The following investigation was conducted by SA DAVID D. THOMAS at Folsom State Penitentiary, Folsom, California, on May 13, 1968:

HAROLD DEAN KLEMP advised he knew JAMES EARL RAY and had met RAY through RAY's crime partner, JAMES "SHORTY" OWENS. He stated that he and OWENS had been cellmates from October, 1961, to December, 1964, at Missouri State Penitentiary (MSP) and that this was the time he had been acquainted with RAY.

KLEMP described RAY as a non-descript person who no one would remember unless one had had direct dealings with him. He said that "when word got around" concerning RAY's abortive attempt to escape from the MSP, the question asked by all the inmates was, "Who is JIMMY RAY".

KLEMP described RAY as a quiet, close-mouthed, even-tempered and self-educated individual who minded his own business. He said RAY's only concern was escape and that he had no interest in problems of the Negro people. KLEMP said as a "for instance", the occasion in which race riots broke out at MSP in an attempt to integrate the prison facilities, KLEMP stated that even though some of RAY's friends were involved, he, RAY, had nothing to do with the disorder and was completely disinterested.

KLEMP stated that RAY's mind was consumed with the idea of escape and that RAY would not, after escaping from prison, be so stupid as to shoot a "big-wig like KING". KLEMP said he did not believe RAY killed KING; that to his knowledge, RAY had no dislike for Negroes.

KLEMP stated further he thought RAY was probably hiding somewhere within the United States although he did remember that RAY and an inmate at MSP, whose name he recalled as EDMUNDSON (phonetic), often discussed escaping to Canada.

his release in April, 1967, he became very friendly with an inmate identified as LEROY MC MANAMAN. MC MANAMAN was originally from western Kansas and was alleged to have bootlegged in Mississippi. According to NISSEN, he and MC MANAMAN worked together in the shoe factory at Leavenworth.

NISSEN said he had previously met MC MANAMAN before going to the penitentiary in Jackson, Mississippi, and he recognized MC MANAMAN again at Leavenworth.

Just before NISSEN was scheduled to be paroled from Leavenworth, MC MANAMAN approached him and stated that he knew NISSEN was going to Atlanta and that he wanted NISSEN to set things up for him.

MC MANAMAN told NISSEN that \$100,000.00 had been offered by the WKKKKOM to be paid to anyone who would kill MARTIN LUTHER KING.

MC MANAMAN allegedly instructed NISSEN to contact a Mrs. (first name unknown) EURE, at the Eure Realty Company, Jackson, Miss. MC MANAMAN claimed Mrs. EURE is listed as a correspondent by him at Leavenworth Penitentiary. According to MC MANAMAN's instructions, NISSEN was to contact Mrs. EURE and ask her when she next writes to MC MANAMAN at the Penitentiary to tell him "DON" had arrived. MC MANAMAN indicated he would write and tell EURE that NISSEN was "O.K."

If NISSEN wanted to try to "pull this" himself, Mrs. EURE would put him in contact with two people identified only as FLOYD (lnu), an Honorary Colonel in the National Guard at Jackson, Miss., and a second person whom NISSEN could not now recall. NISSEN stated that the unidentified person, according to MC MANAMAN had recently been appointed Deputy United States Marshal at Jackson.

JN 157-9586

A review of Leavenworth Penitentiary Parole Progress Report for LEROY BASIL MC MANAMAN dated October, 1966, disclosed MC MANAMAN began his sentence at Leavenworth on January 18, 1963. The offense is listed as receiving and concealing stolen vehicle from interstate commerce. Under the Sentence Captioned there is an entry "Harboring a Fugitive 9 Years". The codefendants were listed as BURTON HARRY HERPEL, RUBIE CHARLES JENKINS and CHARLES E. TESCHER.

The Classification Study Sheet discloses the following description of LEROY BASIL MC MANAMAN:

True Name	<u>LEROY BASIL MC MANAMAN</u>
Aliases	None
Race	White
Date of Birth	<input type="text"/>
Age	At admission, 49 years
Height	5 feet 10 inches
Weight	188 pounds
FBI Number	1244125
Social Security Number	Unknown
Marital Status	Divorced
Education	10th grade
Age at first arrest	20 years

The Arrest Record Sheet in the Classification Study shows MC MANAMAN was arrested 12/22/34, Dodge City, Kansas, for investigation. He has numerous arrest since that time in Kansas, Omaha, Nebraska, Colorado Springs, Colorado, Oklahoma City, Oklahoma, and Springfield, Missouri.

MC MANAMAN is a native of Kansas and has resided in that state most of his life. He has been somewhat nomadic in the past several years, drifting throughout both Kansas and Oklahoma. His last residence was with his parents in Dodge City, Kansas.

JN 157-9586

Under the New Social Information, section it is indicated that MC MANAMAN writes very often to his mother who lives in Dodge City, Kansas. He has a grown son and daughter living in Dodge City and they occasionally bring his mother to the institution to visit him. He is divorced and his former wife never writes. MC MANAMAN has been writing often to a woman friend, SYBIL EURE who lives in Jackson, Mississippi. MC MANAMAN has received seven visits from SYBIL EURE and four visits from his mother and son.

The Penitentiary file indicates MC MANAMAN plans to work with SYBIL EURE in the real estate business in Jackson, Mississippi, upon his release from Leavenworth.

The file further indicates SYBIL EURE shows much interest in assisting MC MANAMAN and there seems some possibility that they may marry in the future.

Upon receiving the information from DONALD JAMES NISSEN concerning the alleged offer of \$100,000.00, Mrs. SYBIL EURE was interviewed at Jackson, Mississippi, on 8/8/67.

At that time Mrs. SYBIL M. EURE advised that she is well acquainted with LEROY MC MANAMAN and frequently corresponds with him at the Leavenworth Penitentiary. She explained that early in 1964 after becoming acquainted with MC MANAMAN she rented a room to him at her residence where MC MANAMAN stayed for a few weeks. As far as she knows this is the only time MC MANAMAN has spent in Mississippi. She does not believe that MC MANAMAN is involved or ever has been involved in any Klan activity or associated with anyone whom she new to be involved in Klan activity and that she has never been involved in any Klan activities herself.

JN 157-9586

She stated that she does not know any of MC MANAMAN's associates, does not know anyone by the name of DONALD JAMES NISSEN, nor has MC MANAMAN ever mentioned NISSEN's name. She does not know of any alleged offer of \$100,000.00 by the WKKKKOM to kill MARTIN LUTHER KING, JR. She has never heard of anything similar to this mentioned and claims not to be involved in any such plot.

She does not know anyone by the name of FLOYD who is a Honorary Colonel in the National Guard or anyone recently appointed as a United States Marshal at Jackson. She stated that her brother's name is FLOYD GARDNER but he is not in the National Guard, not a member of any Klan group, and he does not know MC MANAMAN.

The only person she knows in the United States Marshal's Office at Jackson is CHARLES SUTHERLAND, the Chief Deputy, who is a distant cousin of her former husband, JOHN EURE. She also knows BOB THOMAS, who is associated with the United States Marshal's Office. She considers both SUTHERLAND and THOMAS to be respectable people and she thought most assuredly that they would have no association with any Klan group.

On 5/13/68, Mrs. SYBIL G. EURE, 423 Raymond Road, Jackson, Miss., was reinterviewed.

At the outset she inquired as to the nature of the interview.

It was explained to Mrs. EURE that since the murder of MARTIN LUTHER KING, JR., her past association with MC MANAMAN may be of a more significant nature.

The alleged offer of \$100,000.00 by the WKKKKOM was explained to her again.

Mrs. EURE, who appears to be a reasonably successful business woman, neat in appearance, and well spoken, said she now recalls how this alleged offer all started.

She said she recalls that in 1964 when she first met MC MANAMAN, he was out on some kind of a bond waiting for an appeal. At the same time the murder of the three civil rights workers in Neshoba County, Mississippi, was at the height of publicity. Sheriff RAINEY of Neshoba County was presumed to be, at the time, an official in the Klan in Neshoba County. At least the newspapers, radio and television news stories indicated this much. During the same period her real estate business was in minor financial difficulty and she recalls casually mentioning that if she approached the Sheriff of Neshoba County she could probably get \$100,000.00 to kill KING. She said she now feels in all probability that MC MANAMAN took her casual statement seriously. She said she now realizes the seriousness of such a statement since KING's murder.

Mrs. EURE stated that she is an outspoken business woman and often passes remarks of this nature more to attract some prospective customers than anything else. She said she believes that this is the basis for MC MANAMAN's information concerning the offer of money by the Klan in Mississippi to kill MARTIN LUTHER KING, JR.

In attempting to determine the circumstances concerning her meeting MC MANAMAN in 1964, Mrs. EURE said she met him through a mutual business friend. Her association with MC MANAMAN was business. She said in her opinion MC MANAMAN had a world of knowledge

JN 157-9586

in real estate business and that if he ever gets out of prison she will always be willing to hire him as an assistant in her real estate business.

After his appeal was denied in 1964, MC MANAMAN was returned to Kansas and began serving his sentence. She said she went out to the Penitentiary on two occasions in 1964, the first time to pick up MC MANAMAN's automobile which she financed for him. All other visits, two or three times in 1965 and once in 1966, were just friendly visits. She said the last time she visited him was early in 1966 and that she has not seen him or heard from him since that time. She said as far as she knows he is still in prison.

Mrs. EURE was very apologetic, very cooperative, and stated that she has no information whatsoever concerning the person or persons responsible for the assassination of MARTIN LUTHER KING, JR. If, in the event she receives any information which may be of help in this matter she will immediately contact the FBI.

Mrs. EURE is a white female, approximately 5 feet 9 inches, slender, moderately attractive, approximately 50 years of age.

A further review of the Leavenworth Penitentiary Classification Sheet for MC MANAMAN discloses that his nine year sentence was in an operative status for 375 days due to an appeal. The Classification Study form of MC MANAMAN, Register Number 81371-L indicates that MC MANAMAN was received at Leavenworth Penitentiary in April, 1964 after his appeal had been denied.

The Bureau, through FBI Identification Division records, may wish to compare the records of DONALD JAMES NISSEN, FBI Number 607320A; LEROY BASIL MC MANAMAN, FBI Number 1244125 (as indicated in prison records) with the known arrest record of JAMES EARL RAY to determine if they were ever confined in the same prison at the same time with subject RAY.

JN 157-9586

The above information is being furnished to offices designated for information purposes. No leads are being set out in view of information furnished by Mrs. EURE.
