In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

unidentified dead for the period beginning 4-5-68; and if fingerprints on such dead are maintained, they should be compared with those on the Identification Order on Ray in order to effect identification or nonidentification. This should be handled in the normal course of business and only reasonable investigation should be pursued along these lines.

The Identification Division has placed an appropriate stop on unidentified deceased inquiries it may receive. If feasible, appropriate offices and Legats, Mexico City and Ottawa should place similar stops with appropriate state, local or national agencies in your territories.

Result of examination:

Because of the distorted nature of the questioned signature on Q357 and the different style of handwriting employed, it could not be determined whether this signature was prepared by JAMES EARL RAY, FBI #405942G; however, nothing of particular significance was noted between the questioned signature and the known handwriting of RAY from such comparison as could be made.

For the information of St. Louis, Memphis investigation on 4-5-68 developed that a cab driver picked up a white male at the William Len Hotel, Memphis, around 12:05 a.m., 4-5-68, who first requested to go to West Memphis, Arkansas. Records at the William Len Hotel revealed Vincent Walker, 449 Steiner, San Francisco, California, and Lawrence Rand or Rend, 2532 Polk, Kansas City, Kansas, checked into the hotel at 2:38 p.m., 4-4-68 and checked out approximately 12:10 a.m., 4-5-68. south of the bar with the shuffleboard sitting against the east wall of the room. The officers then called for an urgent cruiser and secured the scene of the shooting to keep the witnesses from leaving.

Patn. Eldridge Wallemann 2386, in charge of car 39A, responded to the scene of the shooting and conveyed the victim to City Hospital # one where he was treated by Dr. T.G. Sison of the Staff and diagnosed as being in critical condition suffering from a gunshot wound of the throat and admitted for surgery.

The victim of the shooting then made the following statement to Patn. Wallemann in the hospital emergency room. He stated that he had been in the tavern drinking with a friend of his by the name of Jim Claussen. He further stated that Claussen became involved in an argument with some unknown subject sitting at the bar and that the unknown subject invited Claussen outside to fight. The victim Little stated that Claussen and the subject then went outside but that another man or two, unknown to him, started outside to join in the fight and upon seeing this he, Little, got up to go outside to help his friend, Claussen. He states that he had just gotten to the front door of the tavern when he was shot one time by a white male subject, 30-35 years of age, 5'10" tall, 170 lbs., who was holding what appeared to be a 22 Cal. Snub Nose Revolver with pearl handles. He further stated the subject had the gun in the palm of his hand. Little then stated he staggered back towards the rear of the tavern and collapsed on the shuffleboard. He could give no further information other than the fact he is sure he could identify his assailant.

James Claussen, a white, male, 30, giving a home address of 4454 Shaw, was interviewed and stated the following information. Claussen states he was in the tavern drinking with his friend, Little, when Little began arguing with an unknown white male subject sitting at the bar. Claussen states he then said something to the subject to the effect of leaving his friend, Little, alone at which time the unknown subject stated he would rather fight Claussen and invited him outside. Claussen states the and the subject then left the tavern and began fighting on the street in front of the tavern when two or three other men unknown to him came out of the tavern and started beating on him. Claussen further states that at this point the subjects were getting the best of him and he broke away and ran back into the tavern to get away from them. As he entered the tavern door he heard someone shout "Cliff's been shot." Claussen then ran to the back room and observed his friend, Little, lying on the shuffleboard bleeding from a neck wound.

Claussen states he did not hear a shot and did not see anyone with a gun or see anyone shoot the victim. He states he did see a subject known to him as Clarence or Carl Hanes sitting at the bar just prior to his going outside to fight with the unknown subject.

COMPLAINT NO.

Mr. James Franklin Lamphere, white, male, 40, residing at 1129 St. Helena Ave., Cahokia, Ill., states he had been at the bar since 5:00 PM drinking beer throughout this evening. Lamphere states a subject known to him as Carl Haney or a name similar to that entered the tavern around 10:00 PM and walked up to the victim Cliff Little, who was sitting at the bar, and began having words with him at this time Lamphere heard Haney call Little a "No Good Son of a Bitch." Little then got off his bar stool and began swinging at Haney with Haney swinging back at Little. At this time they were almost out the front door of the tavern. Lamphere then stated the subject known to him as Haney pulled a small gun from his trouser pocket and told Little to back away, however, at this time Little took a step towards Haney and Haney shot him and then ran out the door of the tavern. He gave the same description of Haney as is listed on page one, Block 30-A.

Mr. Glenwood David Black, a white, male 47, born [redacted] residing at 1944 Rutger, stated he was drinking at the bar at 1824 So. 10th and heard a shot fired at which time he left the bar and went to the rest room. He further stated he heard only one shot fired and did not know who fired the shot or where the shot was fired.

Mr. Winford Black, white, male 27, born [redacted] residing at 944 Rutger, stated that he did not see or hear anything due to the fact he entered after the police arrived at the scene.

Mrs. Dorothy Turley, white, female 34, residing at 3652 Folsom, Apt. 7, stated she was sitting on the fourth stool from the east end of the bar and heard several men in the south room by the bar arguing among themselves. She further stated that a subject later identified to her as Cliff Little and another white male started fighting towards the front door of the tavern and when almost out of the tavern and at about that time she heard a shot. She then looked towards the front door and observed a white male, no further, standing outside the front door and heard him shout he would shoot anyone who came after him. She could offer no further information.

Mr. Basil Berry, white, male 60, residing at 1824 S. 10th in the rear of the tavern, stated he was tending bar at the tavern and heard a subject known to him as Clarence Haynes and a subject by the name of Cliff Little arguing along with some other men at the bar. He then saw Little and Haynes begin swing at each other and wrestling around the tavern and when they got close to the front door he observed Haynes remove a small revolver from his right front trouser pocket and shoot Cliff Little and then run from the tavern. He stated Little staggered to the rear of the tavern and fell face down on the floor against the bowling machine.

A further questioning of the witnesses of the shooting determined that the correct name of the subject who did the shooting was actually Clarence Haynes.

COMPLAINT NO.

At this time a listing was found in the telephone directory for a Clarence Haynes residing at 1822 No. 21st street and it was further determined that Clarence Haynes residing somewhere in north St. Louis. Detectives Fred Armes 2973, and Wayne Thornberry 5482, along with Patn. Charles Ruzicka 1966, then went to 1822 No. 21st street and arrested at that location at 2:00 AM this date the below named subjects.

#1- HAYNES, CLARENCE EDGAR: white, male 53, born [redacted] Mo., married, mover, residing at 1822 No. 21st St. (AR 3-4975)

#2- RAY, JOHN LARRY: white, male 34, born [redacted] Ill., single, bartender, claiming to reside at 2025 Bellview, Maplewood, Mo. (@ Jerry William Ryan) (AR 3-4976)

Haynes was placed under arrest for Assault With Intent to Kill and Ray was placed under arrest for Suspect of Common Assault due to the fact he had a fresh cut on his forehead and his hands were skinned up as if he had been fighting. The arrested subjects were then conveyed to the Third District Station where they were advised of their rights as follows:

1. That they could remain silent,
2. That anything they said would be used against them.
3. That they were entitled to counsel.
4. That counsel could be provided if they were indigent.
5. That counsel could be present while they were questioned.

At this time the following named witness identified Clarence Haynes as the person who had shot Little. Basil Berry and James Lamphere made positive identification and James Claussen identified him as the person who had been seated at the bar just prior to the fighting and shooting. Claussen also stated that John Ray appeared to be the man who he had been fighting with and who had hit him about the fact with his fist but he could not make positive identification.

Further investigation revealed that one Lawrence Wright, white, male, 39, residing at 1802 S. 13th St., had been in the tavern and had heard some men arguing and when he looked up he saw a white male subject pull a small gun from his right trouser pocket and shoot another subject near the front door to the tavern. He positively identified subject Clarence Haynes as the person he had seen shoot Cliff Little.

At this point the arrested subjects John Ray and Clarence Haynes were conveyed to City Hospital #1 to attempt to have the victim, Little, make an identification, however, Little was only semi-conscious and was unable to make awake enough to make a statement as to the identification.

The arrested subjects were then conveyed to the district station where they were booked on the following named charges.

Haynes was booked on a charge of Assault with Intent to Kill per AR 3-4975.

Ray was booked on a charge of Suspect of Common Assault per ar 3-4976.

It should be noted that Dept. Photographer Roger Shields 6659 came to the scene of the shooting and took photographs of the interior of the tavern. The tavern at 1824 S. 10th has liquor license under the name of Robert Simon under the following license numbers—Federal 247342, state 2166, both expiring 6-30-68 and city license 3889 expiring 12-20-67.

The witnesses who made identification of subject Clarence Haynes were given warrant commands to appear in the Office of the Circuit Attorney in the AM to make a statement in this matter.

It will be noted that at the time of the Arrest of Haynes and Ray at 1822 No. 21st a search was made of the house where Haynes is living in an attempt to find the gun used in the shooting, however, the search was negative. The subjects were questioned about the shooting after being advised of their rights and both subjects refused to make any statement.

Record Clerk Harris 6011 was contacted and advised both subjects have prior records, no wanted cards on file under the name of Clarence Haynes or Jerry William Ryan, however, under the name John Larry Ryan it was determined that he has two bench warrants in file. He was booked on an additional charge of a State Bench Warrant # 872 for No Vehicle License per Patn. Bauman 5670 and No City License per BW U568302 Patn. Bauman 5670 of District Three, to appear in CC # 1 on 11-30-67 on the No City License charge.

It should be noted that when Patn. Walleman was interviewing victim Little at the hospital that Little informed him that he had no living relatives and that his common law wife, Sharon, left for Tennessee this date to visit relatives and that he did not wish her notified and did not know her exact location in Tennessee.
