Re Memphis letter dated 1/5/70.

Enclosed herewith for the Bureau are sample handwritings of VICTORIA CRAIG, aka "Yankee". The writing is being forwarded to the Laboratory because of the similarity in handwriting in referenced letter and the handwriting of VICTORIA CRAIG.

VICTORIA CRAIG, 4644 Strable Street, Pennypack Gardens, Pa., is employed at the Western Savings Fund Society, Broad and Chestnut Streets, Philadelphia. Mrs. CRAIG was first contacted by this office on March 29, 1966, when the name VICTORIA CRAIG, 4644 Strable Street, Pennypack Gardens, Philadelphia, Pa., was found in a group of 4"x6" cards maintained in a file card box at "Minutemen" headquarters. At the time she appeared extremely emotionally unstable and claimed she had been a member of various subversive organizations for over 20 years. She said she had been an informant for HERBERT PHILBRICK in these matters.

She said she lived in Arlington, Mass., for most of her life but her husband and she moved to Florida and through some unexplained misfortune they lost their home. She came to Philadelphia about one year before the interview.

At the time of the interview, Mrs. CRAIG carried a large shopping bag with the official letters from prominent personages which included letters from legislatures, RICHARD Cardinal CUSHING of Boston, General WALKER and some letters from "REBEL", whom she identified as HERBERT PHILBRICK.

By letter dated 7/21/65, the Boston Office indicated that Mrs. CRAIG was a notorious letter writer who made generalized allegations of government mishandling and the Communist menace. According to this letter, she is known to use exaggeration, diatribe, and vituperation in her correspondence.

At the time of the interview, Mrs. CRAIG insisted she loved her country and burst into tears at the thought she was being investigated. She insisted the Minutemen were extremely loyal people and that she knew absolutely nothing which she felt might be dangerous in them. Since that time Mrs. CRAIG has forwarded to the Philadelphia Office numerous pamphlets put out by resistance type groups and Quaker groups concerning anti Vietnam war activities. Philadelphia Office accepts information from her but she has never been directed in any way to help the Philadelphia Office.

The Laboratory is requested to compare the handwriting of Mrs. CRAIG with sample handwritings furnished by Memphis. If the Laboratory so desires, they can keep the samples for their records as they need not be returned to Philadelphia.

United States District Judge ROBERT M. McRAE, JR., Memphis, Tenn., made the original items described above available to the Memphis Office, January 2, 1970. Judge McRAE stated that obviously these communications were directed to him as a result of newspaper publicity about his having ruled against JAMES EARL RAY in RAY's suit seeking to void a series of contracts between JAMES EARL RAY and his former attorneys and to forbid publication of certain information in connection with the slaying of Dr. MARTIN LUTHER KING. Judge McRAE gave this ruling in U. S. District Court, Memphis, Tenn., 12/1/69.

Judge McRAE stated he realizes that the contents of the two communications in question do not constitute a violation of any Federal Law and that these communications do not contain threats to do bodily harm. He stated that these communications have been handled by numerous friends and that he wanted to make these communications available to the FBI in view of the fact that perhaps the same anonymous person may have written similar communications to other people connected in some way with this case. Judge McRAE was also of the opinion that the FBI perhaps maintained a file on such anonymous communications. Judge McRAE stated he would abide by any decision the FBI makes in connection with action to be taken on these letters. In summary, he stated his reason for referring the letters to the FBI is merely informative and that he does not desire to know the results of any possible action taken.

REQUEST OF THE BUREAU:

The Laboratory is requested to search the handwriting on the original communications through the Anonymous Letter File.

- L E A D S -

THE PHILADELPHIA DIVISION (INFORMATION)

Copies of this communication and copies of the enclosures described above are being made available to Philadelphia inasmuch as the envelopes bear the Philadelphia postmark and it is possible the same anonymous person may have written other letters to the Philadelphia Office.

RE: JAMES W. MYERS, Wayne, Pa.

On 5/16/69 CHIEF JOHN W. LITZENBERG(NA), Radnor Twp., P. D., Wayne, Pa. advised SA THOMAS F. LEWIS records of that department contained no arrest record for MYERS.

The Chief noted that property records for that township reflect the address 219 South Aberdeen Ave., Wayne, Pa. is owned by the Philadelphia Suburban Water Co., Bryn Mawr, Pa.

The Chief made discreet inquiry among the police officers of that department who advised that MYERS is reliable and stable person who has resided at this residence for at least the past 20 years. He is reportedly employed by Philadelphia Suburban Water Co. in an executive level. He travels a great deal for the company.

On 6/24/69 MR. FLOYD J. KRAFT, Voters Registration Commission, Delaware County Courthouse, Media, Pa. advised SA LEWIS the records of that office reflect MYERS registered to vote in September 1949 from 219 South Aberdeen Ave., Wayne, Pa. and has been listed as a voter from this address since that time. He was born 12/9/03 in Michigan and his occupation is listed as Civil Engineer. He was previously registered to vote in 1937 at Kenoska, Wisconsin.

JAMES LUTHER BEVEL

The New York Times on March 18, 1969, carried a story concerning an interview of JAMES BEVEL in which BEVEL stated a letter was turned over to the Memphis Police on approximately April 3, 1968, which contained information that Dr. MARTIN LUTHER KING, JR., was to be assassinated while in Memphis.

A source, who has furnished reliable information in the past and who is familiar with Southern Christian Leadership Conference (SCLC) activities in the Philadelphia area, advised in April 1969 that BEVEL was in a mental hospital in New York.

On May 18, 1969, a track meet was held at Villanova University, Villanova, Pa., and the proceeds from the track meet were sent to SCLC.

A second source, who has furnished reliable information in the past, advised he was present with Rev. RALPH ABERNATHY, Director, SCLC, at the track meet. This source advised while with ABERNATHY he met BEVEL at the track meet. Source stated BEVEL was extremely quiet and did not act in his usual manner. Source stated he mentioned this to Rev. ABERNATHY who stated, "BEVEL is in another world." Nothing further was said.

On May 20, 1969, the first source contacted people active in SCLC in Philadelphia and was told BEVEL is no longer in Philadelphia. One person stated "BEVEL is in New York."

By airtel dated 5/7/69, copies of which were not furnished the Bureau, the Jackson Office set out leads for those offices to whom copies of this communication are designated. These offices have been requested to interview several hundred persons who spent the night in motels at Corinth, Miss., on or about 4/2/68.

In view of the fact that more than a year has passed since these persons stayed over night at Corinth, and since similar investigation of this type in this case has previously been unproductive, and since HUIE has admitted that RAY frequently is untruthful in statements to him, and further since it is not believed that it is of any particular importance to establish whether or not JAMES EARL RAY stayed over night at Corinth on 4/2/68, all offices will disregard the leads set out in Jackson airtel dated 5/7/69, unless specifically advised by the Bureau to cover same.

By airtel dated 4/29/69, PH stated that PH 897-R stated that RAYMOND (LNU) said that BEVEL had been in NY for three weeks.

A lead was set out for NY to locate JAMES BEVEL, and if in a hospital, attempt to determine the reason for hospitalization.

The New York Operation of the SCLC is concerned with fund-raising, and is under the overall supervision of STANLEY LEVISON. NY has maintained close contact with NY 3810-S*, a source close to STANLEY LEVISON, in an effort to obtain information that JAMES BEVEL is hospitalized in NY. This source has provided no information indicating that BEVEL is in the NY area.

~~SECRET~~

There are over 100 hospitals in the Greater New York area with no central repository of information concerning patients. NY does not plan to canvass hospitals in view of the lack of definite information about BEVEL being hospitalized in NY.

No further action is being taken by NY as to BEVEL.
