Specimens received 8/26/68, from FBI, Chicago

Q407 Sheet from rooming house ledger, page 13, bearing on line 24 the signature "John Larry Rayms"

Q408 Registration card, No. 8075, dated 6/18/67, bearing the signature "John L. Rayns"

Result of examination:

It was concluded that JAMES EARL RAY, K171, K211 and K257 prepared the questioned Rayms signature on Q407; the questioned handwriting on Q408 and the questioned handwriting and hand printing on Q406. Although significant similarities were noted in the endorsements on Q398 through Q405, except the

endorsement on Q403, when compared with the known writings of RAY, the presence of unexplained variations, insufficient comparable material and distortion in some of the questioned endorsements precluded a definite determination as to whether RAY prepared the endorsements on Q398 through Q405.

The endorsement on Q403 is too distorted for comparison purposes. Although some similarities were noted in the date on line 24 on Q407 beside the Rayms signature when compared with the comparable writing of RAY, the limited and over-written nature of this date precluded a definite determination as to whether RAY prepared this date.

Q398 through Q408 have been photographed and will be returned to Chicago separately.

The following investigation was conducted by
SA WEETER S. POND:

AT LIBERTY, MISSOURI

On October 2, 1968, R. H. WELLS, jailer, Clay County Jail, Liberty, Missouri, advised that FRED ALEXANDER MICHAELSON desired to talk to an FBI Agent. Several prisoners have commented that MICHAELSON has claimed to be psychic in making predictions of such things as aircraft disasters, but such predictions cannot be made without a ball-point pen. Such pens have not been recently available to MICHAELSON.

On October 2, 1968, FRED ALEXANDER MICHAELSON was interviewed at the Clay County Jail, Liberty, Missouri, and he related the following information:

He has vital information concerning the assassinations of JOHN F. KENNEDY on November 22, 1963, MARTIN LUTHER KING on April 3, 1968, and the subsequent shocking news of ROBERT KENNEDY. His information "goes to the scale of great national importance." He has realized the information has been held too long, but he refused to discuss it any further while confined to the jail. His health has been impaired while in the jail, and efforts have been made without success to get into a Veterans Hospital. MICHAELSON denied using the aforementioned information as an attempt to bargain for his release from the jail but added that he definitely will not discuss the matter while in jail. He will make a full disclosure if and when he is incarcerated in a Federal penitentiary or hospital where he can obtain treatment for his nervous stomach.

MICHAELSON has been confined in jail for more than fourteen months waiting trial, and his arraignment on local charges was about one year ago. He has been charged with the sales and attempted sales of rented automobiles. Delay of his trial on the local charges has been caused by his change of lawyers, two of whom withdrew because of his uncooperative attitude.

A Federal Grand Jury in the District of Kansas, on December 13, 1967, returned a three count Indictment charging MICHAELSON with violations of Title 18, Section 2314, U. S. Code, in connection with interstate forged checks. A Federal detainer was filed on December 26, 1967. His photograph was selected and identified by numerous witnesses as the passer of forged checks, and his fingerprints were identified with latent impressions found on two of the checks described in the Indictment. At the time of his arrest by local authorities, he had possession of the identification used when the forged checks were cashed.

Efforts are being made to have the Office of the United States Attorney, District of Kansas, obtain a writ for MICHAELSON's appearance in Federal Court for a guilty plea.

Kansas City case Agent handling the ITSP investigation will follow this matter and will furnish Memphis with any pertinent information which might be obtained through subsequent interviews with MICHAELSON. Kansas City is taking no immediate action because of MICHAELSON's attitude and inasmuch as he has made claims of being psychic. As indicated in instant report Mr. DUPEPE has located additional motel registrants.

In view of the instructions set forth in re Buairtel 11/14/68 (NO 157-10673-1198) New Orleans is not setting forth leads to interview all the registrants not previously interviewed. However, because of the proximity of certain registrants, i.e., the LARSONs, the SMITHs and QUINN and LACEY, New Orleans has set forth leads to interview them. These interviews should be conducted along the lines set forth in New Orleans airtel 5/7/68. To possibly identify some of the long distance calls shown in this report they should be asked whether they made calls or know anyone who did. Also during the interviews they should be questioned for possible identification of "RAOUL".

Mobile, Omaha and San Diego will submit results of investigation by report rather than insert.

Title: JAMES EARL RAY;
DR. MARTIN LUTHER KING, JR. - VICTIM

Character: CIVIL RIGHTS

Synopsis: Records of Provincial Motel, New Orleans, La., indicate RAY using alias of GALT, stayed at the motel December 17-19, 1967. Data concerning occupants of motel December 14-22, 1967, obtained. It shows RAY as GALT was in Room 126. Prior to RAY occupying Room 126 it was occupied by H. R. QUINN and JOE LACEY, JR., 1211 Westmoreland, Montgomery, Ala., make of car S.W. (probably station wagon), Alabama license 3-2146, 2 in party. While RAY was in Room 126 Mr. and Mrs. DONALD C. (illegible) SMITH, 3319 Dodge Avenue, Sioux City, Iowa, 2 in party, occupied Room 125 which is next to Room 126. Mrs. LOUISE LARSON, 5231 LaJolla Blvd., LaJolla, Calif., 1 in party, registered in Room 126, 12/19/67, after RAY checked out of Room 126. Probably with Mrs. LARSON, occupying a nearby room, were Mr. and Mrs. VIRGIL L. LARSON, 5646 Taft Ave., LaJolla, Calif., 2 in party. It would appear the three LARSONs arrived by taxi rather than personal car. Toll cards December 14-22, 1967, from public phone at Provincial Motel not available. Clerk who registered RAY and owner-operator of laundry and dry cleaning which does work for Provincial Motel interviewed and no additional info obtained.

Date 11/21/68

Mr. BRYAN DUPEPE, Owner Manager, Provincial Motel, 1024 Chartres Street, French Quarter, New Orleans, Louisiana, was contacted concerning guests residing at the motel during the period December 17-19, 1967, which was when JAMES EARL RAY was reportedly registered at the Provincial Motel as ERIC S. GALT, and for guests residing at the motel three days before, i.e., December 14-16, and three days after, i.e., December 20-22, 1967.

After an exhaustive search of motel records, Mr. DUPEPE made available the following work sheets and motel registration cards and long distance phone bills which have been xeroxed and are attached. The originals are being retained in the files of the Memphis Office of the FBI and are to be returned to Mr. DUPEPE after they have served their purpose.

In explanation of the records Mr. DUPEPE furnished the following information:

Each workday has a work sheet. The date is shown at the top, e.g., Thursday, December 14, 1967. The entries on the sheet are made by the morning desk clerk and the afternoon desk clerk. The numbers on top of the sheet, e.g., 36967-36975, are ledger numbers and are used for internal bookkeeping purposes. The other numbers, e.g., X 12, S/O 17, R 8, T 25, mean 12 rooms are ready because the occupants have paid and checked out, 17 persons are staying over, 8 rooms were rented the day in question, and a total of 25 rooms were occupied the day in question.

In further explanation, using the Thursday, December 14, 1967, work sheet as an example, Mr. DUPEPE explained, Room 101 was not rented although as indicated by the circle it was ready for renting. S/O, staying over in Room 102 was TAGLAVORE. Further down in the rooms, room 109 was rented for the first time on December 14, 1967 to JOHNSON. The number 36968, under JOHNSON, means that was his ledger card number. Each guest is assigned a

ledger card whereon are recorded charges for room, food, beverage, valet and phone calls. All the ledger cards for December, 1967, have been destroyed and whatever charges each guest had are unavailable at the motel. All these services are rendered by the motel except valet which is handled by Lee Laundry and Cleaners, 830 Chartres Street. Every two weeks or so this company sends the motel individual slips showing valet work done for the applicable room. These slips are checked against valet slips in the motel and are then destroyed at the motel. Mr. DUPEPE advised he does not know what records Lee Laundry and Cleaners maintain.

As far as telephone calls are concerned local calls are dialed through the switchboard at the motel and the phone company has no record of them. Collect long distance calls going out are not recorded at the motel. Other long distance calls going out and collect calls coming in are paid by the motel and recorded. These are recorded by the switchboard operator at the motel and then checked against the monthly bill submitted by the phone company. The calls for December, 1967, recorded by the motel switchboard operator have been destroyed. Mr. DUPEPE made available the phone bill dated December 19, 1967 which shows long distance calls from November 9, 1967 to December 18, 1967. Page 7 a copy of which is attached shows calls from December 11, 1967 to December 18, 1967 and one for December 3, 1967. Pages 1 and 2 of the following month's bill, dated January 19, 1968, shows calls from December 19, 1967 to part of December 25, 1967 and one for December 8, 1967. Mr. DUPEPE explained occasionally, such as December 8, 1967 in this instance, a call is not recorded in the period of the bill. The check marks against the amounts shows these have been checked against the individual ledgers. Mr. DUPEPE stated from the phone bill he has no way to determine from which rooms the calls were made. The ledger cards, which have been destroyed, would have shown that information.

Further in regard to phone calls, Mr. DUPEPE advised the motel has only one public pay phone. This is located in the motel's outdoor alcove between the office and the swimming pool. The phone number is 523-8802.

The procedure for registering at the motel is as follows, Mr. DUPEPE explained: If a guest has a reservation

NO 157-10673

3

notice of the reservation is kept at the registration desk. At the time the guest comes in the work sheet is consulted and the guest assigned the appropriate room. The guest then normally fills out a registration card. In a rare instance the card is filled out by the clerk. After the card is filled out the reservation notification is generally stapled to the registration card. After it has served its purpose and prior to filing, the reservation notification is taken from the registration card and destroyed. The registration card, copies of which have been xeroxed and are attached, are filed. If the registration card bears the imprint of a staple in all probability that person had a reservation. Generally speaking if the card bears no such imprint chances are the person had no reservation. Mr. DUPEPE explained this is no hard and fast rule because the reservation notification could have been fastened to the registration card by paper clip. Generally written on the bottom of the card is the time or, at least tentative time the registrant will check out.

Concerning the work sheet, taking December 14 again as an example, Mr. DUPEPE stated Rooms 116 and 220 are not rented and the "H" means hold and as indicated they required plumbing work.

Xeroxed and attached are work sheets for December 14, 1967, through December 22, 1967. Motel registration cards which are xeroxed and attached were located for everyone on the work sheets except Room 115 HIGGINS on December 14, 1967, Room 112 FISHER and Room 234 MADDEN on December 21, 1967, and no registration card was found for CRISSEY, Room 212, on December 22, 1967. Information regarding BRANCH and PRUET is set forth herein. Mr. DUPEPE advised in all probability data are misfiled among the various records of the motel.

It is observed there is a registration card for Mr. and Mrs. BARNEY BRANCH, 4334 Stern Avenue, Sherman Oaks, California, 1968 Chevrolet, license US 6320, California; (not too legible), on December 14, 1967, Room 108, but the work sheet shows that room vacant. Written in but erased appears to be BRANT (not too legible) and in all probability they registered and then decided they did not want the room.

NO 157-10673

4

Further in connection with registrations, the work sheet for December 15, 1967 shows one PRUET in Room 217. There is no registration card for him however, which indicates the room was reserved for him but he did not show. Mr. DUPEPE advised there are two PRUETS who occasionally stay at the Provincial Motel. One of them is JIM PRUET, 3130 SW Freeway, Houston, Texas, believed to be in the electronics business. The other PRUET is from Dallas, Texas, and is known as JAMES PRUET. Off hand the address and business connection of JAMES PRUET of Dallas are not available to Mr. DUPEPE.

Specifically in regard to GALT, Mr. DUPEPE advised as follows:

The work sheet for Sunday, December 17, 1967, is where GALT first appears. This is indicated by Room 126. The R, as previously explained, means December 17 is the first day he rented the room. The 2 by his name means either he said he wanted the room for 2 days or that a reservation had come in and that because of the reservation the room would be available only for 2 days. The number under GALT, i.e., 37263, means GALT had a ledger card with that number on it. The ledger card which has been previously explained has been destroyed. Mr. DUPEPE stated from the writing GALT on the work sheet it appears to him that Mr. B. C. DUKE, a clerk at the motel, registered GALT.

In connection with the 2 days as above, the registration card of Mr. and Mrs. VIRGIL L. LARSON, 5646 Taft Avenue, LaJolla, California, 92037, bears the imprint of a staple indicating, according to DUPEPE, they had a reservation for December 19, 1967 as shown on the card. With them was probably Mrs. LOUISE LARSON, 5231 LaJolla Boulevard, LaJolla, California, 92037, who registered in Room 126, December 19, 1967, after GALT checked out of Room 126. The cards indicate the LARSONs arrived by taxi rather than personal car. Mr. and Mrs. LARSON as indicated by the card and work sheets were moved from Room 124 to Room 125 on December 20, 1967, apparently to be next to Mrs. LOUISE LARSON who was in Room 126. Rooms 124 and 125 have a connecting door. Rather than the 3 LARSONs occupying Rooms 124 and 125 it would be \$6 cheaper for Mr. and Mrs. VIRGIL L. LARSON to move into Room 125 instead of Mrs. LOUISE LARSON moving from 126 into 125.

NO 157-10673

5

In connection with the physical layout of the rooms it was observed Room 126 is in the back of the motel and on the first floor. It fronts on the parking area. Room 126 is a two level room 10 feet by 10 feet and has a spiral stairway to an upper bedroom. In other words, it has two beds, one on the first floor and one up the spiral stairway. Next to Room 126 on the first floor is Room 125. Room 125 has one level only and is the only room next to the lower level of Room 126. Next to the upper level of Room 126 is Room 234.

The work sheet for Sunday, December 17, 1967, which indicates GALT checked in that day, shows SMITH was in Room 125 as a stay over. The work sheet for Friday, December 15, 1967 shows SMITH first checked in Room 125 on December 15, 1967. SMITH is last shown on the work sheets on December 19, 1967 which according to DUPEPE means in all probability SMITH checked out on December 20, 1967. It would therefore appear SMITH was next to GALT all the time GALT was in the Provincial Motel, i.e., December 17 - 19, 1967. The registration cards shown SMITH to be Mr. and Mrs. DONALD C. (illegible) SMITH, 3319 Dodge Avenue, Sioux City, Iowa, no car or license indicated.

It is observed that none of the registration cards have anything written on the back of them such as check out time. In connection with times, Mr. DUPEPE explained, the time of registration is not recorded nor is the time of check out. Check out time is 1:00 PM, but occasionally people stay over the check out time so he cannot say exactly when anyone checked out. Mr. DUPEPE advised he previously furnished the FBI the registration card of GALT. From the work sheets, however, particularly since GALT is shown on two days, i.e., December 17 and 18, 1968, and not on December 19, 1968, it would appear he checked out of the motel on December 19 prior to 1:00 PM. The next occupant of this room, Room 126, was Mrs. LOUISE LARSON on December 19, 1967.

As to who was in Room 126 immediately prior to GALT, it is noted this would be nobody as indicated by the work sheet for Saturday, December 16, 1967. QUINN and LACEY and stay over were written on the work sheet for that day for Room 126 but erased. It is observed from the work sheet of Thursday, December 14, 1967, that QUINN and LACEY first

NO 157-10673

6

rented Room 126 that day. The registration card indicates they, however, checked out Saturday, December 16, the day before GALT was assigned Room 126. The registration card shows QUINN and LACEY to be H. R. QUINN and JOE LACEY, JR., 1211 Westmoreland, Montgomery, Alabama, make of car S. W. (probably stationwagon), Alabama license 3-2146.

In regard to Room 234, immediately above GALT's room 126, it is observed from the work sheets that this room was unoccupied Sunday, December 17, 1967, the day GALT checked into Room 126. Work sheets from December 14, 1967 which are attached indicate it was unoccupied from that day on until December 21, 1967 when it was occupied by MADDEN for the first time. No registration card could be located for MADDEN, it apparently having been misfiled according to DUPEPE. Work sheets prior to December 14, 1967, available in Provincial Motel records, i.e., December 13, 1967 back to December 8, 1967 show Room 234 to be unoccupied. Mr. DUPEPE explained from Thanksgiving roughly to the Christmas weekend business is generally slack and for that reason Room 234 was unoccupied as indicated.

In regard to auto parking, the motel has a parking area, which is all open, and which Room 126 fronts. This parking area is free to all guests and guests use it particularly because it is available and parking in the French Quarter, where the Provincial Motel is located, is very limited. Other motels in the immediate area have parking that entails attendants handling the cars.

Mr. DUPEPE advised the name "RAOUL" meant nothing to him.
