SAC MOORE, in referenced telephone call, stated dancing

requested xerox copies of his complete service record be sent to
Bureau and recipient offices.

The legality of copying entire record may be questionable.
Original record may be obtained by Subpoena Duces Tecum.

File is being reviewed and apparent leads will be
set out by teletype, however, it is presumed Jackson has better
knowledge of LOFTON's connection, and will set forth all
necessary leads and request any examination desired.

Dear Sir,

4/16/1968

①

Please check for a white house with
in black, gold and white sign that say Denton
and some other small letters are behind the Denton
I don't know if it a City, name of business or
what but it a lead in Dr. King murdered. Is
there such a place in Las Vegas, there is in Texas,
And some kind of connection in Dallas

Please let me explain, I saw or dream Dr. King killing
on the 24th of March. I have been to talk to the Bishop
and to a (poor) friend of mine. He advise me since a
lot of my dream are true to contact and convince enough
people and they could be prevented.

I have left an envelope over to the Bishop house
with material in it on thing that I had dream twice
after Dr. King murdered. on the 9th of April I dream I had
read an article which said Eric Von D I couldn't
make out the last of the name. I have proof of my
statement I told Stat Sec. Curtis Graves of the Inforce
on March the 27th In my doctor office about a
Negro leader being killed about me seeing 2 white
men and a negro put the body in a car. This was the Negro
Reaney [unclear] [unclear]

in Vietnam and he was slumped over the steering wheel and when
my husband pulled the body it was a different man who
look like Dr. King but was Stokey size and King in Nap
Brown color. But to long to be Ray Brown. But I
told them it was ^(because he hadn't been in the army) ~~thing~~ but his head was slumped over
to his left shoulder and there was blood on the other
side of the neck. If Dr. King had been shot any where
else I could have been mistaken. But I went to

the Bishop that Thursday night and to a friend of my
the only Negro Engineer register here ^{in Houston} with my husband
I describe the man I saw to them that ~~that~~ night.
his describe was in the paper about two days later.

I also told them which side of the neck Dr. King
was shot in ~~before~~ it was in the paper Friday morning
they didn't even tell us on T.V. until Friday morning
(right) I also have in my husband hand written on April 9th
Eric Voar B. I had heard I saw the name. I

told a reporter on the Informer Newspaper Publisher Thompson
about the name Wednesday in Mading drug store. He
him it was in Sat. paper. So far I have been 2 days
ahead of you guys. I try to forget but the last
dream of the man running me he ran me every night
He ran me to this place I drew a picture of the
house ~~and~~ or office building where he was connected
It was Las V _____ and then Denton,

I draw a large picture ⁽³⁾ of the man last Sunday
7th and wrote a letter and sent it to the Houston Post
to a reporter name Louie Hudkin. I also told him of
my dream. He believe in me once I had drew a picture
of a ~~criminal~~ ^{out of my mind} 18 day before he had committ
a crime here. I took it to the newspaper It was
perfect to their drawing 18 day after miss.

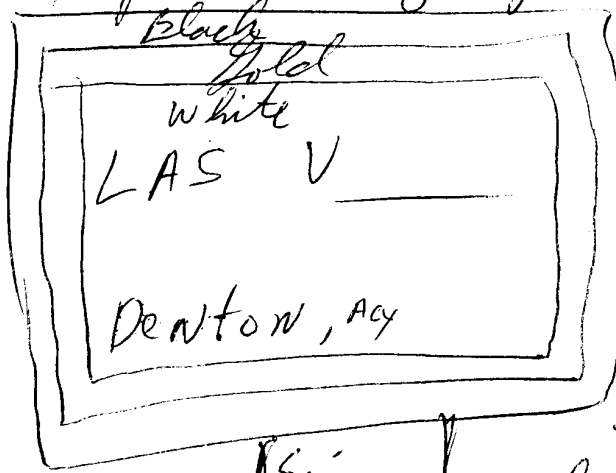

I try to forget but I can't sleep good Because
if I had let some one know before about my dream
I feel like he would be alive today.
I have these witness and people who believe in

me.

Arthur Gray - Engineer - Brown & Root
State Rep Curtis Lane - Informer Paper
Bishop Moore - Bayou & Ville
Carl Adams - my husband
Rubber Thompson - Reporter Informer Paper and
Dr. John D. Coleman - my doctor
Dr. Bennie Callier - ~~Opsey~~ ^{Howard Times Newspaper}

So I have been right before, I left the article
I wrote over to the Bishop with date on them so far
I have been right. So may be I'm still on to
something I told him not to open my notes until
you had found the killer. Okay so make

I can help you ~~no~~ ^{publicly} please. Before I had to have my phone taken out from people pestering me. There is a white house of office building with this sign in front of it. In my register mail to the Post Reporter I

describe his weight height color of his hair as chestnut brown but reddish gold with the sun on it before it was in the newspaper check it out if you may.

Denton - in Texas too???

please Check Dallas ??

(for a business or place) or county?

Las Vegas

I couldn't see the rest of the sign very well Also a street marker that said 1202 BURE Could this be where he connected, I also believe there is a connect with the sheriff of this. Check there to see if the white car or man was there too that

1202 BURE
OR BUR-T

man was murdered too that who I saw them put in the car slung over the wheel I could see the reddish man face but couldn't see the Negro or the other white man but he had straight black hair and I believe the other a Negro because his face was brown but is a shallow. Please I would like to sleep again. May be this is something (maybe not) but it keep bugging me since march 26th, I can't check it out but you can. And then forget my name please. Thank You

Good Thursday, 11-th of April, 1968

Coon Amen,
Harlem, New York.

Good Friday 12-th of
April, 1968

"TO WHOM IT MAY CONCERN:

"Please pass on to all the authorities wherever possible - to discontinue the search of a white man, as the killer of Martin Lucifer King, because the smart killer is right now in his own family. He is one of his own Civil Rights Urinators and a negro, not a white. I was among them myself in 1965, there were many young nuts, such as was I, and also many whites. However, God opened my eyes in Alabama, when I witnessed the behavior of our marchers under King's leadership. He was a devil's minister, taking all the money he could from the jews, and was doing his work under their leadership and demand. Those were communist jews.

"While marching in Alabama in 1965-it was in spring-we were instructed by King's advisers-red-rat-jews to do the following:

"A group of our negroes forced their way into a nice restaurant; on a given signal, all the negroes grabbed the sugar bawls off the tables, stood up and urinated into them, amid laughter, replaced the bals on the tables-MLK laughed approvingly.

"This is the reason why I, and many others, turned against him, and it was God's will that he was shot by one of his own disciples, a negro, not a white. Please stop all your sham broadcastings and grateful homage for that killed Martin Lucifer King - he was against our best President LBJ - for the nut hippie Bobby Kennedy, who hates the President because he was not appointed as Vice Pres. when his brother JFK was murdered the same way as was MLK. Senate should prohibit all marches at least for the duration of this war, and specially in our Capital. Now the white people are to be more against us for the crazy revolts, murders and damages.

Amen!

"Our hope is still in LBJ - God let him be again our President. The second best is HHH, but Hippie Bobby and his conspirators are politically just as good as dead. God save USA with LBJ all the way.

C. Amen.

"I am mailing the Police drawing of suspected killer of Dr.K. which appeared on page 2 in yesterday's Daily News, as a white man, who actually is a negro, but a brown one, made white with cream etc. - however, I made it with a crayon darker so they may find him in Atlanta in the King's family.

"You must understand that I cannot reveal my real name and address, although I actually do live in Harlen. Please do not hesitate to use my information, because it is God's truth.

"I am mailing 7 Of these letters to various places - why 7? Because yesterday was Good Thursday, the last supper of Jesus Christ, as a reminder of HIS seven words on the Cross:

'Into Your Hands I command my soul!'

"May your Easter be blessed!

"Sincerely,

It should be noted that during the interview with Mrs. JASPER WARD she very confidentially advised that although she is a close friend of Rev. A.D. WILLIAMS KING, the brother of the late Dr. MARTIN LUTHER KING, JR., and thinks highly of him having served as his administrative assistant in connection with the Kentucky Christian Leadership Conference (KCLC) for the past several years, she felt it her duty to advise the FBI only that at the time Dr. MARTIN LUTHER KING was assassinated Rev. A.D. WILLIAMS KING was in her room, 207, at the Lorraine Motel and was under the influence of alcohol to the extent that he could not be immediately awakened and advised of his brother's having been shot. Mrs. WARD was unable to awaken Rev. A.D. WILLIAMS KING until about 20 minutes later and during this period she made concerted efforts to keep other individuals from the room to learn of Rev. A.D. WILLIAMS KING's condition. Mrs. WARD stated that Rev. A.D. WILLIAMS KING is extremely fearful that the nature of his condition at the time of his brother's death may become public knowledge.

Concerning Rev. A.D. WILLIAMS KING, Mrs. WARD further commented that he has had an alcohol problem since she has known him, but that in her estimation he is an exceptionally intelligent individual, a compassionate person, and one that she does not believe would ever intentionally advocate violence in connection with the racial issue. In this connection she commented that when she was able to convey to Rev. KING the report of his brother's having been shot and probably critically wounded, he immediately assumed the person responsible was a white man and commented he was going to make an immediate news statement to the effect that he hates all white people, but then at once changed his views by commenting he could not make such a statement as it would not be a true statement, pointing out that he certainly does not hate Mrs. WARD who is a white person.

Mrs. WARD further commented that she does not feel that the condition of Rev. A.D. WILLIAMS KING at the time of his brother's assassination has any bearing whatever on the assassination and if she may later be called to testify before some public type committee which may inquire into the assassination, she seriously doubts if she would furnish the above information to such committee, but she did feel that she had an obligation and a duty to confidentially report this information to the FBI.

LS 44-947

During the interview with Mrs. GEORGIA DAVIS, she mentioned the incident re the report that BUD HASTINGS and his wife FRANCES, owners of the Treasures Island Motel in Panama City, Fla., having been displeased with the visit there in late March and early April, 1968, by herself, Mrs. WARD and Rev. A.D. WILLIAMS KING, as this report has worried her somewhat. She stated that she has no reason to believe that the HASTINGS may have in any way been involved in the assassination of Dr. KING, but did feel the FBI should be made aware of the reported displeasure of the HASTINGS re the visit to their motel by herself, Mrs. WARD and Rev. A.D. WILLIAMS KING.

It may be noted that Mrs. GEORGIA DAVIS is Negro.

On April 8, 1968, the following information was received from the Dallas Office of the FBI:

NANCY SAULNIER, 302 Louisiana, Abilene, Texas, advised that she had seen what was an alleged artist conception in an Abilene newspaper, of a suspect in the shooting of MARTIN LUTHER KING, JR.

She informed that on the evening of March 28, 1968, she met an individual by the first name of MARK (LAST NAME UNKNOWN), at the Ramanda Inn, located in a town about thirty miles east of Shreveport, Louisiana. This person was supposedly a salesman for the Top Value Trading Stamp Company, from Alexandria, Louisiana. This individual sat near her at dinner and, subsequently, visited with her in her room.

She described MARK (LNU) as about six feet tall, receding hairline, and last saw him leaving the motel on the following morning in a red car, possibly a Porsche. She did not know in what direction he went. She has no basis other than the apparent feeling that MARK's (LNU) physical description is similar to that of the artist coception.
