Newark Teletype to the Bureau, 4/20/68

The following evidence is being furnished by
Newark to the Bureau under separate cover:

This evidence was furnished to the Newark Division
by GARY S. GOODMAN on 4/20/68.

One white shirt, Manhattan manufacturer, size
15½

On 4/20/68, GARY S. GOODMAN, age 17,
35 Birkendone Road, Caldwell, N. J., advised that on the
early morning of 4/19/68, at Port Columbus International
Airport, Columbus, Ohio, he and two traveling companions
encountered an unknown male individual who very closely
resembled the newspaper photo of ERIC STARVO GALT. The
unknown male approached a companion of GOODMAN, JIMMY WISZ,
and requested to buy a shirt from him whereupon WISZ sold
the unknown male a brown yellow plain shirt. The unknown male
removed the white shirt he was wearing, discarded it in a
locker at the airport, and GOODMAN obtained the shirt, which
is enclosed.

Re Birmingham teletype to Bureau, et al, dated
4/11/68.

On 4/11/68, investigation at Atlanta by SAs JOHN F. LEUCK and KENNETH R. HEINEMAN reflected that there are three persons in Atlanta and surrounding vicinity who may possibly be identical with the DANIEL or DAVID LEE SMITH who may have resided at Economy Room Housing at Birmingham during October of 1967. It is to be further noted there is no such address as 708 South 80th Street in Atlanta which is the address listed by SMITH at which time he resided at Economy Room Housing in Birmingham.

The following persons were contacted by SAs LEUCK and HEINEMAN:

On 4/11/68, Mrs. DANIEL SMITH, Route #2, Box 969, White City Road, Atlanta, Georgia, advised that her husband, who is a Negro male, has not been out of Atlanta for the past two years.

He further advised he has never heard of Economy Room Housing in Birmingham and has never resided there.

On the same date, Mr. DANIEL B. SMITH, JR. was contacted at the phone number of 284-5565 as he has moved from the address of 2324 Glenrock Drive, Decatur, Georgia, where he formerly resided. He advised that he apparently is not the correct SMITH as he has never resided at Economy Room Housing in Birmingham, Alabama.

ADMISSION:

Inmate was admitted June 13, 1952, under a 1-2 year sentence for robbery, after he had held up a cab driver and then taken the vehicle. He was apprehended by the police who shot him during the capture. He admits his guilt, stating that he did not ordinarily drink but became intoxicated and then had the idea of the holdup and did it. He said he had used a pipe in lieu of a gun, placing it at the back of the driver's body.

PREVIOUS RECORD:

His previous record consists of a two years probation, with three months in the County Jail in Los Angeles in December, 1949 for burglary. Inmate admits he was caught by the manager of a restaurant attempting to enter the premises from a back stairway.

SOCIAL HISTORY:

Inmate was born March 17, 1928 in Alton, Illinois, the oldest of three children in a German-English family. He said the father worked regularly as a railroad brickman and was a good provider until his death from heart trouble in 1947. He attended grade school at Quincy, Illinois and later returned to an "academy for adults under the G.I. Bill", where he said he had fifteen months intensive schooling in high school subjects. He was in the Army between February 18, 1946 and December 23, 1946 when he was honorably discharged. He was placed in the stockade once for missing a guard detail. He came to Chicago in order to attend school for a short time and said he had one or two jobs, generally at factories, working as an assembler and machine operator and stockroom clerk in order to maintain himself while going to school. Apparently he was somewhat of a solitary person, but said he had occasional dates. He denies any persistent drinking, although admitting occasional alcoholic excess.

PERSONALITY:

Inmate is a 24-year-old, rather small sized, young appearing man, who gives the impression of being sincere in his remarks, yet is actually fairly adept at evasion. He seemingly is a person who has some drive, but has not been able to settle down to just what he wants. He accepts his predicament and should go along uneventfully here. He has no systematic delinquent traits and his future adjustment will depend in part on the character of his institutional motivation.

PROGNOSTIC DATA:

Group III. Without psychosis or intellectual defect.
Unstable personality. Unquestionably improvable offender.
Problematic prognosis. Superior intelligence, Army Alpha III. Kahn negative.

RECOMMENDATION:

Positive Division.

Inmate has no definite vocational objectives, but has a background of some semi-skilled factory experience. He also shows an interest in high school subjects and seems to be the type who might be interested in trying for a G.E.D. diploma.

PROFESSIONAL SUMMARY

Inmate RAY, James E. No. 19121 Age 27 Date 7-19-55

This Professional Summary is being prepared at the request of the United States Penitentiary at Leavenworth, Kansas, where this former inmate is serving a sentence of 3 years and 9 months for Forging Money Orders. This request was forwarded from the Joliet Diagnostic Depot. The material in this Summary is derived from the files of the Criminologist and should be regarded as confidential.

Inmate was received at the Joliet Diagnostic Depot 6-13-52, to serve a sentence of 1 to 2 years for Robbery. He had held up a taxicab driver in Chicago, taking his vehicle, and was apprehended shortly thereafter by the police, who shot him during the capture. He admitted his guilt, stating that he was heavily intoxicated and had used a pipe in place of a gun, placing it at the back of the driver's body. He had previously been on a 2-year probation in Los Angeles, California, for burglary, he being caught in the act of entering a restaurant from a back stairway.

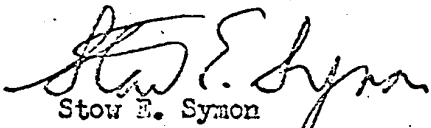

He was born at Alton, Illinois, [redacted], the oldest of three children, his father working regularly as a railroad brakeman until his death in 1917. He was raised primarily in Quincy, Illinois, where he graduated from eighth grade and later had some high school training under the G. I. Bill. He was in the Army between 2-18-46 and 12-23-48, when he was honorably discharged for lack of adaptability. He had been in Chicago for a short time prior to the offense, and had had several short term jobs as a factory hand or storeroom worker. He was unmarried, and seemed to be somewhat of a solitary person, with occasional alcoholic excesses.

On the Army Alpha examination, he scored 111, or superior. It was thought that he had no systematic delinquent traits, and segregation at Pontiac was recommended.

At Pontiac, he requested a farm assignment, and was so placed, after a short period in the inmates' kitchen. He worked as a cook in the farm dormitory, and a helper in the officers quarters, and was always considered an average worker. He had no punishment reports.

The latest medical report in our possession, dated 4-30-53, is essentially negative, and he was never referred to the Psychiatrist for any unusual or abnormal behavior. Our office had a couple of routine contacts with him, and it appeared that he had been behaving unstably ever since leaving the Army, and that he was subject to impulsive delinquent behavior in connection with drinking, which, in turn, was related to his tendency to become easily discouraged. Our last contact with him was on 2-19-54.

He was discharged by expiration of sentence on 3-12-54.

Inmate was admitted to the Joliet Diagnostic Depot on 6-13-52, under a sentence of 1 to 2 years for Robbery, and was transferred to Pontiac on 7-7-52. On 5-14-53, he was given the Max "X" effective 3-12-54.

Inmate makes no physical complaints. He has received no punishment reports.

Inmate received no visits, and corresponds with his mother and brother.

He is now assigned to the honor farm, where he has been almost continuously, except for a brief period in the inmates' kitchen. At present, he is considered a good worker in the officers' quarters, and has been considered a good cook in the past.

His future plans are indefinite, although he will go to Quincy, Illinois, first.

Inmate's delinquencies seem due to impulsive behavior, especially when drinking. There is a relationship to inmate's tendency to be easily discouraged, and this tendency still exists.

Inmate has always been considered to be without psychosis or mental defect and, while in the institution and during the present examination, has evidenced no behavior which might indicate the need for a special psychiatric examination at the present time, although one will be attempted, if possible.

The prognosis is doubtful.

PAROLE PROGRESS REPORT

Name RAY, James E. No. 19121 Age 25 Color White Date 4-9-53

Hearing Minimum Case Docket May, 1953

CRIMINOLOGIST'S COPY

This report is based upon the usual material gathered at the Diagnostic Depot, our attendance at Staff meetings, the receipt of Work Progress Reports, and one short and one long interview with the inmate.

The etiology of inmate's difficulties is not completely known. He seems to have been highly unsettled after leaving the Army, and we would judge that some traumatic experience occurred which he does not care to tell, or cannot verbalize. He seems to be rather solitary and unhappy, and there have been at least two instances of poorly thought out delinquent behavior connected with drinking.

When admitted, inmate expressed an interest in a farm assignment, and was placed in the inmates' kitchen temporarily, until an opening developed on the farm. He has been assigned to the farm continuously since August, 1952, as helper in the farm dormitory kitchen. The report of 10-21-52 characterized him as average in his attitude and in his ability to get along with officers and inmates. The report of 1-30-53 stated that he was good, as far as attitude toward his work was concerned, and ability to get along with officers and other inmates, but that he was only fair as far as proficiency, initiative, progress and ability to work in the free community were concerned.

He has had no punishment reports.

Little is known as to the associational pattern or friends.

He has had no visits, and corresponds with his mother and brother. If released he will have to be assisted by the Parole Officer.

It is difficult for us to make an adequate prediction in this case. In view of the two known instances of impulsive delinquent behavior connected with drinking, the lack of any indication of change or progress here, and the age at which this pattern was continuing, we would judge that he would eventually repeat this behavior, especially if discouraged.

Much would depend upon his obtaining some sort of placement with which he would be satisfied, and which would place him with people who were taking an interest in him.

The prognosis seems to be problematic to doubtful.

On 4/18/68, CLARENCE PETERSON, Asst. Dep.,

that unknown white male, resembling newspaper likenesses

4/18/68, requesting to purchase \$10,000 certificate of deposit
for cash inasmuch as unknown male would be new customer for
bank. PETERSON requested identification and background data
for unknown male, seemed reluctant to furnish, but produced
State of Wisconsin driver's license containing name WILLIAM
FERNER or WILLIAM FARNER. When PETERSON turned driver's license
over to observe signature on reverse side, he noticed an orange

before he had an opportunity to further observe identifying

the driver's license contained in a plastic folder away from

have some knowledge of its customers and savings account
signature cards would have to be executed in order to issue the

signature cards which he took to a nearby lobby counter to fill out and obviously did not want PETERSON to observe the information he would place thereon.

PETERSON turned briefly to report the situation to another officer nearby in the bank and when he turned around again, the unknown male had disappeared from the bank. Examination of all waist receptacles in the bank lobby failed to locate the blank signature savings cards given the unknown male indicating that they were taken away by him.

PETERSON said he left the bank for lunch almost immediately after this incident about 12:30 p.m., and did not observe the unknown male on the streets in the vicinity of the bank and it was during his lunch period that he was reading the "Chicago Tribune" containing photographic likenesses of subject GALT whom he feels is identical to the unknown man appearing at Amalgamated Bank for the certificate of deposit. PETERSON described this unknown male as follows:

Name	WILLIAM FERBERT or WILLIAM FARRERS
Sex	Male
Race	White
Age	About 35-40
Height	5'8" or 5'9"
Weight	160-170
Complexion	Ruddy
Charaderistics	Square jaw, clean shaven
Eyes	Dark
Hair	Brown
Wearing Apparel	White shirt, three-quarter length tan light weight coat

Review of Chicago classified and telephone directories failed to locate any listing identifiable with National Association of Ballroom Dancers, however, a copy of the March, 1968, issue of "Ballroom Dance Magazine",

CS 44-1114

published monthly by Dance Magazine, Inc., 368 West 47th Street, New York, New York, discloses numerous advertisements for ballroom dancing throughout the United States, only one of which is possibly identical with National Association of Ballroom Dancers which is "Ballroom Dancers Association, Inc.," 756 7th Avenue, New York, New York.

Mrs. HARRY JOHNSON, 9432 Parkford, Dallas, TX 75244, (requested her identity be protected), who stated she is wife of a doctor, on 4/20/68, telephonically furnished information to SA EDWIN D. KUYKENDALL as follows:

About midnight, following April 1, 1968, she alone in her 1964 Buick Electra, stopped at an eating establishment, name unknown but like a Toddle House, on Highway 90 as she was driving east, one or two blocks on her right passed a university in Tallahassee, Florida. While having coffee there a male individual came in and inquired if she was driving the Texas car. He said a few other things to her including something to the effect that people he came there with had left him there stranded. Later as she was leaving she saw him standing in the parking lot and then made some comment about staying next door. She did not observe what was next door but remembered it was a large building, possible a hotel, apartment or rooming house. She furnished the following description of the individual:

Sex
Age
Height
Hair

About 40
5'10"

Brown, apparently full head of hair, although could have had receding forehead.

On 4/20/68 Mr. DANIEL S. KELLY, 2523 North Wahl Avenue, Milwaukee, Wisconsin, telephonically furnished the following information to the FBI, Milwaukee. Mr. KELLY stated that he and his wife were recently in Florida, having arrived there 2/28/68 from the West Coast. They checked into the Sun Castle Club, 1380 South Ocean Blvd., Pompano, Florida which Mr. KELLY stated was operated by an ex-FBI Agent, HERBERT CASTLE. He said that upon his arrival he was roomed by a bellboy of the Club and subsequently requested this bellboy to furnish him with three or four copies of various newspapers. He stated that two or three days later he attempted to locate the bellboy to reimburse him for the papers and found out that he had left the employ of the Club. He stated that inquiry revealed that this bellboy, whom he knew only by the first name of EARL, had told others at the Club that he was leaving to accept an offer to work as an electrician someplace in Tennessee for \$500 a week. Mr. KELLY stated that this salary sounded absurd and that upon subsequently checking photographs of JAMES EARL RAY he and his wife felt that this individual closely resembled RAY, both in looks and general description. Above being furnished for whatever action deemed necessary by Miami.

In referenced Memphis airtel, a lead was set forth for the Charlotte Office to contact all textile manufacturers in an effort to determine the source or manufacturer of the background abandoned at Memphis by the subject.

For the information of the Bureau, there are 45 textile manufacturers in the city of Charlotte alone, and over 100 textile manufacturers in Gastonia, N. C. Throughout the state of North Carolina, there are hundreds of textile manufacturers.

On 4/18/68, JIM GILLEY (former SA), Security Officer of Summit Hills, Gastonia, N. C., advised that it would be extremely helpful if a sketch of the material in the background could be made available for examination by experts in the textile field in determining the manufacturer.

In the event the Bureau desires that this lead be pursued, even though JAMES EARL RAY has been identified as the subject, it is requested that a sketch of the background be furnished Charlotte for display to textile manufacturers.
