ARMED AND DANGEROUS.

From Bill Thomas 5, /68

~~ix~~ Day before the assassination James Earl Ray was in Athens, Ala., and was taken to Memphis. That would have been April 3.

~~ix~~ Ray registered at flophouse, along with another man, Samuel Lewis. According to informant, Lewis was to take King if the balcony scene didn't work out. After the shooting, Ray walked to his car accompanied by a man and a girl. The car: A new blue Buick with Alabama plates; 1st digits: "14." Owned by Eddie Wilburn (Wilbourn?) of Huntsville, Ala. Lewis spent night of April ~~XXXXX~~ 4 at the flophouse. He left the next morning (April 5) for Knoxville..

Ray, along with two young women and a child, was driven out of Memphis by ~~Wilburns~~ Wilburn straight to Kansas City. The drive took 6½ hours. Wilburn, the two women and the kid all from Huntsville, Ala.

In Kansas City, Ray stayed at a private home. At dusk April 5 he was flown to Belle Glade, ~~KXXXX~~ Florida in a private aircraft which took off from a private field in Kansas City. Plane supposed to be owned by William Pierce, a wealthy man who also owns the private airfield, supposed to have had contracting company in Cuba ~~XXXXXXXXXXXXXXXXXXXX~~; owns motel at Belle Glade and cottages on Lake Okeechobee. He's also supposed to be KKK'er.

On April 11, informant says, Ray got on a yacht (which prob was a chartered fishing boat) at Key West, owned by Capt. Ben Thompson.

-0-

Incidentals: Pierce often flies to New Orleans. He knows Jim Garrison. Pierce and Wilburn may be related.

The murder rifle is still supposed to be stashed in the furnace of the flophouse. The guns were switched. The one found outside ~~XXXXXX~~ Canipe Amusement Co. was not gun actually used. ~~44-1987-Sub E-98500~~

more

44-1987-Sub E-98500-1

...  
The rifle is supposed to be underneath a pile of other stuff in the furnace. The informant says somebody in the rooming house ~~is~~ was supposed to be in on the plot. That would be the guy who lives there and helps keep up the place making beds etc.

Ray may be wearing bifocals now. His white Mustang was never in Memphis. It never left Georgia. Don't know how it got in Capitol Homes public housing development.

C  
O  
P  
Y  
On April 4, Ray made calls to Belle Glade from ~~the~~ from Memphis, a bus station. He used a credit card. The credit card might have been made out to Ridell Catering, subsidiary of U.S. Rubber Corp., Detroit. Or, he might have been made out to one Robert Brinkley. If t'was Ridell, might be a Mr. Ridell who lives in Harper Woods, ~~area~~ a fancy Detroit ~~university~~ suburb.

Some weeks before the assassination, Ray was supposed to have stayed in Belle Glade.

Payoffs: ~~Wilburn~~ Wilburn supposed to hv bn paid off in Reno, at the Cal-Neva Lodge. Someone won \$25,000 the night before at the lodge, and the thought is that the "winnings" were rigged to provide payoff money. Now enters one Charlie Cate, lived in Reno. He's from Tennessee, comes back occasionally to visit. He reportedly knows about the payoff. Ben (@ or maybe Jack) Sturgis of St. Louis was a bartender at Reno and supposed to have come into a lot of money during last few weeks.

Re Sam Lewis (or Louis): He's supposed to hv served time at prisons in Milan, Mich., Chillicothe, Ohio; Terra Haute, Ind. He took bus to ZKnoxville April 5. Then came through Memphis April 7 (day Mrs. King paraded) en route to Los Angeles. He may have stayed in <sup>the</sup>Knoxville with a local fireman, perhaps a company cmdr who is not supposed to be implicated.

TO : File (44-1987)

DATE: 5/17/68

FROM : ASAC C. O. HALTER

SUBJECT: MURKIN

*Sub 4-983*

NICHOLAS A. CHRISS, Houston, Texas representative, "Los Angeles Times," and GEORGE REASONS of the Los Angeles Office of the "Los Angeles Times," contacted me in the Memphis Office the afternoon of 5/17/68.

Mr. CHRISS produced a 2-page memorandum containing information obtained from an informant of the "Los Angeles Times" in Los Angeles. CHRISS permitted his memorandum being copied on the Xerox machine and the copy is being made a part of the Memphis file.

The information furnished by the informant as to the manner in which the murder was committed, information regarding cars used, and the murder weapon is completely contrary to facts developed during the FBI investigation.

Mr. CHRISS stated this information had been made available in Los Angeles to the SAC of the FBI Office and that the boss of Mr. CHRISS in Los Angeles had directed that the information be made available to the FBI in Memphis.

Mr. CHRISS wanted to know if the FBI would keep him informed of the results of checking out the information furnished by the informant and if the information checked out, if the FBI could give him an off-the-record comment to the effect that the FBI might be making a release on the information. CHRISS was most interested in being in a position to publish any information first which might be developed from the information furnished by the "Times" informant.

I made it clear to Messrs. CHRISS and REASONS that I could not make any commitment to them about being able to inform them

concerning results of the investigation conducted by the FBI. I informed them that it is contrary to the policy of this Bureau to make statements concerning results of investigation as a general matter. I reminded these gentlemen of the fact that all statements made regarding this case had originated with the FBI or Attorney General in Washington, D. C.

CHRISS and REASONS stated they would be checking again with this office from time to time to determine whether any information could be released in connection with any action taken by the FBI based upon the information furnished by the "Times" informant.

He stated that he has been employed by the Greyhound Bus Lines, Inc., for approximately 22 years as a bus driver. He stated that he has regularly driven the Nashville to Memphis to Nashville run for Greyhound for the better part of his 22 years with the company.

At this point a photograph of FRANK WILLIAM BRICKLEY, FBI # 197796C, was shown to Mr. FORESTER. He stated that the individual in the photograph looked very familiar to him and that he was fairly certain that he had seen this man, but he could not state when or where he might have seen him. He stated he could not be certain of this and in fact could not be certain if in fact he had ever seen this man, although the photograph looked very familiar to him.

Mr. FORESTER stated that the name FRANK WILLIAM BRICKLEY was not familiar to him and he did not know anyone by this name.

The following investigation was conducted by SA PATRICK A. PHILBIN, at Belle Glade, Florida, May 20, 1968.

WILLIAM LEE PIERCE located at Tru-Flo Pump Company, advised he presently lives in Pahokee, Florida, across from the Farmer's Market on Lewis Friend Highway, but uses P.O. Box 398, Belle Glade, Florida, as his mailing address.

PIERCE advised that he came to Belle Glade as a young man from the area of Uniontown, Pennsylvania, in the early 1930's, and after working hard in construction and other fields became one of the biggest property owners in the area and did construct some apartments known as the Bill Pierce Apartments on Highway 441 in the city limits. He stated just after World War II he and several others cleared out a large field which is now the city airport and that he got into the air taxi and crop dusting business and that he had learned to fly back then but had never gotten a pilot's license. He stated that all of his airplanes were torn up and destroyed in a hurricane about 1949 and that was the end of his venture in this field. He stated that in the 50's he had developed some machinery which wove the fibers of the Rami plant into cloth resembling cotton and was doing an extremely profitable business in Cuba with Batista until Castro took over and put him out of business there. He said his financial statement would have been worth several million dollars at that time but that severe financial losses, poor business operations in construction, etc., cost him almost everything he had. He stated that he had signed a \$350,000 contract with TRUJILLO in the Dominican Republic for his weaving machine and that two days later TRUJILLO was assassinated and that was the end of that.

PIERCE stated that he became involved in several money losing ventures and a shopping center fell through in which he had invested heavily and that friends wanted him to declare bankruptcy but that he had worked hard and had paid off \$27,000 in debts and with the exception of \$125,000 which he owes in Federal Income taxes he is out of debt and plans to work hard and get back on his feet. He stated that at the present time he is completely broke but that he feels he can still make money and will soon have his own welding shop and has plans for the development of various types of machinery.

The following investigation was conducted by  
SA RONALD TODD at Okeechobee, Florida:

On May 18, 1968, GERALDINE BOWLES, Ridge Apartments, Buckhead Ridge, advised that she is the wife of JOHN T. BOWLES. She stated that she recalls that she was at the home of BOWLES' sister, Mrs. CHARLES GRIZZAFFE in Tampa, Florida, the day MARTIN LUTHER KING was killed. She stated that she had gone to Tampa that morning from Okeechobee, Florida for a dental appointment. She made the drive with Mrs. GRIZZAFFE and spent the night at her home. Early the next morning JOHN BOWLES flew from Okeechobee to Tampa and she flew back to Okeechobee with him that morning. She stated that she had not known he had been in Tampa the day KING was killed; however, she stated that they are getting a divorce and she is not aware of all of his activities. She commented that upon returning to Okeechobee on April 5, 1968, she asked his mother if he had been home on the night of April 4, 1968, and his mother stated that he had. She asked his mother this question because she wanted to know if he might have been out with his girl friend, MARY KNIGHT, a barmaid at the Fin and Feather Bar. She commented that nothing has occurred within the past two months that would cause her to believe he might have been involved in the murder of KING. She said she did not believe he could possibly be involved. She added that he has been in the Okeechobee area for the past two months with the exception of the few trips he took over to Tampa.
