to an existent PAUL EDWARD BRIDGMAN who resides at 80 Cassandra Street, Toronto, and who is a reputable citizen employed as a consultant for the Board of Education.

Interviews of both the real BRIDGMAN and his wife by Royal Canadian Mounted Police (RCMP) officers in Toronto failed to establish any method by which subject obtained the biographic information set forth in his letter to the Bureau of Vital Statistics but both BRIDGMAN and his wife recall having received several telephone calls in early April, which at the time appeared to them to be innocuous, wherein they believed the caller claimed to be a representative of the Canadian Immigration Department and inquired as to whether BRIDGMAN had applied for passport. Both state that they at no time furnished to the unknown caller any information concerning PAUL E. BRIDGMAN's background.

Attachment number one to this insert is a photographic copy of the letter directed by subject to the Bureau of Vital Statistics, Toronto, dated April 10, 1968, requesting the BRIDGMAN birth certificate.

On April 11, 1968, subject, as BRIDGMAN, visited the Arcade Photo Studio, Toronto, and obtained passport size photographs.

On April 16, 1968, subject, as RAMON GEORGE SNEYD, obtained a room at 962 Dundas Street West, Toronto, a second rate rooming house, operated by a Chinese woman named Mrs. Sun Fung LOO.

It appears that he obtained this room as a result of a sign, room for rent, in a front window and he paid one week's rent in advance (\$9.00) with the understanding that he would take occupancy on April 19, 1968.

On April 16, 1968, subject, as RAMON GEORGE SNEYD, visited the Kennedy Travel Bureau, 424 Bloor Street West, Toronto, where he arranged with Miss LILLIAN

BU 44-374

-3-

SPENCER, Manager of that travel bureau office, for a round trip ticket via British Overseas Airline Company (BOAC) from Toronto to London. In connection with arranging this reservation, it was necessary for subject to furnish an Affidavit for a Canadian passport which he did in the name of RAMON GEORGE SNEYD, listing his date of birth as [redacted] and giving his address as 962 Dundas Street, Toronto. In answer to a requirement in connection with the passport application for the name of a sponsor, EARL indicated that he had only been in Toronto for three weeks and had no local sponsor. In answer to the question on the application as to who should be notified in the event of an emergency, EARL listed the name PAUL BRIDGMAN and the address of 102 Ossington Avenue, Toronto.

In answer to Miss SPENCER's request for three passport photographs, RAY furnished to her three copies of the photograph which he had previously obtained from the Arcade Photo Studios on April 11, 1968, under the name of PAUL BRIDGMAN. It is noted, however, that nowhere on the photograph does any name appear.

As a result of a request made by subject at that time, Miss LILLIAN SPENCER obtained through BOAC, reservations for him to travel to London departing from Toronto on May 6, 1968, via BOAC Flight 600 and returning to Toronto on May 21, 1968, via BOAC Flight 601.

Anticipating that it would take approximately ten days to receive the passport, Miss SPENCER suggested that subject return to pick up his ticket and his passport in about ten days.

On April 16, 1968, subject wrote a letter to the Bureau of Vital Statistics, Toronto, requesting birth certificate in the name of RAMON GEORGE SNEYD, listing his date of birth as [redacted] at Toronto, setting forth his father's name as GEORGE SNEYD and his mother's maiden name as GLADYS MAE KILLNER and requesting that it be sent to 962 Dundas Street West, Toronto.

BU 44-374

-4-

A photographic copy of this letter is attachment number 2 to this insert.

It is noted that according to Mrs. FELIKSA SZPAKOWSKA, landlady at 102 Ossington Avenue, Toronto, a letter arrived for subject as PAUL E. BRIDGMAN at the Ossington Avenue address from the Bureau of Vital Statistics, Toronto, several days before he left that address and although she pointed out to him on at least two occasions that the letter was on a table and for him, he never did take possession of it and, therefore, after he departed from the Ossington Avenue address, she returned it to the Bureau of Vital Statistics. On April 17, 1968, Miss LILLIAN SPENCER, Kennedy Travel Bureau, Toronto, addressed a letter to the Canadian Passport Department, Ottawa, forwarding subject's application under the name of RAMON GEORGE SNEYD and enclosing a \$5.00 money order, which is the standard fee for a passport.

On April 19, 1968, subject, as RAMON GEORGE SNEYD, moved into the rooming house at 962 Dundas Street West, had no baggage according to Mrs. Sun Fung LOO, landlady at that address and she did not see him thereafter until April 26, 1968. According to Sun Fung LOO, subject did not appear to make friends with anyone in the rooming house and she had no knowledge as to any employment or other activities on his part.

On April 20, 1968, subject, as RAMON GEORGE SNEYD, listing his address as 962 Dundas, wrote a letter to the Kennedy Travel Bureau informing them that he had to go to Capreal for several weeks on business and would pick up his passport upon his return.

It appears he was referring to Capreol, a small town in northern Ontario. RCMP investigation indicates that subject was not known in that small town nor was there any evidence that he had actually gone there.

Photographic copy of the letter of April 20, 1968, is attached hereto as attachment number 3.

BU 44-374

-5-

With regard to the RAMON GEORGE SNEYD identification used by RAY, commencing approximately April 16, 1968, it is noted that there is an existent RAMON GEORGE SNEYD, a police officer in the Metropolitan Toronto Police Department (MTPD), who has been so employed for over 12 years, who resides at 1731 Victoria Park Avenue, Toronto, and whose biographic background is identical with that furnished by subject when RAY wrote to the Bureau of Vital Statistics at Toronto, on April 16, 1968, requesting a birth certificate in that name. Interviews of the real RAMON GEORGE SNEYD by representatives of both the RCMP and MTPD have failed to establish any information as to how subject obtained the necessary background data to apply for the birth certificate in that name. The real SNEYD has advised that he did not know subject and when shown photographs of him, stated that insofar as he could recall, had never seen him.

Mrs. Sun Fung LOO, landlady at 962 Dundas West, advised during interview that the next contact she had with subject, subsequent to his moving into her rooming house on April 19, 1968, was on April 26, 1968, when he paid her another week's rent in advance and told her that since he had last seen her he had gone back to Montreal.

According to Mrs. Sun Fung LOO, she did not again have any contact with the subject until May 2, 1968, when he again paid her one week's room rent in advance.

On May 2, 1968, RAY, as SNEYD, visited the Kennedy Travel Bureau, Bloor Street, Toronto, and picked up his Canadian Passport and round trip ticket via BOAC to London. It is noted this ticket called for his departure from Toronto on BOAC Flight 600, May 6, 1968, with a schedule of return by BOAC Flight 601 on May 21, 1968.

According to Miss SPENCER, Manager of the Kennedy Travel Bureau, subject paid \$345.00 in Canadian funds for the round trip ticket and during interview,

BU 44-374

-6-

Miss SPENCER was very emphatic that it was Canadian money that he used, pointing out that if it had been American money, she would have become involved in the exchange rate, etc., which she could not possibly have forgotten.

On May 6, 1968, subject, as RAMON GEORGE SNEYD, departed Toronto International Airport via BOAC Flight 600 at 7:00 P.M. for London, England. During interview by RCMP, Mrs. Sun Fung LOO, landlady at 962 Dundas West, advised that not until May 10, 1968, did she realize that subject, as SNEYD, had abandoned his room in her rooming house so that she does not actually know when he left, as she had not seen him subsequent to the occasion on May 2, 1968, when he paid one week's rent in advance.

It is noted that while both landladies and the Manager of the travel bureau in Toronto, as well as the employee at the Arcade Photo Studios, Toronto, all recognized the passport photograph of subject, none could make a positive or even strong identification of any other available photographs of RAY. It is also pointed out that according to RCMP investigation in Toronto, those individuals who had contact with the subject during his stay in Toronto, from April 8, 1968, to May 6, 1968, advised that he wore glasses at all times and none had seen him without them.

One of the suggestions as to how subject got the necessary background data concerning both BRIDGMAN and SNEYD to obtain birth certificates in both names is through a check at the morgue at the local Toronto newspaper or possibly a similar check of newspapers available in the public library. This suggestion was advanced since announcements of births appear in Toronto newspapers, listing in addition to the date of birth, the names of the parents. It is noted that both SNEYD and BRIDGMAN were born within approximately one month of one another, that is [redacted], and [redacted] respectively.

BU 44-374

-7-

The switch from the BRIDGMAN identity to the SNEYD identity in Toronto appears to have possibly been triggered by some suspicion of RAY's that the BRIDGMAN identity was heating up. However, investigation in Toronto, such as a review of MTPD records to ascertain whether BRIDGMAN might have been stopped on a routine or other type check in Toronto, during the time that subject was using that identity, has failed to develop any record of such a check.

No logical explanation has been developed as to why subject, once he decided to abandon the BRIDGMAN identification, continued to reside at the 102 Ossington Avenue West address, particularly, since the landlady at that address had stated that on at least two occasions she called his attention to the fact that there was a letter there for him from the Bureau of Vital Statistics, Toronto, which presumably contained the birth certificate which he had requested.

It is also worthy to note that RAY appeared to have gone through the necessary procedure to obtain the RAMON GEORGE SNEYD birth certificate from the Bureau of Vital Statistics in Toronto, even though it was not necessary in connection with his passport request for his obtaining of passage by BOAC to London. This is evidenced by the fact that his letter applying to the Bureau of Vital Statistics for the SNEYD birth certificate was dated on exactly the same date on which he had arranged, through the Kennedy Travel Bureau, for his Canadian Passport.

Forwarded herewith for the Bureau, Memphis and Legat, Ottawa are two copies each of a memorandum setting forth a brief chronology of subject's activities during his stay in Toronto, insofar as they had been determined as of the date of apprehension in London, England, 6/8/68.

It is noted that ASAC WASON G. CAMPBELL and SA JAMES P. MC MAHON of the Buffalo Office were in Toronto and worked with the Royal Canadian Mounted Police (RCMP) there in the development of this information. The RCMP is still conducting investigation at Toronto in an effort to fill in the gaps in the chronology.

The speculation as to why RAY did certain things in Toronto and how he obtained necessary information to establish his false identities while in Toronto represents the combined thinking of the RCMP personnel in Toronto as well as the Buffalo Bureau representatives who worked on the matter, based upon available information as to his behavior while in Toronto.

It is pointed out that details of the RCMP investigation in Toronto, including interviews, are being prepared by the RCMP and will be submitted in the usual manner, through Legat, Ottawa.

Re Newark teletype to Chicago dated 6/7/68, and Newark teletype to the Bureau, Memphis and Chicago dated 6/9/68.

Enclosed for the Bureau is a form newsletter bearing the heading, "The Royal Bank of Canada Monthly Letter."

For the information of the Bureau, JERRY RAY, subject's brother, was encouraged by Newark PCI MARJORIE LOUISE FETTERS to travel from Chicago, Ill., to Camden, N.J., on 6/5/68, to visit her. This was their first meeting and JERRY RAY performed his travel by plane.

RAY stayed with PCI FETTERS at 2420 Arnold Street, Camden, where PCI FETTERS has a room. The landlady for this room is PCI LILLIAN DICKINSON, who resides at the same location.

On 6/7/68, PCI FETTERS said to SAs JOHN E. COTTO and OLIN E. JESSUP upon his arrival on 6/5/68, JERRY RAY had with him the 5/3/68, issue of "Life" magazine, which contains a cover story re instant matter. He also had a second issue of "Life" which had New York City Mayor JOHN LINDSAY on the cover. That issue contained additional information concerning MURKIN.

Per *Bayer*

NK 44-854

As he unpacked the magazines, JERRY RAY said to PCI FETTERS, "Just between you and me, I saw my brother right after he escaped. We had a meeting place where he would meet on my days off." RAY did not say if these alleged meetings occurred after his escape from prison or after the murder of KING.

JERRY RAY also said he had visited his brother who owns a tavern in St. Louis, Missouri, after the assassination and before his first interview by the FBI. He stated that before the FBI contacted him, he saw the photograph of an individual identified as ERIC STARVO GALT with his eyes closed. He recognized this man as being identical with his brother JAMES EARL RAY.

JERRY RAY said if he told the FBI everything he knows, "with all of their resources" they would be able to "track him down." He stated, "I do not know where he is right now. I do not think I'll ever see him alive again." He explained his brother would probably not permit himself to be captured alive. JERRY RAY added that he did not want the subject apprehended because of the additional bad publicity it would result in for the RAY family. RAY further said he does not refer to the subject since the assassination by his real name but calls him STARVO or GALT. He did not explain why he does this.

RAY also said, "I tell the FBI only enough to keep them off my back."

On 6/5/68, RAY speculated to PCI FETTERS that the subject would probably flee the country to Mexico or Canada. He also said the subject was too hot for him to be in touch with now.

On 6/6/68, PCI FETTERS asked JERRY RAY if his brother shot KING. He replied, "This is his business. I didn't ask him. If I was in his position and had 18 years to serve and someone offered me a lot of money to kill someone I didn't like anyhow and get me out of the country, I'd do it."

Later the same day JERRY RAY commended to PCI FETTERS even if the subject confesses to committing the murder of KING, he, JERRY RAY, would not agree with him. He did not further explain this statement, PCI FETTERS advised.

RAY said he now carries a gun from his room to his car. He keeps the gun in the trunk of his car. When he walks

NK 44-854

to his room from his car, he removes the gun from the car's trunk and takes it with him. He said he carries the weapon for personal protection.

RAY said the subject is a supporter of Presidential Candidate GEORGE WALLACE. He said the subject once drove a man to Alabama from possibly the California area so he could vote for WALLACE. He then identified this man by his photograph which appears in the 5/3/68, issue of "Life." It is noted PCI FETTERS said the magazine states this man's name is CHARLES STEIN. JERRY RAY, according to PCI FETTERS, did not say when the trip to Alabama occurred.

JERRY RAY said he was considering moving his residence again to a place where the press and possibly the FBI would be unaware of. He also said he was thinking of beginning to use the alias of JERRY RYAN. He then displayed a new Illinois driver's license in the name of JERRY RYAN. He said he recently obtained that license for his own use. He did not further explain why he might change his address and begin to use an alias. He did not say he intended to leave his present job.

On 6/7/68, PCI LILLIAN DICKINSON said on 6/6/68, she asked JERRY RAY if he thought his brother shot KING. RAY replied by pointing out if he were in his brother's position of having an 18 year sentence to serve once he was apprehended and someone offered him money to kill someone he did not like and thereafter be able to leave the country, he would do it. RAY further volunteered at this point the subject might have fled to Canada or Mexico. He did not say anything further about where he thought the subject was.

Then PCI DICKINSON asked JERRY RAY where the subject got the money to buy instant white Mustang with. JERRY RAY replied, "They gave him part of the money. He put the money in a safety deposit box, but when he left, he drew it all out. It broke his heart to have to leave the white Mustang."

On 6/9/68, PCI also said on 6/6/68, she recalled RAY commented the subject was paid either \$100,000 or \$500,000. JERRY RAY said this while PCI DICKINSON and he were discussing if the subject killed KING. According to PCI DICKINSON, JERRY RAY did not further explain his comment regarding the \$100,000 or \$500,000 sum. Neither PCI was able to extract a direct statement from JERRY RAY that the subject killed KING.

On 6/9/68, PCI FETTERS said she received a telephone call from JERRY RAY. He said he was calling to alert her, in

NK 44-854

the event she did not know, the subject had been arrested. He also said he did not think the RAY family would have any difficulty obtaining a lawyer to represent the subject because he was certain several good ones would want the job because of the publicity they would receive.

NK 44-854
JEO:lgd

JERRY RAY also told PCI FETTERS he intends to visit the subject with his brother who owns a tavern in St. Louis when the subject is returned to the United States.

PCI FETTERS received the impression from JERRY RAY that he did not know the subject was traveling as he was just before his arrest.

JERRY RAY also said he intends to travel to St. Louis, Missouri to confer with his brother who owns a tavern there within the next week. He said he will do this so he and his brother can agree on how they should handle inquiries from the Press. He said he might consult with an attorney himself so he would not mistakenly say anything in public which might be detrimental to the subject's case.

On 6/10/68, PCI FETTERS advised she received on 6/3/68 an airmail special delivery envelope from JERRY RAY postmarked in Wheeling, Ill., on 6/1/68. The envelope contained a money order from JERRY RAY to MARJORIE FETTERS in the amount of \$40.00. The money order was about 8½" long by 3½" wide. The paper the money order was on was yellow in color and had a white edge. Across the bottom of the face of the money order was "PERSONAL MONEY ORDER" written in black letters. PCI said she could not recall noticing what kind of a money order it was.

PCI FETTERS stated on 6/3/68 she cashed the money order at the First Camden National Bank and Trust Co. bank located in the 2800 block of Mt. Ephraim Ave., Camden, N.J. PCI DICKINSON accompanied FETTERS and put her name and the number of DICKINSON's account at that bank on the money order when it was cashed.

This money order represents one of several instances where JERRY RAY has mailed money orders or cash to PCI FETTERS for her personal use. It is noted for the Bureau's information JERRY RAY is apparently quite fond of PCI FETTERS and this is probably the reason he sends her money.

The money order was enclosed in a four page form-type newsletter bearing the heading of "THE ROYAL BANK OF CANADA MONTHLY NEWSLETTER". Beneath this heading appears the information this newsletter represents Vol. 49, No. 5,

NK 44-854
JEO:lgd

and the organization's head office is in Montreal. The newsletter is for May, 1968, and contains an article entitled "TECHNOLOGY AS A WAY OF LIFE". The article deals generally with the various aspects of technology's affect on contemporary living.

Across the front of the newsletter is written in ink, "Look inside, I am at the post office and didn't have any paper." PCI FETTERS said this is the only message from JERRY RAY which appeared in this piece of correspondence.

PCI FETTERS said she recalled receiving the communication containing the described newsletter after learning the subject had been in Canada prior to his apprehension. She said that JERRY RAY indicated to her during his visit he obtained and sent the money order from the Wheeling, Ill. area.

REQUEST OF THE BUREAU:

The FBI Identification Division is requested to process the enclosed newsletter for latent impressions and compare any of value which are developed with the subject's fingerprints.
