PSYCHOLOGICAL TREATMENT RECEIVED BY
JAMES E. RAY IN LOS ANGELES DURING THE
PERIOD NOVEMBER 27, 1967 TO DECEMBER 14, 1967

On April 19, 1968, Dr. MARK O. FREEMAN telephonically contacted the Los Angeles Office of the FBI stating he believed he had information regarding JAMES E. RAY and desired to be interviewed.

FEDERAL BUREAU OF INVESTIGATION

Date April 19, 1968

Dr. MARK O. FREEMAN, Ph.D., Clinical Psychologist, was interviewed at his residence, 227 South Bedford Drive, Beverly Hills, California, April 19, 1968, at which time he furnished the following information:

On November 27, 1967, he received a telephone call from a JAMES E. RAY, who said he wanted to overcome his shyness, gain social confidence, and learn self-hypnosis in order that he could relax, sleep and learn to remember things better. As there was an open appointment that afternoon, an appointment was made for RAY to come to the doctor's office, 9952 Santa Monica Boulevard, Beverly Hills, at 5:00 p.m.

RAY did report for the scheduled appointment on November 27th, at 5:00 p.m. Dr. FREEMAN exhibited a leaf from his consultation notebook (approximately 3"x5" in size), on which he said he had made some notes regarding RAY on the occasion of their first appointment. This notebook page contained the name JAMES E. RAY; address, 1535 North Serrano; telephone 469-8096; and notations indicating the patient was single; had said he was from East St. Louis, and had worked on boats on the Mississippi River. Born

In this first appointment and in subsequent appointments, RAY had very little to contribute about his personal family background. He said that he was unemployed. That he had worked as a cook on a Mississippi river steamer, but did not like the work, so had quit.

The doctor said he got the impression that RAY was an early riser, as he wanted early appointments, where ever possible. He also usually arrived at the office early, considerably ahead of his scheduled appointment time. He was not "shaky," when he arrived for the early morning appointments. No indications that he was suffering from "hang-overs," on those occasions.

RAY had no physical distresses. No headaches. Was in excellent health, trim and handsome. He gave no indications of being psychotic or of being plagued with neuroses. Impressed the doctor as having an average intelligence quotient. No evidence of any deep animosity.

Although he gave his birthdate as [] on the occasion of their first appointment, RAY impressed the doctor as being "young and immature."

In consultations subsequent to their first meeting, the doctor stated he felt that he and RAY developed a good rapport. RAY repeated his request that he wanted to overcome his shyness, and gain social confidence so that he would be able to talk to people. He was usually placid, cooperative, easily led in conversations, and did not fight against the doctor as some of his clients do. During either the second or third visit, the doctor asked RAY if he had any "deep dark secrets that he wanted to get off his chest." The doctor said he usually asks this question to determine if his clients have any criminal background or any sexual problems or aberrations. He said that RAY answered in the negative, and gave him no reason to doubt his answer.

RAY indicated he had read a lot of books on hypnosis. According to Dr. FREEMAN, "RAY had the old power idea of hypnotism. That is that you can go around looking people in the eye and can hypnotise them and make them do what you want them to." In subsequent appointments, Dr. FREEMAN placed RAY in a hypnotic state. He said he would have RAY lie down on a couch in his office, and stare at a little spiral on the ceiling. Then the doctor would talk to him. He was a very apt subject for hypnosis. Very eager, and very cooperative. He was an excellent hypnotic subject. He was likeable, and polite. He was making progress in overcoming his shyness. At the conclusion of each session, he thanked the doctor for his assistance; and indicated that he was satisfied with the progress he was making. He was learning to calm his body down, and overcome nervousness, and shyness. He usually did what the doctor wanted.

The doctor had no recollection of any particular habits or hobbies that RAY might have had. He did not recall any scars or peculiar physical characteristics that made any special impression on him with regard to RAY. He had no recollection of any discussions regarding sports, although their visits were during the height of the football season and the start of the basketball season. He was neat, and to the best of the doctor's recollection, usually wore a suit coat, without a tie. Two photographs of ERIC GALT (with eyes open and eyes closed) were exhibited to the doctor, who said they were excellent likenesses of his patient, JAMES E. RAY.

The doctor pointed out in his professional appointment book, entries for JAMES E. RAY covering six appointments and a seventh entry which was

3
LA 44-1574

crossed through. These appointment dates and times, as noted in the professional appointment book, were:

November 27, 1967	5:00 p.m.
November 30, 1967	10:00 a.m.
December 4, 1967	9:00 a.m.
December 6, 1967	10:00 a.m.
December 11, 1967	3:00 p.m.
December 14, 1967	10:00 a.m.
December 18, 1967	3:00 p.m.

This latter appointment (12/18/67) was the one with the line through it. The doctor recalled that RAY had telephone him at the office, after making the appointment for December 18th, and told him that he would be unable to come to the office for the appointment as he had received information from his brother, that the latter had "found a job for him in the Merchant Marine in New Orleans, Louisiana." The doctor is not sure of the date or time that RAY telephone to cancel this last appointment; but feels sure that it was sometime after their 10:00 a.m. appointment on December 14, 1968.

Dr. FREEMAN said that RAY paid in cash, \$25.00 per visit. Except he has the recollection that RAY sent him a money order (he believes it was a postal money order) for the final \$25.00 payment.

Concerning his own personal history background and professional training, Dr. FREEMAN advised he had his college training at the University of Illinois (where he had a minor in Zoology), the University of Zurich, and graduate study at the University of Southern California. He said he was an agent in the Army's counter-intelligence corps in Europe during World War II. He is married, and has two children (a son and daughter) living with him. In addition to his travels and studies in Europe; he has travelled in Japan. His office is located at 9952 Santa Monica Boulevard, Beverly Hills, California, and his office telephone number is CRestview 6-2412. The doctor said that many of his patients come to him a referral from Mr. MELVIN POWERS of the Wilshire Book Company on the Sunset Strip in Hollywood, California; which he described as a publishing house that publishes numerous titles in the field of self-hypnosis. It was his recollection that RAY had indicated he had read some of these books and that he had been referred to the doctor from that source.

4
LA 44-1574

The doctor concluded by stating that JAMES E. RAY came to him seeking psychological help in the nature of self-hypnosis to gain confidence, overcome shyness, learn to sleep better, and to be able to talk to people. Following each session, he was instructed to go home and practice the methods of relaxation they had gone over in the office. He was shy, introverted, and withdrawn, but not psychotic or plagued with any deep seated neuroses. Although he indicated he was unemployed, he never seemed to lack money to pay in cash for his consultations during the period of their appointments. When he called to cancel their last appointment, he indicated he was going to New Orleans to accept a position his brother had obtained for him; but he told the doctor he hoped they would meet again sometime.

Date 4/30/68

On April 25, 1968, Mr. HERBERT F. GREENBERG was contacted at his place of employment, 1640 South La Cienega Boulevard, by SAS THEODORE M. GARDNER and GILBERT G. BENJAMIN. After being advised of the identity of the contacting agents, he was interviewed regarding a purchase of a set of Japanese handcuffs by ERIC S. GALT, from the International Police Equipment Company, 806 South Robertson Avenue, Los Angeles, California.

GREENBERG stated he is the owner of the International Police Equipment Company, and that company is operated by him strictly on a mail order basis. He has no walk-in customers, and the address of 806 South Robertson Avenue, is nothing more than a mail drop utilized by him to receive mail directed to the International Police Equipment Company. He has been in business since 1953, and advertises police equipment for sale in all of the "trash" detective magazines; however, he does not advertise handcuffs. If a person ordered handcuffs from his company, this person would have to have been a former customer placing a re-order; or would have to have obtained a catalogue and order blank from a prior customer. GREENBERG explained that the only advertisements for handcuffs for sale by his company are contained in the police equipment catalogue that is also put out by his company. This catalogue is not readily available to the public, but is sent to a customer along with an original purchase. His catalogue is not distributed by mail lists, nor does his company utilize mailing lists in its operation.

Regarding the Japanese handcuffs, GREENBERG stated that he formerly sold a Spanish-made handcuff, and has only handled a Japanese manufactured cuff for the last ninety or one hundred days.

GREENBERG was advised that a package containing a set of Japanese handcuffs and a catalogue advertising police equipment for sale had been mailed by the International Police Equipment Company, 806 South Robertson Avenue, on March 16,

1968, to ERIC S. GALT, 5533 Hollywood Boulevard. GREENBERG advised that he did not personally recall filling such an order, but that he would check his records, and make available all information regarding the order. In this regard, GREENBERG stated that he would most probably have an original purchase order signed by the buyer, which he would make available.

During the late afternoon of April 25, 1968, GREENBERG telephonically contacted SA GARDNER at the Los Angeles FBI Office and advised that he had been in contact with the secretary who handled his company's records. She advised that she had located the above-described purchase order made by GALT, and that this order had been placed by him on February 26, 1968. She further advised that GALT had paid for the money order by check in the amount of \$9.98, but that for some reason the order had been delayed. GALT then called the secretary on the phone and asked her what had happened and requested she fill the order immediately. The secretary had then called GREENBERG and told him to ship the order immediately. GREENBERG advised that he would have the original order on the morning of April 26, 1968.

On April 26, 1968, GREENBERG was contacted at his place of employment by SAS GARDNER and G. J. MOOREHEAD. At this time, GREENBERG made available the following documents pertaining to the above-described sale:

(1) One Air Mail envelope, postmarked February 26, 1968, addressed to Tiffany Enterprises, 8512 Whitworth Drive, Los Angeles, California, bearing a return address of ERIC S. GALT, 5533 Hollywood Boulevard, Hollywood, California 90028.

(2) One typewritten letter, dated February 26, 1968, bearing the typewritten signature, ERIC S. GALT, as well as a written signature in the same name.

Inscribed on the letter were various notations in what appeared to be red-colored ball-point ink, and the numerals "998" in black ink. These notations, according to

3
LA 44-1574

GREENBERG, were placed there by himself at the time he filled the order. The above-described documents were inscribed on the back upper left hand corners, "4/26/68, TMG, LA, Calif." by SA GARDNER.

After furnishing the above-described documents, GREENBERG stated that he would have to revise the information previously furnished by him regarding the order and purchase of the handcuffs by GALT. He stated that Tiffany Enterprises is also a mail order business, and that two of the salesmen employed by Tiffany occasionally sell merchandise for him. In this regard, GREENBERG advised that in addition to the catalogue containing advertisements of police equipment for sale, he also put out a brochure which advertised the Japanese handcuffs.

He has furnished a number of these brochures to the Tiffany Enterprise salesmen, and they place a stamp on the brochure which indicates to a customer that these handcuffs can be purchased through Tiffany Enterprises. However, they do not carry handcuffs and any orders for them are filled by him. This would explain why GALT addressed his letter to Tiffany Enterprises. The secretary for Tiffany Enterprises, who is also utilized by him, advised him that GALT paid for his purchase with a money order in the amount of \$9.98. Her name is JANIE (last name unknown), and she can be located at Tiffany Enterprises. GREENBERG stated that in talking with her, she mentioned that agents of the FBI had already contacted her and other members of Tiffany Enterprises. GREENBERG described the brochures furnished to Tiffany Enterprises as a 8½" by 11" green sheet, a number of which were furnished to Mr. FLOYD CLEMENS of Tiffany Enterprises.

Eric Starvo Galt

Harvey Lowmyer

John Willard

MAC DONALD did not recognize any of RAY's aliases as being a customer, a member of the sales department, or an applicant to Kirby's Sales and Service.

Mr. MAC DONALD stated that on November 27, 1968, he placed an advertisement in the Los Angeles Herald Examiner advertising for service and sales personnel. The ad asked for men 18 to 45, no experience necessary, pertaining in field and service and setting forth the salaries that would be given. He advised that they had over 100 calls through the telephone listed in the advertisement, 941-8767. Of these 100 calls they eliminated approximately 50 of the applicants by phone. Of the approximately 50 remaining, applications were mailed to them and out of these approximately 20 people were called back and brought in for interview. Of the 20 interviewed, half were eliminated through the interview, and the remaining ten were trained in either sales or service. MAC DONALD stated that none of those that were interviewed resembled JAMES EARL RAY and he reviewed all names obtained through the phone calls and applications and none of them were similar to JAMES EARL RAY, ERIC STARVO GALT, HARVEY LOWMYER, or JOHN WILLARD.

Mr. MAC DONALD pointed out that he opened his shop on November 4, 1967 just three weeks before the ad was placed.

ALLAN ROSS was interviewed at his place of business, Squire, Incorporated, 6725 Sunset Boulevard, Los Angeles, California, by SAs GEORGE E. AIKEN, Jr. and E. RHEAD RICHARDS on April 15, 1968. He was shown a group of composite photographs of a suspect involved in the MARTIN LUTHER KING slaying, at which time he advised that he did not recall ever having noticed anyone who looked similar to any of the photographs.

He was then specifically asked if the name ERIC STARVO GALT or anyone using the last names of STARVO or FOTOS meant anything to him. ROSS stated that he did not recall anyone by the above names. He then stated that he would review his appointment books, his sales books and contact books in order to ascertain if anyone by these names had contacted him in the past as a prospective purchaser of a toupee from Squire.

After reviewing his records, he stated that the records reflected no one by the above mentioned names. He was then asked if he recalled seeing anyone socially or professionally during the past several months whom he knew to be an unemployed merchant seaman who wore expensive alligator shoes and who generally fit the description of the MARTIN LUTHER KING murder suspect which was written on the reverse sides of the photographs. After considerable thought, ROSS stated that he could not recall anyone having the above mannerisms or having the above names, either on a social or a professional basis. He advised that he would immediately contact the Los Angeles Division of the FBI should he recall that this individual in the past had associated with him in any manner.

August 9, 1967, amount of \$1.00 payable to

FEDERAL BUREAU OF INVESTIGATION

Date May 6, 1968

On May 6, 1968, Mr. GORDON W. SCHINDLER, President of Monogram Publications, Inc., and Futura Books, Inc., 21839 South Avalon Boulevard, Torrance, California upon hearing Agent introduce himself to the female clerk at the front desk, stated that he wanted to handle this matter personally.

SCHINDLER said that before he would answer any questions or make any matters available to the FBI with reference to ERIC S. GALT having made purchases from his concern, he wanted to ask some questions; (1) Did the Governor of Tennessee invite the FBI into this matter? (2) He had read in the newspapers that the Chief of Police in Memphis was unhappy with the FBI being there and just what jurisdiction did the FBI have in this matter?

As to the first question, Mr. SCHINDLER was advised that the President of the United States and the Attorney General had ordered the FBI into this matter in Memphis at which time Mr. SCHINDLER stated it appeared that the States have no rights anymore and that the Federal Government is taking over all their rights.

As to the second question, Mr. SCHINDLER was advised that the Chief of Police in Memphis was personally known to the interviewing Agent and did not believe the Chief of Police would have made such a statement. Secondly, Wanted Flyer 442-A dated April 19 1968 was displayed to Mr. SCHINDLER and the violations of Federal law set forth in this Wanted Flyer was explained to Mr. SCHINDLER.

Mr. SCHINDLER stated that so far as he was concerned, this whole matter was a waste of the taxpayer's money, that so far as he was concerned, the Federal Government had no jurisdiction in this matter,

that his type of books which he sells does not fall within the realm of being subversive or teaching someone how to shoot a gun, so therefore he shouldn't have to furnish any information in this regard. Further, he didn't like the idea of the FBI investigating his concern. Mr. SCHINDLER was informed that his concern was not being investigated by the FBI, that the FBI was seeking his cooperation as a good American citizen to furnish information about this matter voluntarily.

Mr. SCHINDLER then stated that he has had trouble with the United States Government in the past, that he sustained a conviction on a matter which was the publishing of a book that was declared to be obscene and now, under the present day standards, it is being sold on the open market in book stores. Further, that if the United States Government wanted anything from him or his records that they would have to appear there with the proper papers or subpoena.

A Secretary of the corporation, whom the interviewing Agent had dealt with on the previous interview came into the room and Mr. SCHINDLER turned to her stating that she was to give the FBI nothing without his authority.

It was pointed out to Mr. SCHINDLER that during the previous interview, one of the clerks had indicated that the name of ERIC S. GALT had sounded familiar to them and believe perhaps he had a previous order, that now it had been determined that a money order in the amount of \$9.00 dated 7/24/67 had been sent to:

FUTURA BOOKS
4533 Lennox
Inglewood, Calif.

Mr. SCHINDLER was advised by his Secretary that during the foregoing period of time she did not believe they kept track of their money orders, however she would make a diligent search for this order. Mr. SCHINDLER stated that he would agree to allow his Secretary to call the FBI and report whether or not they had such an order and to where it had been sent.

Mr. SCHINDLER stated that he would allow the FBI to make notes or a copy of this document, if it could be located, and that he intended to have the original document framed and hung on his office wall.

Mr. SCHINDLER claimed that he had not formed any personal adverse feelings towards the FBI other than it was another Governmental Agency involved in matters over which it has no jurisdiction.

Mr. SCHINDLER stated that he had just returned from New York and was amazed at the number of pornographic books he had observed in the book stores there, that he was sure that these books must have traveled in interstate shipments and thought the FBI and Postal Inspectors could spend more time in these types of cases rather than becoming involved in the matter in Memphis.

Through further conversations with Mr. SCHINDLER it was apparent he is aware of the activities of MARVIN MILLER of Covina Publishing Co., Covina, California and LOUIS LENITSKY. He did deny knowing EDDIE MISHKIN of New York.

On May 10, 1968, LORRAINE MARTIN of Futura Books, Inc., Torrance, California was telephonically contacted at 830-7903 for the purpose of acknowledging receipt of a Xerox copy of an order received by her concern on 7/26/67 from ERIC GALT, 2584 Notre Dame, Montreal, Canada, which she had mailed to Agent at the FBI Office in Los Angeles.

MARTIN explained that the initials of "SH" in the upper right-hand corner of this order means "SPECIAL HANDLING". Just to the left of this is their ink stamp date of receiving this order of 7/26/67 and on the right center margin is the time of receipt, 9 a.m.

MARTIN explained that the way their concern keeps records on what magazines an ad was taken from is in the address itself. In this particular one, "Dept. 17" is set forth. MARTIN states their records reflect that "Dept. 17" is for their ads placed in MEN'S REAL ADVENTURE magazine.

This order is checked for the following titled books:

UNUSUAL FEMALE SEX PRACTICES
SEX FEELING IN MEN & WOMEN

(2) It abounds in important — generally available only in higher priced books — enlarging the penis to a maximum; assistance in overcoming fears of wives; eliminating fears caused by over-sized and under-sized husbands; prolonging coitus; etc.

FEDERAL BUREAU OF INVESTIGATION

1Date 5/8/68

MILDRED GREENE, Receptionist, Barnett and Hersh, 7551 Melrose Boulevard, Los Angeles, California, said that E.Z. Formulas, 6311 Yucca Street, Hollywood, California, is a subsidiary of Barnett and Hersh. She stated that E.Z. Formulas pertains only to a magazine mail order business selling a single formula for making glass into a two-way mirror. She stated again that E.Z. Formulas sells only this single formula, not including the ingredients, for making glass into a two-way mirror. She provided a copy of the formula which consisted of a single printed yellow piece of paper of standard size.

She said that her firm has no record of any type of sale to a person using the names of ERIC STARVO GALT and/or JAMES EARL RAY. She said that when any subsidiary firm of Barnett and Hersh obtains a mail order, they immediately dispatch the item sold. They maintain no receipt or record of shipment. She said that they retain the addresses for a short period of time until a sufficient quantity has been accumulated to sell them to other mail order firms. She advised that all of these addresses have been sold, up to and including November 1967. She advised that these addresses were sold to Northwestern Company, 466 North Western, Los Angeles, California.

She advised that Barnett and Hersh utilize the addresses as provided by Postel, a mail box house and answering service located at 6311 Yucca Street, Hollywood, California.

JONATHAN YOST, Northwestern Company, 466 North Western, Los Angeles, California, advised that his firm purchases the names and addresses of mail order subscribers from Barnett and Hersh. He said this is a common practice in the mail order sales business and a common price is \$20.00 per thousand names. He said that his firm, upon purchasing these names, sends brochures to these individuals. He stated that if they receive no answer they no longer send any further brochures. He advised that after the initial mailing the names and addresses are destroyed. YOST stated that having purchased these names and addresses from Barnett and Hersh in November, his firm would have mailed the brochures to the names and addresses and thereafter would have destroyed them. YOST reviewed his files for the names JAMES EARL RAY and/or ERIC STARVO GALT. He could locate no such names.

INVESTIGATION TO DETERMINE MANUFACTURER
OF TIRE LOCATED ON 1966 WHITE MUSTANG
ABANDONED ATLANTA, GEORGIA

The Atlanta Office of the FBI furnished a photograph and inked impression of tire bearing serial number 4174P807. Investigation was conducted to determine the manufacturer of this tire, the place from which sold and identity of purchaser.

FEDERAL BUREAU OF INVESTIGATION

Date May 3, 1968

On May 1, 1968 a photograph and ink impression reflecting the tread design of the recapped tires found on the Mustang automobile abandoned by JAMES EARL RAY in Atlanta, Georgia, were exhibited to MAURICE CLAPP, Owner, SMC, Inc., Colton at Wabash, Mentone, California. Mr. CLAPP advised that the mold that made the tire tread design in question was manufactured by National Casting Company which was in the tire mold manufacturing business in Lynwood, California until approximately three years ago. He stated that when National Casting went out of business he bought many of their mold designs. He stated that Mrs. MARY SKOLICH, 11079 Sue Avenue, Lynwood, California, maintained all of the records for National Casting. Mr. CLAPP described the tread design as a "New Safety 8" design that was about five years old.

On May 2, 1968, Mrs. MARY SKOLICH, 11079 Sue Avenue, Lynwood, California, home phone 532-3918, business phone 636-1033, was contacted at the Hogebuilt Manufacturing Company, Lynwood, and she advised that she would make a search of her old records in an effort to determine for which company the National Casting Company made the Matrix in question. On May 3, 1968, Mrs. SKOLICH advised that the Matrix was made for the Garvin Tire Service Centers in the late part of 1962 or early part of 1963.

FEDERAL BUREAU OF INVESTIGATION

Date April 29, 19681

On April 18, 1968, Mr. RUDOLPH TELUSI, owner, Los Angeles Matrix Company, 5530 Borwick, South Gate, California, was interviewed in an effort to determine if the recap tires found on the auto abandoned by ERIC S. GALT in Atlanta, Georgia, were made from a mold manufactured and sold by his company.

Mr. TELUSI advised that his company manufactures tire molds and distributes them nationally. He added that 90 per cent of the companies distribution and sales of tire molds is in the Southern California area. He advised that there are over a thousand such tire molds sold by his company in California. Mr. TELUSI advised that his company does not place any type of identification marking or initials in its tire molds but he added that many of the people possessing such molds mark them with their own identification. Mr. TELUSI stated the initials "RGT" mean nothing to him. He stated that if he were to be able to examine the actual tires or a detailed duplication of the tread on the tires he would most likely be able to determine if the mold that made the tires was made and sold by his company.

On May 3, 1968, Mr. ROBERT PALLOTTO, Manager, Garvin Tire Service Center, 7257 Reseda Boulevard, Reseda, California, advised that his company purchased the Matrix in question in the late part of 1962 or early part of 1963 and his company has been and is still using the Matrix to mold tires. Mr. PALLOTTO advised that his company's tires do bear the identification mark of "GT" but he has no idea how the identification mark of "RGT" would get on one of the tires. A review of all of the sales invoices of the Reseda Center from August, 1967 to the end of March, 1968, failed to reflect any tire purchase identifiable to JAMES EARL RAY. PALLOTTO advised that his company often merely writes the word "cash" on the invoice rather than any name or address and it would therefore be impossible to identify the persons purchasing tires. PALLOTTO advised that his company also has a branch service center in North Hollywood, California, and their records would be available for review.

GALT, but was unable to locate any record of correspondence with GALT.

INVESTIGATION REGARDING ASSOCIATES
OF RAY AFFILIATED WITH AMERICAN
INDEPENDENT PARTY

CHARLES J. STEIN advised RAY, as condition to driving him to New Orleans, Louisiana, during December, 1967, requested STEIN, RITA STEIN and MARIE MARTIN to register with the American Independent Party in an effort to have the name of GEORGE WALLACE placed on the ballot as a candidate for the President of the United States.

FEDERAL BUREAU OF INVESTIGATION

Date 5/10/681

On May 9, 1968, RODERIC BURNS DUFF, 131 North Ivy Street, Monrovia, California, furnished the following information:

He is the President of the Los Angeles chapter of the Citizen's Council of America and is employed as a leadman in the plastic department of Mapo Productions, 1400 Grand Central Avenue, Burbank, California.

The Los Angeles Citizen's Council holds monthly meetings, usually at Embassy Hotel Auditorium, Los Angeles, which are open to the public but not advertised in the newspapers due to potential picketing. DUFF viewed a photograph of JAMES EARL RAY, and could not identify RAY as ever attending any of these open meetings.

In addition, DUFF advised that he is very active in support of the 1968 Presidential Campaign of Governor GEORGE C. WALLACE and is frequently at the WALLACE headquarters in Arcadia, California and Bell Gardens, California, and at the former office on Lankershim Boulevard, Los Angeles. He advised that he never saw anyone resembling RAY at these offices nor heard the name of ERIC STARVO GALT mentioned there.

DUFF concluded by stating that JAMES EARL RAY, also known as Eric Starvo Galt, is completely unknown to him by either photograph or name and he had no idea of who else could possibly be involved in the assassination of Dr. MARTIN LUTHER KING.
