A review of indices of the New York Office of the Federal Bureau of Investigation disclosed that one Keith Edward Roberts, date of birth November 1, 1929, at Tortola, British West Indies, had voiced the opinion that Ho Chi Minh of North Vietnam was doing a good job in connection with the war and was minding his own business and not making inquiries concerning happenings taking place in the United States.

Mr. Roberts was then employed as a mail and file clerk at the Brooklyn Army Terminal and used the name Keithley Edwin Roberts. As a result of irrational actions while at work in 1964, he was examined at the United States Public Health Service and it was concluded that he was the subject of [REDACTED], which was no reason for separation [REDACTED] agency would tolerate his behavior.

DATE: 6/6/68

FROM : JAMES G. CLEARY

SUBJECT: MRS. DOROTHEA BARTON.  
INFO CONCERNING (CIVIL RIGHTS).

Mrs. DOROTHEA BARTON, 250 West 104th St., apt. 54, NYC, phone AC 2-4814, telephonically contacted the NY Office 9:33 a.m. instant date, 6/5/68, and advised that she wished to see an Agent at her home as soon as possible. She stated that "I have information about what is going on. I am too upset." She then abruptly terminated the call (or there was some technical disconnect).

A call back to complainant revealed that she had just come from California; that she was refering to the attempted assassination of Senator ROBERT KENNEDY; that the act was perpetrated by a "cult in California"; that she knew about "the King killing"; and that "The UN Building is to be bombed next".

BARTON then stated that she personally has had nothing to do with these incidents but felt that she should now bring her knowledge to light.

Mrs. BARTON was advised that her call and request would receive immediate attention.

### Process of Justice

The arrest in London of a key suspect in the killing of Dr. Martin Luther King hardly closes the case. We have been keenly reminded in recent days that prejudice and reckless rhetoric (such as that of Los Angeles Mayor Yorty in connection with the Kennedy slaying) can be as prejudicial to prosecution as well as inconsistent with the spirit of American law.

But the capture of the fugitive sought for so many weeks should at least allay wild runners that the Justice Dept. had lost interest in the King case, or that there was lack of zeal in the quest. Attorney

General Clark has repeatedly and solemnly vowed his resolve to solve the terrible crime; it is unthinkable that he would have tolerated any laxity or sloth in the pursuit.

In this connection he paid well-deserved tribute yesterday to both the Canadian Mounted Police and Scotland Yard, whose cooperation proved so vital in this phase of the search. We repeat: this is only the first step and a long legal road lies ahead. But the news should at least set to rest some fears and fantasies often cynically fostered and gullibly echoed.

Re JAMES H. ANDERSON

Re New York airtel to the Bureau 6/3/68 (serial 602).

The following is for the completion of the file.

On 6/13/68 Miss Levy, secretary to John J. O'Toole, Security Officer, Diner's Club, 10 Columbus Circle, NYC, made available copies of two charges made to the account of James H. Anderson as follows:

Both charges were made at the Manger Hotel, Bull and Congress Streets, Savannah, Georgia in amounts of \$8.45 and \$19.45 respectively.

It is to be noted that the address for this hotel was furnished by Miss Levy as it is not distinct on the copy. However, from a close examination of the copy, it would appear that the address of the hotel is not Savannah. In view of the fact that subject RAY has been captured, no further action in this matter is recommended.

The copies of the charge tickets have been exhibited in the 1-A section of the file.

Efforts to locate an FNU COLE at 137 North Second Street, Hamilton, Ohio, on 6/22/68, were unproductive.

On 6/24/68, ROBERT CLAYTON COLE was located and interviewed at this address. He furnished the following information:

He is a chronic alcoholic, who receives a \$79 per month pension check from the U. S. Government for a non-service connected injury, and has received this money since approximately 1956 after being discharged from the service due to [REDACTED]. He has not been employed on any regular basis since approximately 1956 and also receives a 100 % disability payment under Social Security since he is unable to work [REDACTED]. He has been in the VA Hospital at Cincinnati, Ohio, on two occasions [REDACTED].

CI 157-1893

Around 12/25/67, he began to drink heavily, and around 1/2/68, after being drunk for approximately 6 days, he went to Cincinnati, Ohio, and obtained a room at the Fort Washington Hotel. He had received his \$79 check from the government on 1/2/68, and after arriving at Cincinnati, he continued to drink heavily at the Bayhorse Tavern. On approximately 1/3/68, he was still drunk and had spent all of his money and spent that night in the Newport, Kentucky Jail in protective custody. He was released on 1/4/68, and again returned to the Bayhorse Tavern where he "bumed" more drinks. He met an FNU MURPHY, whom he had known at the VA Hospital at Chillicothe, and MURPHY invited him to go to Richmond, Virginia, where he knew a woman that would reportedly take care of them.

They left Cincinnati, Ohio, on 1/4/68, in an old white Ford which belonged to MURPHY. It was cold and snowing heavily, and the car's heater was inoperative. When they reached the vicinity of Winchester, Virginia, COLE got out of the vehicle because he was cold. MURPHY continued on towards Richmond in the automobile.

COLE attempted to "bum" whiskey at Winchester, Virginia, but was unsuccessful, and began to hitchhike at the outskirts of town. He was picked up by a white male driving a semi tractor and trailer, which was freshly painted a dark green. This truck had lettering on the cab's doors, but he could recall no further details about the vehicle.

On 1/5/68, he was riding in this vehicle toward Richmond, Virginia, and was asleep. He felt the driver shaking him, and when he was fully awake, he realized that the driver was very upset and was saying "hand me the gun" as he pointed toward a small green overnight bag on the seat of the cab. COLE handed him a nickel plated .45 automatic with black handles, and the driver, who was very upset, stated that he had just seen a car load of Negroes pass the truck and he was going to "get him some nigger bait". The driver calmed down shortly thereafter, and they stopped at a truck stop where COLE attempted to call, on a collect basis, his sister at Hamilton, Ohio, to obtain funds. His sister would not

CI 157-1893

accept the call. The driver of the vehicle stated that he was from California and was going to Jacksonville, Florida.

COLE got out of the truck at the outskirts of Richmond, Virginia, and took a bus to his brother's residence at Highland Springs, Virginia, and there obtained his Social Security check, which was being mailed to him in care of his brother. The following night he was jailed on drunk charges at Richmond, Virginia, and on approximately 1/7/68, returned to the Cincinnati, Ohio, area by train.

In April, 1968, he was [REDACTED], and while there observed photographs of JAMES EARL RAY, which appeared in the Newsweek Magazine. He immediately recognized RAY as the driver of the green truck, with whom he had ridden on approximately 1/5/68.

He obtained his release from [REDACTED] without mentioning this to any officials.

On 6/21 or 22/68, exact date not recalled by COLE, he placed a telephone call to CBS in New York, New York, and told them that he had seen RAY at Winchester, Virginia. He received a telephone call later in the day from CBS, but can recall no further details concerning either of these telephone calls.

On 6/24/68, the files of the Hamilton PD were reviewed, which shows that COLE has had numerous drunk arrests. The files also indicate that he was charged and convicted of resisting arrest in September, 1954. [REDACTED]. On the same date, the files of the Hamilton Credit Bureau and the Butler County SO at Hamilton, Ohio, were reviewed, but no record identifiable with COLE was located.

A review of Cincinnati indices show that COLE has contacted this office on three occasions.

CI 157-1893

In June, 1964, he appeared in a drunken condition at the office in possession of an application, and stated that he wanted to apply for "FBI work." He was immediately rejected as a very undesirable applicant.

On 7/25/66, he again appeared at the Cincinnati Office in a drunken condition, and stated that unless he was locked up for a thirty-day period, [REDACTED] [REDACTED] [REDACTED]. The Cincinnati PD was advised, and he was arrested by them and removed from the office.

On 5/13/68, COLE appeared at the office and again had been drinking prior to his arrival. He talked to the Complaint Clerk, after demanding a sound-proof room for interview purposes, about non-specific information which made little if any sense. When questioned further in an effort to make some sense out of his rambling conversation, he became very belligerent and left the office. He has been recommended for inclusion in the Chronic Complainant Index.

UACB, no further action being taken by Cincinnati.

The following description of COLE was obtained from observation and interview:
