Mrs. CAYTON stated that this occurred somewhere between 8:15 and approximately 9:30 and she was unable to state a definite time for this incident.

Mrs. CAYTON described the individual she observed leaving the parking lot as being in his late 20s or early 30s, about 5'8"-9", black wavy hair, white male, wearing dark blue suit, white shirt, and a conservative type tie, color and description unrecalled. She stated that she observed this individual to be carrying a small notebook with a piece of paper hanging out of the edges of the notebook resembling an insurance salesman's policy. She stated that he had no glasses and was not wearing a hat. She could offer no further information in this matter.

At approximately 4:04 p.m., April 11, 1968, a white Ford Mustang, two door, subsequently determined to be a 1968 model was observed in the following location. This vehicle was located in parking area number nine of Capitol House, a public housing project in the City of Atlanta, Georgia. Parking area number nine is entered west off of Connally Street between Memorial Drive and Woodward Avenue. Above vehicle was backed into a position about six parking spaces on the left from the front entrance of the parking area.

Internal observation of the above 1968 Mustang determined that same bore 1968 Alabama license 1-88003. Also this observation determined that a 1967 Alabama license 1A-88004 was laying on the shelf above the rear seat.

During the interview of JIMMIE DELTON GARNER, he asked the question, "How are you coming on the King murder?" He was then asked by interviewing Agent if he had heard or read much concerning this and he stated he had read quite a bit in the newspapers and seen a lot on television. GARNER then indicated that he knew this was why we were asking about GALT.

Date 4/14/15/68

JIMMIE DELTON GARNER, 107 - 14th Street, N.E., Atlanta, Georgia, was contacted at 10:37 P.M., April 14, 1968, at which time he furnished the following information:

GARNER made available a record book maintained by him concerning persons who rent rooms at both 107 and 113 - 14th Street, N.E., rooming houses operated by him on a lease basis. A review of this record book failed to disclose any registration in the name GALT. It should be noted this book contains only a record of roomers for the period beginning January 1, 1968.

Upon being questioned concerning individuals renting at these addresses who might have checked out prior to the completion of the period for which they had paid, or others who for any reason might not be recorded in this record book, GARNER named, among others, an individual named (First Name Unknown) GALT. On being questioned concerning GALT, he said this individual was first seen by him on the afternoon of April 5, 1968, between the hours of 5:00 and 6:00 P.M. He explained that another roomer, FRED C. JONES, who occupies room #1 at 113 - 14th Street, N.E., had been sitting in front of this building and was approached by GALT, who inquired concerning the availability of a room. GARNER joined the pair and GALT indicated to GARNER he was interested in obtaining a single, quiet room. Having no such room available, GARNER told GALT he would put him in Room #5, at 107 - 14th Street, which room was a double room and that he would be moved to a single room as soon as one became available. GARNER said he noted GALT was driving a black car, probably a Ford, bearing an out-of-state license plate (state of registration not recalled), and that the car was possibly a 1962 or 1963 model.

GALT accepted this arrangement and paid GARNER while outside the dwelling and he believes he received a \$10 bill and a \$1 bill in payment. The cost of the room was \$10.50 per week and a \$.50 key deposit. During the conversation, GALT indicated he was a welder and originally came from "The Carolinas." He explained that he had a tag for a different state on the Ford because he had been working in another state.

At this point GARNER indicated that possibly the tag on the Ford was a Tennessee tag, but he was not at all certain of this.

GARNER described GALT as being a white male, 32 - 35 years of age, 5' 11", 190 pounds, dark brown or black hair worn in a brush cut, blue eyes, medium "outdoor" complexion and having a southern accent. He noted no distinguishing features or characteristics and had no recollection of any ring or other jewelry. His dress was casual, specifically described as a shirt and slacks.

GALT moved into Room #5 at 107 - 14th Street, N.E., where he remained until Sunday, April 7, 1968. On this day GALT was moved to Room #6 at 113 - 14th Street, N.E. On this occasion, GARNER observed GALT move his possessions and noted that he had no luggage and all of his possessions were either moved in a paper bag or box.

On April 7, 1968, HAROLD G. ANDERSON, an employee of the Albert Pick Motel, 14th and Spring Streets, N.E., Atlanta, was brought to the rooming house by FRED C. JONES, who is also employed by this hotel. GARNER assigned ANDERSON Room #2 at 113 - 14th Street, N.E., and noted that the individual he believed to be GALT and ANDERSON became friendly.

On April 9, 1968, at approximately 9:00 P.M., GALT and ANDERSON came to GARNER's room at 107 - 14th Street, N.E., at which time GALT advised GARNER that both he and ANDERSON were checking out. He said both men appeared to have been drinking. During the conversation, GALT advised he had received a telephone call from a friend in Michigan and had learned that welders were receiving a higher hourly wage there. For this reason, he had decided to go to Michigan to seek work. ANDERSON, who was a motel employee, indicated he was going to Michigan with GALT and hoped to obtain employment as a welder's helper. GARNER recalled he refunded approximately \$17 to ANDERSON, who had paid two weeks in advance on registering on April 7. GALT did not ask for a refund, although he was paid through April 11, but did receive the return of his \$150 deposit for the key.

AT 44-2386

3

Thereafter, GARNER accompanied GALT and ANDERSON to ANDERSON's room where he secured the room keys from both GALT and ANDERSON. At this time he noted several beer bottles in the room and presumed GALT and ANDERSON had been drinking together. GARNER did not actually observe the departure of GALT and ANDERSON, but noted both were gone on the morning of April 10, 1968, as was the previously-described black Ford auto.

GARNER made available the registration for HAROLD G. ANDERSON. This registration does not reflect an address for ANDERSON, but indicates that his father is G. F. ANDERSON, Duluth, Georgia, telephone number 448-4672. GARNER explained that he always attempts to obtain the name and address for a next of kin for his roomers.

GARNER provided the following physical description of HAROLD G. ANDERSON:

Race	White
Sex	Male
Age	40
Height	5' 9"
Weight	155 - 160 pounds
Hair	Light brown, parted on side
Complexion	Medium
Eyes	Unknown
Distinguishing Characteristics	None noted
Dress	Casual, shirt and slacks

GARNER identified other tenants who resided at 113 - 14th Street, N.E., during the same period that GALT was a roomer there.

GARNER said he was unable to recall GALT's first name, but advised he had observed mail on the hall table of the rooming house at 113 - 14th Street, N.E., which mail was

AT 44-2386

addressed to GALT. At this point, GARNER accompanied the interviewing Agents to 113 - 14th Street, N.E., where it was observed that there were two letters and a package on the hall table addressed to ERIC S. or E. GALT. The package was postmarked 4/1/68, and the letters were postmarked 4/9 and 4/10/68. GARNER advised his sister, ROBBIE LEE GARNER, a school teacher who resides in the Dixieland Apartments, 1295 Donnelly Avenue, S.W., Atlanta, had visited him on either Friday or Saturday night, April 12 or 13, 1968. At this time his sister had thumbed through the mail on the table at the 113 - 14th Street address and upon noticing the mail addressed to ERIC GALT, she commented to GARNER that this was the same name as the individual who, according to newspaper publicity, was a suspect in the murder of Dr. MARTIN LUTHER KING, JR. GARNER stated that he did not feel there was any likelihood that the GALT who had stayed at 113 - 14th Street, N.E., was identical with this suspect, stating many people have the same name.

GARNER stated that he had neither seen nor heard of GALT prior to April 5, 1968, and that during GALT's stay at his rooming house he saw nothing to indicate that GALT had any connection with any other tenant at this address prior to his arrival there. GARNER was asked whether he had any explanation for the fact that GALT had mail postmarked 4/1/68 addressed to him at 113 - 14th Street, N.E., and according to GARNER, GALT did not arrive at this location until April 5, 1968. GALT said he was unable to explain this, and had no idea how this could occur.

GARNER was also questioned concerning the possibility that GALT or any other roomers had left material with him in storage or for safekeeping. He assured that this was not so. He did report that Rooms #4 and #5 at 113 - 14th Street, N.E., both of which it was noted were fastened with hasps and padlocks, were storage rooms. He stated they contained only linens and possibly a few items of no value left behind by roomers.

AT 44-2386

5

With regard to Room #5 at 107 - 14th Street, N.E., GARNER said that this room had not been occupied by anyone since GALT was transferred from this room on April 7, 1968. He noted, however, that the maid, PERRY LEE ZACHRY or her helper, identity unknown, would have changed the sheets in Room #5 after GALT was moved.

With regard to Room #6 at 113 - 14th Street, N.E., this room remained vacant until April 13, 1968, when it was rented to DAVID O'DONNELL, 12 Andover Drive, Syosset, New York. He described O'DONNELL as a very young man who is also employed at the Albert Pick Hotel and who was brought to the rooming house by FRED C. JONES. He said he does not believe this room was made up prior to its being rented to O'DONNELL, but advised he had given O'DONNELL clean sheets so that he could change the linens himself.

GARNER said he did not know of any association between GALT and other roomers at either of the rooming houses except the association with HAROLD G. ANDERSON, as previously described.

In explanation for the failure of the name "GALT" to appear on the rooming house records, GARNER said that he can only explain this by saying he received payment for the room while away from the place where he maintains his records and had inadvertently failed to record the name when he returned to his room.

The interview of GARNER concluded at 1:38 AM, April 15, 1968.

FEDERAL BUREAU OF INVESTIGATION

Date April 12, 19681

Mrs. EARNEST PAYNE, a resident of Apartment 551, 166 Woodward Avenue, S.E., advised that at about 8:30 or 9:00 a.m., the morning of April 5, 1968, she observed a white automobile drive into the parking area which is located adjacent to her apartment. She said that her particular attention was brought to this automobile as she noted that it had an Alabama license plate on it. She made a remark concerning this to her husband.

She continued to watch the automobile and the driver seemed to be familiar with the surrounding territory in that he made no hesitency in the parking of the automobile. When he got out of the car he proceeded north on the walkway between the two apartment buildings located near the parking area toward Memorial Drive. She does not know in which direction this individual might have gone when he reached Memorial Drive as she is unable to see this particular street from her apartment.

She described this individual as a white male, approximately 25 - 30 years of age, who was wearing a sport coat with dark colored trousers with sandy hair, weighing approximately 160 pounds, and possibly 5' 10" in height. She further described him as a nice, clean looking individual with sandy hair, dressed as though he were a businessman and carrying a small pad of some type in his hand. She estimated this pad to be approximately five inches wide and possibly ten to twelve inches in length. He impressed her as being a type of insurance man and after he got out of the automobile, he locked it and proceeded up the path as previously noted.

She does not recall every having seen this individual in the area before, neither does she recall having seen an automobile such as the one that was parked near her apartment bearing an Alabama plate being parked in this area before. She could furnish no further information concerning the automobile nor the individual that got out of it.

Reurairtel 4/12/68.

Denver indices were negative concerning DONAVAN CURTIS as well as CURTIS DONAVAN, mentioned in reairtel.

Denver telephone directories and city directories were also negative.

A call to the Denver telephone operator indicated she has a non-listed number for DON LE~~X~~ CURTIS, 3040 Hudson Street, Denver, and that number is 355-5646.

Denver indices indicate one DONOVAN L. CURTIS, age 27, had been arrested in Sterling, Colorado, in October, 1967, on a morals charge.

Another reference in Denver files indicated that DONOVAN LEON CURTIS, age 30, described as a former barber, had been arrested on a morals charge in Logan County, Colorado, on 10/19/61.

Because of the above-mentioned arrest, records of the Denver Police Department were searched at which time the attached arrest record for DONOVAN LEON CURTIS was obtained. The Denver PD number on this arrest record is 105979 and the FBI number 969833 D.

Enclosed for the information of Memphis is one photograph of DONOVAN LEON CURTIS, which was taken by the Denver PD on the occasion of his arrest 12/15/62.

Also enclosed for Memphis is a copy of a Colorado driver's license for DONAVAN LEON CURTIS, 3475 South Pennsylvania Street, Englewood, Colorado. The license contains a photograph of CURTIS and the license was issued on 4/5/67. It is noted the above-mentioned Denver PD record, as well as the above-mentioned Colorado driver's license both contain descriptions of CURTIS.

It is also pointed out for the information of Memphis that the license issued to CURTIS does not indicate he must wear glasses, while driving, yet he is wearing glasses in the photograph. It also appears from observation of the two above-mentioned photographs that CURTIS could possibly be wearing a toupee in each of them.

It is suggested to Memphis that the above-mentioned photographs be displayed immediately by Memphis Agents to Mr. RUSSELL X. THOMPSON for the purpose of ascertaining whether CURTIS could possibly be the individual who contacted Mr. THOMPSON in person in Mr. THOMPSON's office on the morning of 4/11/68, and furnished the information set forth in referenced airtel.

It is noted the description of CURTIS generally fits the description of the individual who contacted Mr. THOMPSON.

Other logical inquiries continue to be conducted by Denver, based on contents of referenced airtel.

Memphis is requested to immediately advise Denver results of above-mentioned display of photographs to Mr. THOMPSON.

It is not necessary to return enclosed photographs to Denver.

The following investigation was conducted by IC LUBY A. HALL on April 10, 1968:

AT JACKSONVILLE, NORTH CAROLINA

Mrs. BNA ROUSE, Manager, Credit Bureau of Onslow County, Jacksonville, North Carolina, advised that according to her records, Captain DONALD L. LOHMEIER, Marine Serial Number 080160, has a satisfactory credit rating, and that his file was first opened in 9/61. According to her records, he has a date of birth of [REDACTED], his wife's name is HELEN, and his Social Security Number is [REDACTED]. She mentioned that his current address is 16 Vandergriff Road, Jacksonville, and his previous addresses are listed as Magnolia Apartments, J-2, Albany, Georgia, and 7631 A Palmer Courts, Fort Meade, Maryland. Her records reflect that Captain LOHMEIER was on duty in Vietnam from 9/66 until 8/67. She related that the only other information in her files is that the Captain was given a speeding ticket apparently somewhere in Onslow County, North Carolina, during 12/62.

The following investigation was conducted by SAs JOSEPH G. BATES and DAVID A. MINKO on 4/10/68, at Camp Lejeune, N. C.:

Major BILLY J. HILL, Executive Officer, Second Battalion, Sixth Marines, Second Marine Division, advised that Captain DONALD L. LOHMEIER, MCM 080160, first joined Second

44-1987-Sub-B-130

Battalion, 6th Marines, 2nd Marine Division, 2/29/68, and he is presently the Commanding Officer of E Company, 2nd Battalion, 6th Marines. He mentioned that Captain LOHMEIER has not been accorded any military leave since he has been assigned to 2nd Battalion, 6th Marines. He stated that according to his officer qualification record, Captain LOHMEIER was on duty in Vietnam with the U. S. Marine Corps from 9/3/66 until 8/6/67. Captain LOHMEIER was on leave 12/14/67 until 12/19/67 and at that time gave as a leave address 304 Magnolia Boulevard, Radium Springs, Albany, Ga. Captain LOHMEIER also was on military leave from 8/26/67 until 9/9/67 and at that time gave as a leave address Magnolia Apartments, Number J-2, Albany, Ga.

Major HILL mentioned that since Captain LOHMEIER is the Commanding Officer of a unit in the Battalion, he as well as any other officer in the battalion, is not required to sign in or sign out at any time in the military unit, and it is very difficult to positively ascertain whether or not he would be on duty any specific date. He mentioned that once an officer departs his military unit after duty hours on a Friday, his activities are not governed by the military in any manner. Since Captain LOHMEIER was not on military leave on 3/29/68 or 4/4/68, he assumes that he was on duty in his military unit at Camp Lejeune, however, cannot positively establish that fact. Major HILL made inquiry with the first sergeant of E Company, 2nd Battalion, 6th Marines, and he could not definitely ascertain that Captain LOHMEIER was on duty, 3/29/68 or 4/4/68. Major HILL mentioned that he can positively establish that Captain LOHMEIER was in his military unit at 11:10 a.m. on 4/5/68 and also at 2:00 p.m. on 4/5/68. He reiterated that even though neither he or the first sergeant can specifically recall that whether Captain LOHMEIER was at his military unit on 3/29/68 or 4/4/68 does not mean that the captain was not on duty.

CE 44-1365

3

He mentioned that due to the status of any officer in the U. S. Marine Corps, no roll call of any kind is required for the officers.

Major HILL stated that most of the battalion is presently on field maneuvers at Camp Lejeune, and that there is only a skeleton crew remaining at Building 114 which is the Battalion Headquarters. He mentioned that the battalion will be in from the field maneuvers at approximately 2:00 p.m. on 4/12/68.

Major HILL advised that prior to being assigned to the 2nd Battalion, 6th Marines, Captain LOHMEIER was assigned to H & S Company, First Infantry Training Regiment, Camp Geiger, Camp Lejeune, N. C., from 8/24/67 to 2/28/68. He mentioned that the Captain joined the U. S. Marine Corps on 9/30/53 and was commissioned a Second Lieutenant on 6/6/60.

Major HILL described Captain LOHMEIER as a white male, 5' 11", 175 pounds, hair very short and brown, eyes green, complexion medium. He furnished a photograph of Captain LOHMEIER which he stated was taken during 3/68 and advised that it was a very good likeness of the Captain. He stated further upon reference to the Captain's Officer qualification records that he was born [redacted] at Lincoln, Nebraska, has Social Security Number [redacted] and has a Virginia Driver's License Number L15303-46295-745016, which was issued to him 7/27/66.

Major HILL advised that the following relatives are listed in the Captain's Officer qualification record:

Wife:

HELEN I. LOHMEIER

DOB [redacted]

Current address 16 Vandergrift
Drive, Plum Point Estates
Jacksonville, North Carolina

CE 44-1365

4

Father:

HENRY JOHN LOHMEIER
(Legal Guardian)
Address 2435 South Tenth St.,
Lincoln, Nebraska

Major HILL mentioned that Captain LOHMEIER has three young children. Captain LOHMEIER has an insurance policy with Officer's Benefit Association, Policy Number 25482, P. O. Box 35, Birmingham, Ala.

Major HILL recalled that Captain LOHMEIER made a couple of trips to New Bern, N. C., during the last two weeks for the purpose of cancelling a Marine who is in the Captain's Unit and who is presently incarcerated in jail at New Bern, N. C.

Major HILL was not advised of the purpose of the inquiry regarding Captain LOHMEIER, and Major HILL was advised of the confidential nature of the inquiry and he agreed to hold the interview in the strictest confidence and not to advise anyone of the inquiry.

Staff Sergeant D. J. BUCKLE, Chief Investigator, Criminal Investigation Division, Camp Lejeune, N. C., advised that according to his records, Captain DONALD L. LOHMEIER, MSN 080160, has two automobiles registered at Camp Lejeune, N. C., a 1964 brown Plymouth station wagon, license number not known. He mentioned that Camp Lejeune Base decal number 33478 was issued regarding this vehicle. Sergeant BUCKLE mentioned that he also has a 1968 green Fiat two door convertible, which bears 1968 N. C. license YM 592, and that Camp Lejeune, N. C., Base Decal Number 33822 was issued for this vehicle. Sergeant BUCKLE could furnish no other information regarding to the two vehicles.

CX 44-1365

1

Sergeant DUCKIE advised that he could locate nothing in his criminal files identifiable with Captain LONNIER. He also stated that according to his file concerning registration of firearms at Camp Lejeune, Captain LONNIER does not have any weapons registered at Camp Lejeune.

By communication dated April 11, 1968, the Bureau advised as follows:

The latent fingerprints in this case are not identical with DONALD LE ROY LONNIER, United States Marine Corps 000160.

On 4/16/68, BILLY LOUIS CASTEEL, 489 Tonto Road, Memphis, advised SA DOUGLASS that a 1959 Pontiac Star Chief, white over blue, was formerly the property of his mother, Mrs. KATIE LOU CASTEEL, Kennett, Mo., who works at the Stake House Restaurant. He stated when his mother purchased a 1963 Mercury from HOLSTE she signed the title of the 1959 Pontiac over to him and he had a Tenn. Title for this car.

Subsequently, he sold the 1959 Pontiac Star Chief, white over blue, VIN 459K1182, to RAY JEAN BREWER for \$250. He stated BREWER made no downpayment and still owes him for the car. He advised BREWER had been visiting in Memphis with him and BREWER is formerly from Morriston (phonetic), Mo., possibly Marston, Mo., which town is located near Hayti, Mo.

He advised he sold BREWER the Pontiac without a license plate and he could not understand how BREWER obtained the old license plates of HOLSTE other than they could have possibly been left in the Mercury or in the Pontiac, described above.

He stated that after BREWER left town, he, CASTEEL, discovered his billfold missing and he now has reason to believe BREWER stole his billfold. He stated he has not made a complaint to the Memphis PD at this time but would possibly do so.

He stated that on the night of April 15, 1968, he had telephonically contacted RAY JEAN BREWER, telephone 623-8183, Milton, Fla.

He described BREWER as follows:

Race	White
Sex	Male
Height	5'7
Weight	155
Build	Stocky
Hair	Light brown
Eyes	Blue

He stated he did not believe BREWER was wanted by any authorities in Memphis.

ME 44-1987

On 4/16/68, Lt. ROBERT L. FRANKLIN, Identification Division, Memphis PD, and Captain A. C. GILLES, Identification Division, Shelby County SO, Memphis, advised SA DOUGLASS their records contained no information re BREWER.

The Memphis Office has not been able to determine any known connection with captioned case or suspect GALT.

It is requested if the Jacksonville Office at Milton, Fla., develops any information concerning RAY JEAN BREWER it be furnished to Memphis.
