FEDERAL BUREAU OF INVESTIGATION

Date 8/2/68

On July 28, 1968, at 7:15 p.m., WILLIE JAMES McGUIRE, who gave his residence as 2747 Central Parkway, Los Angeles, California, telephonically contacted the Birmingham Office and claimed that he had been standing on the balcony of the Lorraine Motel, close to victim, MARTIN LUTHER KING, at the time "shots" were fired, and claimed the "shots" were not fired from the rooming house on Main Street as claimed but from another building located "behind Goldstein Clothing Store". McGUIRE said he was calling the FBI after being convinced by some friends that he should make his information known to the FBI. These friends had directed him to Mr. ERNEST POOLE, operator of a Negro funeral home in Birmingham, who on behalf of McGUIRE, put McGUIRE in telephonic contact with the Birmingham Office. McGUIRE said he was a lease truck driver for Transcon Company, Los Angeles, and was leaving Birmingham at 9:00 p.m.

McGUIRE was contacted at the Poole Funeral Home, 1507 7th Avenue, North, and furnished the following information:

McGUIRE said he lived at 627 Alameda Street, Los Angeles, telephone 827-3581, with his wife and children. He is employed as a lease truck driver by Transcon Company and was presently enroute to Los Angeles. On "the day KING got shot in Memphis" (exact date unrecalled by McGUIRE), McGUIRE arrived in Memphis with a load, about 2:30 p.m., in his tractor-trailer, enroute to Los Angeles. He was accompanied by a helper, JAMES THOMPSON, 1237 Abilene Street, Sioux Falls, South Dakota.

McGUIRE parked the tractor-trailer near "3rd and Vance", near the Goodyear Tire Company and also near the "Queen Anne" Motel. He had to wait in Memphis to pick up some freight bills. Between 2:30 p.m. and about 5:45 p.m., he and THOMPSON, in the trailer, drank at least a pint of Seagram V.O. whiskey with at least three or four beers. McGUIRE also advised that prior to contacting the

FBI on July 28, 1968, he had drunk "a couple of pints of whiskey." "I drink a couple of pints every day.") At 5:45 p.m., McGUIRE checked into Room 337 or 347, "on the second floor" of the Lorraine Motel, where he was supposed to meet his "ex-wife", EVELYN JOHNSON, who lives in the 400 block of South Arlene Street, Memphis. JOHNSON never kept the date. About 6:00 p.m., McGUIRE observed MARTIN LUTHER KING arrive at the motel in a black Cadillac, driven by a chauffeur and accompanied by a couple of other associates. KING walked up the stairs from the parking lot to the second floor balcony, where McGUIRE said hello. At the time McGUIRE was standing on the balcony looking out towards the parking lot, "just standing, looking, like Negroes do". KING said hello to McGUIRE, as he recognized McGUIRE. McGUIRE said, "I seen him all over the world - he knew me." KING entered the room next door to the room occupied by McGUIRE and stayed in there for at least an hour, perhaps 90 minutes. At that time KING came out of this room, and McGUIRE was just leaving his room to go eat dinner. The chauffeur called up to KING to get a topcoat, as it was getting cool. KING walked back to his room and came out carrying a "brown beige topcoat over his left arm." "I'll never forget that topcoat." McGUIRE was looking toward KING, when he heard "two shots" come from his left. McGUIRE immediately looked to his left and saw the "flash" come from the second floor of a building located next to the Goodyear store, a distance of not more than 75 feet. McGUIRE did not see who fired the shots. He then looked back and saw KING lying on the floor. About then a white man came up and put a sheet over KING.

McGUIRE then immediately left the motel and walked over to Main Street, near the "Goldstein store", where he observed a pistol on the street. About then a white policeman picked up the pistol and put it in his squad car.

From there McGUIRE went to the Queen Anne and drank until 3:00 a.m., when he went to his tractor-trailer parked nearby and went to sleep. At 8:00 a.m. the next day, he and THOMPSON left and drove back to Los Angeles. He stated he never returned to the Lorraine Motel and had not taken any personal effects with him when he went there originally to meet his "ex-wife".

3

BH 44-1740

McGUIRE said he was told several times after this by friends, whom he would not identify, that he would be in danger if he told what he knew, and that he had not told anyone what he knew and what he saw until his interview on July 28, 1968, by the FBI. After telling some Birmingham friends, they told him to contact Mr. ERNEST POOLE, who could give him the proper advice and put him in contact with the proper authorities.

Ray Here?

Q. I've heard it rumored that accused assassin James Earl Ray was in the Greensboro area on April 4, the day the Rev. Dr. Martin Luther King Jr. was killed in Memphis. I've also heard that Ray was once sought on a fugitive warrant, issued in the early 1960s at Winston-Salem. Is this so? Cindy.

RAY

A. Authorities say they know nothing of Ray's being here April 4. Winston-Salem and Forsyth law enforcement officials find no record of any fugitive warrant for Ray. If you know something definite, give Hot Line a call.

DONALD JAMES NISSEN, FBI Number 607 320 A, was a parole violator in case in which Phoenix was origin. He had previously made telephonic contact with SA G. WAYNE MACK of the Phoenix Office and made arrangements to surrender himself to agent MACK at St. Louis on August 5, 1968.

On the morning of August 5, 1968, NISSEN called the St. Louis Office from the Municipal Airport at St. Louis stating he had just arrived by plane from Tampa, Florida, and desired to surrender to the FBI. He was subsequently taken in custody by SA CLETIS B. BIDEWELL and SA G. WAYNE MACK and upon interview furnished the following information:

NISSEN has remarried and his wife, who is pregnant, is living and working in Tampa, Florida. NISSEN has been working as a salesman for a book company which he declined to name and stated he has been doing very well financially. Until around the first of December NISSEN was living and working in the Atlanta, Georgia, area. Around the first or second of December, 1967, as he was leaving the Federal Building in Atlanta after having made his regular contact with his probation officer, he was hailed on the steps of the Federal Building by an individual, unknown to him. This person asked if he was DON NISSEN and when he replied in the affirmative, this individual stated he had a message for him from MAC. NISSEN understood MAC to be LEROY MC MENAMAN who had advised him while they were fellow inmates at Leavenworth Penitentiary, Leavenworth, Kansas, that \$100,000 had been offered by the White Knights of the Ku Klux Klan of Mississippi to be paid to anyone who would kill MARTIN LUTHER KING.

The person accosting NISSEN on the steps of the Atlanta Federal Building then stated that apparently somebody had done some talking and NISSEN assumed he made reference to information that he had furnished to the FBI in Sherman, Texas, in April, 1967. Before any more conversation transpired, the individual who had transported NISSEN to the Federal Building called to him from across the street and the unknown individual immediately walked away from him. It was NISSEN's assumption that this person thought the individual calling him might be an FBI agent or police officer and did not desire that his identity be learned.

NISSEN described the individual accosting him as a white male, age 30-35, 5'10", 165-170 pounds, blond hair, cut medium short, and slightly wavy. He stated he was extremely well dressed in obviously expensive clothes.

NISSEN went on to state the more he thought about this incident, the more alarmed he became and left the vicinity of Atlanta shortly thereafter and obtained other employment. The only other incident which served to arouse his suspicion were telephone calls made for him to his place of employment in which the individual calling declined to reveal his identity. NISSEN stated he considered relating above facts to his parole officer at Atlanta but resolved against it since he did not trust his parole officer too much and was afraid his parole might be revoked automatically. He also considered contacting the FBI Office in Atlanta but decided against this also. According to NISSEN he felt uncomfortable and worried in the Atlanta area in view of the information he had furnished in connection with the bounty on MARTIN LUTHER KING and the fact that the Ku Klux Klan was reportedly strong in that area. He stated it was his understanding that the Deputy United States Marshal, name unknown to him, who went to work about the time he started reporting to his parole officer at Atlanta was supposed to be a member of the Ku Klux Klan.

With reference to information furnished him by LEROY MC MENAMAN while at Leavenworth Penitentiary, NISSEN stated that in one conversation, MC MENAMAN told him that if, after his arrival at Atlanta, he could find out MARTIN LUTHER KING's travel route and itinerary, he could earn \$100,000 for himself.

Re Alleged Offer of \$100,000 By The White Knights of the Ku Klux Klan of Mississippi (WKKKKOM), to anyone who kills MARTIN LUTHER KING, JR.

Enclosed for the Memphis Office are fifteen copies of investigative insert reflecting interview of DONALD JAMES NISSEN, FBI Number 607 320 A by agents of the St. Louis Office on 8/5/68.

Sub E-782
NISSEN advised he had received no new information concerning the alleged offer for the killing of MARTIN LUTHER KING since interviewed by Dallas agents on 6/2/67.

NISSEN flew from Tampa, Fla., to turn himself in to agents at St. Louis stating his decision to do this was prompted partly by fear for his safety after having furnished information to the FBI concerning the alleged offer mentioned above and partly by his desire to "get things straightened out" since he is now married and his wife is pregnant.

The following investigation was conducted by
SA THEODORE J. A'HEARN:

There is no such street in Los Angeles County
as Central Parkway.

CLIFFORD MOORE, Dispatcher, Transcon, Inc.,
7745 South Paramount, Pico Rivera, California, advised
MC GUIRE is not an employee of that company. Transcon
has neither leased their equipment to another carrier
nor leased equipment from another carrier in over two
years. They have no lease truck drivers in Los Angeles.

Personal observation at 627 South Alameda

There are no inhabitable structures within this block. What would be the equivalent of 600 South Alameda Street, Los Angeles, is the Hollywood Freeway, its over-crossing and access roads.

The records of the Pacific Telephone and Telegraph Company reveal that telephone number 827-3581 does not exist in the entire code 213, which encompasses all of the City and County of Los Angeles.

The records of the Los Angeles Police Department and Los Angeles County Sheriff's Office, as caused to be reviewed by IC MERTON R. ANDERSON, JR., on 8/7/68, contain no record for WILLIE JAMES MC GUIRE based on descriptive information available.

Indices of the Los Angeles Office are negative regarding MC GUIRE.

Re Memphis airtel to Little Rock, 8/6/68.

Enclosed for Memphis is one photograph of
HUBERT E. WAGES and another individual.

On 8/8/68, JIMMY D. JOYCE, Attorney, 707
 Walnut Street, Pine Bluff, Arkansas, appeared at
 the Little Rock Office and furnished the following
 information to SA CHESTER M. MC MILLAN:

He had a client, JOHN O. MOSLEY, a prisoner
 at Cummins Prison. This man was eligible for a 7
 day furlough. MOSLEY had exhibited to JOYCE a photo-
 graph of two individuals, one of the individuals be-
 lieved by MOSLEY to be JAMES EARL RAY. The photo-
 graph was taken shortly before the assassination of
 DR. KING. The man in the photograph with the person
 believed to be RAY had stated that he had planned to
 kill DR. KING when released from Cummins Prison. MOSLEY
 did not wish to be interviewed by FBI Agents at Cummins
 Prison or to have officials of the Prison aware that he
 was being contacted by FBI Agents.

Mr. BOB SCOTT, Governor's Office, Little Rock,
 Arkansas, advised SA MC MILLAN on 8/8/68, that MOSLEY
 would be released at 6:00 PM that date to be picked

up by an individual identified only as JIM JOYCE and that no mention was to be made of the FBI.

On 8/8/68, JOHN QUINTON MOSLEY, on furlough from Cummins Prison, was interviewed by SA CHESTER M. MC MILLAN and SA JOHN M. MOORE at the Pine Bluff, Arkansas resident agency. He advised that at Cummins he had met HUBERT WAGES, a prisoner who had revealed in conversation that he was a professional burglar, and that he had associated in the past with brothers by the name of JERRY and JAMES RAY who got into trouble in Missouri, due to some money orders. These names were mentioned as MOSLEY spoke of a friend by the name of BOBBY RAY. WAGES frequently mentioned that he was going to kill Dr. KING when released from prison. WAGES was released from Cummins on 7/26/67. In late November or early December, 1967, WAGES sent a letter to an inmate at Cummins in which he enclosed a photograph of himself with another individual identified only as a cousin.

MOSLEY, based on observation of photographs of JAMES EARL RAY appearing in newspapers, advised the alleged cousin of WAGES to be JAMES EARL RAY.

MOSLEY, a white male, 49 years of age, has been arrested numerous times on drunk charges. He has served in Michigan Prison on perjury charges for lying on a witness stand, and is serving 6 years sentence at Cummins for "hot checks". He expects to be released in approximately 2½ months. He claims that he has been attempting for a number of months to obtain a lawyer, only for the purpose of furnishing the above information, and that JOYCE was the only attorney he was able to contact.

LR 157-1215

He advised that the last known address for WAGES was 319 West Shelby Drive, Memphis, Tennessee, which is believed to be the address of a son of WAGES.

WAGES appears to be identical with HUBERT ELLIS WAGES, Memphis file #87-355, who in 1946 was a member of a burglar's gang composed of 25 or 30 individuals.

Little Rock unable to identify by observation of photograph an individual alleged to be JAMES EARL RAY.

operating an illegal distillery, and possession of illegal fire-
arms, a fugitive-type investigation was conducted by the Jackson

JN 157-922

By letter dated 5/18/66, HERBERT R. DAVIS, Chief, Compliance and Security Division, Federal Aviation Agency (FAA), Southern Region, P.O. Box 20636, Atlanta, Georgia, 30320, advised the Jackson Division that GAAR was then in Managua, Nicaragua, address furnished as Box 2458, that city. The letter alleged that GAAR used this address when he took a medical examination in connection with his Airman's Certificate.

Investigation in the Jackson Division in 1964 and 1965 to locate GAAR disclosed he was a former pilot for Eastern Airlines.

On 7/15/65, DONALD BEALL, Airman Certificate Branch, FAA, Oklahoma City, Oklahoma, advised that GAAR holds Airline Transport Pilot Certificate # 406012, dated 12/16/60, with ratings: Airplane Multi-Engine Land; Martin 202/404; Commercial privileges; Airplane single-engine, land. Address: 11850 Southwest 185th Street, Miami 57, Florida.

DEAN MITCHELL, Aeromedical Records Branch, FAA, Oklahoma City, advised that GAAR was afforded a medical examination on 11/5/64, at which time he indicated his address as Box 434, Coconut Grove 33, Florida. GAAR was given a first-class ATP Medical Certificate with no limitations. At that time, GAAR indicated his occupation as a self-employed pilot, one and one-half years, military file # 15364092.

Jackson Division files failed to disclose any current information concerning automobiles or airplanes available to GAAR.

It is being noted GAAR was a licensed airplane pilot and according to source in Miami Division, GAAR is presently in Texas.

It is also noted in re Miami tel to Bureau that SIDNEY CROCKETTE BARNES was with THOMAS ALBERT TARRANTS, III around 4/18/68, which information is based on a bill of sale bearing

JN 157-922

that date that was located in the automobile used by TARRANTS and AINSWORTH in the attempted bombing of MEYER DAVIDSON's house in Meridian, Mississippi, 6/30/68.

All offices receiving a copy of this communication should bear in mind the possibility that ROBERT BOLIVAR DePUCH, IO # 4176, and WALTER PATRICK PEYSON, IO # 4181, both Bureau fugitives, may be hiding out at the locations described in re Miami tel. All leads should be covered expeditiously and thoroughly. Since SIDNEY CROCKETTE BARNES is apparently an associate of TARRANTS, it appears imperative that BARNES, GAAR and CARDEN should be located and their activities for the past several months verified.

On 8/9/68, PCI LILLIAN DICKINSON, 2420 Arnold St., Camden, NJ, advised SA JOHN E. OTTO that PCI MARJORIE LOUISE FETTERS departed from that residence on 8/5/68. DICKINSON explained ROBERT HARDWAY, 2444 Van Buren St., Hollywood, Fla., a boyfriend of FETTERS', came to Camden for FETTERS.

DICKINSON said FETTERS has advised HARDWAY's relatives in Florida that HARDWAY is the father of FETTERS' recently born son, ROBERT ALAN FETTERS. FETTERS confided to DICKINSON she actually does not know who the father of her child is.

DICKINSON traveled with HARDWAY and FETTERS and her son to the residence of HARDWAY's sister, SHIRLEY ST. GELAIS, 6501 Southwest 21st St., Hollywood, Fla., from Camden. After remaining in Florida with HARDWAY and FETTERS for a few days, DICKINSON returned to Camden. FETTERS told DICKINSON before she left she intends to continue living with HARDWAY in Florida. DICKINSON said FETTERS indicated to her she was apprehensive about anyone other than DICKINSON trying to contact her now that she is with HARDWAY. FETTERS told DICKINSON she did not want her arrangement with HARDWAY taking care of her and her son to be jeopardized in any way.

DICKINSON said HARDWAY, she was discreetly able to learn, is employed by the Millman Construction Co., Hollywood, Fla.
