Oklahoma City tel to the Director, 4/19/68.

On 4/26/68, Mrs. DONOVAN B. (NORMAN A.) WOODSIDE, 309
Hawwood Drive, Edmond, Oklahoma, was reinterviewed and IO 4182
displayed to her. Mrs. WOODSIDE said the individual she saw on
American Airlines Flight 338 from Dallas, Texas, to Philadelphia,
Pennsylvania, on 4/5/68, very strongly resembled RAY and she
believes him to be identical with RAY. She stated she first
noticed this individual in the Love Field Terminal, American
Airlines, Waiting Area, a few moments prior to boarding this
flight. Mrs. WOODSIDE said she could not locate her ticket
stub, but believes she occupied seat 14-C, an aisle seat on the
left side of the plane, in the tourist section, and that the above
individual occupied the aisle seat one row up on the right.

Mrs. WOODSIDE said this individual did not get off
the plane when it landed at Friendship Airport in Baltimore, Md.,
did not converse with anyone on the plane, and carried no luggage.

She informed he departed at Philadelphia, Pa., and she lost sight of him when her husband met her at the airport. Mrs. WOODSIDE related her husband is employed by RGA International Service Company, Camden, New Jersey, as Area Manager. He is presently on an assignment in the Azores, but at the time was working out of Camden, N. J. Mrs. WOODSIDE said she made the trip to spend Easter with her husband, and returned to Ewend, Oklahoma, on 4/16/68. Mrs. WOODSIDE stated she did not know any of the people on Flight 336.

Mrs. WOODSIDE said she has made so many trips by air that she now spends her time watching other passengers. She noticed that the above individual was visibly nervous, pulled at both of his ears and his nose and would rub the back of his neck, going from one to the other almost in one motion. She also noticed he had bitten his fingernails up to the quick. He spent some time listening to the radio, using the headset in the seat pocket in front of him and often removed these from his ears only to replace them in a few moments. While waiting for the plane to depart Dallas, he nervously directed his gaze out the window as if looking for someone. Mrs. WOODSIDE said at the time she thought he was afraid to fly, which resulted in his nervous manifestations. He appeared so nervous, Mrs. WOODSIDE said, that she thought he might "pass out."

Mrs. WOODSIDE described the above individual as follows:

Sex	White
Age	35-40
Height	5'10"
Weight	170-180
Hair	Medium brown, worn long with a tendency to have a little wave
Complexion	Medium
Scars and marks	None noted
Peruliarities	Extremely nervous - pulled at both ears, nose and rubbed the back of neck, going from one to the other almost in one motion; bit fingernails up to the quick; nose has slight bump just below eye level which protrudes slightly up and out to both sides of nose.

CC 44-686

Mrs. WOODSIDE requested that her identity be protected and the above information not be attributed to her.

FEDERAL BUREAU OF INVESTIGATION

Date April 9, 1968

On April 6, 1968, Port Authority Police (PAP), La Guardia Airport, Queens, New York, advised they had a suspect in the assassination of Doctor MARTIN LUTHER KING in custody at this airport. PAP advised that the suspect resembled the artist's conception of Dr. KING'S killer which appeared in the April 6th 1968 issue of the New York "Daily News", as well as his physical description.

The suspect was interviewed by Special Agents (SAS) of the Federal Bureau of Investigation (FBI) at La Guardia Airport and identified himself as JACK CUSTAR HAM, 15411 East 41st Street, Independence, Missouri. HAM advised he arrived at the New York airport at 1:00 PM, April 6, 1968, from Washington, D.C. HAM was observed by the interviewing agents to be under the influence of liquor and he admitted that he had been drinking prior to boarding the plane in Washington, D.C.

HAM volunteered to be photographed by PAP. He consented to accompany the SAS to the FBI office in New York City where he also consented to be photographed and fingerprinted. HAM voluntarily stated that he had marital problems and he had been drinking heavily during the week of April 1, 1968. He stated he left his wife in Missouri on approximately March 18, 1968, and went to Dallas, Texas, to seek employment. He returned to Missouri on April 1, 1968, where he was served divorce papers. On April 1, 1968, HAM boarded a plane for Des Moines, Iowa, where he stayed at the Savery Hotel on April 1-2, 1968. HAM admitted he was drinking heavily at this point. On the evening of April 2, 1968, according to HAM, he boarded a flight from Des Moines to return to Dallas, Texas. He stated that because of heavy drinking, he had no recollection of stop-overs enroute to Dallas, but he might have stopped in Nashville, Tennessee, because he recalled seeing a "Jack Daniels" sign at the Nashville airport. He further recalled that he arrived in Dallas on April 3, 1968, where he took a flight to Los Angeles, California. HAM produced a receipt from the Hotel Hacienda, Los Angeles, which disclosed he departed this hotel at 4:00 PM on April 3, 1968. While in Los Angeles, according to HAM, he made application for employment with American Airlines and visited a doctor for a physical examination. The name and address of the doctor could not be recalled by HAM. He stated he returned to Dallas on April 3, 1968.
