DATE: 4/15/68

FROM : SA HENRY F. BOLIN, JR.

SUBJECT: MURKIN

A person identifying himself as WILLIE ASHBURN, 402 Madison Street, Franklin, Virginia (phone 562-4622), advised he is employed at the Naval Supply Center (NSC), Building Z-99, on the U. S. Naval Station.

He stated that a white male having a narrow face, 5' plus, 160 pounds, wearing regular driver's clothing with insulated jacket, had some .30 caliber cartridges on the dashboard of his truck and had this date exhibited to some other employees a .30 caliber rifle which he keeps in the cab of that truck.

ASHBURN stated that the truck is presently unloading on the north side of Pier #3 at the NSC, and after unloading at Pier #3, will complete unloading at Building Z-99 this evening. The driver, who, he stated, generally fits the description of UNSUB, is driving a Trans-Cold Express of Texas Meat Packers, having 1968 Texas License Z-40806 on the trailer.

Chief of Police "JAKE" HARDISON, SPF, USNS, was advised of the foregoing; that the driver had a rifle in his possession on the USNS and was requested to obtain identifying data and photographs, if possible, from the driver. HARDISON insured that the driver would not determine the Bureau's interest in this matter.

the sketch of the man who is wanted in the King slaying.

Jacksonville police said Sunday the man was arrested after a resident noted a likeness to a composite picture which appeared in Florida newspapers. This sketch was prepared by a newspaper artist from the description given of the slaying. It was not released — nor endorsed — by the FBI.

Residents of the Memphis rooming house from which King was shot April 4 reported last week that investigators had shown them composite drawings. But they said the sketches were the same — or at least very similar — as those prepared by newspaper artists.

FBI officials rejected reporters' requests for a composite drawing of the man they are seeking in what perhaps is the most massive manhunt of modern times. They refuse to say whether they have prepared such a sketch.

Agents have a good physical description of King's assassin: 30 to 32 years old, 5 feet, 10 inches tall, weighing 165 pounds, with a receding hairline and a long, thin nose.

They also have a good description of the white 1966 Mustang which witnesses said sped away from the Memphis rooming house minutes after King was shot as he stood on a motel balcony 205 feet from the rear of the rooming house.

A white Mustang was impounded Thursday night from an Atlanta parking lot where it had been parked since the morning after King's slaying.

The impounded car bore license tags issued in Birmingham, Ala., to Eric Starvo Galt, 37,

FBI Holds Sketch, Police Say

MEMPHIS (AP)—The FBI is withholding nationwide distribution of a composite drawing of Dr. Martin Luther King Jr.'s assassin, police sources said Sunday.

"They haven't given us anything but a physical description," said one police official. "They aren't handing out pictures of the man. They either don't have a good one, or they're going it alone."

The official asked that his name not be used, citing the FBI's ban on comment about the investigation.

When Jacksonville, Fla., police questioned a Louisville, Ky., man Saturday night about the King slaying — the man since has been cleared of any connection — Police Lt. M.F. Richardson said, "It's a long shot, but he looks too much like

FROM : SA WALTER R. KOBALL

SUBJECT: MURKIN

On 4/16/68 HAROLD WILSON telephoned the Norfolk office of the FBI and identified himself as a member of the faculty at Old Dominion College, Norfolk. WILSON stated that he had been discussing the MARTIN LUTHER KING, Jr. ~~assassin~~ assassination in one of his classes and he arrived at a theory that he thought might be of some assistance to the FBI. WILSON stated that the aliases used by the assassin i.e. WILLARD and GALT, are significant. He explained that the WILLARD HOTEL was prominent in LINCOLN's assassination and the name GALT was a name used by the authoress AYN RAND in her novel "Atlas Shrugged". WILSON stated that at present there is a disciple of AYN RAND named BRANNIGAN (phoenetic) who is organizing "Objectivist Clubs" in the U.S. and that the assassin could be associated with one of these clubs. Information regarding these clubs could be obtained from the cover of a recent printing of one of RAND's books. Objectivism is the philosophy of RAND and followers of it are disenchanted with the present society and are "dropping out" to ~~from~~ ^{form} their own exclusive society.

It is recommended that the above be filed in the MURKIN case file for possible future use. No action is recommended at this time.
