JEFFREY MERRITT aka Jeff, formerly incarcerated in Missouri State Penitentiary from June, 1962, to August, 1964 and from November, 1965, to December, 1967, interviewed by New York. MERRITT recalled subject RAY as being one of the inmates at the Penitentiary and said he and RAY had worked together on the loading docks there. He stated his knowledge of RAY was limited and he could not recall anything specific regarding his background, habits or description, which would be of value in locating RAY. He pointed out that RAY appeared to be a "loner" and associated very little with other inmates. Due to the policy of segregating white and Negro inmates in their living quarters, MERRITT was limited with contacts with RAY.

Following RAY'S escape from the Penitentiary, MERRITT could not recall having heard any comments among the prisoners as to where RAY might have gone.

MERRITT currently resides at 346 West 17th St., NYC, telephone 989-3100, and is employed as a mail handler at the National Maritime Union, 36 Seventh Avenue, NYC.

RE: ANONYMOUS DALLAS CALL ON INDIVIDUAL DRIVING
CAR BEARING 1968 LOUISIANA LICENSE 25E930

The following investigation was conducted by
SA JAMES J. SHERMAN as a result of an anonymous telephone
call received at the Dallas Office on 4/19/68, by a
woman stating an individual resembling the photograph of
ERIC STARVO GALT appearing in Dallas newspapers had been
seen by her going into a Dallas liquor store. This
individual had gotten out of a Chevrolet bearing 1968
Louisiana license 25E930.

AT DALLAS, TEXAS

On 4/24/68, KEN BROWN, Owner and Manager of
Capp's A.E. Car Rental, 3717 Inwood Road, advised their
unit 141 was a 1967 Chevrolet and bears 1968 Louisiana
license 25E930. He advised this unit is currently rented
to Mr. VICK PARKER, 3211 South Vernon, Apartment 108. The
vehicle was rented by All-State Insurance Company for Mr.
PARKER's use as a result of the theft of Mr. PARKER's car.
The car was rented on 3/26/68, and is due on 4/26/68.

On 4/24/68, Mrs. JOHN HARVEY, Manager, Biscayne Apartments, 3211 South Vernon, advised that VICK PARKER, who had been renting Apartment 108, was evicted on 4/22/68. She advised he moved in on 12/1/67, with JERRY FREELAND, whose mother HELEN FREELAND lives in Dallas. Neither PARKER nor FREELAND left a forwarding address when evicted. HARVEY was shown an Identification Order concerning RAY and advised there was no similarity whatsoever between either FREELAND or PARKER and RAY. She advised both boys are about 20-22 years old.

On 4/24/68, LINDA FREELAND, 607 North Franklin, Apartment 201, telephone WH 6-9246, advised her brother is JERRY FREELAND and JERRY, who was recently evicted from an apartment on Vernon Street, has come to live with her and their mother. She advised upon seeing a photograph of subject RAY and an Identification Order, that she knew of no one identical to that photograph. She advised she would have her brother get in contact with the FBI as soon as possible.

On 4/24/68, JERRY FREELAND telephonically advised he had viewed the photographs of RAY and the Identification Order and knows of no one that could be identical to RAY. He advised he knows VICK PARKER's friends fairly well, having lived with PARKER for several months, and does not think any one of them resembles RAY. When advised of the circumstances under which the individual was seen by an anonymous caller driving the car PARKER rented, FREELAND stated he thought it was possible that someone viewing PARKER from a distance and not getting a real good look at PARKER could find a slight resemblance between PARKER and the photograph of RAY.

LOU MYERS, Field Ticket Office Manager, Delta Airlines, O'Hare International Airport, advised that from his records the two ticket agents working the express baggage check-in counter where seat selection formerly was located were JOHN WINNICK and PAUL VANA. MYERS said that Delta handles from four to five thousand passengers a day from O'Hare, and advised that the seat selection is now handled, and was at that time handled, at each gate. However, if H. ALVIN SHARPE is a frequent Delta traveler, he would have recalled that this is where seat selection had been for a number of years.

WINNICK interviewed at length, however, he recalled nothing of incident described in re tel. He has seen many photographs of subject, and states he cannot recall any person resembling subject.

ReBuairtel 4/25/68, and Atlanta airtel to Savannah dated 4/29/68.

On 5/1/68, contact with CID, Hunter Army Air Field, Ga., disclosed that Company D, 575th Engineer Battalion, formerly at Hunter, had been reallocated to Fort Stewart, Ga., approximately 1½ months ago.

Telephonic contact with the First Sergeant, Company D, 575th Engineer Battalion, Fort Stewart, on 5/1/68, disclosed that WILLIAM SIBERT was currently assigned to that unit; however, had been granted leave for twelve days on 4/18/68 and was to return by Midnight, 4/30/68, but had not returned as of 2:30 p.m., 5/1/68. The First Sergeant pointed out, however, that SIBERT would not be considered AWOL until Midnight, 5/1/68, since he has, automatically, one day's grace in connection with extended leave.

The First Sergeant noted that SIBERT furnished a leave address of 501 Webster Street, Ottawa, Illinois, telephone Area Code 815 433-4462.

The First Sergeant said that he was aware of the fact that SIBERT owned a 1966 Mustang and, to the best of his knowledge, was on duty at Fort Stewart, Ga., on April 4 and 5, 1968; however, without checking the Morning Report Records at Post Headquarters, he could not positively verify
