to the prison in April, 1966. Upon return to prison in April, he was placed in the section where RAY was located.

KC 44-760

SHEPARD stated he has no personal knowledge that RAY was involved in pill traffic at the prison or took pills himself.

SHEPARD's personal opinion is that RAY has not fled very far. He stated if he were looking for RAY, he would go to East St. Louis and check the summer resorts and lakes. He stated that at one time RAY mentioned Colorado to him. In his opinion RAY might possibly be within not too far a distance from the Jefferson City - St. Louis, Mo., area. SHEPARD stated to his knowledge, no other inmates were ever involved with RAY in any of his attempted escapes. To his knowledge, RAY was always on his own. He believes RAY could conceal himself without engaging in a far-flung flight, basing this opinion in part upon the fact that RAY did conceal himself for a full week in a ventilator shaft during one of his attempted escapes at the prison. SHEPARD stated RAY will never look a person in the eye with whom he is talking and has a nervous habit of stroking the side of his nose with his right index finger.

SHEPARD stated he could think of no further pertinent information regarding the subject, however, should he recall any other pertinent facts or learn anything of RAY's whereabouts, he will promptly notify the FBI.
