Re Memphis airtel to Kansas City, 7/8/68, requesting Kansas City to identify occupants at 621 Appleton Drive, Joplin, Missouri.

The following investigation was conducted by
SA JOSEPH W. JACKSON:

AT JOPLIN, MISSOURI

On 7/12/68, a review of Polk's City Directory for Joplin, 1967 Edition, revealed there is no Appleton Drive set out in the street guide of that directory for Joplin, Missouri, nor is there any street or drive with a similar name.

On 7/12/68, BEVERLY K. JONES, dispatcher, Police Department, advised the map of the City of Joplin maintained by her office does not indicate an Appleton Drive or any street or drive with a similar name.

On 7/12/68, CLIFFORD ROE, Assistant Superintendent of Mails, Main Post Office, advised there is no Appleton Drive or any street or drive with a similar name at Joplin.

From above inquiries, it is obvious the address 621 Appleton Drive, Joplin, Missouri, is non-existent; therefore, no additional inquiry in that regard is warranted.

SUBJECT: MURKIN

DATE: 7/23/68

Re CE teletype to Bureau, 5/8/68; CE airtel to ME, 5/8/68; Bureau airtel to JK, 5/10/68.

On 5/21/68, JACK MAYNARD RAY was located at 1120 Madison Avenue, Daytona Beach, Florida, at which time he advised that he is of no relation to JAMES EARL RAY and that he has been living in the Daytona Beach area since 1965, and has not left the state since then.

RAY advised that to the best of his recollection an individual in Durham, N.C. had approached him in 1965 with "talk" of killing MARTIN LUTHER KING, JR. RAY stated that he thought this person with whom he talked was named McLAMB. RAY continued that he did not know whether or not there was any group behind any of the "talk" with which he had been confronted, adding that any discussion he may have had with this individual had been very brief.

RAY said that about the only thing he does for money these days is shoplifting which provides him with enough money for his daily liquor.

On 5/20/68, Detective C.W. WILLITS, Daytona Beach PD, advised that although he did not know the exact present location of JACK MAYNARD RAY, he was fairly well acquainted with him. WILLITS stated that RAY is an alcoholic and was prone to fabricate tales to make himself sound important.

Re WFO airtel to Bureau, 7/10/68.

For information of Bureau and offices listed below, CI 568-R was contacted concerning this matter on 7/17/68, and 7/24/68. At request of contacting Agent, CI 568-R verified the fact that Mrs. ELOISE WITTE currently resides at 11836 Lick Road in Cincinnati, Ohio, however, she no longer has a telephone.

Informant advised that it is highly doubtful that Mrs. WITTE would be cooperative in an interview with FBI Agents and in all probability would not allow herself to be interviewed at all. Informant explained that in the past nine months Mrs. WITTE has completely disassociated herself with the Klan and related white hate group organizations in all respects.

On 7/24/68, Mrs. WITTE was contacted and advised that she had no information to furnish the FBI at this time about anything.

Per instructions in above referenced airtel, Part 5 of activities of Ku Klux Klan Organizations is enclosed for the Memphis Office.

It should be noted that Mrs. WITTE has not in the past been interviewed by Bureau Agents.

So perhaps you would be good enough to let me know about what has happened to this \$100,000 reward "for information leading to the capture and conviction of the man caught" in the assassination of Dr. King.

Dear Mrs. Maynard:

Reference is made to your letter dated
July 18, 1968.

For your information, the "Commercial Appeal"
and Scripps-Howard newspapers (Memphis, Tennessee) have
each offered \$25,000 for information leading to the
arrest and conviction of the killer. Businessmen and
citizens in Memphis have offered several thousands more,
and the City Council has underwritten the reward up to
a total of \$100,000.

This is information which appeared in the
"Commercial Appeal" on Saturday, April 27, 1968. I
suggest that if you wish additional information you
correspond with the newspapers regarding the reward in
this case. I have no knowledge as to whether or not
any claims have been made, have been honored, or will
be honored in connection with the reward offered by the
newspapers and the City Council of Memphis, Tennessee.

Very truly yours,

The enclosures refer to investigation conducted relative to referenced matter as it appeared to refer to captioned matter.

The Bureau's attention is directed to the fact the FCC does not have an office in the Memphis area; however, an official of the Memphis PD did contact a representative of the FCC at Atlanta, Ga., to report this incident. No inquiry has been received by the Memphis PD or this office from FCC relative to this referenced incident and therefore it appears FCC is not interested in a CB radio transmission of this type.

Concerning the possibility of interviewing other individuals contacted by the Memphis PD during its investigation of this matter, it is pointed out no attempt was made to interview these individuals due to the investigation conducted by the Memphis PD and due to the lack of evidence indicating anyone other than EDWARD LE MASTER MONTEDONICO, JR., was responsible for this radio transmission.

EDWARD LE MASTER MONTEDONICO, JR., was interviewed as indicated on the enclosed FD 302. He indicated during the interview that he had a great deal of experience in CB radio transmissions and in the operation of these units. He commented several times that anyone with a knowledge of CB radios could disguise their voice and transmission so as to go on broadcasting without being identified. He also said that there is no way for anyone, including FCC, to identify the sender of a transmission such as the one mentioned above unless the guilty individual made the admission that he or she was the individual that made the broadcast.

It is also noted that others during this investigation expressed the same opinion that it is impossible to identify the individual making a broadcast of this type unless the guilty person admitted doing same.

It was determined also that there are numerous individuals in the Memphis area operating CB radios illegally and/or without being properly licensed. It was further determined that numerous individuals broadcast using "skip" identification, which is illegal, but which is known only to the sender and

ME 44-1987

receiver. There are also numerous licensed CB radio operators in the Memphis area and it was suggested that there are possibly an equal number that are not licensed and, therefore, it would be virtually impossible to interview each and every individual either having a CB unit or having access to one.

Various individuals commented during this investigation that no one gets too excited about illegal broadcasts since the FCC generally levies a fine of up to \$50 and possibly lifting the license for 3 to 6 months if a person is guilty according to the FCC of making a broadcast of this type. Therefore, no one does much about these illegal transmissions since the punishment is this light. It was expressed that the greatest fear of CB operators is the bad name they receive when incidents of this nature are made public.

In light of the above, UACB no further investigation is being conducted concerning referenced matter.

On 7/28/68, at 7:15 p.m., WILLIE JAMES McGUIRE, who gave his residence as 2747 Central Parkway, Los Angeles, California, telephonically contacted Birmingham Office and claimed he had been standing on balcony of Lorraine Motel close of victim MARTIN LUTHER KING at time "shots" fired, and claimed the "shots" were not fired from rooming house on Main Street, as claimed, but from another building located "behind Goldstein Clothing Store." McGUIRE said he was calling the FBI after being convinced by some friends that he should make his information known to the FBI. These friends had directed him to Mr. ERNEST POOLE, operator of a Negro funeral home in Birmingham who, on behalf of McGUIRE, put McGUIRE in telephonic contact with Birmingham Office. McGUIRE said he was a lease truck driver for Transcon Co., Los Angeles, and was leaving Birmingham at 9:00 p.m.

McGUIRE was contacted at Poole Funeral Home, 7/28/68, by Buagent, and furnished the following:

McGUIRE said he lived at 627 Alameda St., Los Angeles, telephone 827-3581, with his wife and children. He is employed as lease truck driver by Transcon Co., and presently en route to Los Angeles. On "the day KING got shot in Memphis" (exact date unrecalled by McGUIRE), McGUIRE arrived in Memphis with a load about 2:30 p.m. in his

tractor-trailer, en route to Los Angeles. He was accompanied by a helper, JAMES THOMPSON, 1237 Abilene St., Sioux Falls, South Dakota. He parked the tractor-trailer near "3rd and Vance," near the Goodyear Tire Company and also near the "Queen Anne" Motel. He had to wait in Memphis to pick up some freight bills. Between 2:30 p.m. and about 5:45 p.m. he and THOMPSON, in the trailer, drank at least a pint of Seagram V.O. Whiskey, with at least three or four beers. (McGUIRE also advised that prior to contacting the FBI on 7/28/68, he had drunk a "couple of pints of whiskey. I drink a couple of pints every day.") At 5:45 p.m., McGUIRE checked into Room 337 or 347, "on the second floor" of the Lorraine Motel, where he was supposed to meet his "ex-wife," EVELYN JOHNSON, who lives in the 400 block of South Arlene St., Memphis. JOHNSON never kept the date.

About 6:00 p.m., McGUIRE observed MARTIN LUTHER KING arrive at the motel in a black Cadillac driven by a chauffeur and accompanied by a couple of other associates. KING walked up the stairs from the parking lot to the second floor balcony, where McGUIRE said "Hello." At the time McGUIRE was standing on the balcony looking out towards the parking lot, "just standing, looking, like Negroes do." KING said "Hello" to McGUIRE, as he recognized McGUIRE. McGUIRE said, "I seen him all over the world - he knew me." KING entered the room next door to the room occupied by McGUIRE and stayed in there for at least an hour, perhaps 90 minutes. At that time, KING came out of this room and McGUIRE was just leaving his room to go eat dinner. The chauffeur called up to KING to get a topcoat, as it was getting cool. KING walked back into his room and came out carrying a "brown beige topcoat over his left arm. I'll never forget that topcoat." McGUIRE was looking towards KING when he heard "two shots" come from his left. McGUIRE immediately looked to his left and saw the "flash" come from the second floor of a building located next to the Goodyear store building, a distance of not more than 75 feet. McGUIRE did not see who fired the shots. He then looked back and saw KING lying on the floor. About then, a white man came up and put a sheet over KING.

McGUIRE then immediately left the motel and walked over to Main Street, near the "Goldstein store," where he

BH 44-1740

observed a pistol on the street. About then, a white policeman picked up the pistol and put it in his squad car.

From there, McGuire went to the Queen Anne and drank until 3:00 a.m., when he went to his tractor-trailer parked nearby and went to sleep. At 8:00 a.m. the next day, he and THOMPSON left and drove back to Los Angeles. He stated he never returned to the Lorraine Motel, and had not taken any personal effects with him when he went there originally to meet his "ex-wife." McGuire said he was told several times after this by friends (whom he would not identify) that he would be in danger if he told what he knew, and that he had not told anyone what he knew and what he saw until his interview 7/28/68 by the FBI. After telling some Birmingham friends, they told him to contact Mr. ERNEST POOLE, who could give him the proper advice and put him in contact with the proper authorities.

FD-302 follows.

Any leads based on the information furnished by McGuire being left to discretion of origin in view of the many and obvious discrepancies.

Re Buairtel 7/25/68, and SVairtel to Director, 7/29/68, in captioned matter; and SVairtel to Director, 6/28/68, captioned "NATIONAL STATES RIGHTS PARTY, RM (ORGANIZATION)".

On 7/29/68, SV 524-R (PROB), (PROTECT IDENTITY), advised that with regard to the previously reported statements made by Dr. EDWARD E. FIELDS, NERP, that he was a personal friend of ART HANES, Attorney for JAMES EARL RAY, alleged murderer of MARTIN LUTHER KING, JR., JESSE B. STONER recently mentioned that HANES had called them, apparently at the NERP Office, acted mad, and pointed out to them that he did not even recall ever meeting them and that he was not "their friend". According to this source, FIELDS and STONER were miffed that HANES was so unfriendly, but acknowledged at the time that they had met HANES on only one occasion for a brief moment. This informant said he has heard nothing further about any correspondence from JAMES EARL RAY or of any efforts by FIELDS or STONER to intercede for him. This source stated that the financial status of the NERP is such that they could not afford to contribute any money to RAY's defense, although they had made the offer in the name of the Patriotic Legal Aid Fund of Savannah.
