PACIFIC TELEPHONE COMPANY OFFICIALS ADVISE THAT LOMAX HAS NOT ASKED FOR ANY CHECK OF TELEPHONE BOOTH IN TEXAS. IT SHOULD BE NOTED THAT CHARLES STEIN, WHOSE INFORMATION FOLLOWS THIS, INDICATES THAT NO PHONE BOOTH WAS LOCATED DURING TRIP.

RE CHARLES STEIN

STEIN INTERVIEWED TODAY STATED HE DID NOT LOCATE PAY PHONE BOOTH USED BY SUBJECT DURING COURSE OF TRIP TO NEW ORLEANS DECEMBER SIXTY SEVEN. STEIN STATED HE RECEIVED NO MONEY FROM ANY NEWSPAPER MEN, INCLUDING LOMAX, ALTHOUGH PROMISED UP TO TWO HUNDRED THOUSAND DOLLARS FOR HIS COOPERATION. STEIN DECLINED TO ADVISE WHO MADE SUCH AN OFFER. STEIN STATED HE HAS BEEN CONNED, DUPED, USED AND BEEN MADE A MARK BY NEWSPAPERS. STEIN ADVISED HE IS PRESNETLY CONFUSED AS TO WHAT ACTUALLY HAPPENED DURING DECEMBER TRIP AND WHAT NEWSPAPERS HAVE SAID HAPPENED.

RE ITEMS IN TRUNK OF MUSTANG

STEIN ADVISED HE CAN NOT REMEMBER ANY POSSESSIONS OF SUBJECT IN MUSTANG OTHER THAN SUIT CASE AND YELLOW BOX. HE STATED SUBJECT PICKED HIM UP AT HOUSE OF SISTER, MARIE LEE, NEW ORLEANS TO BEGIN RETURN TRIP. STEIN ADVISED DECARVELHO AT SISTER'S HOUSE, BUT CANNOT RECOLLECT WHETHER ANYTHING PUT IN TRUNK AT THIS TIME. TRUNK THEN LOADED WITH CARDBOARD BOX AT RESIDENCE OF MOTHER, BUT STEIN ONLY REMEMBERS YELLOW BOX AND SUIT CASE AS BEING IN TRUNK.

CIVIL RIGHTS - CONSPIRACY;  
INTERSTATE FLIGHT - ARMED ROBBERY  
"TEN MOST WANTED FUGITIVES" PROGRAM  
NEWSPAPER MAT

Being forwarded under separate cover is a supply of newspaper mats and proofs for expeditious distribution to all cooperative daily and weekly newspapers in your territory. Additional publications such as shoppers' guides should not be overlooked in obtaining the greatest possible publicity regarding this fugitive.

In most cases, these mats and proofs may be distributed by mail but when circumstances warrant they may be personally delivered by Special Agents. A form letter over the signature of the Special Agent in Charge may be utilized in distributing this material by mail and this letter should point out that the FBI is requesting the aid of the Nation's press in bringing about the prompt apprehension of this badly sought fugitive.

Prompt distribution should be made and additional supplies, if needed, are available at the Bureau. The following number of mats and proofs are being forwarded to your office under separate cover: 100.

As an additional means of securing widespread publicity concerning Ray, offices covering the place of publication of magazines which have previously cooperated in publicizing FBI fugitives should request the assistance of such publications in carrying an article on captioned fugitive. The Bureau press release, copies of which are available in each office, along with a glossy photograph of this fugitive can be furnished. The earliest possible utilization of this material should be encouraged and special attention should be given to publications aimed at minority groups.

SPARKS STATED THAT AS AN "EXTRA", JOHNSON WAS PAID IN CASH ON A DAILY BASIS AND PROBABLY LIVED ON THE TRAIN WITH THE REST OF THE SINGLE MALE EMPLOYEES. SPARKS ADVISED THAT EMPLOYEES HIRED AS EXTRAS ARE NOT INCLUDED ON THE PAYROLL BY NAME BUT ARE LISTED AS EXTRAS ONLY.

BROWN SAID HE HAD HEARD PRISON RUMORS THAT RAY WAS SUPPOSED TO HAVE KILLED THREE NEGROES WHILE IN THE MSP.

BROWN ADVISED THAT SOMETIME DURING THE FALL, NINETEEN SIXTY-THREE, RAY MADE STATEMENT THAT HE WAS GOING TO GET MARTIN LUTHER KING WHEN HE GOT OUT. Re: RAY, James Earl  
#00416-J

Gentlemen:

This 38 year old white male was seen for psychiatric evaluation on December 13, 1966. He was admitted here in March of 1960, to serve a twenty year sentence for armed robbery. This is his first admission to this institution. In 1932, he served a year and one half in an Illinois Penal Institution for robbery and in 1955, he served two and one half years in Leavenworth for transporting stolen goods across the state line.

He is presently charged with an escape attempt in March of 1966 and has recently been returned after an evaluation at the Fulton State Hospital. He has requested an independent psychiatric evaluation following their evaluation. This examiner only recently received this request from the Cole County Circuit Court signed by Judge Riley requesting such an evaluation. However, the inmate expressed his desire to have someone conduct an independent "psychiatric evaluation who was not connected with the administration." We informed him that we would communicate his wishes to the court and possibly someone else might be found.

Ray is an interesting and rather complicated individual. He reports that within the last year, he has had considerable difficulties from a physical point of view, involving a number of somatic complaints such as pain in the "solar plexes," tachycardia and "intracranial tension." When we commented that these were rather large words, he reported that he had been reading up in the medical literature. He then stated that he thought at times that he had cancer or heart trouble but that he no longer feels this way. On certain days, he has rather severe head pains but this is only intermittent. He is now on librium and works intermittently on a construction job.

Ray was born in Alton, Illinois, where his father worked for the railroad. Both parents are now deceased. He has two younger sisters. He reached

44-1987-Sub-A-537A  
~~44-1987-Sub-B-772A~~

the second year in high school, worked eighteen months at the International Shoe Company, entered the service in 1945 and remained there for three years. His highest rank was that of PFC. He has never been married although he has lived for brief periods of time with women. This man's basic problem revolves around what appears to be an increasingly severe obsessive compulsive trend. He states that at the age of ten, he awoke one night and thought he had lost his eye sight. He became quite fearful. These various fears confront him from time to time and in a typical obsessive compulsive way, he feels that he must do certain things in order to undo what he feels is going to occur and might result in harm to him. For instance, he describes a feeling of fear which can be alleviated if he takes his glass of water which he is drinking and sets it on the table and moving it back and forth several times. He also describes at length some rather marked obsessive compulsive features but is reluctant to go into them in detail. Indeed, he just started to discuss this with the people at Fulton prior to his being sent here. He appears worried and his brow is creased. It is evident that this man does have an underlying obsessive compulsive personality. He is of the opinion that his escape attempt was the result of undue anxiety and tension with the need to actually do something. He is fearful that this might lead into more serious difficulties.

At the present time, there is no evidence of delusions, hallucinations or paranoid ideas. There is evidence of a rather deep underlying obsessive compulsive personality trend which he has really never discussed at any length with anyone. This is not psychotic in nature but severely neurotic. Within the last year or so, there is evidence that he has become overly concerned about his physical health and some of his obsessive compulsive concerns have moved in this direction. We would not deny the fact that there may be some physical difficulties although he reports that this was the primary focus of his work-up at the state hospital as well as here and that very little has been found.

At the present time, it is doubtful that he is in a position to be considered for parole. His psychiatric condition must be evaluated by an independent psychiatrist and according to the court, he has the right to have this done. Where they will find this independent psychiatrist is somewhat difficult to determine in this area although they might order him to the University and have it done there. It is felt that he is in need of psychiatric help and that should any serious parole consideration be given, some type of psychiatric help should be considered, that is help, which he can receive on the outside during his parole period. He is becoming increasingly concerned about himself. We question whether or not he is beginning to be a bit depressed although he denies this. We hesitate to go into this to any greater degree at the present time until the court decides what action it will take in regards to assigning an independent psychiatrist for evaluation.

Sincerely yours,

Henry V. Guhleman, Jr., M. D.

Memphis, 4/24/68.

Reairtel contained photo subject, purportedly taken  
by woman in Mexico. This photograph displayed to Birmingham  
witnesses JOHN WEBSTER DE SHAZO, JOHN DENNIS HANNERS, DONALD  
WOODS, U. L. BAKER, PETER CHERPES, WILLIAM DAVID PAISLEY, JR.,  
and HERBERT KELLY on 4/26/68. DE SHAZO stated he thought the  
photo was a good likeness of subject and HANNERS said it  
looked "something like" subject, especially the hairline.  
The remaining witnesses each stated they did not believe  
this was the subject, and could not identify him from this  
photo.

These same witnesses were shown the 1966 Missouri  
prison photo of the subject, and all agreed this was a poor  
photo of the subject as they each did not remember him being  
that thin in the face.

Each witness to date has stated the best likeness  
of the subject is the 1960 Missouri prison profile photo, if  
hair was added.

The following investigation was conducted by  
SA THOMAS H. WEAVER:

AT JEFFERSON CITY, MISSOURI:

On April 29, 1968, a former inmate of the Missouri State Penitentiary advised as follows:

He knew JAMES EARL RAY at the Missouri State Penitentiary (MSP). From his conversations with RAY, he learned that RAY's maximum ambition in life was to make a "score" of about \$20 - \$30,000.00, after which he would go to Mexico to "hide out", living simply on the loot at the favorable Mexican exchange rate. RAY had spoken to him about his previous trips to Mexico, following "two or three" armed robberies, involving small scores, where he would "cool off" and live on beer, beans and milk. RAY spoke of Campeche Bay, near the Yucatan Peninsula, and he spoke of living with peasants on the outskirts of the town of Campeche, Mexico. RAY also spoke of a cheap "red light district" he favored located in the town of Torreon or Torrejon (phonetic), which the former MSP inmate thought was located in north central Mexico. Cost was a factor in anything RAY did, and he apparently lived frugally and budgeted his money carefully.

RAY did not like Negroes in general, but he expressed no particular feeling toward MARTIN LUTHER KING, although he has heard RAY refer to Dr. KING as "MARTIN LUTHER COON". RAY read enthusiastically, especially the weekly news magazines available at the MSP, and he would react in an outspoken manner opposing H. RAP BROWN and STOKELY CARMICHAEL when he read of their activities, as well as in opposition to publicity Dr. KING received in certain instances.

The former MSP inmate never heard of any bounty mentioned with regard to Dr. KING at the MSP or elsewhere. He believes he has heard RAY speculate that there might be some money available through some splinter group for the murder of BROWN or CARMICHAEL, but he never heard him speak in this regard about Dr. KING. RAY did not mention specific groups or any knowledge of any real payoff information. He recalls RAY's telling him, during the time he celled with him, that while he was on the minor construction detail at the MSP, one of the guards referred to the Negro inmates working on the detail as "boy", and the Negroes went on a "sit-down" strike, and induced about two of the white inmates to join their strike, and when one of the Negroes referred to RAY as "gray", he got into a fight with that inmate, although the prison officials never learned of the fight, and the former MSP inmate's knowledge of the fight was as a result of RAY's telling him, and he does not know whether or not it is true.

RAY was a hypochondriac in that he took six or seven different kinds of pills daily, imagining that he had a "cranial depression" and a "rapid palpitation of the heart". He would use former inmate's watch with a second hand and time his pulse. He was able to obtain "pills" from going on sick call as well as through inmate sources in the MSP. The former inmate had some pills he had obtained for treatment of his arthritis, from which he obtained no relief, and RAY took these pills, thinking that he might some day have arthritis, and the pills might ward off future effects of that affliction. He believes RAY was selling amphetamine all the time he was in the MSP, but former inmate does not know his source.

RAY mentioned a traffic for the sale of small appliances in Mexico, due to the tariff Mexicans had to pay for such items they purchased legally, and he spoke of having smuggled such items into Mexico. He said he was acquainted with a man who operated a small scale smuggling business, who lived near the town of Campeche, Mexico. RAY mentioned this man so often that former inmate recalls his name: either MATEO LOPEZ GARCIA or MATEO GARCIA LOPEZ, who apparently had lived for some time in the United States, and who spoke English. He believes this is the man RAY referred

to as the owner of a small fishing boat, and he would smuggle things from Brownsville, Texas, into Mexico through Campeche Bay. He believes RAY made trips on this boat with the man, and apparently Mexican Nationals are not checked upon entering Mexico through Campeche Bay in fishing boats. He does not believe RAY could speak Spanish, other than for basic words for basic needs. He heard RAY mention a brother in St. Louis, Missouri, and he believes some of RAY's trips to Mexico were with either the brother or with someone he had participated in armed robberies with, name not given. RAY indicated he had invested a little money in TV sets and washing machines which were transported to Mexico by his friend with the fishing boat. RAY said he had been to Mexico City "a couple of times", and he apparently liked Mexico City, but said it was a "tourist trap", and he could not afford to stay there.

RAY's only reference to working had to do with past bartending jobs. He believes RAY said he had tended bar somewhere in Peoria, Illinois, and at some other town in southern Illinois, exact location not known. He never mentioned Oregon or Canada, that former inmate recalls.

RAY never mentioned to him his plans for escape or specific plans to hide out any particular place, but his conversation indicated he wanted to "make the one big score" and retire in Mexico. He mentioned that he and another man, name not mentioned, drove to Mexico, apparently Campeche, one time, in an old model Chevrolet, specific routes not mentioned. He does not know how RAY made his other trips to Mexico he claimed to have made. He said that he had lived in a rented three-room shack on the outskirts of Campeche, within walking distance of the town, and from his conversation, former inmate gathered that this was during the late 1950's. RAY said he had been in Arizona before, but he did not mention any of the Mexican-United States Border towns, other than Brownsville, Texas.

He recalls RAY mentioned having watched a "fire dance" done by small Negro boys at a hotel in Acapulco, Mexico. He indicated he had not stayed at the hotel where the performance was, since it was too expensive, but stayed at an unnamed cheaper hotel, and he indicated that live coals
