Enclosed for the Memphis Division is one blue business reply envelope of the ~~Portable Power Company~~, 3756 Tracy Street, Los Angeles, California, bearing a postmark of Perry, Florida and a return address of "WILLIAM P. (illegible), 1118 Southampton Street, Perry, Ga., 415"; one rectangular slip of white paper, inscribed on both sides the words, "Death Comes to Martin Luther King. The Truth is our Prime objective-----Death is already inevitable for the Black B-----d;" and one expended .30 caliber shell casing.

These enclosures were furnished to SA THEODORE M. GARDNER on 4/8/68 by Mr. ART DE LUCA, Plant Manager, O & R Engines, Inc., 3340 Emory Street, Los Angeles, California, along with the following information regarding the circumstances by which he came to acquire them:

During the first part of 1964, possibly as early as January, O & R Engines, Inc., acquired a number of small portable generators from a bankrupt company which owed them a large debt. Having no real use for these generators, it was decided to market them through a mailing house. This was

done under the fictitious name of the Portable Power Company, and a large quantity of the above-described blue business envelopes were sent out by the mailing house.

The enclosed envelope was returned in response to this marketing program, and is the only such envelope retained by O & R Engines, Inc. Mr. DE LUCA has kept it in his desk since its return and did not think it important until the assassination of KING occurred on 4/4/68.

In view of the fact DE LUCA advised that an undetermined number of individuals have handled the enclosures, and because Los Angeles is unaware of the details of the investigation surrounding captioned case, the above evidence is being furnished to the Memphis Division rather than being submitted to the FBI Laboratory and further leads are being left to the discretion of the office of origin.

Inasmuch as the postal guide shows there is both a Perry, Florida, and a Perry, Georgia, information copies of this communication are being furnished to those offices covering these locations.

FD-302 will be prepared on above-described investigation, and will be retained by the Los Angeles Division unless advised to the contrary by Memphis.

BOYD GAULT (protect identity), Boyd's Hardware Store and Western Union Office, Darien, Ga., on 4/9/68 advised that during the morning of 4/9/68 an individual identifying himself as JOSEPH LUNCEFORD, who closely resembles a Memphis artist's concept of the assassin of Dr. MARTIN LUTHER KING, entered his store and inquired about a Western Union money order which was to be forwarded to him at New Smyrna, Fla. He asked GAULT if he could contact the appropriate Western Union Office in Florida to determine if this money order had been received and if so, to have this money order forwarded to Darien, Ga. GAULT telephonically contacted New Smyrna, Fla., and ascertained that the money order had not been received by that office. LUNCEFORD then asked GAULT if he could use his phone and placed two calls to Clinton, N. C., he believes, concerning this money order and directions to have it sent elsewhere. GAULT advised that the second number which LUNCEFORD called may have been 592-9345, and from what he overheard of the conversation, he was of the opinion that this number might possibly be listed to a service station where LUNCEFORD works or has worked in the past.

On April 6, 1968, Mrs. DON SMITH, 705 West Maple, Champaign, Illinois, telephone 352-8534, telephonically advised that on Thursday, April 4, 1967, while watching the news on channel 15 in Champaign, Illinois, which immediately followed the MIKE DOUGLAS Show, she observed an individual in the crowd at the time MARTIN LUTHER KING, JR. was making a speech who did not applaud when the others did and looked as though he were a trouble maker.

She commented to her family concerning this persons reactions at that time. Subsequently, on April 6, 1968, she observed an artist drawing of the slayer of MARTIN LUTHER KING, JR. on television, whose description is similar to that of an individual she observed in the news concerning MARTIN LUTHER KING. She said if she could see the news tape re-run of this, she is sure that she could identify the person to whom she is referring. She said she could be contacted at any time for any assistance she might be able to offer in this regard.

Re Dallas tel to Little Rock, 4/8/68.

On 4/9/68, investigation determined that the registered owner of Arkansas license AAZ-869 was DON L. or ROSA BYERS, 5111 JFK Blvd., North Little Rock, Ark., for a 1966 Ford Mustang, VIN F07T240348.

On 4/9/68, ROSA BYERS, Apt. #4, Arlington Apartments, 5111 JFK Blvd., North Little Rock, Ark., advised that she and her husband own a 1966 Ford Mustang bearing Arkansas license AAZ-869, which is brown or gold with a black vinyl top. She stated that her husband is employed for Legal Security Life in Dallas, Texas, in the Personal Relations Department. He left Little Rock on the morning of April 8, 1968, at approximately 7:30 en route to Dallas to return to his work.

She advised that he returned from Mississippi on the night of April 3, 1968, and left on the morning of April 4, 1968, to go fishing at Lake Ouachita near Hot Springs, Arkansas. He returned on the evening of April 4, 1968, at approximately 6 or 6:30 P.M. after catching a number of fish.

She described her husband as a white male, 6'2", 190 lbs., blond hair, blue eyes.

In view of the fact that the Mustang owned by the BYERS is brown with black vinyl top and that BYERS had a logical reason to be en route to Dallas and finally that he was at his residence at approximately 6 or 6:30 P.M. on 4/4/68, he is being eliminated as a possible suspect in this case and no further investigation is being conducted concerning BYERS.

FEDERAL BUREAU OF INVESTIGATION

Date 4/18/68

FRANKLIN FREDERICK ALBERT BULTEMEYER was approached by Special Agent JAMES W. NORMENT JR. on the mall at 12th Street and Washington Drive S.W. SA NORMENT immediately identified himself as a Special Agent for the Federal Bureau of Investigation (FBI) and advised BULTEMEYER that he did not have to make any statements.

BULTEMEYER immediately made available an Indiana drivers license reflecting his name as above and that he was born [redacted]; he also made available a United States Merchant Marine identification card dated May 19, 1954, reflecting the same birth date. BULTEMEYER then voluntarily accompanied SA NORMENT to the Washington Field Office (WFO) where he was immediately given a voluntary appearance advise of rights form which he read. He declined to sign the waiver but stated that he would voluntarily answer questions and allow his photograph and fingerprints to be taken.

After having his fingerprints and photographs taken he furnished the following information concerning himself. He has traveled about the country for the past 20 years working as a Merchant Seaman and construction worker. During the past year he has traveled to Jacksonville, Tampa, and New Orleans, and arrived in Washington, D.C. (WDC), about three weeks ago. Since then he has attempted to find construction work in and around WDC and on one occasion hitchhiked to Richmond, Virginia, without locating employment. Since his arrival in WDC he has spent the nights sleeping in the parks near the Potomac River. He was in WDC on Thursday, April 4, 1968.

The following description and background information was obtained from observation and statements by BULTEMEYER:

On April 10, 1968, information was received that an individual matching the description of the subject that shot MARTIN LUTHER KING was on the mall at 12th Street and Washington Drive S.W. This individual was described as unkept and carrying a brown napsack.

SA JAMES W. NORMENT subsequently observed an individual matching this description at that intersection. The individual identified himself as FRANKLIN FREDERICK ALBERT BULTEMEYER and voluntarily accompanied SA NORMENT to the Washington Field Office where he was photographed and fingerprinted. The fingerprints were immediately taken to the Federal Bureau of Investigation, Identification Division and no identifiable record was located. A comparison of BULTEMEYER's fingerprints were made with the latent fingerprints obtained in this investigation and they were not identical.

BULTEMEYER's prints were checked through the fugitive index with negative results.
