RE UNIDENTIFIED DECEASED:

Re Bureau airtel to all offices dated 5/9/68.

Dr. GEOFFREY T. MANN, Chief Medical Examiner, state of Va., Richmond, Va., has advised that to date there is only one (1) unidentified deceased in the Richmond territory of Va., that could possibly be identical with subject RAY. He advised that this body was discovered burned to death in a fire in Alexandria, Va., on 5/1/68, and that although the unidentified deceased appears to be that of a male Negro, the conclusion could not be positive.

Dr. MANN advised that a dental chart of the unidentified deceased is available and that a positive identification or elimination could be made if the dental charts for subject RAY could be made available.

The Bureau is requested to furnish Richmond with dental charts for subject RAY, suitable for identification or elimination purposes, if such charts are available. Richmond will upon receipt of RAY's dental charts, have a comparison made with unknown deceased mentioned above, to determine if identical.

ARMED AND DANGEROUS.

DATE: 5/31/68

FROM : SA WARREN P. DELP

SUBJECT: MURKIN
CR

The following investigation was conducted by SAs
WARREN P. DELP and JOHN WILLIAM DAVIS: on 5/28/68:

Mr. JESSIE W. MC BRIDE, Owner, 12 W. Main St.,
Richmond, Va., advised that he had recently seen several
photographs of JAMES EARL RAY in Newsweek magazine and that
two of these photographs very much resembled an individual
he had recently seen in his restaurant. The photographs which
MC BRIDE thought resembled this individual were both taken
in approximately 1959. MC BRIDE examined a photograph of
RAY taken in Jan. or Feb., 1968 and stated this did not
resemble the individual whom he had referred to as having
been in his restaurant.

HUBERT SMITH, Manager, Milner Hotel, 10 W. Main
St., Richmond, examined the most current photograph of RAY
as well as the photographs which had been in Newsweek
Magazine and stated that none of these photographs were at
all familiar to him.

LLOYD WILLIAMS, Clerk Dispatcher, Employers Overload
Co., 15 W. Main St., Richmond, examined the most recent
photograph of JAMES EARL RAY as well as the photographs
of RAY which appeared in Newsweek Magazine and stated he
was sure he had never seen this individual before.

JAMES EARL RAY CONSIDERED ARMED AND DANGEROUS.

Re Burad, 5/22/68, directing check of all drivers license applications for April and May, 1968, to determine if obtained by subject, and Richmond airtel to Bureau, 5/24/68, advising this check was not economically feasible due to record keeping procedures of Virginia's DMV.

In view of the importance of this matter, DMV officials were re-contacted and have agreed, after further consideration, to make this check for the FBI.

Mr. J. R. WARFIELD, Director, Bureau of Operators License, DMV, Richmond, Va., explained that DMV has just recently converted to data processing and that DMV has numerous projects awaiting programing into this equipment in addition to keeping daily work current.

Through the cooperation and efforts of Mr. WARFIELD and Mr. R. C. MOSCHLER, JR., Director of Data Processing, DMV, they have agreed to suspend DMV programing operations and furnish requested information to this office as soon as current work will permit.

RONALD W. NEWMAN, 8300 15th Avenue, Adelphi, Md., home telephone 434 6078, telephonically advised that he was at the Tyson Restaurant and saw an individual who closely resembled the suspect in this case. He said the individual was buying a take-out order and when the suspect left he did so in a late model Buick Riviera, dark green body with ivory top. The suspect was wearing a light shirt and dark slacks and had medium length hair. The vehicle had no license plate on the front and caller was unable to see the rear of it, nor did he see which direction on Route 7 the suspect went.

This confirms telephonic advice to SA ARNOLD G. SCHULMAN of the Alexandria RA. Richmond attempt to identify.

TO : ALL SENIOR RESIDENT AGENTS

DATE: 5/29/68

FROM : SAC, RICHMOND (44-657)-P-

SUBJECT: MURKIN

Attached for each senior Resident Agent are five (5) copies of IO number 4182 of subject RAY.

The Bureau advised by radiogram, 5/22/68, as follows:

Inasmuch as RAY is known to stay at "flop houses" and lower class rooming houses, all offices will furnish copies of IO regarding RAY to Salvation Army and other charitable type missions. Through the Salvation Army headquarters in Richmond, Va., for this district, RAY's IO has been furnished to all of their mission type institutions in the State of Va.

Inquiry through the State of Va.'s Welfare, Health, and other similar type agencies in Richmond has failed to reveal any listing of other charitable type missions for the State of Va.

Senior RAs will therefore determine and furnish to such charitable type missions located in their respective territories, the IO for RAY.

It has been suggested that this type of institution would probably exist only in the larger cities and that these institutions would be known to the PDs in such cities.

The Bureau has further advised for information and investigative assistance, that subject JAMES EARL RAY has been known to consort with prostitutes and "street bums." A photograph of RAY was obtained from a prostitute in Mexico, which is the photograph publicized of RAY, showing him wearing sunglasses.

The Bureau has instructed that the above should be borne in mind in our daily contact with informants, officers of vice squads, and prostitutes, in covering leads in connection with this and other cases.
