A Xerox copy of each motel registration has been made by the Jackson Division, and copies of these registrations are being maintained in the bulky exhibit file of Jackson File 157-9586.

It is noted on the registrations that there is registration from Saskatchewan, Canada, at the Round-Town Motel, and a registration from Winnipeg, Manitoba, Canada, at the Holiday Inn, during the pertinent period. It is being left to the discretion of Memphis, the Office of Origin, as to whether appropriate LHM should be submitted to the Bureau to have these individuals identified in Canada.

The names of those individuals appearing on the motel registrations who reside within the Jackson Division are being identified through indices check in the Jackson Office and appropriate credit and criminal being conducted within the cities in which they indicate they reside.

LEADS:

ALL RECEIVING OFFICES

All offices receiving copies of this communication will review the FD-302s which they have received for names of those individuals who reside within their respective divisions and will review the names through the appropriate office indices and will identify the individual through appropriate credit and criminal check, and if deemed advisable, will interview the individual if there is a possibility of any association with JAMES EARL RAY.

By airtel dated 4/29/69, PH stated that PH 897-R stated that RAYMOND (LNU) said that BEVEL had been in NY for three weeks.

A lead was set out for NY to locate JAMES BEVEL, and if in a hospital, attempt to determine the reason for hospitalization.

The New York Operation of the SCLC is concerned with fund-raising, and is under the overall supervision of STANLEY LEVISON. NY has maintained close contact with NY 3810-S\*, a source close to STANLEY LEVISON, in an effort to obtain information that JAMES BEVEL is hospitalized in NY. This source has provided no information indicating that BEVEL is in the NY area.

There are over 100 hospitals in the Greater New York area with no central repository of information concerning patients. NY does not plan to canvass hospitals in view of the lack of definite information about BEVEL being hospitalized in NY.

No further action is being taken by NY as to BEVEL.

**Suit by Ray Accuses Three  
Of Violating His Civil Rights**

NASHVILLE, May 22 (AP)—Attorneys for James Earl Ray, who is serving a 99-year sentence for the killing of the Rev. Dr. Martin Luther King Jr., filed an amended suit today charging that Ray's civil rights had been violated by two lawyers and a writer.

The suit was filed in Federal District Court by Ray's lawyers, Robert W. Hill Jr. and J. B. Stoner.

Defendants named were two former attorneys for Ray, Arthur Hanes and Percy Foreman, and William Bradford Huie, who wrote a biography of Ray.

The latest petition charges the defendants entered into a conspiracy to violate Ray's civil rights. The earlier suit charged that the three men profited unduly from publication rights to Ray's story.

The physical make-up of the letter and its wording would lead one to conclude that it was written by someone not in complete control of their mental functions.

At 902 Broadway, NY, NY, in the address telephone book there is listed "Pinaud, Ed, Inc. Cosmetics, SP 7-8200". There are numerous companies at this address with approximately 13 of them having the telephone number SP 7-8200.

The NY indices contain no reference to ED PINAUD.

In view of the above, the NYO is making no further effort to locate and interview ED PINAUD.

JAMES LUTHER BEVEL

The New York Times on March 18, 1969, carried a story concerning an interview of JAMES BEVEL in which BEVEL stated a letter was turned over to the Memphis Police on approximately April 3, 1968, which contained information that Dr. MARTIN LUTHER KING, JR., was to be assassinated while in Memphis.

A source, who has furnished reliable information in the past and who is familiar with Southern Christian Leadership Conference (SCLC) activities in the Philadelphia area, advised in April 1969 that BEVEL was in a mental hospital in New York.

On May 18, 1969, a track meet was held at Villanova University, Villanova, Pa., and the proceeds from the track meet were sent to SCLC.

A second source, who has furnished reliable information in the past, advised he was present with Rev. RALPH ABERNATHY, Director, SCLC, at the track meet. This source advised while with ABERNATHY he met BEVEL at the track meet. Source stated BEVEL was extremely quiet and did not act in his usual manner. Source stated he mentioned this to Rev. ABERNATHY who stated, "BEVEL is in another world." Nothing further was said.

On May 20, 1969, the first source contacted people active in SCLC in Philadelphia and was told BEVEL is no longer in Philadelphia. One person stated "BEVEL is in New York,"

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

TO : SAC, New York (44-1609)

DATE: 6/2/69

FROM : Director, FBI (44-78861)

SUBJECT: MURKIN

Re New York letter to Bureau dated 5/27/69.

Your observations and recommendations in re communication are not sufficient to discontinue efforts to locate and interview Edward Pinaud in order to fully resolve all aspects of this matter. The fact that you are led to the conclusion that a mentally unstable person may have written the letter and the presence of a number of companies at the same address with the same telephone number are not valid reasons in and of themselves for discontinuing efforts to identify and interview writer of letter. Ascertain if there is an individual of that name connected with the Ed Pinaud Cosmetics Company and interview him, or, if no person of such name is associated with the Company, interview appropriate officials including personnel officers and conduct any other such logical inquiries in an effort to identify the writer if possible. Unless some compelling reasons exist to the contrary not known to the Bureau, handle this matter immediately.

You must bear in mind at all times that all leads and information in this case must be thoroughly resolved through logical investigation.

Re New York letter to Bureau dated 5/27/69.

Your observations and recommendations in re communication are not sufficient to discontinue efforts to locate and interview Edward Pinaud in order to fully resolve all aspects of this matter. The fact that you are led to the conclusion that a mentally unstable person may have written the letter and the presence of a number of companies at the same address with the same telephone number are not valid reasons in and of themselves for discontinuing efforts to identify and interview writer of letter. Ascertain if there is an individual of that name connected with the Ed Pinaud Cosmetics Company and interview him, or, if no person of such name is associated with the Company, interview appropriate officials including personnel officers and conduct any other such logical inquiries in an effort to identify the writer if possible. Unless some compelling reasons exist to the contrary not known to the Bureau, handle this matter immediately.

You must bear in mind at all times that all leads and information in this case must be thoroughly resolved through logical investigation.

Advise the Bureau no later than June 9, 1969, of your efforts to resolve this matter.

ReNYlet to Bu, 5/27/69, and Bureau letter to NY,  
6/2/69.

On 6/6/69, Mr. HAROLD RAND, Secretary and Assistant  
Treasurer of the Ed Pinaud, Inc., 902 Broadway, NY, NY, was  
interviewed by SA FRANCIS L. CASHIN.

RAND stated the Ed Pinaud Co. is a very old com-  
pany in France, and that the Ed Pinaud, Inc. in the United  
States is a licensing arrangement with the France Company  
to use the name Ed Pinaud. The United States company pays  
the French company a royalty for the use of the name Ed Pinaud.

There is no such person in the United States company  
by the name of ED PINAUD or EDWARD PINAUD and to RAND's know-  
ledge there never has been. RAND stated that he assumes that  
many years ago there may have been an ED PINAUD with the  
French company.

RAND read the letter sent to the National Radio  
Institute, Washington, D.C., in April, 1969, with the return  
address of EDWARD PINAUD, 902 Broadway, NY, NY.

RAND stated that the hand printing is not familiar to him and that the reference to Dr. MARTIN LUTHER KING does not cause him to think of any person in the company.

RAND knows of no disgruntled employee who would write such a letter and knows of no one who has any association or correspondence with the National Radio Institute.

RAND stated that he knows of no other such letters having been sent to anyone indicating that they were sent from Ed Pinaud, Inc. or EDWARD PINAUD.

Dear Mr. Goldman, there is somewhat of a similarity between Tennessee v. Ray and the above case — the plea of guilty to alleged charges — but not I say that my attorney and I filed a plea of guilty on March 24 a bit naïve, when you "assent" to a plea is normal enough in U.S. Court with a time- and money-saving convenience — that permits authorities to settle far more cases than they are able to trial. Not exactly so, Pete — by reason of the following principles in both cases, Ray and Novis. On the 4th day of July, 1968, I attempted to commit the craft piracy (i.e., the attempted hijacking — a jetliner with 71 passengers aboard) — like in the middle "deal" with the defendant, [pursuant to Fed. R. Crim. P. 171, Federal Rules of Criminal Procedure — which provides for a Pretrial Conference] — not because of any time- and money-saving convenience — but because the thing I was doing was generally because I did not want any of those seventy-one passengers to file a multi-million dollar civil action damages suit against the U.S. Government, as provided for under Title 28, U.S.C. Chap. 171, Sections 1346 and 2671. The majority of this case provided a "flexibility" beyond the normal "routine" of the so-called "top-out".

In the Ray "deal" the same "convenience" applies — but since the apprehension of the defendant in New Mexico two weeks ago 44-1987-Sub M-697 was made will now backfire with the events unfold — with the Ray himself now paid by his attorney to know

"I've got Goldman. There is somewhat of a similarity between Tennessee v. Ray and the above cause - the plea of guilty to alleged charges - but I say that my attorney and I find your claim of March 21 to be naive, when you suggest that a plea is normal enough in U.S. Court authorities to settle far more cases than they go to trial. Not exactly so, Pete - by reason of the following examples in both cases, supra. On the 4th day of July, 1968, I attempted to commit the craft of piracy (i.e., the attempted hijacking of a jetliner with 71 passengers onboard) in the custody of U.S. Government Marshals. The Government made a deal with the defendant pursuant to Fed. R. Crim. P. 17.1, Federal Rules of Criminal Procedure - which provides for a Pretrial Conference - not held at any time - and money was involved. The thing happened normally because I did not want any of those seventy-one persons to file a multi-million dollar lawsuit against the U.S. Government. Chap. 171, Sections 1346 and 2671. The majority of this case provided a "flexibility" toward the normal routine of the so-called "top-out."

Did the Ray deal the same "normal" applies - but since the apprehension of the "G" in New Mexico two weeks ago 44-1987-Sub M-647 was made will now backfire with the events unfold - with the source within the Ray himself was identified by big "I" in the name of the defendant.

On July 25, 1969, C. R. CRANK, JR., Superintendent, Federal Detention Center, Florence, Arizona, made available the attached copy of a letter written by JOHN HAMILTON MORRIS, inmate of that institution to Mr. PETER GOLDMAN, 444 Madison Avenue, New York City, New York. Mr. CRANK pointed out that the significance of this letter was the fact that MORRIS indicated that JAMES EARL RAY had been paid by an individual known as "BIG D". Mr. CRANK advised that MORRIS was received at that institution on July 19, 1969, and was incarcerated there until July 25, 1969.

MORRIS was maintained at that institution as a stop-over while en route from San Francisco, California, to Leavenworth, Kansas. He explained that MORRIS was serving a sentence at U. S. Penitentiary, Leavenworth, and had been removed from that institution to San Francisco, where he was afforded a hearing on a Writ of Habeas Corpus.

Mr. CRANK advised that an information card maintained by that institution on MORRIS indicated that he had been convicted for crimes of bank robbery in 1949, bank robbery in 1969 and aircraft piracy in 1969. His attorney was listed as PAUL L. LARSEN, 309 South Third Street, Las Vegas, Nevada.

Peter Goldman, Senior Editor, Newsweek Magazine, 444 Madison Avenue, New York City furnished the following information to Special Agent O. Eugene Smith on November 3, 1969:

He cannot recall having ever met or having ever received correspondence from a John Hamilton Morris. A review of the files of the Letter Department of the Magazine failed to reveal that he ever received a letter from John Hamilton Morris.

He has never heard of anyone referred to as "Big D" in connection with the James Earl Ray case and he has no knowledge of any statement being made that James Earl Ray was paid by "Big D".

He receives numerous "crank" letters which he deposits in the waste basket. No record is kept of these "crank" letters.

TO : SAC, NEW YORK

DATE: 1/26/70

FROM : *[Signature]* SAC, PHILADELPHIA (44-1368)

SUBJECT: MURKIN

On 1/16/70, Mr. REUBEN R. GORDON, 2675 Ocean Avenue, Brooklyn, N.Y., telephone #SH 3-2175, appeared at this office and furnished the following information:

GORDON advised the purpose of his visit concerned JAMES EARL RAY and that fact that RAY although he had pled guilty to the killing of Reverend MARTIN LUTHER KING, now desired to change his plea.

GORDON said RAY has applied to the State Supreme Court but his application was denied. However, GORDON expects that RAY's attorney will bring the matter to the attention of the U.S. Supreme Court but GORDON fully expects that the motion will also be denied by the U.S. Supreme Court.

GORDON stated his basis for this belief is that the Stalinist and Marxist factions of Communism have infiltrated all Intelligence Agencies and the Department of Justice in America and these agencies will bring force not to have RAY have his say in court.

GORDON then drew inference between the killing of Doctor King by using the killing of President JOHN F. KENNEDY and Senator ROBERT KENNEDY. He also likened this to spy cases involving the Krogens, aka Cohens; BELLA DODD; BELCHERS; BUTENKO and ABLE and COWENS.

GORDON stated he has been openly critical of the Department of Justice in the past and feels that all Intelligence Agencies, including the FBI and CIA should have their say in court to protect themselves and their good name.

He advised that when Mr. VINSON from the Department of Justice went to England to seek the extradition of RAY, he, GORDON, wrote a letter to VINSON in care of Scotland Yard drawing the parallel stated above. However, he never received a reply from VINSON or Scotland Yard, but he did receive a reply from the U.S. Embassy advising him that his information had been furnished to Mr. VINSON.

GORDON was questioned as to whether he had ever visited the FBI Office in New York and he stated he had. However, he said he did not believe he was very well accepted because he believes some of the agents in that office, along with agents in other Government agencies, are controlled by the Mafia.

GORDON stated he is a former school teacher from New York City, presently retired, and that he had been expelled from the Teachers Union because he failed to submit to a physical examination. He later changed his mind and submitted to the examination with the result that the Psychiatrist's report indicated he was paranoid, which he described as his being crazy without his knowing it.

In conclusion, GORDON advised his main purpose in visiting this office was to request that the Director be furnished with the above information in the hope the Director would confer directly with President Nixon and request a Special Commission similar to the Warren Commission he appointed to completely check into the killing of Doctor MARTIN LUTHER KING.

GORDON is described as follows:

Height	5'5"
Weight	165 lbs.
Race	White
Age	About 68
Hair	Black, graying

Philadelphia indices prove negative on GORDON.

GORDON advised the purpose of his visit concerned JAMES EARL RAY and that fact that RAY although he had pled guilty to the killing of Reverend MARTIN LUTHER KING, now desired to change his plea.

GORDON said RAY has applied to the State Supreme Court but his application was denied. However, GORDON expects that RAY's attorney will bring the matter to the attention of the U.S. Supreme Court but GORDON fully expects that the motion will also be denied by the U.S. Supreme Court.

GORDON stated his basis for this belief is that the Stalinist and Marxist factions of Communism have infiltrated all Intelligence Agencies and the Department of Justice in America and these agencies will bring force not to have RAY have his say in court.

GORDON then drew inference between the killing of Doctor King by using the killing of President JOHN F. KENNEDY and Senator ROBERT KENNEDY. He also likened this to spy cases involving the Krogens, aka Cohens; BELLA DODD; BELCHERS; BUTENKO and ABLE and COWENS.

GORDON stated he has been openly critical of the Department of Justice in the past and feels that all Intelligence Agencies, including the FBI and CIA should have their say in court to protect themselves and their good name.

He advised that when Mr. VINSON from the Department of Justice went to England to seek the extradition of RAY, he, GORDON, wrote a letter to VINSON in care of Scotland Yard drawing the parallel stated above. However, he never received a reply from VINSON or Scotland Yard, but he did receive a reply from the U.S. Embassy advising him that his information had been furnished to Mr. VINSON.

GORDON was questioned as to whether he had ever visited the FBI Office in New York and he stated he had. However, he said he did not believe he was very well accepted because he believes some of the agents in that office, along with agents in other Government agencies, are controlled by the Mafia.

GORDON stated he is a former school teacher from New York City, presently retired, and that he had been expelled from the Teachers Union because he failed to submit to a physical examination. He later changed his mind and submitted to the examination with the result that the Psychiatrist's report indicated he was paranoid, which he described as his being crazy without his knowing it.

In conclusion, GORDON advised his main purpose in visiting this office was to request that the Director be furnished with the above information in the hope the Director would confer directly with President Nixon and request a Special Commission similar to the Warren Commission he appointed to completely check into the killing of Doctor MARTIN LUTHER KING.

GORDON is described as follows:

Height	5'5"
Weight	165 lbs.
Race	White
Age	About 68
Hair	Black, graying
