RE:

1. Further to this sections report dated the 18 APR 68, please be advised of the following:

17 APR 68

2. On the above noted date pictures of Galt were forwarded to this office and to Windsor Detachment by the S.I.I. in Washington. Following their press release a release was also made, on our part, to the C.P.R. and M.C.P. for their information and assistance. Wanted circulars have been circulated to all Detachments and Police forces in this Province by our C.I.S.

18 APR 68

3. On the above date the following information was received from Windsor Detachment: positive identification of Galt was made by Quintal from the photo supplied by the S.I.I. Mr. Quintal was questioned with regards to a telephone in Galt's apt., Quintal advised that there never was a phone in the apartment and that he had to use a pay phone in the hall. The number of this phone is 532-0094. To Quintal's knowledge Galt never received or made any long distance phone calls from the apartment, and only one call was received, this is believed to be local.

4. Further questioning of Quintal revealed that all utilities were paid by the owner of the apartment building. This would exclude the possibility of obtaining any information from the various utilities. A complete report of the info contained in para. 3 and 4 is forthcoming from our Windsor Detachment.

5. Continued investigation in this area netted the following: At Markay Apts. the room which was rented by Galt was checked. There was no phone, nor was there a plug for a phone. This would corroborate Quintal's statement. Attempts were made to interview anyone who resided close to apt. 13. Apt. 17 was empty and there was no sign of anyone having lived there at the same time as Galt. Apartment 17 was occupied only on the 12 APR 67, again this was not during the time Galt was there. Apartment 13 was rented by a person named BUCKLE on the 11 APR 67 to the 15 APR 67. However nothing could be obtained which would lead us to the identity of this person. It is highly unlikely any information could be obtained from this source as he took up residence only 1 week after Galt had disappeared. The only person residing permanently at this apartment building was a Mr. O. Minnall. He is presently residing in apartment 13, as he was when Galt was living there. Minnall was interviewed, however, no information could be obtained.

Martin Luther KING - Murder of

2

It should be noted that Lindall is an elderly gentleman who is hard of hearing and does not mix or associate with other people. He vaguely remembers someone living in the apartment but could not identify Galt or supply any further information.

6. Checks were made at all garages, parking lots, and other places where Galt may have rented space to park his car. Same met with negative results. Cst. Connelie, who canvassed this area, exhibited Galt's photo to all garage owners and parking lot attendants within approximately a four block area with negative results. As there are no dry-cleaning establishments in the immediate area this possibility could not be canvassed. All grocery stores in this area were also canvassed and our subject's photo exhibited to the owners and clerks, however, again no results were obtained. With respect to Galt's vehicle it should be noted that in the area of Harkay Apts. there is almost unlimited street parking and this would eliminate the use of any parking lot.

7. Tip Top Tailors on St-Catherine St. was also approached concerning this matter. The Manager, Mr. Andre Lanthier was interviewed as well as the sales staff and Galt's photo was exhibited to them. Again no results were obtained. Mr. Lanthier was asked if there were any other of their stores in the proximity of Harkay and he advised that the only Branches were at Fairview Shopping Center in Beaconsfield and on Jean Talon in Montreal. A phone check was made to these stores by the Manager with negative results, however, personal patrols to these stores will be made and Galt's photographs exhibited to the Managers and their sales staff.

8. Cst. Cartland interviewed the owner of Harkay Apts., Mr. A. Rothman. From Mr. Rothman the following information was received: he pays all utilities at Harkay Apts. Also there was never a phone in Apt. #18. A lease made out to and signed by Eric C. Galt was also obtained. The lease was dated the 19th day of July 1967 and was made out for the period of time between the 18 JUL 67 and the 18 JAN 68. The lease was made out for the sum of four hundred and fifty dollars, payable in seventy five dollar monthly payments commencing the 18 JUL 68. Also a payment of \$75.00 was made for the period of 18 DEC 67 to 18 JAN 68 which was to be forfeited to the Lessor in the event the lease was broken. According to Rothman the subject, Galt, skipped out on the 2 SEP 67 thereby forfeiting the \$75.00 and also losing part of his monthly rent. The aforementioned was corroborated by Quintal in his interview with our members in Windsor. Mr. Rothman voluntarily handed over the original copy of the lease and same will be retained on our Section's File. Copies of lease are appended hereto. No further information of value could be obtained from Rothman. According to him there were no references or passed addresses or for that fact no information whatsoever given regarding Galt's past.

9. Further to press releases made by the F.B.I. and the composite picture which appeared in the Montreal Gazette on April 13th a Mr. Henri Magnan Jr. contacted this office and claimed he had information which would be of interest to us.

(Cont'd on page 3)

Mr. Magnan, District Sales Manager for Mack Truck Ltd., was interviewed at our office and he supplied the following information: On April the 1st and 2nd a Sales Meeting was held in Allan Town, Pennsylvania. During this convention he met a man named Stanley Segal who is employed by Mack Trucks in Portland, Oregon. According to Magnan this Segal answers to the physical description of Galt and he has the same silly smile. Segal did not strike Magnan as the salesman type as he was not a pleasant or outgoing type. Segal mentioned he had only been with company two months and claimed to have been a seaman prior to this. He stated he lost his boat on a trip to Alaska. Segal during the course of the conversation with Magnan claimed to have friends in the Toronto area however no names were mentioned.

10. As we had no photograph of Galt at the time of the interview Mr. Magnan could not be asked for positive identification. Mr. Magnan is presently in Nassau with his wife and is not expected to return until the first week in May. Upon his return he will be re-interviewed and asked for positive identification of Galt.

11. Investigations in this matter will be continued and a report submitted as soon as any new information is received. Copy sent direct to Windsor Detachment with attachment.

Warrant issued

Witnesses doubt Galt killed King

United Press International

BIRMINGHAM, Ala., April 18 — Murder and conspiracy warrants have been issued for Eric Starvo Galt, a mysterious riverboat cook, merchant seaman and bartender accused in the assassination of Dr. Martin Luther King Jr.

Hunted: This photograph was released in Washington yesterday and identified by the FBI as Eric Starvo Galt. In the original picture, his eyes were closed. An artist painted them in for identification purposes.

The FBI charged Galt and his "alleged brother" in a warrant yesterday with conspiring to injure King, shot to death by a white sniper in Memphis, Tenn., April 4. Memphis police later filed a murder charge against Galt.

The FBI also released a photograph of Galt, 36, described as a "loner" with a "rural quality" in his voice. There was immediate conflict or uncertainty among witnesses who said they had seen Galt.

The picture — which had to have the eyes "opened" by an artist — brought uncertain responses from witnesses who were acquainted with Galt or saw the fleeing sniper.

"Unless he was wearing a wig or had a face lift or something, it's not the man I saw," said Charles Q. Stevens, who lives at the rooming house from which the fatal shot apparently was fired.

"The hair is too full and the face is too young," he said.

A source in Birmingham said the photograph was taken within the last three months, although the FBI did not specify when it was made. The photo was shot in contrast, making hair and features dark.

"It's very near, but I'm not sure," was the reaction of Peter Cherpes, owner of a Birmingham boarding house where an Eric Galt stayed from Aug. 26 to Oct. 7 last year.

"I don't really know," Cherpes said. "It's so hard to tell. His hair seemed to be lighter."

Undecided

The woman who runs the Memphis flophouse from where the killer shot King as the Negro leader stood on his motel balcony also was undecided about the picture. "I just don't know if it's him," said Mrs. Bessie Brewer.

In Atlanta, the cab driver reported driving Galt from a hippie neighborhood the night after King was slain said the FBI photograph "doesn't resemble" his passenger. "The man was younger and had shorter hair and a thinner face," the driver said.

But the FBI insisted the picture was of Galt. "It's him, all right," said Joseph H. Gamble, special agent in charge of the Birmingham FBI office. He said the photograph was taken this year, "in March, I think."

The FBI issued two pictures of Galt, also known as Harvey Lowmyer and John Willard. Galt's eyes were closed in one photo. The other featured eyes sketched in by an FBI artist.

The FBI complaint, filed in Birmingham, charged that Galt and an individual "whom he alleged to be his brother entered into a conspiracy" to harm King, and Galt purchased a rifle in Birmingham about March 30.

More pictures on the search for the slayer of Dr. Martin Luther King will be found on page 55.

KNEW GALT AS STUDENT OF DANCING AND BARTENDING: Kathy Norton, a dance instructor, and Rod Arvidson, manager of a dance school at Long Beach, Calif., look at a picture of Eric Starvo Galt, the man accused of murder and conspiracy in connection with the killing of Dr. Luther King.

They said Galt appeared to be a man of the same name who attended the dance school earlier this year. In photo at right, Tomas R. Lau, director of Los Angeles' International School of Bartending, tells reporters that Eric Starvo Galt was a student at the bartending school and graduated March 2.
