

people were in St. Louis, or Phillie, (just that they may have others lined up for us.)

When Seebing was placed in the kitchen, I asked why he was trying to leave: He stated he had life & was playing a hunch, but did not know Ray, had planned to leave.

The above is a true statement made by me on this, 30th day of September 1968.

There has been know threat or promises made to me in this matter what-so-ever. It is of my own free will.

Donald Lee Mitchell

I Donald Lee Mitchell, do hereby swear that the above is true to the best of my knowledge so help me God.
