Reason for Admission: Pre-trial examination pursuant to Section 552.020 by Circuit Court Order of Cole County alleged to be charged with the crime of attempted escape.

Legal Status: Subject was transferred to this hospital for pre-trial evaluation from the Missouri State Penitentiary, where he was serving a sentence of twenty years, having been convicted of the crimes of first degree robbery and two charges of operating a motor vehicle without the permission of the owner. In addition to the sentence, he is serving, he now has a charge against him of attempted escape.

Pertinent Social History: According to accompanying information received from the Missouri State Penitentiary, at or about 9:00 p.m. on 11 March 1966, the subject attempted to escape and actually had hidden out inside the penitentiary walls until he was discovered at approximately 12:10 a.m. on 13 March 1966 attempting to make his way to the roof from which he apparently planned to scale the prison wall. He had placed a dummy in his bed to cover up for his absence at the 9:00 a.m. count on 11 March and had taken a 14 foot iron rod with a metal hook on the end with which he was able to scale several feet of one of the walls inside the penitentiary. He had cut a hole through a security screen on a window and had been hiding out from search parties on various areas of the roof.

Mr. James Ray was born on [redacted] in Illinois. The record indicates that he completed ten grades of school and entered the Army in February 1946, where he served until December 1948, at which time he was discharged because of a lack of adaptability. His FBI record comprises one and one half pages and shows numerous arrests for a variety of charges. He has served sentences in various penal institutions on conviction of such charges as robbery, forgery of postal money orders, and car theft. He has been incarcerated in one or another penal institution a good part of his adult life.

Laboratory Data: 9 Sep 66: Urinalysis essentially negative. Hematology within normal limits. Serum bromides negative. Blood sugar and blood urea nitrogen were within normal limits. VDRL nonreactive. 13 Sep 66: Chest x-ray reported as negative.

Dear Sir,

ON or about the 7 of Sept 1966 I was committed to the Biggs Building on order of the Cole County Circuit Court. On my arrival at Biggs Building I had with me my trial transcripts and other legal papers valued at about \$300.00. I also had \$49.00 in commissary books. Mr. Percy said I could not take them to the ward that they would be kept in my personal property. Upon leaving Biggs bldg. Mr. Percy said they could not find them and that they might have been sent back to the prison; the officials said they wasn't returning here either. I would appreciate it if you would have some one to see if they could find this property as I can't replace it. I know before I left the receiving office it was put in a desk drawer in the receiving office.

Thanks

James E. Ray
