Dear Mr. Hanes;

I was thinking about that long list of witnesses yesterday. It seems most of them resulted from Mr. Hane going to Chicago. Therefore ask him not to go to any of the addresses in Miami until after the trial starts. That way if Clark send a couple division down there it will be too late to put them on the witness list. That part of the story just covers a few days anyhow and is not too important, also if you didn't destroy these papers just send all of them to Jerry. That all for now.

Sincerely,

Submitted herewith for the information and assistance of the Bureau are three items of correspondence. The first is a letter forwarded to JAMES E. RAY from the Chief Clerk of the Bow Street Magistrate's Court at London. The second letter was prepared by JAMES EARL RAY and forwarded to Honorable W. PRESTON BATTLE, Criminal Courts Building, Memphis, Tennessee. The third is from subject RAY to his attorney, ARTHUR HANES,

Of significance, RAY in his letter to HANES requests that Mr. HUIE not go to any of the addresses in Miami until after the trial. In this connection, RAY also states "that part of the story just covers a few days anyhow and is not too important."

The above material is being furnished for the Bureau's information.

BOW STREET MAGISTRATES COURT,  
LONDON, W.C.2

AVM/RH

21st October 1968

Dear Sir,

Your letter addressed to the Chief Magistrate has been passed to me.

With regard to the extradition hearing at this Court, I should first explain that there is no transcript of the complete hearing. The only documents in existence were those sent from America and presented to the Court and the short verbal evidence, including your own, which was taken at this Court, but all those documents at the end of the proceedings were delivered to the Secretary of State. I do, however, understand that copies of the American documents and copies of the evidence given at this Court were in possession of the solicitor who acted for your defence, and I understand that he will be writing to you on the question of sending these to you.

As regards your second question, the assignment of Mr. Eugene, the legal position at the time that you appeared before this Court was that the Court, having granted you legal aid, ~~it~~ then had a duty to assign to you a solicitor from a list which is prepared by the Inner London Quarter Sessions. A defendant is normally asked whether he wishes to choose a solicitor himself from that list, but if he does not know any solicitor and does not wish to make the choice himself, then it is my duty to name a particular solicitor. This is done more or less in rotation down the list, but some special regard is had to extradition proceedings which require the solicitor assigned to have some experience in that field. The firm to which Mr. Eugene belongs, Messrs. Dresden & Co., were such solicitors and accordingly were assigned by the Court. The solicitors were then free to instruct whichever Counsel they chose, and apparently they chose Mr. Frisby. The point I must emphasise is that there was no question of any person recommending the firm of Dresdens. The assignment was in accordance with the normal practice.

Yours faithfully,

*A. M. indham*

Dear Jimmy;

Just a short note to let you know everything is okay, and that i got back okay.

I just got through typing Huey a two page letter, I explained to him everything you asked me to. Expecially about you not wanting anymore deals through the Power of Attorney.

I also asked him to write to you direct, I also explained to him about the Money sisiution.

I tried to call him from Memphis, but couldnt get through because he has a un listed number. I talked to Percy Quinn over the phone before i leftb Memphis, i really had a hard time locating him as he dont have a office plus he dont have a phone in his home, anyway i finally located him through a friend. He said he would be glad to come down and see you plus he will bring along the Attorney from Memphis that helped him in the case that you and i were talking about, the only thing is you have to send him expense money. here is where to write him in case you want to.

Percy Quinn  
P. O. Box 68 Laurel, Miss.

I also called the wallace headquarters up, They asked Me to call them back Friday morning and they throught they could then give me the name of a type of Attorney that we are seeking. So ill call down there tomorrow and find out. Ill call down there day after tomorrow rather as i was thinking today is thursday.

Ill call Foreman up before then, Ill write you friday and let you know what each of them had to say.

When you send that Money, Dont send any for me, as i dont need any, so what ever you send ill mail to Stoner Ill close for now but will write Friday and let you know what i find out.

As Ever

Brother

*Corey Ray*

*PS - ill also try to find out about how to get the power of attorney.*

P.S.

The paper said that the judge gave  
3 or 4 seats to people who are writing  
books, but it didn't give their names.  
When you write to the court clerk ask  
him who the authors names are, I  
suppose someone people that were  
recommended by the Justice Dept.

If you can't get this information let me know  
and I will ask Home about it.

Submitted herewith for the Bureau's information is a letter prepared by subject JAMES EARL RAY to his brother JERRY. It is noted discussion is had in this letter about the number of seats that may be available at the forthcoming trial. The second letter has apparently been prepared by JERRY RAY and is addressed to JAMES EARL RAY. It is noted in this letter that JERRY discusses explaining a number of items to HUEY. It is felt this is a reference to the writer who is preparing a book about instant matter. JERRY also discusses an individual by the name PERCY QUINN in the letter, who reportedly resides at P. O. Box 63, Laurel, Mississippi. Information available to the Memphis Office discloses that a PERCY QUINN in Laurel, Mississippi, is well known as an attorney who has represented various Klansmen in the past. JERRY also indicates he had called the WALLACE Headquarters in an effort apparently to secure an attorney of the type they are both seeking.

This is submitted for the Bureau's information. As additional data becomes available, the Memphis Office will forward same.

Dear Jerry;

I will just write a short note, there was something I forgot to ask you yesterday. The judge has ruled that you as a friend can have a seat in the court at the trial, why don't you write to his court clerk and ask him the details about it, whether you have to use the seat as a friend, I understand to, clerk of the court, Judge W. Preston Battle, Criminal Courts Bldg. Memphis Tenn.

I spent long

time

Let me know if a friend can use the seat when you next. Also how many seats you will get.

*Bureau Instructions Vindict*

Bureau is in receipt of a copy of a letter from James Earl Ray addressed to J. B. Stoner, Savannah, Georgia, as provided to you by the Sheriff of Shelby County, Memphis, Tennessee. This letter is thanking Stoner for coming to Memphis and states that Ray's brother will be in touch with Stoner.

In your teletype of 9/30/68, you advised that in the motion filed by Arthur J. Hanes, Ray's attorney, in Shelby County Criminal Court, Memphis, Tennessee, pertaining to Ray's corresponding with his attorney, Judge W. Preston Battle, ruled that written notes exchanged between Ray and his attorney are privileged; however, the Shelby County Sheriff or his designated agent has the authority to peruse these notes to determine if there is any attempt to breach security of the jail. These notes should not be perused for the purpose of ascertaining the full contents of the messages.

In view of the above order of W. Preston Battle, you should not accept any written communication from the sheriff regarding correspondence between Ray and other individuals. If it is not in violation of the court order you may accept information from the sheriff if he volunteers this information and it is on an oral basis only.

Dear Mr. Huie

In answer to your letter as of Nov-14-1968,  
Because of the recent developments you mention  
in your letter, there will probably be a different  
approach to my trial, However that will be  
entirely up to Mr. Foreman to decide, as for  
any payments not be due me for attorney fees,  
in view of the turn of events I would rather  
you not send any money to anyone including  
my brother Jerry or me. My reason for writing  
Jerry to have some of the payments was in the  
event Mr. Hones withdrew from the case after  
the trial, which he had a right to do under  
the contract, or if I had decided to hire a  
Tennessee attorney in place of Mr. Hones after  
the trial. I have also read an article in  
Sunday's paper where Mr. Hones is negotiating  
with Life magazine to sell the defense file  
he was going to present at my trial, If this is  
so and an agent of Life has confirmed the story,  
it would seem to effect to a considerable degree  
your story. I will pass on to Mr. Foreman  
your letter to me and he will probably write  
you, also it would probably be best for all  
concerned if you should want to correspond  
with me <sup>via</sup> you do so through Mr. Foreman.

Sincerely,

James E. Ray
