FEDERAL BUREAU OF INVESTIGATION

Date 6/12/68

Mrs. THOMAS C. CUNNINGHAM, 631 Orpheus, was interviewed and furnished the following information:

On May 24, 1968, she departed Heathrow Airport, Slough, England, at approximately 5:00 p.m. on British-European Airways Flight Number 606 for Frankfurt, Germany, for the purpose of visiting her family who resides in the Frankfurt area.

Upon boarding the flight she obtained a seat situated on the left hand side of the airplane on the window side, two rows of seats forward of the wing facing the rear of the plane. Shortly after sitting down, she observed an individual sitting directly across from her who appeared to be identical with the photographs of JAMES EARL RAY as contained in the Blade Tribune Newspaper for the Oceanside-Carlsbad, California, area dated June 10, 1968. Mrs. CUNNINGHAM advised that her seat was facing in the direction of the individual's seat, so that they were facing each other, and consequently she was in a good position to observe him. She further stated that to her knowledge none of the seats on the airplane had been previously assigned to any particular individual.

Shortly after the airplane took off, Mrs. CUNNINGHAM attempted to take a picture of a cloud formation at which time the individual stated to her in words of effect that it would be senseless to take photographs since all she would obtain would be pictures of clouds. Mrs. CUNNINGHAM further advised that later during the flight the individual stated to her that he frequently made the trip by air from Slough, England, to Frankfurt, Germany and was disappointed that the Lufthansa Airlines flight had been discontinued. Mrs. CUNNINGHAM further stated that as the airplane approached Frankfurt, Germany, the individual looked out the airplane window and pointed out the Rhine River and the Autoban from Kaiserslautern, Germany, giving the impression that he was familiar with the area. Mrs. CUNNINGHAM stated that during this conversation with the individual she observed him to possess an "ordinary American accent and not of the rural type." Mrs. CUNNINGHAM advised that the individual was neatly dressed and did not appear to be traveling with anyone else on the flight. She stated that

sitting directly adjacent to the individual was a woman who was apparently English, and who engaged in conversation with the individual. Mrs. CUNNINGHAM furnished the following description of the individual:

Sex	Male
Race	White
Age	Approximately 40
Height	5'6" to 5'8"
Weight	160-170 pounds
Hair	Dark brown, medium length
Eyes	Brown, was wearing dark brown hornrimmed glasses
Build	Medium
Complexion	Medium
Dress	Sport coat, slacks, white shirt and tie. Wrist watch on left hand
Scars, marks and other identifying data	Possessed piercing eyes

Mrs. CUNNINGHAM described the woman sitting adjacent to the individual as follows:

Race	White
Sex	Female
Age	Approximately 43
Hair	Dirty blonde
Eyes	Bluish-grey
Height	5'4"
Weight	170 - 200 lbs
Build	Heavy
Complexion	Fair
Dress	Unable to recall
Scars, marks and other identifying data	English accent

At the request of the interviewing agents Mrs. CUNNINGHAM displayed a British-European Airlines ticket stub which contained form number 06052302116. A review of the ticket stub reflected that she had been issued by British-European Airlines flight from London, England, to Frankfurt,

SD 44-387

Germany, on Flight Number 606. On the ticket stub was contained the inscription "passenger ticket and form number 0602". Mrs. CUNNINGHAM advised that the flight arrived ~~9968894~~ in Frankfurt approximately 40 minutes later at 5:40 p.m.

She stated that after the plane landed she did not observe the individual any more. She stated that she went directly to the airport to obtain her luggage and upon arriving ascertained that the luggage had not yet arrived. She stated that a small group of people were gathered to obtain their luggage and that she did not observe the individual to be in the group. She stated that she feels certain that if the individual were there she would have observed him, thus indicating that he did not have any luggage.

to Seattle after waiving extradition.

Seattle Police Department records showed that LETSINGER gave the address of 133 East Church St., Jacksonville, Florida, was a cook by occupation, attended high school presumably at Ava, Missouri, where a relative, Mrs. TROY STANPER, lived at Rt. 2, Ava, Missouri. It is also noted that he has FBI No. 584742F and his Ident Record shows that he was first arrested on March 1, 1965, by the Commissioner of Police of the Metropolis C-3 Branch, New Scotland Yard, London SWL England, as GEORGE ROBERT LETSINGER, No. 18123, and charged with obtaining credit by means of fraud following which he was fined \$75.

His other arrests related to the aforementioned Seattle charges. The records of the Seattle Police Department reflect that following his return to Seattle, he was given a three-year deferred sentence, served six months in the County Jail and appealed this sentence on July 28, 1966. He was also required to make restitution of \$1,100.

The records of the Superior Court, King County, reflect that a warrant was issued under number B/W 44334 on June 15, 1967, at which time bail of \$3,000 was set and that on September 15, 1967, another warrant was issued for his arrest, which warrant is outstanding.

King County Deputy Prosecutor ROBERT DIXON advised SA DEAN C. ROLSTON on June 12, 1968, that he would extradite GEORGE ROBERT LETSINGER on the above charge. King County Prosecutor's Office will forward warrant if necessary to San Diego and desires report if warrant executed. AUSA CLARK BROWN telephonically advised of above facts.

A check of the records of the Washington State Parole Board reflected that a case had been pending against GEORGE ROBERT LETSINGER based on a bench warrant issued September 1, 1967; however, the file was closed inasmuch as LETSINGER's whereabouts is unknown.

The name GEORGE ANDERSON has been checked against the Seattle Indices, Seattle Credit Bureau, Seattle Police Department and King County Sheriff's Office; however, it is impossible to identify any particular GEORGE ANDERSON in view of the many such names listed and the fact that there is no identifying data concerning him.

SE 44-371

The above information has been telephonically furnished to the San Diego Office to SA ARNOLD W. O'BRIEN on June 12, 1968, by SA DEAN C. ROLSTON.

There is being forwarded to the San Diego Office three copies of the Seattle Police Department arrest record, one copy of FBI Identification Record under number 584742F and a photograph of GEORGE ROBERT LETSINGER.

GEORGE ROBERT LETSINGER

On June 11, 1968, Mr. JOSEPH PORROR, Assistant Postmaster, Main Post Office, San Diego, California, advised as follows:

Found on the incoming mail belt was a piece of paper not in an envelope written in green ink which was addressed to "Post Office Post Master". This note reads as follows:

"If the F.B.I. wants Ray's buddy go to 124 Broadway Metropole Hotel room 117. He may be under the name Geore Letsinger or George Anderson. He knows about Kennedy and also King's death,s. He may have part in Kings death. I know he was in Tenn. before and after King was killed. I know Letsinger is wanted in Seattle. Also in Big Stone Gap, Virginia, by the F.B.I."

On June 12, 1968, information was received from the Seattle Division, Federal Bureau of Investigation, that one GEORGE ROBERT LETSINGER, FBI Number 584 742 P, [REDACTED] at Macomb, Missouri, was arrested at Jacksonville, Florida, on April 11, 1968, charged with grand larceny having stolen \$550 to \$60 from a restaurant in Seattle, Washington, for which he was employed.

LETSINGER was returned to Seattle, Washington, and on the basis of the charge against him, received a three-year deferred sentence, six months in the county jail and ordered to make restitution.

LETSINGER appealed this sentence and was placed on bond, however, departed the State of Washington and a bench warrant was subsequently issued by the Superior Court, Seattle, Washington.

GEORGE ROBERT LETSINGER

Information was also furnished that authorities at Seattle, Washington, desired his apprehension and would extradite LETSINGER to Seattle, Washington. Based on this information, the San Diego Police Department arrested GEORGE ROBERT LETSINGER at Room 117, Metropole Hotel, 124 Broadway, San Diego, California, on June 12, 1968. At time of arrest, LETSINGER admitted his identity and the fact that he knew he was wanted by the State of Washington.

GEORGE ROBERT LETSINGER was interviewed by Agents of the Federal Bureau of Investigation at San Diego, California, on June 13, 1968, at which time he advised as follows:

LETSINGER advised that in 1963 he went to England and visited the Russian Embassy, Grosvenor Square, London, England, for the purpose of renouncing his United States citizenship.

He was arrested while in England by New Scotland Yard, based upon a check which he had deposited in a bank prior to his departure to England and later determined it was a fraudulent check.

LETSINGER was asked why he desired to renounce his citizenship, to which he replied the country is no longer a country for the white people and is eventually being taken over by the "niggers."

LETSINGER exhibited a strong anti-Negro sentiment and stated that at one time he had been a member of a clan-type organization at Big Stone Gap, Virginia.

LETSINGER was questioned as to his association with JAMES EARL RAY and whether he had any knowledge concerning the assassinations of Dr. MARTIN LUTHER KING, Senator ROBERT F. KENNEDY and President JOHN F. KENNEDY. LETSINGER merely replied "I do not wish to talk about these subjects."

LETSINGER did say, however, that if Senator TED KENNEDY and Vice President HUBERT H. HUMPHREY continue to seek the Presidency of the United States, they will be assassinated. LETSINGER did not desire to elaborate regarding this information.

GEORGE ROBERT LETSINGER

LETSINGER admitted previous mental history, having been confined during 1961 for a short period of time at St. John's Hospital, Springfield, Missouri.

Handprinting was obtained from LETSINGER and was compared with the note received by the U. S. Post Office, San Diego, California, and because of a close resemblance of these, LETSINGER was asked if he, in fact, had written the note himself.

He categorically denied having written this note.

DETAILS:

By communication dated March 29, 1968, the Sacramento Office advised as follows:

The following investigation was conducted by SA
WILLIAM C. TOWER:

AT VACAVILLE, CALIFORNIA

VIRGINIA WEINER, Vacaville Reception Center, Department of Corrections, Archives, advised March 29, 1968, that the record of ROBERT LEE MC CARTHY, FBI Number 718 077 A, California State Bureau of Criminal Identification and Investigation (CII) Number 599 454, reveals that he was discharged from confinement on reversal of conviction, June 27, 1966,

SD 91-2341

and released to the San Diego County Sheriff's Office, San Diego, California.

It would appear MC CARTHY was in custody date of captioned robbery unless San Diego County Sheriff's Office records reveal he might have been out on bond pending new trial.

On April 19, 1968, a review of the San Diego County Sheriff's Office revealed no indication that ROBERT LEE MC CARTHY had in fact been released on bond from the San Diego County Jail.

On April 25, 1968, a review of Superior Court records revealed that ROBERT LEE MC CARTHY had remained in custody until his release on June 27, 1966 following a reversal of conviction.

On March 29, 1968, a number of photographs including one of LESTER JOHN LYNCH were displayed to bank witness SALLY MOXLEY, however, Mrs. MOXLEY felt that none of these individuals were responsible for the robbery of the Security First National Bank.

On the same date attempts to locate Mr. WILLIAM TANNER bank witness, met with negative results.

On April 23, 1968, a number of photographs, including one of LESTER JOHN LYNCH were displayed to bank witness WILLIAM TANNER, however, Mr. TANNER felt that none of the individuals depicted in the photographs were responsible for the robbery of the Security First National Bank.

On May 15, 1968, contacts with Sergeant ROBERT SCHROERS, San Diego Police Department Robbery Detail, failed to develop any additional suspects.

On June 18, 1968, contacts with Deputy DON BENDER, San Diego County Sheriff's Office Robbery Detail, failed to develop any logical suspects in this matter.

SD 91-2341

On May 28, 1968, a number of photographs including one of JAMES EARL RAY were displayed to bank witnesses RUTH MC GARDLE, WILLIAM TANNER and SALLY MOXLEY, however, none of these witnesses felt that any of these individuals were responsible for the robbery of the Security First National Bank on May 23, 1966.

PAUL CLIFFORD ENGLISH, FBI Number 656 594 A is being considered as a suspect in this matter due to his physical description and modus operandi. A review of ENGLISH's background reveals that he resided approximately three miles from captioned bank during time of robbery. ENGLISH normally wears pointed toe high-heel Italian shoes as did the unknown subject in this case. ENGLISH has admitted robbing a bank in close proximity to this bank, however, to date has only admitted robberies for which he has been formally charged. Attempts to date to display photographs of ENGLISH to bank witnesses have met with negative results.
