April 16, 1968

On April 14, 1968, I, Ralph M Carpenter was shown a group of 5 photographs by Special Agent in Charge Robert G Jensen and Special Agent Ralph J Limer. After careful study of each of these pictures I placed my name on the back of the picture which I feel most resembled the man who bought a set of binoculars from me on April 4, 1968 at York Arms, 162 So. Main St, Memphis Tennessee. I was not furnished any names or any descriptive data regarding any of the photographs shown. I was also told that no significance should be attached to any sequence or arrangement that the photographs were shown to me. I did turn one photograph over as I thought I recognized this to be a local Memphis boy. I did not however recognize him as the person to whom I sold the binoculars.

Ralph M Carpenter

In choosing the photograph I was guided by my best recollection. I remember that the man who bought the binoculars did not have heavy eyebrows and were about medium like the one in the photograph selected by me. I did not sell any other binoculars on April 4, 1968

My signature attests that I am in agreement with the information set forth on page one and page two of this statement.
