Mrs. MARY WYLIE, 518 Over Ridge, telephone 922-0274, advised that her daughter, MYRTLE BACON, who is employed at Sommer's Drugs, also lives with her at the above address and is the subscriber to telephone number 922-0121. Mrs. WYLIE said that she rents a room in her house to two men named JIMMY TATE and JOHN ZEUTZIUS. She stated that these men have been staying at her house since the first of January, 1968 and, therefore, no one would have occasion to have called them in December, 1967. The roomer staying with Mrs. WYLIE in December, 1967, was a lady named MITCHELL, whose entire name and present address is unknown to her.

Mrs. MYRTLE BACON advised that she believes that she was called from somewhere in the vicinity of Del Rio, Texas, approximately 12/17/67, by her daughter, NORMA SHANNON, who was on her way to Arizona with her husband, JIMMY SHANNON. Mrs. BACON said that she is relatively sure of the date of the call since they arrived in Arizona on 12/19/67.

Mrs. ROBERT E. LEE YOUNG, SR., 748 Linda Lou, telephone 532-3512, advised that she does not know who made a telephone call to her number from Marathon, Texas, on [REDACTED], and that she was relatively sure that she was not even home on that day since it was her mother's birthday and she recalls spending most of that day at her mother's.

Repeated attempts were made to contact A. B. CRAY at 439 Overhill with negative results. A check of the San Antonio City Directory revealed that CRAY is a Specialist at Kelly Air Force Base.

In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

The following investigation was conducted by
SA WILLIAM S. HANSEN.

On 5/14/68 HARVEY PANTEMUEHL, residing Star Route 2, Box 20, New Braunfels, Texas, telephone number 512-964-3382 (Sattler, Texas, exchange), advised that he has no personal recollection regarding a call made to his residence from Houston on or about 12/15/67; however, if such a call was received it was very probably made by the boy friend of his wife's niece, who is currently residing with the family while attending high school in New Braunfels. According to PANTEMUEHL, this girl's boy friend, currently residing in Houston, calls her approximately once a month and is believed to make such calls from a pay station inasmuch as he does not have his own phone. PANTEMUEHL stated that he has no knowledge regarding JAMES EARL RAY and failed to identify photos of RAY.

On 5/15/68 Mr. and Mrs. EUGENE HENDERSON, residing 421 S. Oak Street, Luling, Texas, telephone number 512-875-2730, advised that they have no personal recollection

regarding a telephone call made to their residence from Houston, Texas, on or about 12/17/67; however, it is very probable that if such a call was made it was made by an unknown woman who called sometime during December 1967 from Houston and attempted to interest Mr. and Mrs. HENDERSON in buying aluminum siding for their home. Mr. and Mrs. HENDERSON claimed to have no personal knowledge regarding JAMES EARL RAY and failed to identify photos of him. Mr. HENDERSON volunteered that he had seen photos of JAMES EARL RAY in various newspapers, and in the event any information should ever come to his attention regarding this individual he would immediately contact the FBI.

LEE HARVEY OSWALD

On April 27, 1968, SA T-1 telephonically contacted the San Antonio FBI Office to say that he had information relative to assassins. He did not wish to talk over the telephone and requested an Agent contact him in the lobby of the Gunter Hotel, 205 East Houston Street, San Antonio, Texas.

Upon personal contact, SA T-1 described himself as a rancher specializing in Hereford cattle and as a partner in important developing oil property in Hemphill County, southeast of Canadian, Texas.

SA T-1 and his wife stayed about four months prior to the death of President Kennedy in Dallas, Texas, at the Statler-Hilton Hotel. Learning of the arrival of the President at that time in Dallas, SA T-1 and his wife left town because of expected crowds.

At some time prior to departure from the Statler-Hilton, another guest using the name John Foster engaged SA T-1 in talk from time to time. Foster, who bore a physical resemblance to Ray, principal suspect in the murder of Martin Luther King, showed SA T-1 a deposit slip for \$7,500, explaining to SA T-1 that this was a fee for arranging matters regarding four persons holding cotton land rights benefiting from Billy Sol Estes operations around Pecos, Texas. The money, \$7,500, had been deposited to Foster's account at the bank across the street from the Statler-Hilton.

SA T-1 described John Foster as similar to the description of Ray in this case, but could not be more specific, except to say that Foster had a mannerism of clicking his heels together European or Continental style when being introduced to someone.

Foster told SA T-1 of owning a souped-up P-38 plane with which he could beat Government officials to the Capitol, Washington, D. C., from Dallas.

Foster reportedly attempted to interest another guest of the Statler-Hilton of this period, Michael Stack, and similarly described as to age and appearance as Foster, in a deal whereby with above plane they would transport gold internationally, presumably through Mexico. Foster proposed to pay off Stack for his complicity in gold, according to SA T-1.

During this same period, about four months prior to the death of President Kennedy, Foster and Stack were to be seen in Dallas, as was Jack Ruby. Ruby also about this same time met SA T-1 at the Shamrock Hotel in Houston and then tried to interest SA T-1 in buying an expensive diamond ring.

SA T-1 speculated that the assassination of Kennedy occurring while the above three were frequenting the Statler-Hilton at Dallas might have arisen over complicity between a man like Foster, with his fast plane, and Ruby.

SA T-1 went on to speculate that the Memphis murder of Martin Luther King, having equally high national significance, may have been done through conspiracy involving such as John Foster, described above.

SA T-1 stated that the above vein of thought arose upon seeing present with his wife and family at the Gunter Hotel one Joseph R. Cavagnaro, Sales Manager in Dallas currently of the Statler-Hilton. Cavagnaro, according to SA T-1, was to be seen frequently drinking coffee with John Foster and Michael Stack and would accordingly be able to identify them.

SA T-1 recommended that an Agent make personal contact with Cavagnaro, and not disclose SA T-1's identity, but ask Cavagnaro to identify Foster and Stack, the two having frequented the Statler-Hilton the four months prior to the death of John Kennedy in Dallas.

LEE HARVEY OSWALD

Foster was suspected by SA T-1 of having been possibly implicated in the death of a Government man, an expected witness in the forthcoming Billy Sol Estes prosecutions, based on his seeming willingness to enter dangerous and shady ventures, his fast airplane, and his strange or foreign mannerisms.

Joseph R. Cavagnaro, Sales Manager, Statler-Hilton Hotel, Dallas, Texas, in response to a written note left for him at the Gunter Hotel desk, contacted the San Antonio FBI Office telephonically on April 27, 1968. Mr. Cavagnaro said he was in San Antonio with his wife and children to see Hemisfair. He stated that he did not recognize by name or description either of the persons above named, John Foster or Michael Stack. Mr. Cavagnaro advised that across the street from the Statler-Hilton is the Mercantile Bank of Dallas. None of the circumstances as related by SA T-1 bore resemblance to anything which Mr. Cavagnaro could recall. The identity of SA T-1 was not disclosed to Mr. Cavagnaro, since the former had requested such anonymity.

It is to be noted that James Earl Ray could not be identical with John Foster described by source above inasmuch as Ray was in jail in Missouri in 1963.
