Re Bureau teletype to All SACs, 4/8/68.

Enclosed for Memphis are two photographs and four negatives of MARVIN RAYMOND DEWEESE.

Enclosed for Birmingham are two photographs of MARVIN RAYMOND DEWEESE.

On 4/8/68, A. D. DINKINS, Manager, Hunton YMCA, Wood and Church Streets, Norfolk, Virginia, which establishment is patronized almost solely by Negroes, advised SA HENRY A. WELKE that a white male registered at this YMCA during the afternoon and the clerk who registered this individual believed he resembled the artist's conception of the one who shot Dr. MARTIN LUTHER KING, JR. Mr. DINKINS said he was registered in the name of M. R. DEWEESE of Jacksonville, Florida. He was placed in Room 206.

SAs WELKE and LEMUEL W. KERR, after some difficulty in arousing Mr. DEWEESE who was asleep in his room, interviewed him and took photographs of DEWEESE after the interview. DEWEESE furnished the following information concerning himself and his activities during the pertinent period in March and April, 1968:

DEWEESE said he had last worked as a stockroom man for Samsonite Corporation, 1050 South Broadway, Denver, Colorado. His check number was 15370, and he possessed a payroll slip which showed he was paid for the week ending 3/3/68. He said that he left Denver en route to Florida; stopped by Houston, Texas; then to New Orleans; then Mobile, Alabama. Then he went to Jacksonville, Florida. He said he left Denver on 3/2/68. He said he left on a Saturday of the last week he worked. He indicated that the work week at Samsonite ended on Sunday. He said he was married to MARTHA E. BROWN, a widow with two children, and that they were at the Lanier Road address in Jacksonville, Florida. He said he was unemployed at the time and that he had obtained his USCG Merchant Seaman's papers and was attempting to catch a ship out. He said he was a member of the National Maritime Union (NMU), and he was told in Jacksonville that it would be easier to catch a ship through the Norfolk NMU than the Jacksonville NMU. He also advised he took a round

NF 44-268

trip to Baltimore and remained in Baltimore two days staying at the Roosevelt Hotel. That was between the time he arrived in Jacksonville, Florida, and the date he got married, which was 3/18/68. He indicated further that he traveled to Baltimore in his personally-owned automobile, a 1956 Chrysler New Yorker. He also stated that he stayed in Jacksonville, Florida, until Saturday, 4/6/68, at 4:15 PM, when he caught a bus from Jacksonville to Newport News, Virginia, arriving in Newport News on 4/7/68. He indicated he came to Richmond and then transferred to Newport News.

He possessed a card which indicated that he registered in the NMU Hall, Norfolk, Virginia, at 9:04 AM, 4/8/68. He said that when he arrived in Newport News on 4/7/68, he went to his sister's house and stayed with her and her husband, CHARLES H. JONES, 735 Westward Avenue, Hampton, Virginia.

He was observed smoking incessantly, and he said he had been smoking Winston cigarettes for many years. He was observed to have blue eyes and brown hair with a crewcut, which he said he had been wearing since he was 21 years old.

He was very emphatic and positive he had not been in Memphis, Nashville, Birmingham or vicinity during the latter part of March or first part of April, 1968. He was specifically asked if he had been in Birmingham on 3/28 - 30/68, which he indicated he had not. He was also asked about his whereabouts on 4/4/68. He claimed he was in Jacksonville, Florida, during these pertinent periods. He said he was staying with his wife and their two children (his wife's children by another marriage). He said he had never been in Birmingham to his knowledge, and he went to Memphis one time several years ago.

He had in his possession a Navy identification card which indicated that he, MARVIN RAYMOND DEWEESE, was retired from the U. S. Navy on 7/9/65. He also had a Merchant Mariner's Permit Identification Card Number [REDACTED]. His description was: brown hair; blue eyes; 6'; 200 pounds; born [REDACTED] Narrows, Virginia; address - 1730 Merivale Road, Jacksonville, Florida.

Mr. DINKINS, Manager, Hunton YMCA, said that Mrs. ANITA ELLIOTT, Day Clerk, was the individual who thought DEWEESE resembled the artist's conception of the assassin.

At the time of the interview, DEWEESE was cooperative and readily consented to having his photograph taken.

Copies are furnished Jacksonville for information in the event Memphis desires further elimination of DEWEESE.

In view of Army conviction for assault in 1953,

business man (protect identity).

In light of current developments, it is being left
to Office of Origin, Memphis, to determine whether leads
should be set out to check out LIS as a suspect. If this
is desired, photos of LIS should be available from Bound
Brook, New Jersey PD or SO (where he served five-month term
in 1966), or from Piscataway, New Jersey PD (where he was
convicted in 1967). Memphis is in possession of all inform-

Will contact CBS Officials, News Department,

4/6/68.

FEDERAL BUREAU OF INVESTIGATION

Date 4/12/68

REGGIE SMITH, cameraman, Columbia Broadcasting System (CBS), Atlanta, Georgia, telephonically contacted SA JAMES O. INGRAM on April 12, 1968. He stated he had just arrived in Atlanta upon instructions issued by officials of CBS. The news media is presently carrying headlines indicating that ERIC STARVO GALT is a prime suspect in the murder of Dr. MARTIN LUTHER KING, JR. at Memphis, Tennessee. A white Mustang registered to GALT was found in Atlanta, on April 11, 1968, abandoned. Through news media, SMITH has obtained description of GALT and believes he has information which could be of value to the FBI. He furnished the following information:

On Saturday, April 6, 1968, he and his soundman, LEROY COLLINS, traveled to Spelman College, Atlanta, Georgia, to film persons viewing the body of Dr. KING, or incidents. The first roll of film that he shot was of a group of about ten people. There was one lone white male who viewed the body in this first group and he and his soundman, COLLINS, noticed the unknown male pass by the coffin and smile. He appeared to laugh, looked around to see if anyone was observing him, and he left "with a smile on his face." SMITH did not consider the incident of any value at that time, until he reviewed the information on GALT and GALT's description.

He described the unknown subject who viewed the body of KING as a white male, in his early thirties, 5' 10" to 5' 11", weight 160 - 170 pounds, dark hair, and was wearing a light-colored suit. SMITH suggested that the FBI may desire to review his first can of sixteen

At 12:32 P.M., April 12, 1968, SMITH telephonically advised from Atlanta that he was residing at the Roswell Road Apartments, Atlanta, telephone number 252-3428, and could always be reached through CBS Headquarters, Atlanta 873-3195.

and SPOERL on 4/4/68, were in Philadelphia, Mississippi for a meeting with the Management Officers of the Philadelphia, Mississippi plant of U.S. Electrical Motors.

He further advised he and SPOERL departed Philadelphia 4/4/68, at approximately 4 p.m. and drove to Memphis, Tenn. by car, arriving approximately 7:10 p.m. He stated that the car in which they were riding was a 1967 Dodge, white in color, and rented by SPOERL at the Avis Rent-A-Car in Memphis, Tenn., on 4/1/68.

On the latter date SPOERL was in the process of establishing a site for a warehouse in Memphis. After that date, he and SPOERL met in Jackson, Mississippi, on 4/3/68, for the meeting in Philadelphia described above.

When he and SPOERL arrived in Memphis on 4/4/68, they learned of the situation re captioned matter. From Memphis, HOEHING was to take a plane to St. Louis after he and SPOERL had dinner. SPOERL was to stay over night at the Holiday Inn, South, Memphis, for a meeting 4/5/68 re the establishment of a warehouse.

After learning of the situation, SPOERL decided that the meeting on 4/5/68 could not be arranged and attempted to obtain an airplane ticket to New York or Hartford, Conn. Unable to do this, he decided to join HOEHING on the plane for St. Louis, who's ultimate destination was Chicago, Illinois.

He further advised that he did not think SPOERL could be involved in captioned matter and hadn't made out-of-the-way comments re same. He stated that he and SPOERL were together all of the time spent in Memphis except for approximately 10 or 15 minutes when SPOERL was still trying to keep the appointment on 4/5/68. This separation was about 9:30 p.m. He was re-joined by SPOERL and the plane left at approximately 10 p.m., 4/4/68, for Chicago. No further investigation being conducted re SPOERL by New Haven as it does not appear he is identical with suspects in captioned matter.

FD-302s made re interviews with SPOERL and HOEHING.

Martin Luther King Investigation
F.B.I.
Memphis, Tenn.

Dear Inspector:

As a person with medical experience in psychiatric clinics, I am writing to suggest you examine the statements of the ~~Mr. -?- Q. Stevens~~ who was interviewed on TV concerning the death of Martin Luther King. My impression was that this was a man who was very ill emotionally.

Specifically I would point to his description of the killer as having a receding hairline when he himself most prominently fitted this description. Also ~~his~~ statement describing the suit of the fleeing killer as "coal Black" possessed far too much emotion for him to be describing a suit, and seemed to indicate his own hatred of the Negroes.

I feel it is urgent to give you this humble opinion since Dr. King's killer is not identified yet, and since this man could well represent the classic pathological killer. I hope this suggestion will receive considered attention.

(On the other hand, if your leads are definite regarding another suspect, I regret any delay I may have caused.)

Very truly yours,

Mrs. Ivan G. Szanto

Memorandum

TO : SAC, MEMPHIS (157-1067)

FROM : SA WILLIAM H. LAWRENCE

SUBJECT: INVADERS
RM

DATE: 3/6/69

On 2/7/69, ME 338-R advised that the petty cash treasurer of the Invaders, an elderly Negro man, about 55 years of age, white headed, named JAMES PEGUES, has a 1964 or 1965 blue Pontiac, four-door sedan, bearing license BK-5893, that he is the same one who was with the Invaders during the night of 11/25 and early morning of 11/26/68 when they, along with Students for a Democratic Society, took over the Administration Building of LeMoyné-Owen College, supporting a student series of demands.

Informant is trying to talk with PEGUES to determine what makes him tick and determine why an older man such as he would spend so much time with the Invaders, but thus far has been unable to get any real rapport with him.

Informant advised that a night or so before the meeting was held, probably the night of 2/5/69, the group consisting of Southern Christian Leadership Conference, Committee on Move For Equality (COME) and Invaders to plan a celebration of some sort on 4/4/69 which will be the first anniversary date of the murder of Dr. MARTIN LUTHER KING, JR., at the Lorraine Motel, this meeting was held at the Minimum Salary Building, a cross section of white and black leaders were present. ROY LEE TURKS represented the Invaders, TAYLOR BLAIR, organizer of the International Brotherhood

of Electrical Workers, which is trying to organize the blue collar workers at the Memphis, Light, Gas and Water Division was there.

Details have not yet been effected and it is undetermined as just what will take place on 4/4/69.

Invader CLIFFORD LOUIS TAYLOR, currently in jail on a charge of the shotgun shooting of an alleged suitor of his wife, is desperately trying to get out on bond.

Another former active Invader, DON NEELY, who is AWOL from the U. S. Army, is still working the Beale Street area. He figures he will be arrested momentarily. He has grown a beard.

Another former Invader, REUBEN WATTS and EDWARD REED TAYLOR, brother of CLIFFORD LOUIS TAYLOR, hang out on Beale Street. They have not recently engaged in any Invaders activity.

REUBEN WATTS indicated that he is writing a book although he did not elaborate.

The Memphis private investigator RENFRO TURNER HAYS who allegedly did some investigation on behalf of the first attorney of JAMES EARL RAY, indicted killer of Dr. MARTIN LUTHER KING, JR., namely Attorney HAYNES of Birmingham, Alabama, may be preparing to write a book concerning his experiences in investigating the death of KING. He has been talking to BILL SARTER or SARTOR of Greenville, Mississippi, white male, who has done free-lance writing for Time magazine and Life magazine and RENFRO HAYS has gone to New York City to see about having a story published.

ROY LEE TURKS and MAURICE LEWIS, both Invaders, have recently stated that they are about to hook up with the Memphis Branch NAACP youth council and that the youth council may take them to Atlanta, Georgia, to some regional youth council meeting. Informant pointed out that TURKS and LEWIS are primarily interested in trying to "con" money from the NAACP and are not sincerely interested in the NAACP program.

Informant advised that BAXTON BRYANT, Executive Secretary of the Tennessee Council on Human Relations, a White male, red headed, has been in town. He claims that he is investigating the fact that an alleged white landlord told some white girls, living in a Negro neighborhood that they had too many Negro visitors and would have to move. Another case in which BRYANT is interested is the fact that the woman who works for the Dryfus Jewelry Company, a blond, who has been so active in interracial activities and who was with the Invaders and other groups at the Lorraine Motel during the demonstrations during the Spring of 1968, and who has a son who wears steel-rimmed glasses and who frequents the Southern Christian Leadership Conference youth choirs in Memphis, is also involved in alleged housing discrimination. This woman, whose name may be Mrs. DOCKERY (phonetic), stated that her son used to attend Messick High School, that she lives near Memphis State University in an apartment, that some of the neighbors are bring pressure on the landlord because she has so many Negro visitors at her home.

The picture of her son is depicted in the photograph of JAMES BEVEL when BEVEL held his news conference in Memphis, the night 1/23/69, at Clayborne Temple. The lad is with two Negro girls from the SCLC who were interviewing BEVEL during the time that he made his public charge that JAMES EARL RAY was not guilty of the killing of Dr. MARTIN LUTHER KING, JR.

JUANITA MILLER, an Invaderette, is the one who got up the money for JOHN CHARLES SMITH's bond when he was arrested 1/28/69, on the charge of disorderly conduct. She claims that she is in love with JOHN CHARLES, that she is now going to a trade school on North Cleveland, being sponsored by the Tennessee Department of Public Welfare.

Some of the Invaders sold leaflets of the Invaders at the recent DUKE ELLINGTON guest appearance with the Memphis Symphony Orchestra at the Ellis Auditorium.

JAMES NORMAN, a young Invader and JOE LEE BURNS, JR., aka KING JEWEL, both of whom are young thugs, recently broke a window out at the Blue Stallion Night Club on Beale Street and later got into a fight and broke out a window at the Invaders Headquarters, 271 Vance.

CACHEATUH SMITH, secretary of the Invaders, claims that she is now pregnant, that the father of her child to be, is LANCE SWEET WILLIE WINE WATSON, who is currently in Shelby County Jail. She claims that she is in love with WATSON. CACHEATUH SMITH still hopes to have 1,000 copies of a slick photograph, 8x10 inches in size of LANCE SWEET WILLIE WINE WATSON taken with a clinched raised fist which the Invaders will sell in an effort to make his peace bond. They will sell these photographs for \$1. She has made a \$50 deposit, still owes approximately \$72 and cannot get the pictures until the \$72 is paid.

MICHAEL MOUNTAIN, who spends considerable time with the Invaders and who recently indicated that he was through with the Invaders, but reversed his field when he marched with them during the 1/23/69 National Council of Churches MARTIN LUTHER KING Memorial March. He stated that he is going to St. Louis to live. He did not elaborate.

The information set forth herein has been disseminated to the Intelligence Bureau, Memphis, Tennessee, PD.

On 4/17/68 Miss REBECCA FORD, Credit Bureau of Nashville, Tenn., advised her office records reflect that AMSELL A. COLEBROOK, wife GEORGIA, resides at Osborn Road, Arrington, Tenn. His employment is listed as A. A. Alexander Inc., Brentwood, Tenn., a real estate firm. She said this was subsequently cleared. She stated an inquiry concerning COLEBROOK was made on 4/11/68 by the First American National Bank, Nashville. Her records indicate COLEBROOK was from 26 to 28 years of age in 1947.

re: Memphis telephone call to Nashville 4/16/68.

Records pertaining to Tennessee license JH 7557 were checked through the Davidson County and State agencies with the following results:

Efforts to identify the above license as having been registered in Davidson County in 1967 or 1968 were negative even though the prefix "JH" is assigned to Davidson County. Efforts to locate the license in other counties for 1967 and 1968 also were negative. Mrs Eva Whitfield explained that the license was not confidential, but in all likelihood the license was miss filed or lost or the decal had not been renewed.

Records pertaining to 1966 registrations disclosed that on 1/16/67 a 1961 Chev. Corvair 4 door was purchased in Davidson County (or the decal was purchased in Davidson Cty.) and as a result Tennessee license JH 7557 was issued to :

A.A. COLEBROOK
Osburn Road
Arrington, Tenn.

Officials of the above agencies advised they will continue efforts to further trace the above license.

A check of office indices at Memphis regarding the name A.A. Colebrook was negative.
