May 8, 1968

Dear Mr. Hoover,

On April 3rd my son William set out for a hitch-hiking trip to Florida. His aim was to see Ft. Lauderdale. He is a college student at the Univ. of Conn. He visited his Aunt in Lake Alfred a couple of days, Ft. Lauderdale and Miami a couple of days, and then decided to see the Florida Keys. On April 10th he was part way down on the Keys at a place called Marathon. A man picked him up there in an old beat up foreign car. As they jogged along the man told him, William, that he had just got out of jail that morning in Miami and that he had had the car only two hours. He also said he did not have any plans and didn't know what he was going to do at Key West when he got there. As this did not seem very desirable company William asked to be let out at the first traffic light in Key West. That was the last William saw of the man.

The other day we were talking about all this and it occurred to me that this could have been Galt, the man that shot Martin Luther King. William said he could have been in his thirties but otherwise he can't remember what he looked like.

At this late date this may not be any help to you but it was a bit coincidental time wise and thought you should know about it.

Sincerely yours,

Ruth E. Jones
