James Earl Ray Defense Fund
Columbus, Texas

On July 3, 1968 a confidential source who has furnished reliable information in the past advised that he had received information that person by the name of Lonnal Wilhelm has started a defense fund for James Earl Ray. According to the source funds solicited are to be sent to Columbus, Texas.

On July 3, 1968 another source who has furnished reliable information in the past advised as follows:

On June 26, 1968, Lonnal Wilhelm, P.O. Box 686, Columbus, Texas with residence at 431 Front Street, Columbus, applied and received P.O. Box 602, U.S. Post Office, Columbus, Texas. Wilhelm reportedly listed the purpose for having P.O. Box 602 as being for the receipt of funds for the defense of James Earl Ray suspected murderer of Martin Luther King on April 4, 1968. Lonnal Wilhelm, a white male, is approximately 30 years old, married and is the son of Mrs. Fred M. Bentsen, P.O. Box 686, Columbus, Texas, residence 431 Front Street, Columbus, Texas. Mrs. Fred M. Bentsen, also known as Loyce Bentsen arrived at Columbus, Texas in August, 1967 from Harlingen, Texas.

Lonnal Wilhelm's Texas driver's license number is 0072544 and Mrs. Fred M. Bentsen's Texas driver's license is 0022346.

On July 3, 1968, Frances Davinport, Credit Bureau of Columbus, Texas, advised that on June 26, 1968 she had a local inquiry on a L.E. Wilhelm who was reported to be self-employed as a nurseryman.

On July 3, 1968 a check of records of Colorado County Sheriff's Office, Columbus, Texas, revealed no information identifiable with the name Lonnal Wilhelm.

Dear Sir:

I want to let you know about the three witnesses for the Ray trial. They are not at that house at 506 Krell Ave. in Little Rock now. They moved to 621 Appleton Drive in Joplin, Mo. and expect to stay there awhile.

They moved from Little Rock, because they have been changing their address about every two months, because they don't want to stay in one place very long.

Yours sincerely,
One who wants to
help convict Ray.

WILLIAM HUGH MORRIS

This witness gave an account of his own Klan membership since 1924. He said he was Imperial Wizard of the Federated KKK at the time it became defunct and admitted that during a 1949 Alabama Grand Jury investigation, he was arrested for contempt of the Grand Jury because he refused to identify Klan members. He said that Klan group was not involved in floggings.

He said he served on the Board of the National Knights of the KKK (NKKKK) with JAMES VENABLE and H. J. HILL, but later resigned from that Board and formed the Knights of the Klu Klux Klan (KKKK), and is now Emperor of that group. He said he was unable to furnish records of the Federated Klan as ordered because his house burned in 1954 or 1955 and destroyed all such records and also said that he has no records pertaining to the KKKK although he later stated he had some material which he will search out and make available to the committee. He refused on the basis of constitutional privilege to identify members of the Imperial Concillium. He took this privilege in refusing to furnish the identity of persons in attendance in April, 1965, at the organization meeting of the KKKK.

He stated he was aware of the "assassination letter" written by DANIEL WAGNER and that he had discussed this letter with ELOISE WITTE, but said that both regarded the letter as ridiculous, and he said he never administered any oath or any part of the Klan ritual in WAGNER's presence or to WAGNER as he regarded him as a "mad dog" in his thinking. He said he did tell WAGNER to write out the specifics contained in that letter but never investigated any part of it and had not informed any law enforcement agency of its contents. He stated he talked to the FBI concerning the letter but this was only after the FBI initially contacted him in regard to it.

MORRIS stated he knew nothing concerning the reported trip of WAGNER and CHUCK GILLIAM to Georgia to get dynamite and knew nothing of any dynamite being transported from Georgia to Ohio.

He stated the Klan rally held at PARKIE SCOTT's farm was advertised as being a KKKK rally but was a joint venture as JAMES VENABLE was in attendance. He said approximately 300 people signed applications and 100 paid the \$15 initiation fee which money was placed in trust for

WFO 157-744

Ohio Klan with BOBBY J. STEPHENS. He said records pertaining to the rallies at Brunswick and Lodi, Ohio, were kept for SCOTT and all together he had received approximately \$250 towards his own expenses.

MORRIS stated that VENABLE brought a "degree team" to Ohio to initiate members and identified them as FNU MC GRIFF of Georgia and EARL HOLCUMB.

MORRIS attempted to clarify the difference between the KKKK and the NKKKK as it exists in Ohio and stated that he had no knowledge of a document dated 7/29/65 before the NKKKK to do business as a foreign concern in the state of North Carolina, and said he had not given consent for his name to be affixed to that document as Vice President, NKKKK. This date, according to the committee, was after he had resigned from the NKKKK.

MORRIS admitted that a national association of Klan units existed but said it was not a cover for the NKKKK. He identified VENABLE as Chairman of the group and the following as members of it:

FNU MADDOK,
Association of Georgia Klans.

FNU SHERRILL (ph),
Association of Georgia Klans.

FNU CURSBY (PH)
Florida Klan.

JACK BROWN,
Dixie Klans.

EARL GEORGE,
Improved Order of U. S. Klans.

He said he did not recall that United Klans of America had a representative in above-mentioned association and did not know if they had been invited.

WFO 157-744

He said the KKKK has no Klaverns as it is just in a formation stage and stated members received into the Klan at the rally at PARKIE SCOTT's farm may be in the NKKKK. He identified JIM HARRIS of Cincinnati as Great Titan in the KKKK and FNU LOUIS of Akron as an officer in that group. He said he only knew of HARRIS' reported meeting with ROBERT SHELTON through rumor.

MORRIS stated he did not know of any dynamite stored in the area of Barnesville, Georgia, and said WALTER M. HUFF (ph) is not an Imperial Officer of the KKKK, and he did not know if he was an officer in the NKKKK.

Witness was continued ^{under} of subpoena until 3/1/66, to produce records called for by the committee.

ELOISE WITTE ✓

This witness stated she is currently a member of the NKKKK and two years ago was commissioned Grand Empress. She stated she maintains no records pertaining to the NKKKK or the KKKK and produced only two letters from VENABLE. She stated she has had correspondence with MORRIS about rallies but generally does not save this correspondence. She said she attended the rally at PARKIE SCOTT's farm but did not attend rallies at Brunswick or Lodi, Ohio. She cited constitutional privilege in refusing to identify individuals active in the Cleveland area in the NKKKK or member of Klaverns of that organization in Ohio.

She stated she also considered the "assassination letter" of WAGNER to be ridiculous and stated he had never discussed the detailed violence in that letter with her. She said she repeatedly told him that the Klan did not believe in violence, although it was her impression that he believed the Klan was engaged in violent mob action, and she said she would not let him join the Klan because he seemed emotionally upset in this regard. She stated she did not introduce him to W. A. DAVIS at a National States

WFO 157-744

Rights Party meeting to put him in touch with a gun dealer but stated DAVIS was just one of numerous people she introduced WAGNER to at that meeting. She said whenever WAGNER became emotional in conversation, she would change that conversation before he detailed any of his plans, repeatedly telling him that the Klan was not a violent organization. She stated she knew (ph) HANNA as a former member of the American Nazi Party and also regarded him as a psychopath. She said she had felt initially that she could help straighten WAGNER out but he later became a source of irritation to her and her family.

EARL DONALD HOLCUMB

This witness cited constitutional privilege in refusing to answer questions of the Sub-Committee and added to the privilege that to testify "might jeopardize my life or that of my family." He said he did not have any records pertaining to the UKA but took the 5th amendment in refusing to state whether he had such records or if he destroyed them after receiving the subpoena. He refused to answer the following:

1. If he was a member of the NKKKK.
2. If he was wearing a UKA lapel pin.
3. If he was a member of the Black Shirts.
4. If he was an admitted member of the Klan identified in a newspaper article of Klansmen arrested at the University of Georgia with an arsenal.
5. If he had given dynamite to CHUCK GILLIAM or if dynamite was in the possession of members of the Black Shirts.
6. Whether VENABLE was aware of trip to Georgia by GILLIAM and WAGNER.
7. Whether statement by WAGNER that he, HOLCUMB, and RAY MC GRIFF, had loaded dynamite into GILLIAM's car and also refused to state purpose for which they obtained this dynamite.

Referenced teletype indicates ELOISE WITTE head of Committee of One Million Caucasians to March on Congress, Cincinnati, in July, 1964.

Referenced WFO airtel, 2/14/66, re HCUA Klan Hearings, RM (Klan) (a copy enclosed for Memphis) contains information about ELOISE WITTE's testimony before HCUA on 2/14/66. This testimony included the following:

ELOISE WITTE, in 1966, an Empress of National Knights of the Ku Klux Klan (NKKK) in Ohio. Also, WITTE considered "assassination letter" of WAGNER to be ridiculous and stated WAGNER had never discussed the detailed violence in that letter with her. ELOISE WITTE said she repeatedly told WAGNER the Klan did not believe in violence.

WFO indices reviewed and do not contain any information that ELOISE WITTE, 1654 Otto Avenue, Cincinnati, Ohio, was interviewed concerning her testimony before House Committee on Un-American Activities on 2/14/66.

"Activities of Ku Klux Klan Organizations in the United States," Part 5, Hearings Before the Committee on Un-American Activities, House of Representatives, 89th Congress, Second Session, published by U.S. Government Printing Office in 1966, reviewed concerning testimony of ELOISE WITTE on 2/14/66 and RICHARD JOSEPH HANNA on 2/15/66.

Page 3543 of Mrs. WITTE's testimony contains the following:

Mr. MANUEL: "Did you ever make the statement to Mr. WAGNER that the Klan had hired a gunman for \$25,000?"

WFO 44-703

Mrs. WITTE: "Heavens, no."

Mr. MANUEL: "Did you have any conversation with Mr. WAGNER regarding the appearance of MARTIN LUTHER KING at Antioch College in Yellow Springs, Ohio?"

Mrs. WITTE: "No."

WITTE added that WAGNER read of this in newspaper, wrote a letter to WITTE, and phoned her about KING's appearance at Antioch College. DANNY WAGNER said he hoped WITTE would not be alarmed with him but he had some ideas he wanted to carry out. She added that WAGNER never told her what these plans were that he had for MARTIN LUTHER KING.

Page 3545 contains information from WITTE that Mr. MORRIS told her he had heard of a plot underfoot to do away with the President, Mr. WITTE, ELOISE WITTE's husband, Mr. MORRIS, MARTIN LUTHER KING, and HUMPHREY. Mrs. WITTE said she did not know the above plot in a letter written by DANNY WAGNER. She described the plot as ridiculous and WAGNER, a psychopathic case. Mrs. WITTE said she did not furnish this information to law enforcement officers as she did not think WAGNER would carry through on anything as ridiculous as this. Mrs. WITTE thought WAGNER might have taken this method of retaliation for being denied membership in the Klan.

Mrs. WITTE stated she did not introduce WAGNER to W. A. DAVIS at National States Rights Party to put WAGNER in touch with a gun dealer.

Page 3631 contains portion of testimony of RICHARD JOSEPH HANNA on 2/15/66. HANNA said Mrs. ELOISE

WFO 44-703

WITTE said "Mr. WAGNER to do some work for her. Mr. JOHNSON, if he needed assassination, Mr. WAGNER could do it." Mrs. WITTE added, "Right now, we are interested in other people." WITTE said "MARTIN LUCIFER COON" was one, according to HANNA. Above name described by HANNA as right wing expression for MARTIN LUTHER KING.

FEDERAL BUREAU OF INVESTIGATION

Date 7/10/68

1
 ALVIN R. CARLSON, Vice President, Fulfillment Corp. of American (FCA), 381 W. Center, furnished the following:

FCA is a magazine contractor for many magazines including American Heritage Co. On April 29, 1968, FCA received American Heritage business reply postcard whereon ERIC S. GALT, Lorain Motel, Memphis, Tennessee, ordered the American Heritage History of the President of the U.S., consisting of three volumes, including the History of the Presidency by MARCUS CUNLIFFE, and the Pictorial History of the Presidency, which consisted of two volumes.

GALT also ordered a 12" LP recording, The Invention of the Presidency.

GALT requested he be billed for the above items.

The above business reply postcard received by FCA bore no postmark inasmuch as it was a pre-addressed business reply card sent to FCA's Marion, Ohio, address.

The business reply card bearing the hand printing ERIC S. GALT, Lorain Motel, Memphis, Tennessee, would have been a card sent to an expired 1967 American Heritage subscriber, and would have consisted of two halves, namely the pre-addressed half that was returned to FCA, the other half bearing the name and address of the expired 1967 American Heritage Subscriber.

A check of FCA records disclosed GALT's name did not appear on 1967 American Heritage subscriber's list.

Mr. CARLSON made available the above mentioned American Heritage business reply postcard and stated it need not be returned.
