Dear Sir,

I'll get to the point immediately! I deal in, shall I say, Special "sexy type movies" for free thinking adults. I have carefully selected (2) men and (3) luscious young girls who have proven themselves to be absolutely unashamed and very cooperative in front of my movie camera. I will not go into complete details about my films, this you must experience for yourself.

THE FOLLOWING FILMS ARE AVAILABLE FOR YOUR PRIVATE PLEASURE!!

FILM #1 - "DON'T STOP, IT FEELS SO GOOD" - Shows two cuties enjoying themselves, without the aid of their male friends.

FILM #2 - "THE VIBRATOR" - Nothing like it AND I MEAN NOTHING LIKE IT!!
I SHOW ONE OF THE MOST RESPONSIVE WOMEN I HAVE EVER HAD THE PLEASURE OF PHOTOGRAPHING!

FILM #3 - "SHE BLEW MY MIND" - One comment..... A MUST!!

FILM #4 - "THE WRONG SIDE OF THE BED" - The sensuality of this NEGRO beauty will surpass your most erotic fantasy! Watch her and her WHITE boyfriend perform for you!

Now let me get one thing straight! These films are not the OLD pin-up, nudist stag type that have been around since 1947. No sir, my films are brand new and fresh. I go out of my way to hand pick quality girls that not only can act and react in different situations, that these films lend themselves to, but are the most attractive ones I can lay my hands on. Most important, my girls love and really enjoy doing this type of film for you...you can see it in their faces. They become excited and stimulated, not just bored doing a job. One last footnote:

Unlike some films, all the girls agreed not to wear masks except for the first few feet in Film #3 and the reason was justified because it was pertinent to the story. However, in 90% of the film you do see the girls faces. All female participants are completely nude, virtually all the time, throughout the films.

"INTERCOURSE"

The Publishers of "INTERCOURSE" having not used dolls, pictures of couples wearing skin-tight clothing in order to circumvent actuality nor did they intend to give the near appearance of nudity. At first glance you may be shocked in scanning this book showing a husband and wife in intercourse. Yet, this book can not be construed as anything else but a marital manual with the stipulation that educators and psychologists have long known the tremendous value of pictures as a basis for training.

Lovers should experiment since it decreases the chances of boredom and can be most pleasurable. Psychologically, many of these postures can be very stimulating to both partners, adding much to the sexual activity. Some postures might be found bothersome and, if so, they should be rejected and those positions which bring the most excitement and satisfaction used.

If the man and woman make the attempt to be lovers, in the truest sense, it will enrich and strengthen their marital life. Sexual incompatability comes from a lack of enthusiasm and satisfaction on the part of both man and woman.

WHEN IN DOUBT HE ASKED A POLICEMAN

A San Bernadino (California) man, Mr Charles Taylor, apparently believes that the best way to find out something is to ask a policeman—even if it means a \$60 transpacific telephone call.

Mr Taylor rang the Auckland police at 5 a.m. today to ask about New Zealand and the living conditions here.

"I'm thinking of coming out to Australia or New Zealand," he told Senior Sergeant R. V. Downie, officer in charge of the communications section.

Mr Taylor wanted to know about the climate, the terrain, wages, prices,

taxes, jobs, hunting and fishing.

"I told him that we had a good climate and that in Auckland we've just had record temperatures for March," said Senior Sergeant Downie.

"I said there was little snow in the North Island but plenty in the high country of the South Island in the winter.

"I told him the country

was mainly farmlands—the best in the world — with a mountain range down the centre of the South Island.

Enthusiastic

"He seemed enthusiastic when I told him about the fishing and hunting here."

For his \$60 Mr Taylor learnt that butter costs 28c a pound, shoes about \$10 to \$12, suits about \$30 to \$50 and that an average wage was \$40 to \$50.

He found out that there were about 6000 registered unemployed but plenty of employment vacancies were being advertised and a qualified man should have little trouble in getting a job.

Mr Taylor even wanted to know what was going to happen in Vietnam.

Senior Sergeant Downie said: "I don't know and there are a lot of important people about who would like an answer to that question too."

Senior Sergeant Downie added: "I don't think the call was just a rich whim as he finished up by saying he would have to go because the call was costing him a lot of money."

March 14/68

Policeman calls NZ again (\$150)

America's phoning policeman was on the job again on Sunday night with another transpacific call to his Auckland counterparts for a discussion about New Zealand.

Patrolman Thomas Taylor, of Birmingham, Alabama, rang from Santa Barbara, California, where he is on holiday.

He spoke to Senior Sergeant R. V. Downie, in charge of communications, for 40 minutes, a call which would have cost him more than \$150.

He first rang Senior Sergeant Downie six weeks ago to inquire about conditions in New Zealand with the idea, he said, of immigrating.

Last night he was content just to have a friendly talk. He spoke of the

Wahine disaster, which he had heard about, and asked questions on the work done by the Auckland police.

Patrolman Taylor said it would be four or five years before he came to New Zealand, if he came, but said he would ring Senior Sergeant Downie three or four more times.

"I didn't ask him if he was married or had a family or how long he had been in the force," said Senior Sergeant Downie. "I'll save that for next time."
