MURKIN.

Enclosed are two Xerox copies of a Barclays Bank slip found in the personal effects of JAMES EARL RAY at the time of his arrest. Inasmuch as information is barely legible on the copies, Bureau will note Memphis has typed in the data on one of the copies.

It appears to Memphis that RAY arrived at Heathrow Airport on May 17, 1968, from Portugal, and by means of this bank slip converted his Portuguese currency into English currency.

The Barclays Bank slip, copy of which was received from Memphis, has been reexamined by Chief Inspector KEN THOMPSON and Sgt. PETER ELLIOTT, New Scotland Yard. Both officers state they remember the slip being in subject's property at the time of his arrest. *M-168A*

Sgt. ELLIOTT checked with Barclays Bank at London Airport on 8/15/68 and the following information is known:

The bank is located in the terminal building opposite the exit for passengers arriving in the country after they have cleared Immigration and Customs.

The primary function of this branch of the bank is to change foreign currency into English currency for travelers arriving in England.

The date stamp on the slip indicates the date of the transaction, which in this case is 5/17/68, the day RAY arrived in England from Lisbon. The word "Europa" on the stamp indicates in which terminal at London Airport the bank is located, Europa being the departure and arrival building for European flights.

The bank personnel state that the slips are always written in long hand and usually they don't bother with name and address except where there is a large amount of money involved. In this instance L84-15-8 is \$213.48, at \$2.40 to the L. Bank personnel state thousands of transactions are conducted daily and they would not be able to recall any particular person or transaction.

RE: HOWARD PHILLIP ETHRIDGE
INFORMATION CONCERNING

On August 15, 1968, Mrs. RACHEL WHITE, South 2503 Teko, Spokane, Washington, and Miss BONNIE LOUISE WHITE, South 1303 Crestline, Spokane, Washington, advised that on August 13, 1968, they were en route from Milton Freewater, Oregon, to Spokane, Washington. Upon leaving Walla Walla, Washington, they observed a young man hitchhiking near the outskirts of town. As it was approximately 11:30 PM, they decided to give the man a ride as they felt sorry for him being out so late hitchhiking. The man gave his name as PHILLIP ETHRIDGE and advised that he was going to Coeur d'Alene, Idaho, to work in a lime plant.

ETHRIDGE got into the back seat of the 1967 Chevrolet two-door hardtop, being driven by RACHEL WHITE. ETHRIDGE sat behind BONNIE WHITE, who was sitting in the passenger side of the front seat.

RACHEL WHITE and BONNIE WHITE advised that approximately three miles from Colfax, Washington, ETHRIDGE said something to the effect that he had a gun pointed at BONNIE WHITE's head and that he was naked and for neither girl to look back or he would shoot. He told RACHEL WHITE to keep driving the vehicle but he did not give any directions. RACHEL advised that as they entered Colfax, Washington, she turned toward Pullman, Washington, instead of turning toward Spokane. She stated that she knew the traffic would be heavier between Colfax and Pullman and there were more farm houses in the event ETHRIDGE left the girls in the country as he was indicating he planned to do. ETHRIDGE assured the girls that he did not intend to molest them but did intend to take their money and their vehicle. RACHEL WHITE and BONNIE WHITE stated that as they proceeded toward Pullman, Washington, ETHRIDGE told them that he had killed two policemen and had wounded other men. He then

RE: HOWARD PHILLIP ETHRIDGE

asked them if they had heard of the KENNEDY assassination and the killing of MARTIN LUTHER KING. The women said that they had and ETHRIDGE told them that he had been in on these killings so he wasn't afraid to use a gun. Both women stated that he did not indicate which KENNEDY he meant but they assumed that he meant the killing of Senator ROBERT KENNEDY due to the fact ETHRIDGE had told them that he was only 19 years of age.

RACHEL WHITE and BONNIE WHITE advised that they thought that ETHRIDGE was not telling the truth when he informed them that he had killed two policemen and had participated in the assassination of KENNEDY and KING. They stated that they got the feeling that he was attempting to frighten them and at the same time to build up his own ego. ETHRIDGE informed them that he did not kill women but instead planned to leave them in the country, and take their money and the 1967 Chevrolet.

ETHRIDGE made RACHEL WHITE turn off the highway on a road leading to Albion, Washington, and proceed down that road until out of sight of the highway. He then ordered both women out of the vehicle and ordered them to completely undress. RACHEL WHITE stated that as she was undressing she noticed that ETHRIDGE had a gun in his hand and did not have a shirt on, although he had a pair of dark trousers on. After having both women undress, ETHRIDGE ordered them to walk down the road to Albion. The women proceeded down the road until out of sight of the car headlights at which time they hid in a side ditch beside the road. A short time later ETHRIDGE drove past them in the vehicle proceeding toward Albion, Washington. The women then proceeded to a nearby farm house where they obtained clothing and notified the Whitman County Sheriff's Office.

ETHRIDGE was arrested on August 14, 1968, during the early morning hours near Lewiston, Idaho, following a high speed chase from Pullman, Washington.

DATE: August 2, 1968

SUBJECT: Citizenship and Passports: Beverley Harcourt Prophet (AKA, John W. Prophet)

REF: Your memorandum of July 24, 1968

DECLASSIFIED

Authority RD 36722

By *[Signature]* Date 10/15/2023

Beverley Harcourt Prophet reported to the Consulate General on August 1, 1968, and voluntarily submitted the two U.S. Passports in his possession. One of which was retained by this office for transmittal to PPT/LAD (see enclosure one).

Mr. Prophet is an interior decorator. He showed the reporting officer:

1. Certificate of Naturalization No. [REDACTED] issued December 1, 1950, via petition No. [REDACTED] by the Superior Court of Alameda County in Oakland, California, in the name of Beverley Harcourt Prophet.
2. State of Florida driver's license No. G-554045 issued in the name of Beverley Harcourt Prophet.
3. Birth Certificate, Province of Ontario, Prophet, Beverley Harcourt, born [REDACTED] in "Orillia, Simcoe Co."; registered Sept. 15, 1936, under number [REDACTED], card issued May 20, 1964. Number on back of card [REDACTED]
4. Social Security Card number [REDACTED] to Beverley Harcourt Prophet.

Mr. Prophet plans to stay in South Africa for anywhere up to five more months. His address in the United States is, and will be, c/o Mr. Joseph Kordsmeier, 1895 Venice Gardens, Miami (north), Florida.

Mr. Prophet has used the names "John", "John B.H." and perhaps "John W." Prophet for business purposes in the United States as he found the name Beverley to be embarrassing and a drawback in his business contacts. He estimates he has been known professionally as "John Prophet" for about twenty years. He has never used this name on a government form, state or national, to the best of his knowledge. He showed the reporting officer a large number of club and credit cards in this name however. He said he was so well known in the area he never had to show a birth certificate etc. to get credit or membership.

Enclosure number two is a report on the passport still in Mr. Prophet's possession. Enclosure number three is a report on the passport returned to PPT/LAD. Visas and other pertinent information are included on these reports.

Mr. Prophet was extremely cooperative and expressed his regrets at the problems he caused the passport office. The Regional Security Officer's interest in the matter was not mentioned to Mr. Prophet nor was the interest of the CID. Of possible interest, however, Mr. Prophet was quite aware that he was being investigated by the CID and also that he looked somewhat like "James Earl Ray". He said the CID were polite to him at all times and he in no way wished to complain about their activities although he was disturbed by them quite a bit.

OPERATIONS MEMORANDUM

TO: Department of State (PPT/LAD) DATE: August 2, 1968
FROM: PSO, AmConGen DURBAN *gsk*
SUBJECT: Citizenship and Passports: Beverley Harcourt Prophet (aka John Prophet
and John W. Prophet)
REF: Your OM to AmConGen, Johannesburg of July 11, 1968 -- referred to
Durban for action by the Regional Security Officer, AmEmbassy PRETORIA

Consulate General Durban herewith returns United States Passport number [REDACTED] issued to Beverley Harcourt Prophet on June 8, 1966, by the Consulate General of the United States of America in Toronto, Canada. Mr. Prophet remains in possession of U.S. Passport number [REDACTED] issued to Beverley Harcourt Prophet on June 1, 1966. The enclosed passport has not been cancelled by the Consulate General as we assume that PPT/LAD will take whatever final action is necessary.

Mr. Prophet apologized for not returning the passport as requested by the Toronto ConGen. He noted it had expired and therefore felt it was unnecessary.

Beverley Harcourt Prophet used the name "John" on other than official government documents for business purposes only. His driver's license - Florida and London - were in his correct name as is his Social Security card. Because people kept mixing Beverley up and thinking he was a she, Mr. Prophet, in his area of business operations, took to using "John". He has not, however, officially changed his name or officially registered his AKA.

A full report on his travels and use of the name "John" is being sent to the Regional Security Officer, American Embassy, Pretoria. It may be noted, however, that Mr. Prophet created no suspicions on the part of the reporting officer.

RE: JAMES EARL RAY • ERIC STARVO GALT.

Your conversation with the writer went the above has reference.

You will recall having drawn attention to an advertisement in the Personal Column of the Johannesburg "Sunday Times" of 19th May, 1968, concerning an American in Durban.

Discreet enquiries elicited the following in regard to the person who placed the advertisement:-

He is one John W. Prophet and he resides at 111, Barle Marais, 542, Point Road, Durban. He is in possession of passport No. [redacted] issued at Toronto, Canada, on 8th June, 1966, by the United States Consul-General there, as well as passport No. [redacted] issued at Miami, Florida, on 1st June, 1966, both passports in favour of Beverley Prophet with the following particulars:-

Date of Birth	:	[redacted]
Place of Birth	:	Canada.
Description	:	6' tall, black hair, hazel eyes.

Both passports are valid to 1st June, 1969, and the holder is described as a tourist. According to the passports, Prophet went to the United Kingdom from Canada and thence to Laurence Marais, where he arrived on 17th January, 1968. He subsequently arrived in Johannesburg on 19th

News media report, that attorneys for James Earl Ray have filed a motion in court at Memphis, Tennessee, that murder charges against Ray be dropped because "pervasive and wide-spread" publicity on the case has ruined chances for a fair trial for Ray anywhere in the United States. The news media also reports that several other motions have been filed in Shelby County Court by Arthur J. Hanes, Jr., including a request for the prosecution to produce all its physical evidence and to drop the second charge against Ray, carrying a dangerous weapon.

Determine if the above is correct, submit to the Bureau copies of available motions. Keep the Bureau advised of court action.

On 9/1/68, WILLIAM BRADFORD HUIE, Author, Hartselle, Alabama, was contacted by SAs WILLIAM H. LEE and STEPHEN L. CRABBE at his home in Hartselle upon his request. HUIE requested that this contact be kept in confidence for reasons depicted in the information furnished. He stated as follows:

While JAMES EARL RAY was incarcerated in London, England, he (HUIE) entered into a contract with RAY to write the true account of RAY's activities and background concerning the assassination of Reverend MARTIN LUTHER KING. This contract is also of interest to RAY's attorney, ART HANES, inasmuch as the cost of the trial, including attorney fees, is dependent upon the commercial success of the contract. HUIE advised that to date he has invested approximately \$20,000 in this venture. He advised that he is in constant contact with RAY through Attorney HANES in the form of written questions and answers by RAY, which includes names of cities, states, places, maps and individuals contacted by RAY, as well as activities from the date of his escape from prison to his apprehension in England.

He stated that to date he has been refused personal contact with RAY by Judge W. PRESTON BATTLE, Trial Judge, State of Tennessee, Memphis. Also, he highly desires obtaining current non-publicized photographs of RAY of character type rather than mug shots or those depicting RAY in manacles.

JAYWALKING

Re telephone call from Bureau Supervisor RICHARD LONG, General Investigative Division, to Buffalo, 8/24/68, during which Supervisor LONG advised that highly confidential information had been received indicating that the subject, JAMES EARL RAY, might have been arrested by the Metropolitan Toronto Police Department in Toronto, Ontario, Canada, during June or July, 1967, on a charge of jaywalking.

On 8/27/68, Inspector RICHARD GIBSON (NA), Head of the Central Identification Division of the Metropolitan Toronto Police Department (MTPD), was requested to make the necessary record checks to determine whether RAY was, in fact, arrested in Toronto for jaywalking, and in connection with this request, was furnished with all known aliases used by RAY in the past.

On 8/28/68, Inspector GIBSON advised that subject, under his true name and all aliases, had been checked through the Central Identification Bureau, the Records and Inquiry Bureau, and the Letter File of the MTPD; and no information was developed indicating an arrest in Toronto at any time under any of RAY's aliases.

In addition, Inspector GIBSON pointed out that it was not the practice of the MTPD to arrest individuals for jaywalking but that on infrequent occasions, a police officer would issue summonses for this offense. Inspector GIBSON had all available records of the MTPD checked regarding summonses issued for jaywalking and determined that no unanswered summonses were on file for the offense of jaywalking in the City of Toronto during the months of June and July of 1967.

Inspector GIBSON pointed out that ordinarily if a person failed to appear in answer to a jaywalking summons, a bench warrant would be issued for his arrest and that the records of the MRPD contained no outstanding warrants based upon this type of violation during the pertinent period.

For the further assistance of the Bureau in connection with Supervisor LOMU's inquiry concerning innocuous calls previously received by the individuals in Toronto whose identities subject assumed while in Toronto during the period from April 8 to May 6, 1968, attention is called to Buffalo airtel to the Bureau dated 6/11/68 with which were forwarded two copies of a memorandum setting forth a chronology of subject's activities while in Toronto insofar as was known at that time and which included specific references to the innocuous calls received by the individuals whose identities RAY assumed. More detailed data concerning these calls was undoubtedly submitted by Legat, Ottawa, since the RCMP in Toronto are known to have prepared a lengthy report for Legat, Ottawa, including that type of information.

The same situation exists insofar as the third point raised by Supervisor LOMU in referenced telephone call, that is, the availability of vital statistics information utilized by RAY in connection with the assumed identities while in Toronto.

RE: HOWARD PHILLIP ETHRIDGE
INFORMATION CONCERNING

On August 16, 1968, Howard Phillip Ethridge, inmate, Whitman County Jail, Colfax, Washington, stated that on August 13, 1968, he was hitchhiking from Walla Walla, Washington, to Coeur d'Alene, Idaho. Ethridge stated that he was picked up by two girls outside Walla Walla, Washington. He stated that near Colfax, Washington, he produced a gun and threatened the two girls. Ethridge stated that he told the girls that he had killed two policemen and wounded other men and that he had also participated in the assassination of Kennedy and the killing of Martin Luther King. Ethridge stated that he made this comment only as a means of scaring the two girls. He stated that he has never harmed anyone and is definitely not capable of killing anyone. He stated that he has no knowledge of the assassination of Kennedy and Martin Luther King other than what he has seen in newspapers. Ethridge stated that he thought that by making such a statement it would frighten the girls into cooperating with his demands and that he made the statement for no other purpose.
